The Listing Rules contain provisions to regulate the issuance of shares and repurchase by companies with primary listings on the Stock Exchange of their own shares on the Stock Exchange.

At the annual general meeting of the Company held on 26 June 2018, general mandates were given to the Directors to exercise the powers of the Company to (1) allot, issue and deal with new Shares and other securities of an aggregate amount of up to 1,578,845,950 Shares, being 20% of the number of issued Shares on the date of passing the said ordinary resolution at the annual general meeting; and (2) to undertake repurchases of the Company's fully paid up shares of up to a maximum of 789,422,975 Shares, being 10% of the number of issued Shares on the date of passing the said ordinary resolution at the annual general meeting. Such general mandates will continue in force until the conclusion of the forthcoming AGM.

Hence, ordinary resolutions will be proposed at the AGM:

- (a) to grant the General Mandate to the Directors to exercise the powers of the Company to allot and issue the number of Shares and other securities not exceeding 20% of the number of issued Shares as at the date of passing the resolution. The General Mandate will end on the earliest of the date of the next annual general meeting, the date by which the next annual general meeting of the Company is required to be held by the Bye-laws or the date upon which such authority is revoked or varied by an ordinary resolution of the Shareholders at a general meeting of the Company. Based on 7,894,229,754 Shares in issue as at the Latest Practicable Date and assuming no other Shares will be issued or repurchased between the Latest Practicable Date and the AGM, the Directors will be authorized to issue up to 1,578,845,950 Shares under the General Mandate;

As at the Latest Practicable Date, the number of Shares in issue is 7,894,229,754 Shares. Subject to the passing of the proposed ordinary resolution approving the granting of the Repurchase Mandate and on the basis that no other Shares are issued or repurchased between the Latest Practicable Date and the AGM, the Company would be allowed under the Repurchase Mandate to repurchase a maximum of 789,422,975 Shares, being 10% of the number of issued Shares as at the date of passing of the resolution in relation thereof. The Repurchase Mandate will end on the earliest of the date of the next annual general meeting, the date by which the next annual general meeting of the Company is required to be held by the Bye-laws or the date upon which such authority is revoked or varied by an ordinary resolution of the Shareholders at a general meeting of the Company; and

Yours faithfully,  
By Order of the Board  
**Theme International Holdings Limited**  
**Kang Jian**  
*Executive Director and Vice Chairman*

*This appendix serves as an explanatory statement, as required by the Listing Rules, to provide requisite information for Shareholders to consider the Repurchase Mandate.*

## **1. SHARE CAPITAL**

As at the Latest Practicable Date, the issued share capital of the Company comprised 7,894,229,754 Shares.

Subject to the passing of the ordinary resolution to approve the Repurchase Mandate and on the assumption that no further Shares are issued or repurchased prior to the AGM, the Company would be allowed under the Repurchase Mandate to repurchase a maximum of 789,422,975 Shares (representing not more than 10% of the number of issued Shares as at the date of passing the resolution to approve the Repurchase Mandate).

## **2. REASONS FOR REPURCHASES**

The Directors believe that the Repurchase Mandate is in the best interests of the Company and its Shareholders. Such repurchase may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net assets value and/or earnings per Share of the Company and will only be made when the Directors believe that such a repurchase will benefit the Company and its Shareholders.

## **3. FUNDING OF REPURCHASES**

It is envisaged that the funds required for any repurchase would be derived from the capital paid up on the shares being repurchased or from the funds of the Company which would otherwise be available for dividend or distribution or out of the proceeds of a fresh issue of shares made for the purposes of the repurchase, and in the case of any premium payable on such repurchase, funds of the Company which would otherwise be available for dividend or distribution or from the Company's share premium account before the repurchase, being funds legally available for this purpose in accordance with the memorandum of association, the Bye-laws and the Companies Act 1981 of Bermuda (as amended).

There might be a material adverse impact on the working capital and gearing position of the Company as compared with the position disclosed in the Company's audited financial statements contained in the annual report for the year ended 31 December 2018 in the event that the power to repurchase Shares pursuant to the Repurchase Mandate was to be carried out in full at any time during the proposed repurchase period. However, the Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements or the gearing levels of the Company which in the opinion of the Directors are from time to time appropriate for the Company.

#### 4. SHARE PRICES

#### 5. UNDERTAKING

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the powers of the Company to make repurchases pursuant to the Repurchase Mandate in accordance with the Listing Rules and the applicable laws of Bermuda.

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their close associates, has any present intention to sell any Shares to the Company under the Repurchase Mandate if such is approved by the Shareholders.
