CHARACTERISTICS OF GEM

GEM has been positioned as a market designed to accommodate small and mid-sized companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration.

Given that the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

PRECAUTIONARY MEASURES FOR THE ANNUAL GENERAL MEETING

In view of the ongoing Novel Coronavirus (COVID-19) pandemic and recent requirements for prevention and control of its spread, the Company will implement the following precautionary measures at the Annual General Meeting to protect attending Shareholders, staff and other stakeholders from the risk of infection:

- (i) Seating at the Annual General Meeting venue will be arranged so as to allow for appropriate social distancing. As a result, there will be limited capacity for Shareholders to attend the Annual General Meeting. The Company may limit the number of attendees at the Annual General Meeting as may be necessary to avoid over-crowding.
- (ii) Compulsory body temperature checks will be conducted on every Shareholder, proxy and other attendee at the entrance of the Annual General Meeting venue. - (iii) Any person who has travelled outside Hong Kong within 14 days immediately before the Annual General Meeting (“**recent travel history**”), is subject to quarantine or self-quarantine in relation to COVID-19, or has close contact with any person under quarantine or with recent travel history shall not attend the Annual General Meeting.

- (v) No gifts, food or beverages will be provided at the Annual General Meeting.
- (vi) Any attendee has any flu-like symptoms or subject to any Hong Kong Government prescribed quarantine or has close contact with any person under quarantine will be denied entry into the meeting venue.

To the extent permitted under law, the Company reserves the right to deny entry of any person into the Annual General Meeting venue or require any person to leave the Annual General Meeting venue in order to ensure the safety of the attendees at the Annual General Meeting.

In addition, the Company reminds Shareholders that physical attendance in person at the Annual General Meeting is not necessary for the purpose of exercising voting rights. Shareholders may appoint the chairman of the Annual General Meeting as their proxy to vote on the relevant resolutions at the Annual General Meeting instead of attending the Annual General Meeting in person, by using form of proxy with voting instructions inserted.

The following is an explanatory statement required by the GEM Listing Rules to provide the Shareholders with requisite information reasonably necessary for them to make an informed decision on whether to vote for or against the ordinary resolution to be proposed at the Annual General Meeting in relation to the granting of the Share Repurchase Mandate.

1. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 800,000,000 Shares.

Subject to the passing of the ordinary resolution set out in item 4 of the notice of the Annual General Meeting in respect of the granting of the Share Repurchase Mandate and on the basis that the issued share capital of the Company remains unchanged on the date of the Annual General Meeting, i.e. being 800,000,000 Shares, the Directors would be authorized under the Share Repurchase Mandate to repurchase, during the period in which the Share Repurchase Mandate remains in force, a total of 80,000,000 Shares, representing 10% of the total number of Shares in issue as at the date of the Annual General Meeting.

2. REASONS FOR SHARE REPURCHASE

The Directors believe that the granting of the Share Repurchase Mandate is in the best interests of the Company and the Shareholders.

Repurchase of Shares may, depending on the market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders.

3. FUNDING OF SHARE REPURCHASE

The Company may only apply funds legally available for share repurchase in accordance with its Memorandum and Articles of Association, the laws of the Cayman Islands and/or any other applicable laws, as the case may be.

4. IMPACT OF SHARE REPURCHASE

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited accounts contained in the annual report of the Company for the year ended 31 March 2020) in the event that the Share Repurchase Mandate was to be carried out in full at any time during the proposed repurchase period. However, the Directors do not intend to exercise the Share Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

5. MARKET PRICES OF SHARES

The highest and lowest prices per Share at which the Shares have been traded on the GEM during each of the previous twelve months prior to the Latest Practicable Date were as follows:

Month	Highest HK\$	Lowest HK\$
2019		
June	0.580	0.475
July	0.670	0.460
August	0.650	0.550
September	0.550	0.550
October	0.650	0.485
November	0.640	0.400
December	0.450	0.335
2020		
January	0.570	0.405
February	0.440	0.420
March	0.445	0.420
April	0.435	0.430
May	0.430	0.222
June (up to the Latest Practicable Date)	0.300	0.245

6. GENERAL

To the best of their knowledge and having made all reasonable enquiries, none of the Directors nor any of their respective close associates (as defined in the GEM Listing Rules) have any present intention to sell any Shares to the Company in the event that the granting of the Share Repurchase Mandate is approved by the Shareholders.

The Company has not been notified by any core connected persons (as defined in the GEM Listing Rules) of the Company that they have a present intention to sell any Shares to the Company, or that they have undertaken not to sell any Shares held by them to the Company in the event that the granting of the Share Repurchase Mandate is approved by the Shareholders.

The Directors have undertaken to the Stock Exchange to exercise the power of the Company to repurchase Shares pursuant to the Share Repurchase Mandate in accordance with the GEM Listing Rules and the applicable laws of the Cayman Islands.

7. TAKEOVERS CODE

If as a result of a repurchase of Shares pursuant to the Share Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of voting rights for the purposes of the Takeovers Code. Accordingly, a Shareholder or a group of Shareholders acting in concert (within the meaning under the Takeovers Code), depending on the level of increase in the Shareholder's interest, could obtain or consolidate control of the Company and thereby become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code.

To the best knowledge of the Company, as at the Latest Practicable Date, Mr. Yip and Ms. Fu, through Equal Joy Holdings Limited, a company which is direct owned to 50% by Mr. Yip and 50% by Ms. Fu, were beneficially interested in 600,000,000 Shares, representing 75% of the issued share capital of the Company.

In the event that the Directors exercise the proposed Share Repurchase Mandate in full, the shareholding of the above controlling shareholders would be increased to approximately 83.3% of the issued share capital of the Company.

The Directors will use their best endeavours to ensure that the Share Repurchase Mandate will not be exercised to such extent that the number of Shares held by the public will fall below the relevant minimum percentage as determined by the Stock Exchange.

8. SHARE REPURCHASE MADE BY THE COMPANY

During the six months prior to the Latest Practicable Date, the Company had not repurchased any of the Shares (whether on GEM or otherwise).
