## CHARACTERISTICS OF GEM

---

GEM has been positioned as a market designed to accommodate small and mid-sized companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration.

Given that the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

### **2. GENERAL MANDATES TO ISSUE AND REPURCHASE SHARES**

An ordinary resolution relating to the Share Issue Mandate will be proposed which, subject to the said resolution being passed at the Annual General Meeting, empowers the Directors to allot, issue and deal with new Shares of not exceeding 20% of the total number of the issued Shares as at the date of passing of the resolution during the period up to (i) the conclusion of the next annual general meeting of the Company, or (ii) the expiration of the period within which the next annual general meeting of the Company is required by the applicable laws or the Articles of Association to be held, or (iii) the date of revocation or variation of the said resolution by passing an ordinary resolution in a general meeting prior to the next annual general meeting, whichever is the earliest.

As at the Latest Practicable Date, there were in issue an aggregate of 1,644,188,693 Shares. Assuming that no further Shares are issued or repurchased prior to the Annual General Meeting, no more than 328,837,738 Shares may be allotted and issued by the Company if the Share Issue Mandate is exercised in full.

At the Annual General Meeting, an ordinary resolution will be proposed to grant to the Directors a general mandate to repurchase the Shares on the Stock Exchange representing up to a maximum of 10% of the total number of the issued Shares as at the date of passing the resolution.

An explanatory statement in connection with the Repurchase Proposal is set out in Appendix I to this circular. The explanatory statement contains all the information reasonably necessary to enable the Shareholders to make an informed decision as to whether to vote for or against the relevant resolution.

Subject to the passing of the proposed ordinary resolutions regarding the Share Issue Mandate and the Repurchase Proposal, a separate resolution will also be proposed to grant a general mandate to the Directors to include the aggregate number of Shares which may from time to time be repurchased by the Company pursuant to the Repurchase Proposal to the Share Issue Mandate.

### 6. RESPONSIBILITY STATEMENT

The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this circular misleading.

### 7. GENERAL INFORMATION

Your attention is also drawn to the Appendix I (Explanatory Statement Relating to Share Repurchase) and the Appendix II (Details of Directors Proposed to be Re-elected at the AGM) to this circular.

Yours faithfully,

For and on behalf of the Board of

**China Smartpay Group Holdings Limited**

**中國支付通集團控股有限公司**

**Song Qian**

*Chairlady*

This Appendix I serves as an explanatory statement, as required by the GEM Listing Rules, to provide certain information to you for your consideration of the Repurchase Proposal.

### **THE REPURCHASE PROPOSAL**

At the Annual General Meeting, an ordinary resolution will be proposed that the Directors be given a general mandate to exercise all powers of the Company to repurchase issued and fully paid Shares. Under the Repurchase Proposal, the number of Shares that the Company may repurchase shall not exceed 10% of the issued share capital of the Company as at the date of the resolution. The Company's authority is restricted to repurchases made on the Stock Exchange in accordance with the GEM Listing Rules. If the Company exercises the Repurchase Proposal in full, on the basis that no further Shares will be issued prior to the date of the Annual General Meeting, up to 164,418,869 Shares will be repurchased by the Company.

The Repurchase Proposal allows the Company to make or agree to make repurchases only during the period ending on the earliest of:

- (a) the date of the next annual general meeting;
- (b) the date by which the next annual general meeting of the Company is required to be held by the Articles of Association or by the applicable laws; or
- (c) the date upon which the Repurchase Proposal is revoked or varied by an ordinary resolution of the Shareholders in a general meeting of the Company.

The Directors have no present intention to repurchase any Shares but consider that the Repurchase Proposal will afford the Company the flexibility to make such repurchase when appropriate and beneficial to the Company.

The Directors believe that the Repurchase Proposal is in the best interests of the Company and the Shareholders. Such repurchases may enhance the net value and/ or earnings per Share and will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders as a whole. As compared with the financial position of the Company as at 31 March 2020 (being the date of its latest audited accounts), the Directors consider that there would be a material adverse impact on the working capital and on the gearing position of the Company in the event that the Repurchase Proposal is to be exercised in full during the proposed repurchase period.

No repurchase would be made in circumstances that would have a material adverse impact on the working capital or gearing ratio of the Company.

The Company is empowered by its memorandum and Articles of Association to repurchase its Shares. The laws of the Cayman Islands provide that the amount of capital repaid in connection with a share repurchase may only be paid out of either the profits that would otherwise be available for distribution by way of dividend or the proceeds of a new issue of shares made for such purpose. The amount of premium payable on redemption may only be paid out of either the profits that would otherwise be available for distribution by way of dividend or out of the share premium of the Company. Under the laws of the Cayman Islands, the repurchased shares will remain part of the authorised but unissued share capital of the Company.

The Directors intend to apply the profits that would otherwise be available for distribution by way of dividend for any repurchase of the Shares.

**Directors, their close associates and core connected persons**

None of the Directors nor, to the best of the knowledge and belief of the Directors having made all reasonable enquiries, any of their respective close associates (as defined in the GEM Listing Rules) has any present intention, in the event that the Repurchase Proposal is approved by the Shareholders, to sell Shares to the Company.

No core connected persons of the Company (as defined in the GEM Listing Rules) has notified the Company that he/she has a present intention to sell Shares to the Company nor has he/she undertaken not to sell any of the Shares held by him/her to the Company in the event that the Company is authorised to make repurchases of Shares.

**Undertaking of the Directors**

The Directors have undertaken to the Stock Exchange to exercise the power of the Company to make repurchases pursuant to the proposed resolution in accordance with the GEM Listing Rules, all applicable laws of the Cayman Islands and the regulations set out in the memorandum and Articles of Association of the Company.

**Effect of Takeovers Code**

A repurchase of Shares by the Company may result in an increase in the proportionate interests of a substantial shareholder of the Company in the voting rights of the Company, which could give rise to an obligation to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

**APPENDIX I****EXPLANATORY STATEMENT

*Notes:*

1. “L” denotes long position.
2. The percentages were calculated based on the Company’s issued share capital of 1,644,188,693 Shares as at the Latest Practicable Date and on the assumption that there is no other change in the issued share capital of the Company.
3. Out of 263,090,000 Shares, 170,000,000 Shares were held by Sino Starlet, which in turn is wholly owned by Mr. Zhang. As Mr. Zhang is the controlling shareholder of Sino Starlet, he is deemed to be interested in these 170,000,000 Shares held by Sino Starlet pursuant to Part XV of the SFO.
4. Information is extracted from the corporate substantial shareholder notices filed by Vered Capital on 27 July 2018. Accordingly to the notices, Vered Capital acquired the security interests of 170,000,000 Shares from Sino Starlet and 90,090,000 Shares from Mr. Zhang on 27 July 2018.
5. Mr. Yan directly holds 75% of the issued share capital of 上海嘉銀, which in turn indirectly holds 100% of the issued share capital of BNV, which in turn directly holds 100% of the issued share capital of Invech. Therefore, Mr. Yan, 上海嘉銀 and BNV are taken to be interested in the number of Shares held by Invech pursuant to Part XV of the SFO.

In the event that the Repurchase Proposal is exercised in full and if there is no other change in the total number of the issued Shares, the shareholdings of these Shareholders in the Company would be increased as shown in the table above. Accordingly, they will not be required under the Takeovers Code to make a mandatory offer for all the issued Shares as a result of such increase. The Directors have no present intention to buy back Shares to an extent that will trigger the obligations under the Takeovers Code to make a mandatory offer. In addition, in exercising the Repurchase Proposal (whether in full or otherwise), the Directors will ensure that the Company shall comply with the requirements of the GEM Listing Rules, including the minimum percentage of Shares being held in public hands.

**GEM Listing Rules in relation to repurchases of Shares**

The GEM Listing Rules permit companies whose primary listings are on the Stock Exchange to repurchase their shares on the Stock Exchange subject to certain restrictions, the most important of which are summarised below:

***(a) Shareholders' approval***

The GEM Listing Rules provide that all repurchases of shares on the Stock Exchange by a company with its primary listing on the Stock Exchange must be approved in advance by an ordinary resolution, which may be by way of general mandate, or by specific approval in relation to the repurchase transactions.

***(b) Source of funds***

Repurchases must be funded out of funds legally available for the purpose.

**General**

During each of the six months preceding the Latest Practicable Date, no Shares have been repurchased by the Company.
