At the AGM, an ordinary resolution will be proposed to grant to the Directors new general and unconditional mandate to allot, issue and otherwise deal with Shares of up to 20% of the total number of the issued Shares as at the date of passing of the relevant resolution.

The Issue Mandate allows the Company to allot, issue and otherwise deal with Shares only during the period ending on the earliest of (i) the conclusion of the next annual general meeting of the Company; (ii) the date by which the next annual general meeting of the Company is required to be held by the Articles of Association or the laws of the Cayman Islands; or (iii) the date upon which such authority is revoked or varied by an ordinary resolution of the Shareholders at a general meeting of the Company (the “**Relevant Period**”).

As at the Latest Practicable Date, the issued share capital of the Company comprised 800,000,000 Shares. Subject to the passing of the relevant resolution to approve the Issue Mandate and on the basis that no further Shares are allotted and issued or repurchased prior to the date of the AGM, the Directors would be authorised to allot, issue and otherwise deal with a maximum of 160,000,000 new Shares under the Issue Mandate, representing 20% of the total number of the issued Shares as at the date of the AGM.

On 17 December 2019, an ordinary resolution was passed by the then Shareholders to give a general mandate to the Directors to exercise the powers of the Company to repurchase shares. Such mandate will lapse at the conclusion of the AGM.

At the AGM, an ordinary resolution will be proposed to grant to the Directors new general and unconditional mandate to repurchase Shares of up to 10% of the total number of the issued Shares as at the date of passing of the relevant resolution. The Repurchase Mandate will allow the Company to make repurchases only during the Relevant Period.

As at the Latest Practicable Date, the issued share capital of the Company comprised 800,000,000 Shares. Subject to the passing of the relevant resolution to approve the Repurchase Mandate and on the basis that no further Shares are allotted and issued or repurchased prior to the date of the AGM, the Company would be allowed to repurchase a maximum of 80,000,000 Shares under the Repurchase Mandate, representing 10% of the total number of the issued Shares as at the date of the AGM.

The Directors have no present intention to exercise the Issue Mandate or the Repurchase Mandate (if granted to the Directors at the AGM).

LETTER FROM THE BOARD

Pursuant to Rule 13.39(4) of the Listing Rules, any vote of the Shareholders at a general meeting of the Company must be taken by poll, except where the chairman, in good faith, decides to allow a resolution which relates purely to a procedural or administrative matter to be voted on by a show of hands. GENERAL INFORMATION

Your attention is also drawn to the additional information set out in the appendices to this circular.

LANGUAGE

The English text of this circular shall prevail over the Chinese text for the purpose of interpretation.

By Order of the Board
Kwan Yong Holdings Limited
Kwan Mei Kam
Chairman and executive Director

This appendix serves as an explanatory statement, as required under the Listing Rules to provide the requisite information to the shareholders for consideration of the Repurchase Mandate pursuant to Rule 10.06 of the Listing Rules.

1. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 800,000,000 Shares. Subject to the passing of the relevant resolution to approve the Repurchase Mandate and on the basis that no further Shares are allotted and issued or repurchased between the Latest Practicable Date and the date of AGM, the Company will be allowed to repurchase a maximum of 80,000,000 Shares during the Relevant Period.

2. SOURCE OF FUNDS

The Directors propose that the repurchase of Shares under the Repurchase Mandate would be financed from the Company's internal resources.

In repurchasing the Shares, the Company may only apply funds which are legally available for such purposes in accordance with the Articles of Association, the Listing Rules and the applicable laws and regulations of the Cayman Islands. The Company will not purchase the Shares on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time.

3. REASONS FOR SHARE REPURCHASE

Although the Directors have no present intention of exercising the proposed Repurchase Mandate, the Directors believe that the flexibility afforded by the proposed Repurchase Mandate would be beneficial to the Company and the Shareholders. An exercise of the Repurchase Mandate may, depending on market conditions at the time, lead to an enhancement of the net asset value and/or earnings per Share and will only be made when the Directors believe that repurchase of Shares will benefit the Company and Shareholders as a whole.

4. SHARE PRICES

The highest and lowest prices at which the Shares have traded on the Stock Exchange during the period from the Listing Date to the Latest Practicable Date were as follows:

	Shares Price	
	Highest <i>HK\$</i>	Lowest <i>HK\$</i>
2020		
January (from 8 January 2020)	0.820	0.550
February	0.720	0.580
March	0.820	0.590
April	0.890	0.630
May	1.170	0.760
June	1.230	0.650
July	0.820	0.630
August	0.840	0.237
September	0.315	0.228
October (up to the Latest Practicable Date)	0.275	0.230

5. UNDERTAKING

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the powers of the Company to make repurchase pursuant to the Repurchase Mandate and in accordance with the Listing Rules, the Articles of Association, the memorandum of association of the Company and the applicable laws of the Cayman Islands.

6. EFFECT OF THE TAKEOVERS CODE

If as a result of a repurchase of Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Takeover Code. As a result, a Shareholder, or a group of Shareholders acting in concert (as defined in the Takeovers Code), depending on the level of increase of the Shareholders' interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 and Rule 32 of the Takeovers Code.

As at the Latest Practicable Date, the following Shareholders had interests representing 5% or more of the issued share capital of the Company:

Name	Capacity/ Nature of interest	Number of Shares held/ interested	Approximate percentage of total issued Shares	
			As at the Latest Practicable Date	If the Repurchase Mandate is exercised in full
Ideal Smart Ventures Limited ("Ideal Smart")	Beneficial owner	600,000,000	75.0%	83.3%
Mr. Kwan Mei Kam	Interest of a controlled corporation	600,000,000	75.0%	83.3%
Ms. Tay Yen Hua	Interest of a controlled corporation	600,000,000	75.0%	83.3%

Notes:

- All interests stated are long positions.
- Ideal Smart is 100% owned by Mr. Kwan Mei Kam and Ms. Tay Yen Hua in equal shares. Therefore, Mr. Kwan Mei Kam and Ms. Tay Yen Hua are deemed to be, or taken to be, interested in all the shares of the Company held by Ideal Smart for the purpose of the SFO.

On the basis of 800,000,000 Shares in issue as at the Latest Practicable Date and assuming there is no further issue or repurchase of Shares during the period from the Latest Practicable Date up to and including the date of the AGM, if the Repurchase Mandate were exercised in full, the total number of the Shares which will be repurchased pursuant to the Repurchase Mandate shall be 80,000,000 Shares (being 10% of the total number of issued Shares as at the Latest Practicable Date) and the interests in the shareholding in the Company held by Ideal Smart, Mr. Kwan Mei Kam and Ms. Tay Yen Hua would be increased from 75.0% to approximately 83.3% of the issued Shares. Such increase would result in the aggregate number of Shares in the public hands being reduced to less than 25%. Any repurchase of the Shares which results in the number of the Shares held by the public being reduced to less than the prescribed percentage of the Shares then in issue could only be implemented with the approval of the Stock Exchange to waive the Listing Rules requirements regarding the public float.

The Directors do not intend to exercise the power to repurchase Shares to an extent which would render any Shareholder or group of Shareholders obliged to make a mandatory offer under Rule 26 and Rule 32 of the Takeovers Code.

The Directors will not repurchase the Shares on the Stock Exchange if the repurchase would result in the number of the listed securities which are in the hands of the public falling below 25%, being the relevant minimum prescribed percentage for the Company as required by the Stock Exchange.

7. DISCLOSURE OF INTEREST OF DIRECTORS, THEIR CLOSE ASSOCIATES AND CORE CONNECTED PERSONS

As at the Latest Practicable Date, none of the Directors nor, to the best of their respective knowledge and belief and having made all reasonable enquiries, their close associates, have any present intention, if the Repurchase Mandate is approved by the Shareholders and is exercised, to sell any of their Shares to the Company or any of its subsidiaries under the Repurchase Mandate.

As at the Latest Practicable Date, no core connected person of the Company (i) has notified the Company that he/she/it has a present intention to sell any of his/her/its Shares; (ii) has undertaken to the Company that he/she/it will not sell any of his/her/its Shares to the Company, in the event that the Repurchase Mandate is approved by the Shareholders.

8. MATERIAL ADVERSE CHANGE

As compared with the financial position of the Company as at 30 June 2020 (being the date to which the latest audited accounts of the Company have been made up), the Directors consider that there would not be a material adverse impact on the working capital and on the gearing position of the Company in the event that the proposed repurchases were to be carried out in full during the proposed repurchase period.

The Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital of the Company or the gearing position which in the opinion of the Directors are from time to time appropriate for the Company.

9. SHARE REPURCHASE MADE BY THE COMPANY

The Company had not purchased any of the Shares (whether on the Stock Exchange or otherwise) in the six months immediately preceding the Latest Practicable Date.

The following are particulars of the retiring Directors proposed to be re-elected at the AGM.
