5. RECOMMENDATION

The Directors consider that the granting of the Issuance Mandate and the Buyback Mandate, the extension of the Issuance Mandate and the re-election of the retiring Directors are in the interests of the Company and the Shareholders as a whole. Accordingly, the Directors recommend the Shareholders to vote in favour of the relevant resolutions to be proposed at the AGM.

6. GENERAL INFORMATION

Your attention is drawn to the additional information set out in Appendix I (Explanatory statement on the Buyback Mandate) and Appendix II (Details of the retiring Directors proposed to be re-elected at the AGM) to this circular.

Yours faithfully,
By Order of the Board
China Health Group Limited
Zhang Fan
Chairman of the Board and Executive Director

The following is an explanatory statement required by the Listing Rules to be sent to the Shareholders to enable them to make an informed decision on whether to vote for or against the ordinary resolution to be proposed at the AGM in relation to the granting of the Buyback Mandate.

1. REASONS FOR BUYBACK OF SHARES

The Directors believe that the granting of the Buyback Mandate is in the interests of the Company and the Shareholders. Repurchases of Shares may, depending on the market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share. The Directors are seeking the granting of the Buyback Mandate to give the Company the flexibility to do so if and when appropriate. The number of Shares to be repurchased on any occasion and the price and other terms upon which the same are repurchased will be decided by the Directors at the relevant time, having regard to the circumstances then pertaining.

2. SHARE CAPITAL

As at the Latest Practicable Date, the issued Shares comprised 4,139,947,634 Shares.

Subject to the passing of the ordinary resolution set out in item 5 of the notice of the AGM in respect of the granting of the Buyback Mandate and on the basis that the issued ordinary share capital of the Company remains unchanged on the date of the AGM, the Directors would be authorized under the Buyback Mandate to repurchase, during the period in which the Buyback Mandate remains in force, up to 413,994,763 Shares, representing 10% of the total number of the issued Shares as at the date of the AGM.

3. FUNDING OF REPURCHASES

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with its Memorandum of Association and Bye-laws, the laws of Bermuda and/or any other applicable laws, as the case may be.

The Company is empowered by its Memorandum of Association and the Bye-laws to repurchase Shares. The laws of Bermuda provide that the amount of capital paid in connection with a share repurchase by a company may only be paid out of the capital paid up on the relevant shares, or funds of the company which would otherwise be available for dividend or distribution or out of the proceeds of a fresh issue of shares made for such purpose. The amount of premium payable on a repurchase may only be paid out of the funds of the company which would otherwise be available for dividend or distribution or out of the share premium account of the company.

4. IMPACT OF REPURCHASES

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited accounts contained in the annual report of the Company for the year ended 31 March 2020) in the event that the Buyback Mandate was to be carried out in full at any time during the proposed repurchase period. However, the Directors do not intend to exercise the Buyback Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital or the gearing levels of the Company.

5. TAKEOVERS CODE

If a shareholder's proportionate interest in the voting rights of the Company increases as a result of the Directors exercising the powers of the Company to repurchase Shares pursuant to the Buyback Mandate, such increase will be treated as an acquisition of voting rights for the purpose of Rule 32 of the Takeovers Code.

As far as the Directors are aware, as at the Latest Practicable Date, Mr. Zhang Fan (the executive Director, "Mr. Zhang"), together with Treasure Wagon Limited wholly owned by Mr. Zhang, held 1,177,074,000 Shares (representing 28.43% of the total issued Shares). Save as disclosed above, there were no other Shareholders holding 10% or more in the issued Shares. Accordingly, on the basis that no further Shares are issued or repurchased and there is no change in shareholding structure, an exercise of the Buyback Mandate in full would give rise to any obligation on Mr. Zhang to make a mandatory general offer under the Takeovers Code. However, the Directors have no intention to exercise the Buyback Mandate which would render any Shareholder or group of Shareholders (including Mr. Zhang) obliged to make a general mandatory offer under the Takeovers Code.

6. GENERAL

None of the Directors or, to the best of their knowledge having made all reasonable enquiries, any of their respective close associates have any present intention to sell any Share to the Company in the event that the granting of the Buyback Mandate is approved by the Shareholders.

The Company has not been notified by any core connected persons of the Company that they have a present intention to sell any Share to the Company, or that they have undertaken not to sell any Share held by them to the Company in the event that the granting of the Buyback Mandate is approved by the Shareholders.

The Directors have undertaken to the Stock Exchange to exercise the power of the Company to make repurchases of Shares pursuant to the Buyback Mandate in accordance with the Listing Rules and the applicable laws of Bermuda.

7. MARKET PRICES OF SHARES

The highest and lowest prices per Share at which Shares have been traded on the Stock Exchange in each of the previous twelve months immediately prior to the Latest Practicable Date were as follows:

Month	Highest <i>HK\$</i>	Lowest <i>HK\$</i>
2019
