## CHARACTERISTICS OF GEM

---

GEM has been positioned as a market designed to accommodate small and mid-sized companies to which a higher investment risk may be attached than other companies listed on the Main Board of the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration.

Given the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

## **RESPONSIBILITY STATEMENT**

---

This circular, for which the directors of the Company collectively and individually accept full responsibility, includes particulars given in compliance with the Rules Governing the Listing of Securities on the GEM of The Stock Exchange of Hong Kong Limited (the “GEM Listing Rules”) for the purpose of giving information with regard to the Company. The directors of the Company, having made all reasonable enquiries, confirm that, to the best of their knowledge and belief:

Yours faithfully,  
On behalf of the Board  
**Sau San Tong Holdings Limited**  
**Mui Wai Sum**  
*Executive Director*

*This is an explanatory statement given to all shareholders of the Company relating to the resolution to be proposed at the AGM authorizing the Repurchase Mandate.*

## **1. EXERCISE OF THE REPURCHASE MANDATE**

Exercise in full of the Repurchase Mandate, on the basis of 750,493,549 Shares in issue as at the Latest Practicable Date and assuming that the issued share capital of the Company will not change prior to the AGM, would result in 75,049,354 Shares, being repurchased by the Company during the period prior to the next annual general meeting of the Company following the passing of the resolution approving the Repurchase Mandate, the expiration of the period within which the next annual general meeting of the Company is required by any applicable law or the Articles of Association of the Company to be held or when the Repurchase Mandate is revoked or varied by an ordinary resolution by the shareholders in general meeting, whichever is the earliest.

## **2. REASONS FOR REPURCHASES**

The Directors believe that it is in the best interests of the Company and its shareholders for the Directors to have a general authority from shareholders to enable the Company to repurchase shares in the market. Repurchases of Shares will only be made when the Directors believe that such a repurchase will benefit the Company and its shareholders. Such repurchases may, depending on the market conditions and funding arrangements at the time, lead to an enhancement of the net value of the Company and its assets and/or its earnings per share.

## **3. FUNDING OF REPURCHASES**

Any repurchases will only be funded out of funds of the Company legally available for the purposes in accordance with its Memorandum and Articles of Association of the Company and the laws of the Cayman Islands.

## **4. EFFECT OF EXERCISE OF THE REPURCHASE MANDATE**

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited financial statements contained in the 2019 Annual Report) in the event that the Repurchase Mandate is exercised in full. However, the Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

**5. DISCLOSURE OF INTERESTS**

None of the Directors and, to the best of their knowledge, having made all reasonable enquiries, none of their respective close associates, have any present intention, if the Repurchase Mandate is exercised, to sell Shares to the Company or its subsidiaries.

**6. DIRECTORS' UNDERTAKING**

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the GEM Listing Rules and the applicable laws of the Cayman Islands.

**7. TAKEOVERS CODE CONSEQUENCES**

If as a result of a repurchase of Shares, a shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Takeovers Code. As a result, a shareholder, or a group of shareholders acting in concert, depending on the level of increase in the shareholder's interests, may obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, the following shareholders are interested in more than 5% of the Shares then in issues:

Name of shareholder	Number of Shares held	Approximate percentage of existing shareholding	Approximate percentage of shareholding if the Repurchase Mandate is exercise in full
Mr. Yau Chung Chung	80,550,000	10.73%	11.93%
Ho Yuen May May	67,567,567	9.00%	10.00%

On the basis of the current shareholdings of the above Shareholders, in the event that the Directors shall exercise in full the Repurchase Mandate, the total interests of the above Shareholders would be increased to approximately the respective percentages shown in the last column above and such increase will not give rise to an obligation to make a mandatory offer under Rule 26 of the Takeovers Code.

To the best of the knowledge, information and belief of the Directors and on the basis of the shareholding of the Company as at the Latest Practicable Date, the Directors are not aware of any consequences which may arise under the Takeovers Code as consequences of any purchase made under the Repurchase Mandate. The Directors have no intention to exercise the Repurchase Mandate to repurchase shares to such an extent that would give rise an obligation to make a mandatory offer under Rule 26 of the Takeover Code or the public holding of Shares would be reduced below 25% of the issued share capital of the Company.

#### **8. SHARE PURCHASE MADE BY THE COMPANY**

No repurchases of securities have been made by the Company in the previous six months before the Latest Practicable Date, whether on the Stock Exchange or otherwise.

#### **9. CORE CONNECTED PERSON**

None of the Directors nor, to the best of the knowledge and belief of the Directors, having made all reasonable enquiries, any of their respective close associates has any present intention, in the event that the proposed Repurchase Mandate is approved by the Shareholders, to sell Shares to the Company. No core connected person (as defined in the GEM Listing Rules) has notified the Company that he/she/it has a present intention to sell Shares to the Company, nor has undertaken not to do so, in the event that the Repurchase Mandate is approved by the shareholders.

**10. SHARE PRICES**

The highest and lowest prices at which the Shares were traded on the GEM during each of the previous twelve months before the Latest Practicable Date were as follows:

	Shares	
	Highest <i>HK\$</i>	Lowest <i>HK\$</i>
<b>2018</b>		
August	0.320	0.288
September	0.328	0.288
