HUANG Yulin
Chairman

This appendix serves as an explanatory statement, as required by the Listing Rules, to provide the Shareholders with all the information reasonably necessary to enable them to make an informed decision on whether to vote for or against the ordinary resolution to approve the Repurchase Mandate.

1. LISTING RULES RELATING TO THE REPURCHASE OF SHARES

The Listing Rules permit companies whose primary listings are on the Stock Exchange to repurchase their shares on the Stock Exchange subject to certain restrictions.

2. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 1,000,000,000 Shares. Subject to the passing of the resolution for repurchase of Shares and on the basis of no further new Shares will be issued or repurchased up to the AGM, the Company would be allowed under the Repurchase Mandate to repurchase a maximum of 100,000,000 Shares, representing 10% of the existing issued Shares as at the Latest Practicable Date.

3. REASONS FOR REPURCHASES

The Directors believe that the Repurchase Mandate is in the best interests of the Company and the Shareholders. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net assets value per share of the Company and/or its earnings per share and will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders as a whole.

4. FUNDING OF REPURCHASES OF SHARES

Any repurchase of securities of the Company would be funded entirely from the cash flow or working capital facilities available to the Company, and will, in any event be made out of funds legally available for the purpose in accordance with the Articles and the applicable laws of the Cayman Islands and the Listing Rules. Such funds include, but are not limited to, profits available for distribution. Purchases may only be effected out of the profits of the Company or out of the proceeds of a fresh issue of Shares made for the purpose, or, if so authorized by its Articles and subject to the provisions of the Companies Law, out of capital. Any premium payable on a purchase over the par value of the Shares to be purchased must be provided for out of profits of the Company or out of the Company's share premium account, or, if so authorized by the Articles and subject to the provisions of the Companies Law, out of capital.

5. GENERAL

There might be a material adverse impact on the working capital or gearing position as compared with the position disclosed in the audited financial statements of the Company for the year ended 31 December 2019 in the event that the Repurchase Mandate were to be carried out in full at any time during the proposed repurchase period.

However, the Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

6. SHARE PRICES

The highest and lowest prices at which the Shares were traded on the Stock Exchange during the period from the Listing Date up to the Latest Practicable Date were as follows:

	Shares Prices	
	Highest <i>HK\$</i>	Lowest <i>HK\$</i>
2019		
December (since the Listing Date)	2.18	1.92
2020		
January	2.22	1.80
February	2.25	1.95
March	2.39	2.03
April (up to the Latest Practicable Date)	2.47	2.17

7. UNDERTAKING

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, their close associates, have any present intention to sell any Shares to the Company under the Repurchase Mandate if the same is approved by the Shareholders.

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate pursuant to the proposed resolution in accordance with the Listing Rules and the applicable laws of the Cayman Islands.

8. TAKEOVERS CODE AND MINIMUM PUBLIC SHAREHOLDING

If on exercise of the powers of repurchase pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. As a result, a Shareholder or a group of Shareholders acting in concert, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, to the best knowledge and belief of the Director, Mr. Huang is interested in 555,000,000 Shares held through his wholly-owned holding company, Huangyulin Holdings and Chen Lin Elite Holdings, which represents approximately 55.50% of the issued share capital of the Company. In the event that the Directors exercise in full power to repurchase Shares under the Repurchase Mandate, then the attributable interest of Mr. Huang would be increased from 55.50% to approximately 61.67% of the total number of

Shares in issue, such increase would not give rise to a general offer obligation under the Takeovers Code. The Directors have no present intention to effect repurchases to such extent which would result in the number of Shares held by the public falling below the prescribed minimum percentage of 25% as required under the Listing Rules.

9. SHARE PURCHASE MADE BY THE COMPANY

The Company has not purchased any of the Shares (whether on the Stock Exchange or otherwise) during the period from the Listing Date and up to the Latest Practicable Date.
