UPDATE ON SUSPENSION OF TRADING AND QUARTERLY UPDATE

This announcement is made by Ausupreme International Holdings Limited (the “**Company**”) pursuant to Rules 13.10 and 13.24A of the Rules (the “**Listing Rules**”) Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Stock Exchange**”) and the Inside Information Provisions under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the laws of Hong Kong).

Reference is made to the announcement (the “**Announcement**”) of the Company dated 17 March 2020 in relation to the insufficient public float of the Company and the suspension of trading in the shares of the Company on the Stock Exchange. Unless otherwise defined, capitalised terms used in this announcement shall have the same meanings as those defined in the Announcement. The board of directors of the Company would like to provide the shareholders of the Company an update of the latest status of the Company as follows:

RESUMPTION PLAN

As disclosed in the Announcement, the Company undertook that appropriate steps would be taken to restore at least 25% of the shares of the Company to be held by the public shareholders as soon as reasonably practicable in accordance with the Listing Rules.

Since the suspension of trading in the shares of the Company, the Company has been liaising with Mr. Gao from time to time with an aim to reach a consensus with him as to the way forward to restore sufficient public float of the Company. The Company

repeatedly proposed to him to hold a meeting with him and the Stock Exchange so as to settle the insufficient public float of the Company. However, Mr. Gao refused to attend the meeting unless the Company agrees to withdraw statements about him in the Announcement. Nevertheless, the Company considered that the disclosures made in the Announcement were objective and undeniable facts and no withdrawal or amendment is required as Mr. Gao's acts inevitably caused the suspension of trading in the Company's shares on the Stock Exchange, not even once, but twice and the operation of the Company as well as the rights of all shareholders of the Company and the public to freely trade the Shares through the Stock Exchange are adversely affected.

In relation to the future plan to restore the public float, the Company has considered to allot and issue new shares to dilute the shareholding interest of Mr. Gao so as to restore the public float of the Company. However, the Company considered that this method may not be practicable as Mr. Gao may, similar to what he did previously for two times, acquire further shares of the Company on the market and become a substantial shareholder of the Company resulting in the insufficient minimum public float of the Company again. The Company has liaised with Beatitudes International Ltd., the controlling shareholder of the Company, and understand that it has no intention to sell its shareholding interests in the Company.

The Company will continue to liaise with Mr. Gao and urge him to have a meeting with the Company and the Stock Exchange. The Company hopes that the Stock Exchange and the Securities and Futures Commission will look into the matters and take appropriate courses of action in order to maintain and promote a fair and orderly securities industry. If the Company has come up with other alternative way(s) to restore the public float of the Company, further announcement(s) will be made by the Company as and when appropriate in accordance with the Listing Rules.

CONTINUED SUSPENSION OF TRADING

At the request of the Company, trading in the shares of the Company on the Stock Exchange has been suspended with effect from 9:41 a.m. on Monday, 16 March 2020 and will remain suspended until the minimum public float is restored.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the shares of the Company.
