REASONS FOR AND BENEFITS OF THE TRANSACTION

All the terms under Guarantee Agreements B were separately negotiated on an arm's length basis between FR Guarantee and the Customer B.

In addition, it is a normal practice that the Bank requires the guaranty company to make a cash deposit pledged for the provision of the guarantee service; nevertheless for the provision of the guarantee service under the Guarantee Agreement B, the Bank has waived such requirement to FR Guarantee.

Taking into account that it is in FR Guarantee's ordinary course of business to provide the guarantee service and the guarantee fee income and the related cash inflow generated for the Group arising from these guarantee agreements, the Directors are of the opinion that all these guarantee agreements were entered into on normal commercial terms based on the FR Guarantee's credit policy and the terms are fair and reasonable and in the interests of the Company and its Shareholders as a whole.
