CHARACTERISTICS OF GEM OF THE STOCK EXCHANGE

GEM has been positioned as a market designed to accommodate small and mid-sized companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration.

Given that the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

By order of the Board
Orange Tour Cultural Holding Limited
Zhou Yang

This appendix serves as an explanatory statement, as required pursuant to Rule 13.08 and other relevant provisions of the GEM Listing Rules, to provide you with requisite information for your consideration of the Repurchase Mandate.

1. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 800,000,000 Shares. Subject to the passing of the relevant resolution to approve the Repurchase Mandate and on the basis that no further Shares are allotted and issued or repurchased between the Latest Practicable Date and the date of AGM, the Company will be allowed to repurchase a maximum of 80,000,000 Shares during the Relevant Period.

2. SOURCE OF FUNDS

The Directors propose that the repurchase of Shares under the Repurchase Mandate would be financed from the Company's internal resources.

In repurchasing the Shares, the Company may only apply funds which are legally available for such purposes in accordance with the constitutive documents of the Company, the GEM Listing Rules and the applicable laws and regulations of the Cayman Islands. The Company will not purchase the Shares on GEM for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time.

3. REASONS FOR SHARE REPURCHASE

Although the Directors have no present intention of exercising the proposed Repurchase Mandate, the Directors believe that the flexibility afforded by the proposed Repurchase Mandate would be beneficial to the Company and the Shareholders. An exercise of the Repurchase Mandate may, depending on market conditions at the time, lead to an enhancement of the net asset value and/or earnings per Share and will only be made when the Directors believe that repurchase of Shares will benefit the Company and Shareholders as a whole.

6. EFFECT TO THE TAKEOVERS CODE

If as a result of a repurchase of Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Takeovers Code. As a result, a Shareholder, or a group of Shareholders acting in concert (as defined in the Takeovers Code), depending on the level of increase of the Shareholders' interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 or Rule 32 of the Takeovers Code.

The Directors do not intend to exercise the power to repurchase Shares to an extent which would render any Shareholder or group of Shareholders obliged to make a mandatory offer under Rule 26 or Rule 32 of the Takeovers Code.

The Directors will not repurchase the Shares on GEM if the repurchase would result in the number of the listed securities which are in the hands of the public falling below 25%, being the relevant minimum prescribed percentage for the Company as required by the Stock Exchange.

As at the Latest Practicable Date, none of the Directors nor, to the best of their respective knowledge and belief and having made all reasonable enquiries, their close associates (as defined under the GEM Listing Rules), have any present intention, if the Repurchase Mandate is approved by the Shareholders and is exercised, to sell any Shares to the Company or any of its subsidiaries under the Repurchase Mandate.

8. MATERIAL ADVERSE CHANGE

As compared with the financial position of the Company as at 31 December 2019 (being the date to which the latest audited accounts of the Company have been made up), the Directors consider that there would not be a material adverse impact on the working capital and on the gearing position of the Company in the event that the proposed repurchases were to be carried out in full during the proposed repurchase period.

The Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital of the Company or the gearing position which in the opinion of the Directors are from time to time appropriate for the Company.

9. SHARE REPURCHASE MADE BY THE COMPANY
