CHARACTERISTICS OF GEM

GEM has been positioned as a market designed to accommodate companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

2. ISSUE MANDATE

Pursuant to the resolutions passed by the Shareholders at an extraordinary general meeting held on 22 January 2019, a general mandate was granted to the Directors to allot, issue and deal with Shares. LETTER FROM THE BOARD

resolution will be proposed at the Annual General Meeting to approve the granting of the Issue Mandate to the Directors to exercise the powers of the Company to allot, issue and/or otherwise deal with additional Shares not exceeding 20% of the total number of issued Shares as at the date of passing of the resolution in relation to the Issue Mandate.

As at the Latest Practicable Date, 1,230,000,000 Shares have been fully issued and paid. Subject to the passing of the ordinary resolution numbered 5(A) set out in the AGM Notice and on the basis that the issued share capital of the Company remains unchanged after the Latest Practicable Date and up to the date of the Annual General Meeting, the Company will be allowed to issue a maximum of 246,000,000 Shares.

In addition, subject to a separate approval of the ordinary resolution numbered 5(C) set out in the AGM Notice, the number of Shares purchased by the Company under the ordinary resolution numbered 5(B) set out in the AGM Notice will be added to extend the Issue Mandate as mentioned in the ordinary resolution numbered 5(A) set out in the AGM Notice provided that such additional value shall not exceed 10% of the total number of issued Shares as at the date of passing the resolution in relation to the Repurchase Mandate. The Directors wish to state that they have no immediate plan to issue any new Shares pursuant to the Issue Mandate.

3. REPURCHASE MANDATE

Pursuant to the written resolutions passed by the Shareholders at an extraordinary general meeting held on 22 January 2019, a general mandate was granted to the Directors to repurchase Shares. Such mandate will expire at the conclusion of the Annual General Meeting. In order to ensure flexibility and give discretion to the Directors in the event that it becomes desirable for the Company to repurchase Shares, an ordinary resolution will be proposed at the Annual General Meeting to approve the granting of the Repurchase Mandate to the Directors to exercise the powers of the Company to repurchase Shares on the Stock Exchange not exceeding 10% of the total number of issued Shares as at the date of passing of the resolution in relation to the Repurchase Mandate.

All Board appointments will be based on meritocracy, and candidates will be considered against objective criteria including talents, skills and experience as may be necessary for the operation of the Board as a whole, with a view to maintaining a sound balance of the Board's composition.

Name of company	Place of incorporation	Nature of business	Date of dissolution	Means of dissolution
Uniford Asia Limited (統發亞洲有限公司)	Hong Kong	Investment holding	18 May 2001	Striking off

Mr. Au Yeung confirms that there is no wrongful act on his part leading to the above dissolution of the company and he is not aware of any actual or potential claim that has been or will be made against him as a result of the dissolution of the company.

Mr. Au Yeung has entered into a letter of appointment with the Company for a term of three years commencing from the Listing Date until terminated by either party by giving not less than three months' notice in writing to the other, and subject to the relevant provisions of retirement and re-election at the annual general meetings of the Company in accordance with the Articles of Association. Pursuant to the letter of appointment, Mr. Au Yeung is entitled to receive an annual remuneration of HK\$180,000 for acting as an independent non-executive Director. The remuneration of Mr. Au Yeung has been determined on the basis of his performance, responsibilities, commitment and tenure.

This Appendix serves as an explanatory statement, as required by Rule 13.08 and other relevant provisions of the GEM Listing Rules, to provide all the information reasonably necessary to enable Shareholders to make an informed decision on whether to approve the Repurchase Mandate.

GEM LISTING RULES

The GEM Listing Rules permit companies with a primary listing on GEM to repurchase their Shares on the Stock Exchange subject to certain restrictions.

SHAREHOLDERS' APPROVAL

All proposed repurchases of Shares by a company with a primary listing on GEM must be approved in advance by an ordinary resolution, either by way of general mandate or by specific approval of a particular transaction.

SHARE CAPITAL

As at the Latest Practicable Date, the number of issued Shares was 1,230,000,000 Shares of nominal value of HK\$0.001 each which have been fully paid. Subject to the passing of the resolution in relation to the granting of the Repurchase Mandate and on the basis that the issued share capital of the Company remains unchanged after the Latest Practicable Date and up to the date of the Annual General Meeting, the Company will be allowed to repurchase a maximum of 123,000,000 Shares which represent 10% of the total number of issued Shares as at the date of the Annual General Meeting during the period in which the Repurchase Mandate remains in force.

REASONS FOR REPURCHASE

The Directors believe that it is in the best interests of the Company and the Shareholders to have a general authority from the Shareholders to enable the Company to repurchase its Shares in the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the Company's net asset value and/or its earnings per Share.

The Directors have no present intention to repurchase any Shares and they would only exercise the power to repurchase in circumstances where they consider that the repurchase would be in the best interests of the Company and the Shareholders as a whole.

FUNDING OF REPURCHASE

Repurchase of the Shares must be funded out of funds legally available for such purpose in accordance with the GEM Listing Rules, the memorandum of association of the Company, the Articles of Association, the Companies Law and other applicable laws of the Cayman Islands. The Directors may not repurchase the Shares on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange. Subject to the foregoing, the Directors may make repurchases

with profits of the Company or out of proceeds of a new issuance of Shares made for the purpose of the repurchase or out of the Company's share premium account or, if authorised by the Articles of Association and subject to the Companies Law, out of capital.

The Directors believe that if the Repurchase Mandate is exercised in full, it may have a material adverse impact on the working capital or gearing position of the Company, as compared with the positions disclosed in the audited consolidated financial statements of the Company for the year ended 31 December 2018. The Directors do not intend to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or its gearing levels which, in the opinion of the Directors, are from time to time appropriate for the Company.

SHARE PRICES

Since the Company was listed on GEM on 19 February 2019, the highest and lowest prices at which the Shares had been traded on GEM from the Listing Date to the Latest Practicable Date were as follows:

Month	Highest prices <i>HK\$</i>	Lowest prices <i>HK\$</i>
2019		
February	0.360	0.215
March (up to the Latest Practicable Date)	0.265	0.200

INTENTION TO SELL SHARES, UNDERTAKING AND CONNECTED PERSON

None of the Directors nor, to the best of their knowledge, having made all reasonable enquiries, their respective close associates, have any present intention if the Repurchase Mandate is approved by the Shareholders, to sell any Shares to the Company.

No core connected person has notified the Company that he or she or it has a present intention to sell any Shares to the Company, or has undertaken not to do so, if the Repurchase Mandate is approved by the Shareholders.

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the GEM Listing Rules, the Articles of Association and the applicable laws of the Cayman Islands.

TAKEOVERS CODE

If as a result of a repurchase of Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of voting rights for the purposes of the Takeovers Code. Accordingly, a Shareholder, or a group of Shareholders acting in concert (within the

meaning under the Takeovers Code), depending on the level of increase in the Shareholder's interest, could obtain or consolidate control of the Company and thereby become obliged to make a mandatory offer in accordance with Rule 26 and Rule 32 of the Takeovers Code.

As at the Latest Practicable Date, to the best knowledge of the Company, the following Shareholders were interested in more than 10% of the Shares then in issue. In the event that the Directors should exercise in full the power to repurchase Shares which is proposed to be granted pursuant to the Repurchase Mandate, the total interests of such Shareholders in the Shares would be increased to approximately the percentages set out in the last column as follows (assuming there is no other change in the issued share capital of the Company):

Name of Shareholders	Number of Shares interested	Approximate % of issued share capital as at the Latest Practicable Date	Approximate % of issued share capital as at the Latest Practicable Date if the Repurchase Mandate is exercised in full
Quantsmile (BVI) Limited (<i>Note 1</i>)	411,902,870	33.49%	37.21%
Eagle Business Consulting Limited (<i>Notes 2 and 3</i>)	634,546,910	51.59%	57.32%
Good Steward Foundation Limited (<i>Notes 3 and 4</i>)	634,546,910	51.59%	57.32%
Financial Data Technologies Limited (<i>Note 5</i>)	130,000,000	10.57%	11.74%
Mr. Nie Lehui (<i>Note 5</i>)	130,000,000	10.57%	11.74%
Glory Sight Holdings Ltd. (<i>Note 6</i>)	87,812,200	7.09%	7.93%
Mr. Wong Tit Shing (<i>Note 6</i>)	87,812,200	7.09%	7.93%

In the event that the Repurchase Mandate is exercised in full and assuming that there is no other change in the issued share capital of the Company between the Latest Practicable Date and the date of repurchase, the shareholdings of these Shareholders in the Company would be increased to approximately the respective percentages as shown in the last column of the table above. Such increases will give rise to an obligation for Quantsmile (BVI) to make a mandatory offer for all the issued Shares under Rule 26 and Rule 32 of the Takeovers Code. As at the Latest Practicable Date, the Directors have no present intention to exercise the Repurchase Mandate to such an extent which would result in takeovers obligation under the Takeovers Code.

The GEM Listing Rules prohibit a company from making repurchase on the Stock Exchange if the result of the repurchase would be that less than 25% (or such other prescribed minimum percentage as determined by the Stock Exchange) of the total number of issued Shares would be in public hands. The Directors have no intention to exercise the Repurchase Mandate to such extent that would result in the number of the Shares held by the public falling below the prescribed minimum percentage required by the Stock Exchange.

SHARE REPURCHASE MADE BY THE COMPANY

No repurchases of Shares have been made by the Company from the Listing Date to the Latest Practicable Date (whether on the Stock Exchange or otherwise).
