Listing Rules Implications

Jiuhuashan Acquisition

The Vendor is a substantial shareholder of Jiuhuashan Shenlv. As the respective assets, profits and revenue size test ratios of Jiuhuashan Shenlv represent less than 5% for the latest financial year, Jiuhuashan Shenlv shall be considered as an insignificant subsidiary of the Company pursuant to Rule 14A.09(1)(b) of the Listing Rules. Given that the Vendor is a substantial shareholder of Jiuhuashan Shenlv, an insignificant subsidiary of the Company, the Vendor is not regarded as a connected person of the Company and hence the Acquisition does not constitute a connected transaction of the Company under Chapter 14A of the Listing Rules.

As the Jiuhuashan Acquisition and the Acquisition are both entered into by the Group with, among others, the Vendor, which form a series of transactions conducted within a 12-month period, the Acquisition is required to be aggregated with the Jiuhuashan Acquisition for the purpose of computing the relevant percentage ratios pursuant to Rule 14.22 of the Listing Rules. As one or more of the applicable percentage ratio(s) calculated in accordance with Rule 14.07 of the Listing Rules in respect of the Acquisition (after aggregation with the Jiuhuashan Acquisition) are more than 5% but less than 25%, the Acquisition constitutes a discloseable transaction of the Company under Chapter 14 of the Listing Rules and is subject to the reporting and announcement requirements under the Listing Rules.
