SHARE CAPITAL

As at the Latest Practicable Date, the number of issued Shares of the Company was 1,269,718,990 Shares of nominal value of US\$0.0001 each which have been fully paid. Subject to the passing of the resolution granting the Repurchase Mandate and on the basis that no further Shares are issued or repurchased before the Annual General Meeting, the Company will be allowed to repurchase in the open market a maximum of 126,971,899 Shares which represent 10% of the issued Shares of the Company during the period ending on the earlier of (a) the conclusion of the next annual general meeting of the Company; or (b) the expiration of the period within which the next annual general meeting of the Company is required by the Companies Law or any applicable laws or the Articles of Association to be held; or (c) the revocation or variation by ordinary resolution(s) by the Shareholders in a general meeting prior to the next annual general meeting of the Company.

REASONS FOR AND FUNDING OF REPURCHASES

The Directors believe that it is in the best interests of the Company and its Shareholders as a whole to seek a general authority from the Shareholders to enable the Company to repurchase its Shares. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or its earnings per Share and will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders as a whole.

Repurchases of Shares will be financed out of funds legally available for the purpose and in accordance with the Articles of Association, the Listing Rules and the applicable laws and regulations of the Cayman Islands. The Directors may not repurchase the Shares on the Stock Exchange for a consideration other than cash or for settlement otherwise in accordance with the trading rules of the Stock Exchange. The Directors may not repurchase the Shares on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange. Subject to the foregoing, the Directors may make repurchases with profits of the Company or out of a new issuance of shares made for the purpose of the repurchase or, if authorized by the Articles of Association and subject to the Companies Law, out of capital and, in the case of any premium payable on the repurchase, out of profits of the Company or from sums standing to the credit of the share premium account of the Company or, if authorized by the Articles of Association and subject to the Companies Law, out of capital.

The Directors have no present intention to repurchase any Shares in the open market (i.e. on the Stock Exchange or another stock exchange recognised for this purpose by the Stock Exchange) and would only exercise the power to repurchase in circumstances where they consider that the repurchase would be in the best interests of the Company. The Directors consider that if the Repurchase Mandate was to be exercised in full, it may not have a material adverse impact on the working capital or on the gearing position of the Company, as compared with the positions disclosed in the audited consolidated financial statements of the Company as at December 31, 2019, being the date to which the latest published audited consolidated financial statements of the Company were made up. The Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or on the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

GENERAL

As at the Latest Practicable Date and to the best of their knowledge having made all reasonable enquiries, none of the Directors or any of their respective close associates (as defined in the Listing Rules) has a present intention to sell any of the Shares to the Company or its subsidiaries, if the Repurchase Mandate is approved by the Shareholders.
