### **INFORMATION OF THE TARGET COMPANY**

The Target company is a limited liability company established in the PRC on 22 August 2017 which is principally engaged in property leasing and development.

Immediately following the Capital Injection, the Target Company will be held as to 12.9% by Success Financial Leasing. Given the Target Company will not be a subsidiary of the Company, its financial statements do not fall within the consolidation regime and will not be consolidated into the consolidated financial results of the Group.

## **REASONS FOR THE CAPITAL INJECTION**

One of the investment made by the Target Company mainly focuses on land and property development in a high-tech industrial park. The Target Company has submitted a preliminary construction land using plan regarding the high-tech industrial park to local authorities (the “**Plan**”). Under the Plan, commercial factory buildings and supporting facilities are permitted to be constructed. After taking into account all the circumstances, to the best of the Directors’ knowledge, the Directors believe that it is highly possible that the substance and major land using plan under the Land Using Approval would be consistent with those under the Plan and plot ratio would likely not to be set below 5.0. Given (i) the potential increase of the investment value due to the foreseen land using plan; (ii) the value of surrounding properties has increased already; and (iii) the Capital Injection would be injected as the paid-up registered capital of the Target Company rather than direct investment in land using and development, the Directors are of the view that the Capital Injection will enable the Company to benefit, through Success Financial Leasing from the value increase of the land and property investment and maximise shareholders’ value.

At the Board meeting, Mr. Zhang, Mr. Xu and Mr. Pang, by virtue of their connection with Success Investment, have abstained from voting in respect of the relevant resolutions proposed to approve the Capital Injection Agreement and the transaction contemplated thereunder.

In view of the above, the Board (including the independent non-executive Directors) is of the view that the terms of the Capital Injection Agreement and the Capital Injection thereunder are fair and reasonable, are on normal commercial terms and are in the interests of the Company and the Shareholders as a whole.

## **INFORMATION OF THE PARTIES**

The Success Financial Leasing is an indirect wholly-owned subsidiary of the Company and is principally engaged in provision of financial leasing services in the PRC.

Yinhe Motorcycle is principally engaged in investment in manufacturing industry and property leasing.

To the best of the Directors’ knowledge, information and belief and having made all reasonable enquiries, Tunan Xingyuang, who holds 60.0% equity interest in Yinhe Motorcycle and its ultimate beneficial owners are independent of and not connected with the Company and its connected persons.

## **IMPLICATIONS UNDER THE LISTING RULES**

As all applicable percentage ratios set out in Rule 14.07 of the Listing Rules in respect of the Capital Injection are less than 5%, the Capital Injection do not constitute notifiable transactions for the Company under Chapter 14 of the Listing Rules and are therefore not subject to the report, announcement and Shareholders’ approval requirements under Chapter 14 of the Listing Rules.

As at the date of this announcement, the Target Company is wholly-owned by Yinhe Motorcycle. Yinhe Motorcycle is directly owned as to 60.0% by Tunan Xingyuan, an Independent Third Party, and 40.0% by Success Investment. Success Investment is owned as to 51.0% by Mr. Zhang, 25.0% by Mr. Xu and 24.0% by Mr. Pang, respectively. Tunan Xingyuan is 100% owned by an Independent Third Party. Accordingly, each of Yinhe Motorcycle and the Target Company is an associate of a connected person of the Company. The Capital Injection constitutes a connected transaction of the Company under Chapter 14A of the Listing Rules. As the applicable ratios (as defined in Rule 14.07 of the Listing Rules) in respect of the Capital Injection exceed 0.1% but less than 5%, the Capital Injection is subject to the reporting and disclosure requirements but exempted from the independent Shareholders' approval requirements under Chapter 14A of the Listing Rules.
