**REVISION OF THE EXISTING ANNUAL CAPS FOR CONTINUING  
CONNECTED TRANSACTIONS  
IN RELATION TO SMSC FRAMEWORK AGREEMENT**

Reference is made to the announcements of the Company dated 6 December 2019 and 13 February 2020 and the circular of the Company dated 21 January 2020 in respect of the Continuing Connected Transactions in relation to the SMSC Framework Agreement entered into between the Company (on behalf of itself and its subsidiaries (other than SMSC)) and SMSC (a non wholly-owned subsidiary of the Company).

On 31 August 2020 (after trading hours), the Company (on behalf of itself and its subsidiaries (other than SMSC)) and SMSC entered into the Amendment Agreement to revise the Existing Annual Caps.

In compliance with the Listing Rules, the Company has been monitoring the Continuing Connected Transactions. In view of the continuous growth and expansion of the business operations of SMSC, the Company expects that the Existing Annual Caps will not be sufficient. The Company has therefore proposed to revise the Existing Annual Caps with the Revised Annual Caps.

As the applicable percentage ratios set out in rule 14.07 of the Listing Rules in respect of the Revised Annual Caps for the transfer of assets are 5% or more but less than 25%, the Revised Annual Caps for the transfer of assets constitute non-exempt continuing connected transactions under Chapter 14A of the Listing Rules and are subject to the reporting, announcement and Independent Shareholders' approval requirements. Such transactions also constitute disclosable transactions of the Company and are subject to the reporting and announcement requirements under Chapter 14 of the Listing Rules. The Continuing Connected Transactions are also subject to the annual review requirements set out in rules 14A.55 and 14A.56 of the Listing Rules.

In accordance with the Listing Rules, the Independent Board Committee has been established to advise and provide recommendation to the Independent Shareholders on the Amendment Agreement and the Revised Annual Caps and to advise the Independent Shareholders on how to vote.

Messis Capital Limited has been appointed by the Company as the Independent Financial Adviser to advise the Independent Board Committee and the Independent Shareholders on the Amendment Agreement and the Revised Annual Caps.

## **GENERAL**

At the EGM, an ordinary resolution will be proposed to the Independent Shareholders to approve the Amendment Agreement including the Revised Annual Caps. As China IC Fund is a connected person of the Company, its wholly-owned subsidiary Xinxin (Hongkong) Capital Co., Limited and its other associates (as defined in the Listing Rules) will abstain from voting on the ordinary resolution to approve the Amendment Agreement and the transactions contemplated thereunder. As China IC Fund II and Shanghai IC Fund are connected persons of the Company and each of China IC Fund II and Shanghai IC Fund holds approximately 1.66% and 0.24% shareholding in the Company, respectively, China IC Fund II and Shanghai IC Fund and their associates will also abstain from voting on the ordinary resolution to approve the Amendment Agreement and the transactions contemplated thereunder. To the best of the Directors' knowledge, information and belief, having made all reasonable enquiries, save as set out above, no other Shareholder will be required to abstain from voting on the resolutions at the EGM.

The Company expects to dispatch a circular to the Shareholders on or around 20 October 2020 as time is needed to finalise the contents therein. The circular will contain, among other things, (i) further details on the Amendment Agreement; (ii) a letter from the Independent Board Committee to the Independent Shareholders; (iii) a letter from the Independent Financial Adviser containing its advice to the Independent Board Committee and the Independent Shareholders; and (iv) a notice convening the EGM.
