Mr. Chan has entered into a service contract with the Company for a term of 1 year which will continue thereafter until being terminated by either party and is subject to the retirement by rotation and re-election in accordance with the Bye-laws and the Corporate Governance Code as set out in Appendix 14 of the Listing Rules. He is entitled to a remuneration of HK\$264,000 per annum which is recommended by the Remuneration Committee and approved by the Board with reference to his duties and responsibilities toward the Company and the prevailing market conditions.

As at the Latest Practicable Date, Mr. Chan does not have any interest in the Shares within the meaning of Part XV of the SFO.

Save as disclosed above, there is no other matters that need to be brought to the attention of the Shareholders in connection with Mr. Chan's re-election and there is no other information that should be disclosed pursuant to Rule 13.51(2) of the Listing Rules.

The following is an explanatory statement required by the Listing Rules to be sent to the Shareholders to enable them to make an informed decision on whether to vote for or against the ordinary resolution to be proposed at the AGM in relation to the granting of the Share Repurchase Mandate:

1. REASONS FOR SHARE REPURCHASE

The Directors believe that the granting of the Share Repurchase Mandate is in the interests of the Company and the Shareholders as a whole.

Repurchases of Shares may, depending on the market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share. The Directors are seeking the granting of the Share Repurchase Mandate to give the Company the flexibility to do so if and when appropriate. The number of Shares to be repurchased on any occasion and the price and other terms upon which the same are repurchased will be decided by the Directors at the relevant time, having regard to the circumstances then pertaining.

2. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 2,900,000,000 Shares of HK\$0.02 each.

Subject to the passing of the ordinary resolution no. 5 set out in the notice of the Annual General Meeting in respect of the granting of the Share Repurchase Mandate and on the basis that no Shares are issued or repurchased by the Company prior to the date of the AGM, the Directors would be authorised under the Share Repurchase Mandate to repurchase a maximum of 290,000,000 Shares, representing 10% of the total number of Shares in issue as at the date of passing of the resolution.

3. FUNDING OF REPURCHASES

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with its memorandum of association of the Company, the Bye-Laws, the laws of Bermuda and/or any other applicable laws.

The laws of Bermuda provide that the amount of capital repaid in connection with a share repurchase by a company may only be paid out of either the capital paid up on the relevant shares, or the funds of the company which would otherwise be available for dividend or distribution or out of the proceeds of a fresh issue of shares made for such purpose. The amount of premium payable on repurchase may only be paid out of either funds of the company which would otherwise be available for dividend or distribution or out of the share premium account of the company before the shares are repurchased.

4. IMPACT OF REPURCHASES

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited accounts contained in the annual report of the Company for the year ended 31 December 2019) in the event that the Share Repurchase Mandate was to be carried out in full at any time during the proposed repurchase period. However, the Directors do not propose to exercise the Share Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company. Appropriate gearing levels for the Company, in the opinion of the Directors, will be maintained from time to time.

5. TAKEOVERS CODE

If, on the exercise of the power to repurchase Shares pursuant to the Share Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, any such increase will be treated as an acquisition for the purpose of Rule 32 of the Takeovers Code. Accordingly, a Shareholder, or group of Shareholders acting in concert (as defined in the Takeovers Code), depending on the level of increase in the Shareholders' interests, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code for all the Shares not already owned by such Shareholder or group of Shareholders.

As at the Latest Practicable Date, according to the register of interests kept by the Company pursuant to section 336 of the SFO and so far as is known to, or can be ascertained after reasonable enquiry by the Directors, the following entities/persons were directly or indirectly interested in 5% or more of the issued Shares:

Accordingly, Mr. Yao is deemed to be interested in all 273,387,950 Shares in which GSCL and GSCL are directly interested by virtue of SFO.

As at the Latest Practicable Date, to the best knowledge and belief of the Directors, Tengyue Holding was interested in these 812,000,000 Shares, representing of 28% of the existing issued share capital of the Company. In the event that the Directors exercise in full the power to repurchase Shares under the Repurchase Mandate, Tengyue Holding's interests in the Company would be increased to approximately 31.11% of the issued share capital of the Company and such increase would give rise to an obligation to make a mandatory general offer under the Takeovers Code. The Directors have no present intention to repurchase the Shares to the extent it will trigger the obligations under the Takeovers Code for the Controlling Shareholders to make a mandatory offer.

The Listing Rules prohibit a company from making repurchase on the Stock Exchange if the result of the repurchase would be that less than 25% (or such other prescribed minimum percentage as determined by the Stock Exchange) of the issued share capital would be in public hands.
