REASONS FOR AND BENEFITS OF ENTERING INTO THE LEASE AGREEMENTS

As announced by the Company on 6 July 2017 and 10 July 2017, the Company entered into the Existing Lease Agreement due to business expansion and insufficient office spaces in the Company's then existing office premises for its operational needs for future development.

The Company entered into the Existing Lease Agreement with Zuoli Holdings on 6 July 2017 in respect of the lease of the Leased Properties for a term of three (3) years commencing from 7 July 2017 at a rental of RMB2,800,000 per annum. The maximum aggregate annual value of the transaction contemplated under the Existing Lease Agreement for each of the four (4) financial years ending 31 December 2020 amounted to nil (based on the rental for the period from 7 July 2017 to 31 December 2017 (both days inclusive)), RMB2,800,000 (based on the rental for the year ending 31 December 2018), RMB2,800,000 (based on the rental for the year ending 31 December 2019) and RMB1,445,162 (based on the rental for the period from 1 January 2020 to 6 July 2020 (both days inclusive)) respectively. The Existing Lease Agreement expired on 6 July 2020.

Due to the reorganization between the Company and Jinhui Micro-finance, Jinhui Micro-finance becomes the principal platform for the Group to carry out business. Therefore, the Company had been subletting the Jinhui Micro-finance Leased Property to Jinhui Micro-finance during the term of the Existing Lease Agreement. As the Company will continue to use the Company Leased Property to maintain its operational needs, whereas Jinhui Micro-finance will continue to use the Jinhui Micro-finance Leased Property to maintain its operational needs, the Company and Jinhui Micro-finance have agreed that the Company and Jinhui Micro-finance shall enter into separate lease agreements with Zuoli Holdings.

Accordingly, the Company has requested and Zuoli Holdings has agreed to enter into the Company Lease Agreement with the Company, and Jinhui Micro-finance has requested and Zuoli Holdings has agreed to enter into the Jinhui Micro-finance Lease Agreement with Jinhui Micro-finance.

The Directors (including the independent non-executive Directors) are of the view that the transactions contemplated under the Lease Agreements will be conducted in the ordinary and usual course of business of the Company and Jinhui Micro-finance and on normal or better commercial terms, and the terms and conditions of the Lease Agreements and the transactions thereunder are fair and reasonable and in the interests of the Company and the Shareholders as a whole.

LISTING RULES IMPLICATIONS

Puhua Energy is a controlling shareholder of the Company and thus a connected person of the Company under the Listing Rules. Zuoli Holdings, being the holding company of Puhua Energy, is an associate of Puhua Energy and thus also a connected person of the Company under the Listing Rules.

The transactions contemplated under the Lease Agreements constitute continuing transactions. Since Zuoli Holdings is a connected person of the Company, such continuing transactions constitute continuing connected transactions for the Company under Chapter 14A of the Listing Rules.

Pursuant to Rule 14A.81 of the Listing Rules, the transaction contemplated under the Company Lease Agreement is required to be aggregated with the transaction contemplated under the Jinhui Micro-finance Lease Agreement.

Since one or more of the applicable percentage ratios (as set out in Rule 14.07 of the Listing Rules) calculated with reference to the annual caps under the Lease Agreements, when aggregated, exceed 0.1% but are less than 5%, the transactions contemplated under the Lease Agreements are subject to the reporting, announcement and annual review requirements but exempt from the circular and independent Shareholders' approval requirements under Chapter 14A of the Listing Rules.

Mr. Yu is the executive Director and the chairman of the Company and also one of its controlling shareholders. Mr. Yu is the son of Mr. Y Yu, who wholly owns Deqing Yintian, which in turn holds approximately 79.558% of the equity interest in and controls Zuoli Holdings. In view of such relationships, Mr. Yu has abstained from voting on the Board resolutions approving the entering into of the Lease Agreements.
