The following is the Explanatory Statement required to be sent to the Shareholders under the Listing Rules which provides requisite information in connection with the proposed Buy-back Mandate and also constitutes the memorandum required under Section 239 of the Companies Ordinance:

SHARE CAPITAL

- (i) It is proposed that the Buy-back Mandate will authorise the buy-back by the Company of up to 10% of the total number of Shares in issue at the date of passing the resolution to approve the Buy-back Mandate (subject to adjustment in the case of any conversion of any or all of the Shares into a larger or smaller number of Shares after the passing of the resolution). As at 20 April 2020, being the Latest Practicable Date, the total number of Shares in issue was 7,134,623,520 Shares. On the basis of such figure (and assuming no new Shares will be issued and no Share will be bought back after the Latest Practicable Date and up to the date of passing such resolution), exercise in full of the Buy-back Mandate would result in the buy-back by the Company of up to 713,462,352 Shares.

REASONS FOR SHARE BUY-BACK

- (ii) The Directors believe that the general authority from the Shareholders to enable the buy-back of Shares is in the best interests of the Company and the Shareholders as a whole. Buy-backs may, depending on the circumstances and funding arrangements at the time, lead to an enhancement of the net assets and/or earnings per Share. The Directors are seeking the grant of the Buy-back Mandate to give the Company the flexibility to do so if and when appropriate. The number(s) of Shares to be bought back on any occasion and the price and other terms upon which the same are bought back will be decided by the Directors at the relevant time having regard to the circumstances then pertaining.

FUNDING OF BUY-BACK OF SHARES

- (iii) The funds required for any buy-back would be derived from the distributable profits of the Company or such other fundings legally available for such purpose in accordance with the Company's constitutive documents and the applicable laws of Hong Kong.
- (iv) There could be an adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in its most recent audited financial statements for the year ended 31 December 2019) in the event that the Buy-back Mandate was exercised in full at any time during the proposed buy-back period. However, the Directors do not propose to exercise the Buy-back Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital of the Company or the gearing level which in the opinion of the Directors is from time to time appropriate for the Company.

UNDERTAKING

- (v) There are no Directors or (to the best of the knowledge of the Directors) any close associates of the Directors who have a present intention, in the event that the Buy-back Mandate is granted by the Shareholders, to sell Shares to the Company.

- (vi) The Directors have undertaken to the Stock Exchange to exercise the power of the Company to buy-back the Shares pursuant to the Buy-back Mandate in accordance with the Listing Rules and the applicable laws of Hong Kong.

EFFECT OF THE TAKEOVERS CODE AND THE SHARE BUY-BACKS CODE

- (vii) Pursuant to Rule 32 of the Takeovers Code and Rule 6 of the Share Buy-backs Code, if as a result of a Share bought by the Company, a substantial shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of the Takeovers Code. As a result, a Shareholder or group of Shareholders acting in concert could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code.
- (viii) As at the Latest Practicable Date, as recorded in the register required to be kept by the Company pursuant to Section 336 under Part XV of the SFO and to the best of the Directors' knowledge, information and belief having made all reasonable enquiries, Forever Top was interested in 7,627,722,894 Shares, which comprised (i) 3,083,722,894 Shares held by Forever Top and (ii) 4,544,000,000 new Shares to be issued by the Company to Forever Top upon full exercise of the conversion rights attached to the LCS.

Assuming that there is no change in the total number of issued Shares between the period from the Latest Practicable Date and the date of passing the Buy-back Mandate, and in the event that the Directors exercise in full the power to buy back Shares in accordance with the terms of the ordinary resolution to be proposed at the AGM, the shareholding of Forever Top in the Company in respect of the 3,083,722,894 Shares held would be increased from approximately 43.22% to approximately 48.02% of the total number of Shares in issue. As such, such increase will give rise to an obligation to make a mandatory offer under Rule 26 of the Takeovers Code. The Directors will be cautious in exercising the Buy-back Mandate and they currently have no intention to exercise the Buy-back Mandate to such extent as would give rise to an obligation to make a mandatory offer under Rule 26 of the Takeovers Code.

- (ix) Save as disclosed above, the Directors are not aware of any consequences which would arise under the Takeovers Code as a consequence of any buy-backs pursuant to the Buy-back Mandate.
