RECOMMENDATION

The Directors are of the view that the granting of the Issue Mandate, the Buy-back Mandate and the Extended Issue Mandate, and the re-election of the Re-electing Directors are in the best interests of the Company and the Shareholders as a whole. Accordingly, the Directors recommend that the Shareholders vote in favour of all the relevant resolutions relating to aforesaid matters to be proposed at the AGM.

By order of the Board
Energy International Investments Holdings Limited
Lan Yongqiang
Chairman

The following explanatory statement contains the information required pursuant to Rule 10.06(1)(b) of the Listing Rules to be given to the Shareholders relating to the resolution to be proposed at the AGM authorising the Buy-back Mandate.

1. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 5,444,844,590 fully paid Shares.

Subject to the passing of the proposed resolution for the approval of the Buy-back Mandate and on the basis that no further Shares are issued or bought-back by the Company prior to the AGM, the Company will be allowed under the Buy-back Mandate to buy-back a maximum of 544,484,459 fully paid Shares.

2. REASONS FOR BUY-BACKS

The Directors believe that the Buy-back Mandate is in the best interests of the Company and the Shareholders as a whole. An exercise of the Buy-back Mandate may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net assets per Share and/or earnings per Share and will only be made when the Directors believe that a buy-back will benefit the Company and the Shareholders as a whole.

3. FUNDING OF BUY-BACKS

Buy-backs made pursuant to the Buy-back Mandate would be financed entirely from funds which are legally available for such purpose in accordance with all applicable laws of the Cayman Islands, the Articles and the memorandum of association of the Company.

Any buy-back by the Company may be made out of the profits of the Company or out of a fresh issue of Shares made for the purpose of the buy-back or, if authorised by the Articles and subject to the Companies Law of the Cayman Islands, out of capital and, in the case of any premium payable on the buy-back, out of the profits of the Company or from sums standing to the credit of the share premium account of the Company or, if authorised by the Articles and subject to the Companies Law of the Cayman Islands, out of capital.

The Directors consider that the exercise in full of the Buy-back Mandate to buy-back Shares might have a material adverse impact on the working capital or the gearing position of the Group as compared with its financial position disclosed in the audited financial statements contained in the annual report of the Company for the year ended 31 December 2018. However, the Directors do not propose to exercise the Buy-back Mandate to such an extent as would, in the circumstances, have a material adverse impact on the working capital or gearing position of the Group unless the Directors consider that such buy-backs are in the best interests of the Company and the Shareholders notwithstanding such adverse impact.

4. UNDERTAKING

There are no Directors or (to the best of the knowledge of the Directors, having made all reasonable enquiries) any associates of the Directors who have a present intention, in the event that the Buy-back Mandate is granted by Shareholders, to sell Shares to the Company.

The Directors have undertaken to the Stock Exchange to exercise the power of the Company to make buy-back pursuant to the Buy-back Mandate in accordance with the Listing Rules and applicable laws of the Cayman Islands.

No connected persons of the Company (as defined in the Listing Rules) have notified the Company of a present intention to sell Shares to the Company and no such persons have undertaken not to sell any such Shares to the Company in the event that the Company is authorised to make buy-backs of the Shares.

5. TAKEOVERS CODE

If on the exercise of the power to buy-back Shares pursuant to the Buy-back Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. As a result, a Shareholder or group of Shareholders acting in concert could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

The Directors have no present intention to buy-back any Shares to the extent that it will trigger the obligations for any Shareholder or group of Shareholders acting in concert becoming obliged to make a mandatory offer under the Takeovers Code. Moreover, the Directors have no present intention to buy-back any Shares to the extent that it will result in the amount of Shares held by the public being reduced to less than 25% of the total issued Shares.

6. SHARE BUY-BACK MADE BY THE COMPANY

No buy-backs of Shares have been made by the Company (whether on the Stock Exchange or otherwise) during the last six months immediately prior to the Latest Practicable Date.

7. SHARE PRICES

The highest and lowest prices at which the Shares have traded on the Stock Exchange in each of the previous twelve calendar months were as follows:

Month	Highest Price HK\$	Lowest Price HK\$
2018		
April	0.285	0.229
