(Incorporated in the Cayman Islands with limited liability)

(Stock code: 8112)

**(1) PROPOSED SHARE CONSOLIDATION;
AND
(2) PROPOSED CAPITAL REDUCTION OF
ISSUED SHARES AND SUB-DIVISION OF UNISSUED SHARES**

The Company proposes to implement the following capital reorganisation involving the Share Consolidation, the Capital Reduction and the Share Sub-division as follows:

(1) Share Consolidation

The Board proposes that (i) every twenty (20) issued and unissued Existing Shares of par value HK\$0.10 each in the share capital of the Company will be consolidated into one (1) Consolidated Share of par value HK\$2.00 each in the share capital of the Company.

(2) Capital Reduction and Share Sub-division

The Board proposes that immediately following the Share Consolidation becoming effective, the Capital Reduction and the Share Sub-division be implemented, pursuant to which:

- (i) the issued share capital of the Company will be reduced by cancelling the paid up capital to the extent of HK\$1.99 on each of the then issued Consolidated Shares such that the par value of each issued Consolidated Share will be reduced from HK\$2.00 to HK\$0.01; and
- (ii) immediately following the Capital Reduction, each of the authorised but unissued Consolidated Shares of par value HK\$2.00 each be sub-divided into two hundred (200) New Shares of par value HK\$0.01 each.

Upon the Capital Reduction and the Share Sub-division becoming effective, the size of each board lot of the New Shares will remain the same as that of the Consolidated Shares, being 24,000 New Shares per board lot and the New Shares will rank pari passu in all respects with each other in accordance with the Memorandum and the Articles.

GENERAL

An EGM will be convened and held for the Shareholders to consider and, if thought fit, approve the necessary resolution(s) in respect of the Share Consolidation, the Capital Reduction and the Share Sub-division. The Circular containing, among other matters, information regarding the Share Consolidation, the Capital Reduction and the Share Sub-division together with a notice of the EGM will be despatched to the Shareholders on or before 8 May 2020.

As the Share Consolidation, the Capital Reduction and the Share Sub-division are subject to the satisfaction of conditions, they may or may not become effective. Shareholders and potential investors of the Company are advised to exercise caution when dealing in the securities of the Company.

PROPOSED SHARE CONSOLIDATION

The Board proposes that (i) every twenty (20) issued and unissued Existing Shares of par value HK\$0.10 each in the share capital of the Company be consolidated into one (1) Consolidated Share of par value HK\$2.00 each in the share capital of the Company.

EFFECT OF THE SHARE CONSOLIDATION

As at the date of this announcement, the authorised share capital of the Company is HK\$500,000,000 divided into 5,000,000,000 Existing Shares of par value HK\$0.10 each of which 1,147,092,240 Existing Shares have been issued and are fully paid or credited as fully paid.

Immediately upon the Share Consolidation becoming effective but prior to the Capital Reduction and the Share Sub-division becoming effective, and assuming no further Existing Shares will be issued or repurchased from the date of this announcement up to and including the effective date of the Share Consolidation, the authorised share capital of the Company shall be HK\$500,000,000 divided into 250,000,000 Consolidated Shares of par value HK\$2.00 each, of which 57,354,612 Consolidated Shares will have been issued and will be fully paid or credited as fully paid.

Upon the Share Consolidation becoming effective, all the Consolidated Shares will rank pari passu in all respects with each other in accordance with the Memorandum and the Articles.

The implementation of the Share Consolidation will not alter the underlying assets, business operation, management or financial position of the Company and the interests and rights of the Shareholders.

Conditions of the Share Consolidation

The Share Consolidation is conditional upon the following conditions:

1. the passing of an ordinary resolution by the Shareholders to approve the Share Consolidation at the EGM;
2. the Listing Committee of the Stock Exchange granting the listing of, and permission to deal in, the Consolidated Shares upon the Share Consolidation becoming effective; and
3. the compliance with the relevant procedures and requirements under the GEM Listing Rules to effect the Share Consolidation.

Subject to the fulfilment of the conditions of the Share Consolidation, the effective date of the Share Consolidation is expected to be on 5 June 2020, being one clear Business Day immediately after the date of the EGM.

As at the date of this announcement, none of the above conditions have been fulfilled.

Reasons for the Share Consolidation

Pursuant to Rule 17.76 of GEM Listing Rules, where the market price of the securities of an issuer approaches the extremities of HK\$0.01 or HK\$9,995.00, the Stock Exchange reserves the right to require the issuer either to change the trading method or proceed with a consolidation or splitting of securities.

The “Guide on Trading Arrangements for Selected Types of Corporate Actions” issued by the Hong Kong Exchanges and Clearing Limited on 28 November 2008 and updated on 30 August 2019 has stated that market price of the Shares at a level less than HK\$0.10 will be considered as trading at extremity as referred to under Rule 17.76 of the GEM Listing Rules.

Taking into account of the closing price of HK\$0.014 per Share on 7 April 2020 (being the date of this announcement), the Share Consolidation would enable the Company to comply with the trading requirements under the GEM Listing Rules.

The Share Consolidation will increase the nominal value of the Shares and will reduce the total number of Shares currently in issue.

As at the date of this announcement, the Company has no intention to carry out other corporate actions in the next 12 months which may have an effect of undermining or negating the intended purpose of the Share Consolidation. The Board may conduct debt and/or equity fund raising exercises when suitable fund raising opportunities arise in order to support future development of the Group. The Company has not entered into formal contractual agreement in such connection as at the date of this announcement. The Company will make further announcement in this regard in accordance with the GEM Listing Rules as and when appropriate.

The Board considers that the Share Consolidation is beneficial to and in the interests of the Company and the Shareholders as a whole.

Application for the listing of the Consolidated Shares

An application will be made by the Company to the Stock Exchange for the listing of, and the permission to deal in, the Consolidated Shares.

Subject to the granting of the listing of, and permission to deal in, the Consolidated Shares on the Stock Exchange, as well as compliance with the stock admission requirements of the HKSCC, the Consolidated Shares will be accepted as eligible securities by HKSCC for deposit, clearance and settlement in CCASS with effect from the commencement date of dealing in the Consolidated Shares on the Stock Exchange or such other date as determined by HKSCC. Settlement of transactions between participants of the Stock Exchange on any trading day is required to take place in CCASS on the second trading day thereafter. All activities under CCASS are subject to the General Rules of CCASS and CCASS Operational Procedures in effect from time to time. All necessary arrangements will be made for the Consolidated Shares to be admitted into CCASS established and operated by HKSCC.

None of the Existing Shares are listed or dealt in on any other stock exchange other than the Stock Exchange, and at the time the Share Consolidation becomes effective, the Consolidated Shares in issue will not be listed or dealt in on any stock exchange other than the Stock Exchange, and no such listing or permission to deal is being or is proposed to be sought.

Exchange of share certificates for the Consolidated Shares

Subject to the Share Consolidation becoming effective, which is currently expected to be on 5 June 2020, being one clear Business Day immediately after the date of the EGM, Shareholders may between 9:00 a.m. and 4:30 p.m. on any Business Day during the period from 5 June 2020 to 14 July 2020 (both days inclusive), submit share certificates for the Existing Shares (in light pink colour) to the Registrar at Tricor Investor Services Limited, Level 54, Hopewell Centre, 183 Queen's Road East, Hong Kong to exchange for new share certificates for the Consolidated Shares (in light green colour) at the expense of the Company.

Shareholders should note that after the prescribed time for free exchange of share certificates, a fee of HK\$2.50 each (or such higher amount as may from time to time be allowed by the Stock Exchange) will be payable by the Shareholders to the Registrar for each share certificate for the Existing Shares submitted for cancellation or each new share certificate issued for the Consolidated Shares, whichever the number of share certificates involved is higher.

After 4:10 p.m. on 13 July 2020, trading will only be in Consolidated Shares which share certificates will be issued in light green colour. Existing share certificates in light pink colour for the Existing Shares will cease to be valid for trading and settlement purpose, but will remain valid and effective as documents of title.

Arrangement on odd lot trading

In order to alleviate the difficulties arising from the existence of odd lots of the Consolidated Shares arising from the Share Consolidation, the Company will appoint an agent to provide matching services, on a best efforts basis, to those Shareholders who wish to acquire odd lots of the Consolidated Shares to make up a full board lot, or to dispose of their holding of odd lots of the Consolidated Shares.

Holders of odd lots of the Consolidated Shares should note that the matching of the sale and purchase of odd lots of the Consolidated Shares is not guaranteed. Shareholders who are in any doubt about the odd lots matching arrangement are recommended to consult their own professional advisers. Further details of the odd lot arrangement will be set out in the Circular to be despatched to the Shareholders.

PROPOSED CAPITAL REDUCTION AND SHARE SUB-DIVISION

The Board further proposes that immediately following the Share Consolidation becoming effective, the Capital Reduction and the Share Sub-division be implemented in the following manner:

- (i) the issued share capital of the Company be reduced by cancelling the paid up capital to the extent of HK\$1.99 on each of the then issued Consolidated Shares such that the par value of each issued Consolidated Share will be reduced from HK\$2.00 to HK\$0.01;

- (ii) immediately following the Capital Reduction, each of the authorised but unissued Consolidated Shares with par value of HK\$2.00 each be sub-divided into two hundred (200) New Shares of par value HK\$0.01 each; and
- (iii) each of the New Shares arising from the Capital Reduction and the Share Sub-division shall rank pari passu in all respects with each other each in accordance with the Memorandum and Articles and have rights and privileges and be subject to the restrictions as contained in the Memorandum and the Articles.

Effect of the Capital Reduction and the Share Sub-division

As at the date of this announcement, the authorised share capital of the Company is HK\$500,000,000 divided into 5,000,000,000 Existing Shares of par value HK\$0.10 each, of which 1,147,092,240 Existing Shares have been issued and are fully paid or credited as fully paid.

Immediately upon the Share Consolidation, the Capital Reduction and the Share Sub-division becoming effective and assuming no further Existing Shares and no Consolidated Shares will be issued or repurchased from the date of this announcement up to and including the Effective Date, the authorised share capital of the Company shall be HK\$500,000,000 divided into 50,000,000,000 New Shares of par value HK\$0.01 each, of which 57,354,612 New Shares have been issued as fully paid or credited as fully paid.

Based on the 1,147,092,240 Existing Shares in issue as at the date of this announcement or (as the case may be) 57,354,612 Consolidated Shares in issue as at the date on which the Share Consolidation becomes effective, and assuming no further Existing Shares or Consolidated Shares will be issued or repurchased prior to the Effective Date, a credit amounting to approximately HK\$114,135,678 will arise as a result of the Capital Reduction. It is proposed that the credit arising from the Capital Reduction will be credited to the distributable reserve account of the Company, which will be utilised by the Company in such manner as the Board may deem fit and permitted under all applicable laws, the Memorandum and the Articles.

Assuming that there is no change in the number of issued Shares from the date of this announcement up to and including the date on which the Share Consolidation, the Capital Reduction and the Share Sub-division become effective, the share capital structure of the Company will be as follows:

	As of the date of this announcement	Immediately upon the Share Consolidation becoming effective but prior to the Capital Reduction and the Share Sub-division becoming effective	Immediately upon the Capital Reduction and the Share Sub-division becoming effective
Par value	HK\$0.10 per Existing Share	HK\$2.00 per Consolidated Share	HK\$0.01 per New Share
Amount of authorised share capital	HK\$500,000,000	HK\$500,000,000	HK\$500,000,000
Number of authorised shares	5,000,000,000 Existing Shares	250,000,000 Consolidated Shares	50,000,000,000 New Shares
Number of issued shares	1,147,092,240 Existing Shares	57,354,612 Consolidated Shares	57,354,612 New Shares
Amount of the issued share capital	HK\$114,709,224	HK\$114,709,224	HK\$573,546

Upon the Capital Reduction and the Share Sub-division becoming effective, the size of each board lot of the New Shares will remain the same as that of the Consolidated Shares, being 24,000 New Shares per board lot and the New Shares will rank pari passu in all respects with each other in accordance with the Memorandum and the Articles.

Other than the expenses to be incurred in relation to the Share Consolidation, the Capital Reduction and the Share Sub-division which are expected to be insignificant in the context of the net asset value of the Company, the implementation of the Share Consolidation, the Capital Reduction and the Share Sub-division will not alter the underlying assets, business operations, management or financial position of the Company or the proportionate interests or rights of the Shareholders. The Directors are of the view that the Share Consolidation, the Capital Reduction and the Share Sub-division will not have any material adverse effect on the financial position of the Group and are in the interest of the Company and the Shareholders as a whole.

Conditions of the Capital Reduction and the Share Sub-division

The Capital Reduction and the Share Sub-division are conditional upon the following conditions:

1. the Share Consolidation has become effective;
2. the passing of a special resolution by the Shareholders to approve the Capital Reduction and the Share Sub-division at the EGM;
3. the Court granting an order confirming the Capital Reduction;
4. compliance with any conditions which the Court may impose in relation to the Capital Reduction;
5. registration by the Registrar of Companies in the Cayman Islands of a copy of the order of the Court confirming the Capital Reduction and the minute approved by the Court containing the particulars required under the Companies Law with respect to the Capital Reduction; and
6. the Listing Committee of the Stock Exchange granting the listing of, and permission to deal in, the New Shares arising from the Capital Reduction and the Share Sub-division.

The Capital Reduction and the Share Sub-division will become effective when the conditions mentioned above are fulfilled. Upon the approval by the Shareholders of the Share Consolidation, the Capital Reduction and the Share Sub-division at the EGM, the legal advisors to the Company (as to Cayman Islands law) will apply to the Court for hearing date(s) to confirm the Capital Reduction and further announcement(s) will be made by the Company on the preliminary timetable as soon as the Court hearing dates are confirmed.

As at the date of this announcement, none of the above conditions have been fulfilled.

Reasons for the Capital Reduction and Share Sub-division

Under the Companies Law, a company may not issue shares at a discount to the nominal value of such shares. Immediately after completion of the Share Consolidation but before implementation of the Capital Reduction and the Share Sub-division, the nominal value of the Consolidated Shares will be HK\$2.00 per Consolidated Share. The Capital Reduction and the Share Sub-division will keep the nominal value of the New Shares at a lower level of HK\$0.01 per New Share, which allows greater flexibility in the pricing for any issue of new Shares in the future. The credit in the distributable reserve account arising from the Capital Reduction will enable the Company to set off its accumulated loss and may be applied in future for distribution to the Shareholders or in any manner permitted by applicable laws, the Memorandum and the Articles. The Board considers that the Capital Reduction and the Share Sub-division is beneficial to and in the interests of the Company and the Shareholders as a whole.

Application for the listing of the New Shares

An application will be made by the Company to the Stock Exchange for the listing of, and the permission to deal in, the New Shares.

Subject to the granting of the listing of, and permission to deal in, the New Shares on the Stock Exchange, as well as compliance with the stock admission requirements of the HKSCC, the New Shares will be accepted as eligible securities by HKSCC for deposit, clearance and settlement in CCASS with effect from the commencement date of dealing in the New Shares on the Stock Exchange or such other date as determined by HKSCC. Settlement of transactions between participants of the Stock Exchange on any trading day is required to take place in CCASS on the second trading day thereafter. All activities under CCASS are subject to the General Rules of CCASS and CCASS Operational Procedures in effect from time to time. All necessary arrangements will be made for the New Shares to be admitted into CCASS established and operated by HKSCC.

Exchange of share certificates for the New Shares

As the Court hearing dates have yet to be fixed, the effective date of the Capital Reduction and the Share Sub-division is not ascertainable at present. Should the Capital Reduction and the Share Sub-division becoming effective, Shareholders may submit share certificates for the Consolidated Shares (in light green colour) to the Registrar at Tricor Investor Services Limited, Level 54, Hopewell Centre, 183 Queen's Road East, Hong Kong to exchange for new share certificates for the New Shares (in light blue colour) at the expense of the Company within the relevant free exchange period from the Effective Date. Details of such free exchange of share certificates will be announced as soon as the Effective Date is ascertained.

The Company will publish announcement(s) to update the Shareholders when the Court hearing dates, the effective date of the Capital Reduction and the Share Sub-division, and the period when the Shareholders can submit share certificates for the Consolidated Shares to exchange for new share certificates for the New Shares is/are ascertained and/or updated.

All existing certificates of the Consolidated Shares or (as the case may be) the Existing Shares will continue to be evidence of title to such Shares but all existing certificate of Existing Shares will cease to be valid for trading and settlement purpose.

ADJUSTMENTS TO OUTSTANDING SHARE OPTIONS

According to the rules of the Share Option Schemes, if there is any alteration in the capital structure of the Company whether by way of, among others, consolidation, subdivision or reduction of the share capital of the Company, while any options remains exercisable, corresponding alteration shall be made to the subscription price of the options. The aforementioned alteration is conditional on the confirmation in writing by the auditors of the Company or the independent financial adviser appointed by the Company that the alteration is made on the basis that the proportion of the issued share capital of the Company to which a participant of the Share Option Schemes is entitled after such alteration shall remain the same as that to which he or she was entitled before such alteration. No such alteration shall be made to the effect of which would be to enable any Share to be issued at less than its nominal value or which would result in the aggregate amount payable on the exercise of any option in full being increased.

As at the date of this announcement, there were outstanding options granted under the Share Option Schemes to subscribe for 890,737 Existing Shares. The Directors will determine, according to the rules of the Share Option Schemes, the adjustments (if any) required to be made in respect of the outstanding options as a result of the Share Consolidation, the Capital Reduction and the Share Sub-division. As the adjustments to the outstanding options are subject to the Share Consolidation, the Capital Reduction and the Share Sub-division taking effect and the written confirmation by the auditors of the Company or the independent financial advisers appointed by the Company, the Company cannot determine the adjustments to be made as at the date of this announcement. The Company will make further announcements regarding the adjustments in accordance with the GEM Listing Rules in due course.

Save as aforesaid, the Company does not have any other derivatives, options, warrants and conversion rights or other similar rights which are convertible or exchangeable into, any Existing Shares, Consolidated Shares or New Shares, as at the date of this announcement.
