GENERAL MANDATES TO ISSUE SHARES AND REPURCHASE SHARES

By ordinary resolutions of the Shareholders passed on 23 August 2019, the Directors were granted general mandates to issue Shares and to repurchase Shares. Each such mandate will expire at the conclusion of the AGM.

Approval is sought from the Shareholders, pursuant to the Listing Rules, for granting of the Issue Mandate in order to enable the Directors to issue additional Shares should the need arise. In this regard, ordinary resolutions will be proposed at the AGM for the approval of granting of, amongst others, the (i) Issue Mandate to the Directors to allot and issue new Shares up to an amount not exceeding 20% of the number of issued shares of the Company as at the date of passing of the resolution at the AGM (details of which are set out as resolution no. 5(1) in the AGM Notice); and (ii) Repurchase Mandate to the Directors to repurchase Shares up to an amount not exceeding 10% of the number of the issued shares of the Company as at the date of passing the resolution at the AGM (details of which are set out as resolution no. 5(2) in the AGM Notice). In addition, a separate ordinary resolution will also be proposed at the AGM (details of which are set out as resolution no. 5(3) in the AGM Notice) to add to the Issue Mandate those number of issued Shares repurchased by the Company under the Repurchase Mandate (if granted to the Directors at the AGM).

Based on the issued share capital of 2,279,392,000 Shares as at the Latest Practicable Date, on the assumption that there will not be any change to the issued share capital of the Company between the Latest Practicable Date and the AGM, the number of Shares that may fall to be issued under the Issue Mandate will be 455,878,400 Shares, representing 20% of the issued share capital of the Company as at the Latest Practicable Date.

LETTER FROM THE BOARD

The Issue Mandate and Repurchase Mandate, if approved at the AGM, will continue in force until the conclusion of the next annual general meeting of the Company held after the AGM or the expiration of the period within which the next annual general meeting of the Company is required to be held by the Article or other applicable laws or until revoked or varied by an ordinary resolution passed in a general meeting of the Company, whichever occurs first.

The Directors have no current plans to issue any new Shares or repurchase Shares pursuant to the relevant mandates, other than such Shares which may fall to be allotted and issued upon the exercise of any share options granted under the Share Option Scheme.

In accordance with the Listing Rules, the Company may not make a new issue of Shares or announce a proposed new issue of Shares for a period of 30 days after any purchase by it of Shares, whether on the Stock Exchange or otherwise, other than an issue of securities pursuant to the exercise of warrants, share options or similar instruments requiring the Company to issue securities which were outstanding prior to that purchase of its own securities, without the prior approval of the Stock Exchange.

An explanatory statement containing the information as required by the Listing Rules in connection with the Repurchase Mandate is set out in Appendix II to this circular.

This Appendix serves as the explanatory statement required under Rule 10.06(1)(b) of the Listing Rules to provide you with the information necessary for your consideration of the Repurchase Mandate to be granted to the Directors.

SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 2,279,392,000 Shares.

Subject to the passing of the relevant ordinary resolutions and on the basis that no further Shares are issued or repurchased prior to the AGM, the Company will be allowed under the Repurchase Mandate to repurchase a maximum of 227,939,200 Shares (representing not more than 10% of the number of issued shares of the Company as at the date of passing the resolution to approve the Repurchase Mandate).

REASONS FOR REPURCHASES

The Directors believe that it is in the best interests of the Company and the Shareholders that they should have a general authority from the Shareholders to enable the Company to repurchase Shares in the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value of the Company and/or its earning per Share and will only be made where the Directors believe that such repurchases will benefit the Company and the Shareholders.

FUNDING OF REPURCHASES

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with its Articles, the Listing Rules and the applicable laws and regulations of the Cayman Islands.

A listed company is prohibited from repurchasing its own securities on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time. Under the applicable laws and regulations of the Cayman Islands, any repurchase by the Company may be made out of the profits or out of the proceeds of a fresh issue of Shares made for the purpose of the repurchase or, if so authorised by the Articles and subject to the applicable laws and regulations of the Cayman Islands, out of capital. Any premium payable on a redemption or purchase over the par value of the Shares to be purchased must be provided for out of profits of the Company or from sums standing to the credit of the Company's share premium account or, if authorised by the Articles and subject to the provisions of the applicable laws and regulations of the Cayman Islands, out of capital.

On the basis of the current financial position of the Company as disclosed in its annual report for the year ended 31 March 2020 and taking into account the Company's current working capital position, the Directors consider that, if the Repurchase Mandate is exercised in full, it may have a material adverse effect on the Company's working capital and/or gearing position as compared with the financial position of the Company as at 31 March 2020 (being

the date to which the latest audited financial statements of the Company have been made up). However, the Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the Company's working capital requirements or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

GENERAL

The Directors have undertaken to the Stock Exchange that, so far as the same may be applied, they will exercise the Repurchase Mandate in accordance with the Listing Rules, the Articles and applicable laws and regulations of the Cayman Islands.

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, their close associates, currently intends to sell any Shares to the Company in the event that the Repurchase Mandate is approved by the Shareholders.

No core connected person has notified the Company that he or she has a present intention to sell Shares to the Company, or have undertaken not to do so, in the event that the Repurchase Mandate is approved by the Shareholders.

TAKEOVERS CODE

If as a result of a repurchase of Shares, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of the Takeovers Code. As a result, a Shareholder or a group of Shareholders acting in concert (as interpreted according to the Takeovers Code), depending on the level of increase of the Shareholder's interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with the Takeovers Code.

As at the Latest Practicable Date, Nameson Investments directly held 1,500,000,000 Shares, representing approximately 65.8% in the issued share capital of the Company. Nameson Investments is a wholly-owned subsidiary of Happy Family BVI, which is in turn wholly-owned by East Asia International Trustees Limited. Accordingly, each of Happy Family BVI and East Asia International Trustees Limited is deemed to be interested in 1,500,000,000 Shares held by Nameson Investments, representing approximately 65.8% in the issued share capital of the Company.

In addition, Mr. Wong Ting Chung, Mr. Wong Wai Wing, Raymond, Mr. Wong Ting Chun and Mr. Wong Ting Kau who are beneficiaries of the Happy Family Trust, a trust established by Mr. Wong Ting Chung as the settlor with East Asia International Trustees Limited as the trustee, they are deemed to be interest in 1,500,000,000 Shares held by Nameson Investments, representing approximately 65.8% in the issued share capital of the Company as at the Latest Practicable Date.

Moreover, Mr. Wong Ting Chung is the beneficial owner of 200,000,000 Shares. Therefore, the aggregate number of shares directly and indirectly held by him is 1,700,000,000 Shares, representing approximately 74.6% in the issued share capital of the Company as at the Latest Practicable Date.

In the event that the Directors exercise in full the Repurchase Mandate and assuming there is no other change in the issued share capital of the Company and the number of Shares held by Mr. Wong Ting Chung, the interest of Mr. Wong Ting Chung in the issued share capital of the Company would be increased to approximately 82.9% of the issued share capital of the Company and such increase would not give rise to an obligation to make a mandatory offer under the Takeovers Code. The Directors have no present intention to repurchase the Shares to the extent which would trigger the obligations under the Takeovers Code or result in less than 25% of the Shares being held by the public. The Directors are not aware of any consequences which will arise under the Takeovers Code as a result of any purchases made under the Repurchase Mandate.
