## **1. SHARES IN ISSUE**

As at the Latest Practicable Date, the Company had a total of 6,078,944,027 Shares in issue.

Subject to the passing of the ordinary resolution set out in item 8 of the notice of the Annual General Meeting in respect of the granting of the Share Buy-back Mandate and on the basis that the total number of issued Shares remains unchanged on the date of the Annual General Meeting, i.e. being 6,078,944,027 Shares, the Directors would be authorized under the Share Buy-back Mandate to buyback, during the period in which the Share Buy-back Mandate remains in force, a total of 607,894,402 Shares, representing 10% of the total number of Shares in issue as at the date of the Annual General Meeting.

## **2. REASONS FOR SHARE BUY-BACK**

The Directors believe that the granting of the Share Buy-back Mandate is in the best interests of the Company and the Shareholders.

Shares buy-back may, depending on the market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made when the Directors believe that such a buy-back will benefit the Company and the Shareholders.

## **3. FUNDING OF SHARE BUY-BACK**

The Company may only apply funds legally available for share buy-back in accordance with its Articles of Association, the laws of the Cayman Islands and/or any other applicable laws, as the case may be.

## **4. IMPACT OF SHARE BUY-BACK**

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited accounts contained in the annual report of the Company for the year ended 31 December 2019) in the event that the Share Buy-back Mandate was to be carried out in full at any time during the proposed buy-back period. However, the Directors do not intend to exercise the Share Buy-back Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

## 5. MARKET PRICES OF SHARES

## 6. GENERAL

To the best of their knowledge and having made all reasonable enquiries, none of the Directors nor any of their respective close associates (as defined in the Listing Rules) have any present intention to sell any Shares to the Company in the event that the granting of the Share Buy-back Mandate is approved by the Shareholders.

The Company has not been notified by any core connected persons (as defined in the Listing Rules) of the Company that they have a present intention to sell any Shares to the Company, or that they have undertaken not to sell any Shares held by them to the Company in the event that the granting of the Share Buy-back Mandate is approved by the Shareholders.

The Directors have undertaken to the Stock Exchange to exercise the power of the Company to repurchase Shares pursuant to the Share Buy-back Mandate in accordance with the Listing Rules, the Articles of Association and the applicable laws of the Cayman Islands.

**7. TAKEOVERS CODE**

If as a result of a buy-back of Shares pursuant to the Share Buy-back Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of voting rights for the purposes of the Takeovers Code. Accordingly, a Shareholder or a group of Shareholders acting in concert (within the meaning under the Takeovers Code), depending on the level of increase in the Shareholder's interest, could obtain or consolidate control of the Company and thereby become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, to the best knowledge and belief of the Directors, Cosmic Stand International Limited, a substantial shareholder of the Company, and held 945,000,000 Shares or approximately 15.55% of the issued Shares of the Company. In the event that the Directors exercise in full the Share Buy-back Mandate, the shareholdings of Cosmic Stand International Limited in the Company would be increased to approximately 17.27% of the issued Shares of the Company, and such increase would not give rise to an obligation to make a mandatory general offer under Rule 26 of the Takeovers Code. The Company currently has no intention to exercise the Share Buy-back Mandate to such extent that it would give rise to an obligation to make a mandatory offer under the Takeovers Code or result in the amount of shares held by the public being reduced to less than 25% of the shares of the Company in issue. The Directors are not aware of any consequences which may give rise to an obligation to make a mandatory offer under Rule 26 of the Takeovers Code.

**8. SHARE BUY-BACK MADE BY THE COMPANY**

During the six months preceding to the Latest Practicable Date, the Company had not bought back any of its Shares (whether on the Stock Exchange or otherwise).
