To the Shareholders

Dear Sir/Madam,

GENERAL MANDATES TO ISSUE AND REPURCHASE SHARES, RE-ELECTION OF RETIRING DIRECTORS AND NOTICE OF ANNUAL GENERAL MEETING

INTRODUCTION

The purpose of this circular is to provide you with information reasonably necessary to enable you to make an informed decision on whether to vote for or against the ordinary resolutions to be proposed at the Annual General Meeting which has been convened for the purpose of considering and if thought fit, approving, inter alia:

- the grant of the Share Issue Mandate and Repurchase Mandate to Directors to issue new Shares and repurchase Shares.

LETTER FROM THE BOARD

A notice of the Annual General Meeting is set out on pages 14 to 18 of this circular.

GENERAL MANDATES TO ISSUE NEW SHARES AND REPURCHASE ITS OWN SHARES

At the last annual general meeting of the Company held on 27 June 2018, the Directors were granted a general mandate to allot and issue Shares and a general mandate to repurchase Shares. These mandates will expire at the conclusion of the Annual General Meeting. The Directors propose to seek the approval of the Shareholders at the Annual General Meeting by way of passing ordinary resolutions for the grant of:

- the Share Issue Mandate to issue Shares up to a maximum of 20% of the Shares in issue as at the date of passing of the relevant resolution; which represent 152,863,484 shares as at the Latest Practicable Date; and
- the Repurchase Mandate to repurchase Shares up to a maximum of 10% of the Shares in issue as at the date of passing of the relevant resolution.

Whilst the Directors do not presently intend to repurchase any Shares, they believe that the flexibility afforded by the Repurchase Mandate, if the ordinary resolution granting it is passed, would be beneficial to the Company.

As at the Latest Practicable Date, the issued share capital of the Company was 764,317,421 Shares. Subject to the passing of the ordinary resolution approving the Repurchase Mandate and on the basis that no further Shares are issued or repurchased after the Latest Practicable Date and up to the date of passing of such resolution, the Directors would be authorised to repurchase up to 76,431,742 Shares during the period up to the next annual general meeting in 2020 or the expiration of the period within which the next annual general meeting of the Company is required by law to be held or the revocation or variation of the Repurchase Mandate by an ordinary resolution of the Shareholders in general meeting of the Company, whichever occurs first.

REASONS FOR REPURCHASE

Repurchases of Shares will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the value of the net assets of the Company and/or earnings and/or dividend per Share.

LETTER FROM THE BOARD

FUNDING OF REPURCHASES

Repurchases must be funded out of funds legally available for the purpose in accordance with the articles of association of the Company and the laws of the Cayman Islands, being profits available for distribution and the proceeds of a fresh issue of shares made for the purpose of the repurchase and it is envisaged that the funds required for any repurchase would be derived from such sources.

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in its most recent published audited financial statements as at 31 December 2018) in the event that the Repurchase Mandate is exercised in full. However, the Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

DISCLOSURE OF INTERESTS

None of the Directors, and to the best of their knowledge, having made all reasonable enquiries, none of their associates, has any present intention, if the Repurchase Mandate is exercised, to sell any Shares to the Company or its subsidiaries.

No connected person (as defined in the Listing Rules) has notified the Company that he has a present intention to sell any Shares to the Company, or that he has undertaken not to sell any Shares held by him to the Company, in the event that the Repurchase Mandate is granted by the Shareholders at the Annual General Meeting and is exercised.

SHARE PURCHASE MADE BY THE COMPANY

There have been no repurchases of Shares by the Company during the six months prior to the date of this document (whether on the Stock Exchange or otherwise).

DIRECTOR'S UNDERTAKING

The Directors have undertaken to the Stock Exchange that they will exercise the Repurchase Mandate in accordance with the Listing Rules and the applicable laws of Cayman Islands so far as the same may be applicable.

LETTER FROM THE BOARD

TAKEOVERS CODE CONSEQUENCES AND MINIMUM PUBLIC FLOAT

If as a result of a repurchase of Shares a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Takeovers Code. As a result, a Shareholder, or group of Shareholders acting in concert, depending on the level of increase of the Shareholder's interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, Goldhill Profits Limited ("Goldhill") is holding 280,895,630 Shares representing approximately 36.75% of the entire issued Shares of the Company and Lees International Investments Limited ("Lees International") is holding 28,712,551 Shares representing approximately 3.76% of the entire issued Shares of the Company. Assuming the Repurchase Mandate is exercised in full and there is not any issue of new Shares by the Company, the shareholding of Goldhill will be increased to 40.83% of the entire issued Shares of the Company and the shareholding of Lees International will be increased to 4.17% of the entire issued Shares. In the opinion of the Directors, such increase of Goldhill may give rise to an obligation to make a mandatory offer under Rule 26 of the Takeovers Code. The Directors have no present intention to exercise the repurchase proposal to such an extent as would result in takeover obligations. Apart from Goldhill and Lees International, the Directors are not aware of any Shareholder, or group of Shareholders acting in concert who may become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code in the event that the Directors exercise the power to repurchase Shares pursuant to the Repurchase Mandate.

The Directors will not exercise the Repurchases Mandate to such an extent that will result in the number of Shares in the hands of public falling below the prescribed minimum percentage of 25%.
