REASONS AND BENEFITS FOR SUBSCRIBING FOR THE WEALTH MANAGEMENT PRODUCT

In order to enhance the capital efficiency as well as the return from working capital, the Group reasonably utilises its idle capital to subscribe for wealth management products issued by the commercial banks and other financial institutions in the PRC and Hong Kong to earn additional income without affecting its normal operations. At the same time, wealth management products offer a better potential return to the Group when compared to the deposit interest rates normally offered by commercial banks in the PRC and Hong Kong. The condition of the wealth management products has been closely and effectively monitored by the Company, and the Group has not experienced any losses on the wealth management products up to and as at the date of this announcement.
