## CHARACTERISTICS OF GEM

---

GEM has been positioned as a market designed to accommodate small and mid-sized companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration.

Given that the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

### 4. RE-ELECTION OF DIRECTORS

Pursuant to the Bye-Laws, any Director appointed by the Board to fill a casual vacancy shall hold office until the first general meeting of the Company after his/her appointment and be subject to re-election at such meeting. Accordingly, Ms. Lai Szu Yu, who was appointed as an executive Director by the Board on 30 April 2019 to fill a casual vacancy, shall hold office until the AGM and be subject to re-election at the AGM.

The Bye-Laws also provide that at each annual general meeting, one-third of the Directors for the time being (or, if their number is not a multiple of three, the number nearest to but not less than one-third) shall retire from office by rotation provided that every Director shall be subject to retirement at least once every three years. The Bye-Laws further provide that a retiring Director shall be eligible for re-election. The Directors to retire by rotation shall include any Director who wishes to retire and not to offer himself/herself for re-election. Any further Directors so to retire shall be those of the other Directors subject to retirement by rotation who have been longest in office since their last re-election or appointment and so that as between persons who became or were last re-elected Directors on the same day those to retire shall (unless they otherwise agree among themselves) be determined by lot. In accordance with the above provisions of the Bye-Laws, Ms. Xie Si, Mr. Wang Zhiwei and Mr. Li Long will retire from office by rotation at the AGM.

The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this circular misleading.

### 8. GENERAL INFORMATION

Your attention is drawn to the additional information set out in Appendix I (Explanatory statement on the Repurchase Mandate) and Appendix II (Details of the Directors proposed to be re-elected at the Annual General Meeting) to this circular.

Yours faithfully,  
For and on behalf of the Board  
**First Credit Finance Group Limited**  
**Li Sin Hung Maxim**  
*Chairman*

This Appendix serves as an explanatory statement, as required by the GEM Listing Rules, to enable you to make an informed decision on whether to vote for or against the ordinary resolution to be proposed at the AGM in relation to the grant of the Repurchase Mandate.

#### **A. REASONS FOR REPURCHASE OF SHARES**

The Directors believe that the grant of the Repurchase Mandate is in the interests of the Company and the Shareholders as a whole. Repurchases of Shares may, depending on market conditions and funding arrangements at the time, result in an enhancement of the net asset value per Share and/or earnings per Share. The Directors are seeking for the grant of the Repurchase Mandate to give the Company the flexibility to repurchase Shares if and when appropriate. The number of Shares to be repurchased and the price and other terms upon which the same are repurchased will be decided by the Directors at the relevant time, having regard to the circumstances then pertaining.

#### **B. SHARE CAPITAL**

As at the Latest Practicable Date, the issued share capital of the Company comprised 3,628,800,000 Shares.

Subject to the passing of the Ordinary Resolution numbered 5 in respect of the grant of the Repurchase Mandate and on the basis that the aggregate number of issued Shares remains unchanged on the date of the AGM, i.e. being 3,628,800,000 Shares, the Directors would be authorised under the Repurchase Mandate to repurchase, during the period within which the Repurchase Mandate remains in force, an aggregate number of Shares up to a maximum of 362,880,000 Shares, representing 10% of the aggregate number of issued Shares as at the date of the AGM.

#### **C. FUNDING OF REPURCHASES**

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with its Memorandum of Continuance, Bye-Laws, the Companies Act and the applicable laws and regulations of Bermuda. The Companies Act provides that a company may only repurchase its own shares out of capital paid up on its shares to be repurchased, or out of funds of the company which would otherwise be available for dividend or distribution or out of the proceeds of a fresh issue of shares made by the company for the purpose of the repurchase. Any amount of premium payable on a repurchase over the par value of the shares may only be effected out of either funds of the company that would otherwise be available for dividend or distribution, or out of the company's share premium account. Further, such repurchase may not be made if, on the date on which the repurchase is to be effected, there are reasonable grounds for believing that the company is, or after the repurchase would be, unable to pay its liabilities as they become due.

**D. IMPACT OF REPURCHASES**

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited consolidated financial statements contained in the annual report of the Company for the year ended 31 December 2018) in the event that the Repurchase Mandate was to be carried out in full at any time during the proposed period within which the Repurchase Mandate remains in force. However, the Directors do not intend to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements or the gearing levels of the Company which in the opinion of the Directors are from time to time appropriate for the Company.

**E. GENERAL**

The Directors have undertaken to the Stock Exchange to exercise the power of the Company to make repurchases of Shares pursuant to the Repurchase Mandate in accordance with the GEM Listing Rules and the applicable laws of Bermuda.

None of the Directors and, to the best of their knowledge having made all reasonable enquiries, any of their respective close associates (as defined in the GEM Listing Rules), has any present intention to sell any Shares to the Company in the event that the grant of the Repurchase Mandate is approved by the Shareholders.

As at the Latest Practicable Date, the Company had not been notified by any core connected persons (as defined in the GEM Listing Rules) of the Company that they have a present intention to sell any Shares to the Company, or that they have undertaken not to sell any Shares held by them to the Company in the event that the grant of the Repurchase Mandate is approved by the Shareholders.

**F. TAKEOVERS CODE**

Pursuant to Rule 32 of the Takeovers Code, if, on the exercise of the power of the Company to repurchase Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of voting rights for the purposes of the Takeovers Code. Accordingly, if a Shareholder or a group of Shareholders acting in concert (as defined under the Takeovers Code), depending on the level of increase in the Shareholders' interest, could obtain or consolidate control of the Company, such Shareholder or group of Shareholders would become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code for all the Shares not already owned by such Shareholder or group of Shareholders.

As at the Latest Practicable Date, to the best of the Directors' knowledge having made all reasonable enquiries:

- (i) Mr. Ng Kam Lung Volais was interested in 1,013,040,000 Shares, representing approximately 27.92% of the total issued share capital of the Company; and

- (ii) Mr. Xiao Guoliang was interested in 1,070,400,000 Shares, representing approximately 29.50% of the total issued share capital of the Company.

In the event that the Repurchase Mandate was exercised in full and assuming that there was no further issue or repurchase of Shares during the period from the Latest Practicable Date up to and including the date of the AGM, the shareholding of Mr. Ng Kam Lung Volais and Mr. Xiao Guoliang in the Company would increase to approximately 31.02% and 32.77% respectively. In such circumstances, each of Mr. Ng Kam Lung Volais and Mr. Xiao Guoliang would become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code for all the Shares not already owned by him.

The Directors have no intention to repurchase Shares which would result in the number of Shares held by the public being reduced to less than 25%.

#### **G. REPURCHASES OF SHARES MADE BY THE COMPANY**

No repurchase of Shares had been made by the Company in the six months preceding the Latest Practicable Date (whether on GEM or otherwise).

#### **H. MARKET PRICES OF SHARES**

Trading in the Shares has been suspended since 24 November 2017 and will continue to be suspended until further notice. The highest and lowest prices per Share at which the Shares have been traded on GEM during each of the 12 months immediately preceding the Latest Practicable Date were therefore not available.
