PROGRESS UPDATE AND ADDENDUM IN RELATION TO THE DISCLOSEABLE TRANSACTION

This announcement is made by Taung Gold International Limited (the “**Company**”) pursuant to Rule 13.09(2) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited and the Inside Information Provisions under Part XIVA of Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

Reference is made to the announcements of the Company dated 28 December 2016 and 25 June 2019 (the “**Announcements**”). Unless the context requires otherwise, terms used herein shall have the same meanings as those defined in the Announcements.

BACKGROUND

On 28 December 2016, the Purchaser, which is a wholly-owned subsidiary of the Company, the Seller and the Guarantor entered into the Agreement, pursuant to which the Purchaser has conditionally agreed to purchase, and the Seller has conditionally agreed to sell the Sale Shares, representing the entire issued share capital of the BVI Target Company, for the consideration of HK\$146,000,000. The Guarantor has agreed to guarantee the Seller’s obligations under the Agreement.

Upon completion of the Proposed Acquisition, the Company will indirectly hold a 100% of the issued share capital of the BVI Target Company and indirectly 21% of the issued share capital of the Pakistani Target Company. As a result of the Proposed Acquisition, the BVI Target Company will become a wholly-owned subsidiary of the Company.

The Pakistani Target Company holds an exploration license for copper, gold and associated minerals in Balochistan, Pakistan.

The Purchaser and the Seller subsequently entered into an addendum on 25 June 2019 (the “**First Addendum**”) to extend the Long Stop Date.

DEVELOPMENT AFTER THE AGREEMENT DATE

After the execution of the Agreement, the Seller continuously worked on matters relating to the conversion of the exploration license into a mining license. On 6 February 2018, a letter was issued by the Director General of Mines and Minerals Balochistan to the Pakistani Target Company regarding the grant of a Mining Lease for Gold, Copper, Lead, Zinc, Silver, Platinum-Group Metals, Molybdenum & Associated Metallic Minerals in District Chagai Balochistan. On 6 April 2018, a further letter was issued by the Director General EPA, Balochistan, to the Pakistani Target Company regarding the grant of “Initial Environmental Examination (IEE) and No Objection Certificate (NOC) for Mining Activities in District Chagai, Balochistan”.

As a result, the Pakistani Target Company currently holds a mining license for mining activities in the designated area.

After the entering of the First Addendum, the uncertain political environment and the effect of COVID-19 in Pakistan continued to adversely affect the due diligence process on the Proposed Acquisition and therefore, could not reach completion on or before the agreed Long Stop Date set out in the First Addendum. Recently, the Company is in the process of engaging local professional teams to evaluate the latest development of the Pakistani Target Company. In view of the potential of the Proposed Acquisition and the future opportunities that may accrue to the Company in the Chagai area of Pakistan, the Company is still eager to continue with the Proposed Acquisition. Thus, on 26 June 2020, the Purchaser and the Seller agreed to enter into an addendum (the “**Second Addendum**”) to further extend the Long Stop Date.
