Details of the Buy-back Mandate are set out in the proposed ordinary resolution no. 6 of the notice of Annual General Meeting.

An explanatory statement, as required by the Listing Rules to provide to the Shareholders all information which is reasonably necessary to enable Shareholders to make an informed decision as to whether to vote for or against the resolution in respect of the Buy-back Mandate at the Annual General Meeting, is set out in Appendix I to this circular.

### 6. RESPONSIBILITY STATEMENT

This circular, for which the Directors collectively and individually accept full responsibility in respect of all and part of the information therein, includes particulars given in compliance with the Listing Rules for the purpose of giving information with regard to the Company. ### 7. RECOMMENDATIONS

Accordingly, the Directors recommend Shareholders to vote in favour of each of the relevant proposed resolutions at the Annual General Meeting.

Yours faithfully,  
By order of the Board  
**China Tianbao Group Development Company Limited**  
**Li Baotian**  
*Chairman of the Board and Executive Director*

*This Appendix I serves as an explanatory statement, as required by the Listing Rules, to provide requisite information as to the proposed Buy-back Mandate and should be read in conjunction with the Letter from the Board on pages 4 to 11 of this circular.*

## **1. SHARE CAPITAL**

As at Latest Practicable Date, there were a total of 809,456,000 Shares in issue.

Subject to the passing of the proposed resolution granting the Buy-back Mandate and on the basis that no further Shares will be issued or bought-back prior to the Annual General Meeting, the Company will be allowed under the Buy-back Mandate to buy-back a maximum of 80,945,600 Shares which represents 10% of the total number of Shares in issue as at the date of passing such resolution at the Annual General Meeting.

## **2. REASONS FOR BUY-BACKS**

Although the Directors have no present intention of buy-back of any Shares, they believe the flexibility afforded by the Buy-back Mandate would be beneficial to the Company and the Shareholders as a whole.

Share buy-backs may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made when the Directors believe that such buy-backs will benefit the Company and the Shareholders as a whole.

## **3. FUNDING OF BUY-BACKS**

The Company is empowered by the Articles of Association to buy-back the Shares. In buy-back of Shares, the Company may only apply funds legally available for such purpose in accordance with the Articles of Association, the Listing Rules, the Cayman Companies Law and other applicable laws. The Directors may not buy-back the Shares on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange.

Subject to the foregoing, any payment for the buy-back of Shares must be drawn from the profits or share premium of the Company or from the proceeds of a fresh issue of shares made for the purpose of the buy-back or, if authorised by the Articles of Association and subject to the Cayman Companies Law, out of capital and, in the case of any premium payable on the purchase, out of the profits of the Company or from sums standing to the credit of the share premium account of the Company or, if authorised by the Articles of Association and subject to the Cayman Companies Law, out of capital.

As compared with the position as at December 31, 2019, being the date to which its latest audited consolidated financial statements were made up, the Directors consider that there would not be any material adverse impact on the working capital and on the gearing position of the Company if the Buy-back Mandate were to be exercised in full. The Directors do not intend to exercise the Buy-back Mandate to such an extent as would have a material adverse effect on the working capital or the gearing position of the Company.

#### 4. SHARE PRICES

The highest and lowest prices at which the Shares have been traded on the Main Board of the Stock Exchange from the Company's listing date on November 11, 2019 up to the Latest Practicable Date were as follows:

Month	Highest Price HK\$	Lowest Price HK\$
<b>2019</b>		
November (from November 11 to November 30)	2.82	2.39
December	2.52	2.22
<b>2020</b>		
January	2.56	2.38
February	2.80	2.45
March	3.07	2.43
April (up to the Latest Practicable Date)	3.01	2.51

#### 5. THE TAKEOVERS CODE AND MINIMUM PUBLIC HOLDING

If, on the exercise of the power to buy-back Shares pursuant to the Buy-back Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Takeovers Code. As a result, a Shareholder, or group of Shareholders acting in concert, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, the following are the shareholders of the Company who were interested in 5% or more of the issued share capital of the Company, according to the register of interests required to be kept by the Company under section 336 of the SFO:

Name	Capacity	Number of shares held	Approximate percentage of shareholding	Approximate percentage of shareholding if the Buy-back Mandate is exercised in full
Mr. Li Baotian ( <i>Note 1</i> )	Interest in controlled corporation	594,000,000	73.38%	81.54%
Jixiang International Industrial Company Limited	Beneficial owner	594,000,000	73.38%	81.54%
Ms. Zhou Chunlan ( <i>Note 2</i> )	Interest of spouse	594,000,000	73.38%	81.54%

*Notes:*

- (1) Mr. Li Baotian holds the entire interests in Jixiang International Industrial Company Limited. Under the SFO, Mr. Li Baotian is deemed to be interested in the Shares held by Jixiang International Industrial Company Limited.
- (2) Ms. Zhou Chunlan is the spouse of Mr. Li Baotian. Therefore, under the SFO, she is deemed to be interested in all the Shares in which Mr. Li Baotian is interested.

In the event that the Buy-back Mandate was exercised in full and on the basis that no further Shares are issued, the interests of each of the above Shareholders would be increased to approximately the percentages as set out opposite their respective names in the table above. In the opinion of the Directors, such increase would not give rise to an obligation to make a mandatory offer under Rule 26 of the Takeovers Code.

The Directors do not intend to exercise the power to buy-back Shares to such extent that would give rise to an obligation to make a mandatory offer under Rule 26 of the Takeovers Code.

Assuming that there is no issue of Shares in the Company between the Latest Practicable Date and the date of a share buy-back, an exercise of the Buy-back Mandate whether in whole or in part may result in less than the relevant prescribed minimum percentage of the Shares of the Company being held by the public as required by the Stock Exchange. The Directors have no intention to exercise the Buy-back Mandate to an extent as may result in a public shareholding of less than such prescribed minimum percentage.

## **6. SHARE BUY-BACKS MADE BY THE COMPANY**

No Share had been bought-back by the Company (whether on the Stock Exchange or otherwise) during the period from listing on the Stock Exchange on November 11, 2019 up to the Latest Practicable Date.

## **7. GENERAL**

The Board has undertaken to the Stock Exchange to exercise the power of the Company to make buy-backs pursuant to the Buy-back Mandate in accordance with the Listing Rules and the applicable laws of the Cayman Islands.

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, their close associates, have any present intention to sell any Shares to the Company under the Buy-back Mandate if such Buy-back Mandate is approved by the Shareholders.

No core connected persons have notified the Company that they have a present intention to sell Shares to the Company, or have undertaken not to do so, in the event that the Buy-back Mandate is approved by the Company's Shareholders.
