CHARACTERISTICS OF GEM

GEM has been positioned as a market designed to accommodate small and mid-sized companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration.

Given that the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

PRECAUTIONARY MEASURES FOR THE ANNUAL GENERAL MEETING

To prevent and control the spreading of the novel coronavirus (COVID-19) pandemic, the Company will implement the following preventive measures at the Annual General Meeting to safeguard the health and safety of the attending Shareholders, staff and stakeholders of the Company:

- (1) Compulsory temperature checks will be conducted for every attendee at the entrance of the Annual General Meeting venue. Any person who has a body temperature of over 37.3 degrees Celsius or exhibiting flu-like will be denied entry into or be required to leave the Annual General Meeting venue.
- (2) Every attendee must wear a surgical face mask throughout the Annual General Meeting and inside the Annual General Meeting venue. **Please note that no masks will be provided at the Annual General Meeting venue and attendees should bring and wear their own surgical face masks.**
- (3) Following the Hong Kong Government's regulation, the number of attendees inside the Annual General Meeting venue, who will be physically attending the Annual General Meeting, will be limited. Shareholders and/or their proxies will be admitted into the Annual General Meeting venue on a first-come-first-served basis.
- (4) Attendees are asked to maintain appropriate social distancing at all time when attending the Annual General Meeting.
- (5) No distribution of corporate gifts and no refreshments will be served at the Annual General Meeting.

Any person who does not comply with the precautionary measures or is subject to any Hong Kong Government prescribed quarantine will be denied entry into or required to leave the Annual General Meeting venue at the absolute discretion of the Company.

The Company wishes to advise all Shareholders that physical attendance in person at the Annual General Meeting is not necessary for the purpose of exercising voting rights. For the health and safety of Shareholders, the Company strongly recommends Shareholders to exercise their voting rights by appointing the chairman of the Annual General Meeting as their proxy to vote on the relevant resolution(s) instead of attending the Annual General Meeting in person, by completing and returning the form of proxy enclosed to this circular by the time specified.

The Company will closely monitor the development of the COVID-19 pandemic and any regulations or measures introduced or to be introduced by the Hong Kong Government in relation to the COVID-19 pandemic. The Company will ensure that the Annual General Meeting will be conducted in compliance with the regulations or measures of the Hong Kong Government and Shareholders will not be deprived of their right of voting on the resolutions to be proposed at the Annual General Meeting. Further announcement(s) will be made by the Company as soon as possible if there is any update to the preventive measures as mentioned above.

NOTICE OF ANNUAL GENERAL MEETING**

INTRODUCTION

The purpose of this circular is to give you the notice of Annual General Meeting and the following proposals to be put forward at the Annual General Meeting, among other matters, (a) granting of the Issue Mandate to issue Shares and the Repurchase Mandate to repurchase Shares; and (b) the re-election of the retiring Directors.

LETTER FROM THE BOARD

ISSUE MANDATE TO ISSUE SHARES

In order to ensure flexibility and give discretion to the Directors, in the event that it becomes desirable for the Company to issue any new Shares, approval is to be sought from the Shareholders, pursuant to the GEM Listing Rules, for the Issue Mandate to issue Shares. At the Annual General Meeting, an ordinary resolution numbered 5(A) will be proposed to grant the Issue Mandate to the Directors to exercise the powers of the Company to allot, issue and deal with the additional Shares not exceeding 20% of the total number of issued Shares as at the date of passing of the resolution in relation to the Issue Mandate.

As at the Latest Practicable Date, 1,100,000,000 Shares have been issued and fully paid or credited as fully paid. Subject to the passing of the ordinary resolution numbered 5(A) and on the basis that no further Shares are issued or repurchased after the Latest Practicable Date and up to the date of the Annual General Meeting, the Company will be allowed to issue a maximum of 220,000,000 Shares pursuant to the Issue Mandate.

In addition, subject to a separate approval of the ordinary resolution numbered 5(C), the number of Shares repurchased by the Company under ordinary resolution numbered 5(B) will also be added to extend the Issue Mandate as mentioned in ordinary resolution numbered 5(A) provided that such additional Shares shall represent up to 10% of the total number of issued Shares as at the date of passing the resolutions in relation to the Issue Mandate and Repurchase Mandate. The Directors wish to state that they have no immediate plans to issue any new Shares pursuant to the Issue Mandate.

REPURCHASE MANDATE TO REPURCHASE SHARES

In addition, an ordinary resolution will be proposed at the Annual General Meeting to approve the granting of the Repurchase Mandate to the Directors to exercise the powers of the Company to repurchase Shares representing up to 10% of the total number of issued Shares as at the date of passing of the resolution in relation to the Repurchase Mandate.

An explanatory statement required by the GEM Listing Rules to be sent to the Shareholders in connection with the proposed Repurchase Mandate is set out in Appendix II to this circular. This explanatory statement contains all information reasonably necessary to enable the Shareholders to make an informed decision on whether to vote for or against the relevant resolution at the Annual General Meeting.

RE-ELECTION OF RETIRING DIRECTORS

In accordance with article 108 of the Articles of Association, one-third of the Directors for the time being (or if their number is not three or a multiple of three, then the number nearest to but not less than one-third) shall retire from office by rotation and will be eligible for re-election and re-appointment at every annual general meeting, provided that every Director shall be subject to retirement by rotation at least once every three years.

LETTER FROM THE BOARD

Accordingly, Mr. Chan Cheong Tat and Mr. Yu Pui Hang (collectively, the “**Retiring Directors**”) will retire by rotation at the Annual General Meeting in accordance with the requirements under article 108 of the Articles of Association and, being eligible, will offer themselves for re-election at the Annual General Meeting. The Nomination Committee had assessed and reviewed the annual written confirmation of independence of each of the independent non-executive Directors for the year ended 31 December 2020 and thereafter up to 19 March 2021 based on the independence criteria as set out in Rule 5.09 of the GEM Listing Rules and confirmed that all of them, including Mr. Chan Cheong Tat and Mr. Yu Pui Hang, remain independent. This Appendix serves as an explanatory statement, as required by the GEM Listing Rules, to provide all the information reasonably necessary to enable Shareholders to make an informed decision on whether to approve the Repurchase Mandate.

GEM LISTING RULES

The GEM Listing Rules permit companies with a primary listing on GEM to repurchase their Shares on the Stock Exchange subject to certain restrictions.

SHAREHOLDERS' APPROVAL

All proposed repurchases of Shares by a company with a primary listing on GEM must be approved in advance by an ordinary resolution, either by way of general mandate or by specific approval of a particular transaction.

SHARE CAPITAL

As at the Latest Practicable Date, the number of issued Shares was 1,100,000,000 Shares of nominal value of HK\$0.01 each which have been fully paid or credited as fully paid. Subject to the passing of the resolution granting the Repurchase Mandate and on the basis that no further Shares are issued or repurchased before the date of the Annual General Meeting, the Company will be allowed to repurchase a maximum of 110,000,000 Shares which represent 10% of the total number of issued Shares during the period ending on the earlier of (i) the conclusion of the next annual general meeting of the Company; or (ii) the expiry of the period within which the next annual general meeting of the Company is required by any applicable laws or the Articles of Association to be held; or (iii) the passing of an ordinary resolution by Shareholders in general meeting of the Company revoking or varying such mandate.

REASONS FOR AND FUNDING OF REPURCHASES

The Directors believe that it is in the best interests of the Company and the Shareholders to have a general authority from the Shareholders to enable the Company to repurchase its Shares in the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the Company's net asset value and/or its earnings per Share and will only be made when the Directors believe that such repurchases will benefit the Company and the Shareholders as a whole.

Repurchase of the Shares must be funded out of funds legally available for such purpose in accordance with the Articles of Association and the applicable laws of the Cayman Islands. The Directors may not repurchase the Shares on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange. Subject to the foregoing, the Directors may make repurchases with profits of the Company or out of a new issuance of shares made for the purpose of the repurchase or, if authorized by the Articles of Association and subject to the Companies Law, out of capital and, in the case of any premium payable on the repurchase, out of profits of the Company or from sums standing to the credit of the share premium account of the Company or, if authorized by the Articles of Association and subject to the Companies Law, out of capital.

FUNDING OF REPURCHASE

The Directors have no present intention to repurchase any Shares and they would only exercise the power to repurchase in circumstances where they consider that the repurchase would be in the best interests of the Company. The Directors believe that if the Repurchase Mandate is exercised in full, it may/may not have a material adverse impact on the working capital and/or gearing position of the Company, as compared with the positions disclosed in the audited consolidated financial statements of the Company as at 31 December 2020, being the date to which the latest published audited consolidated financial statements of the Company were made up. The Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or its gearing levels which, in the opinion of the Directors, are from time to time appropriate for the Company.

SHARE PRICES

The highest and lowest prices at which the Shares had been traded on the Stock Exchange during the 12 calendar months preceding the Latest Practicable Date were as follows:

UNDERTAKING

None of the Directors nor, to the best of their knowledge, having made all reasonable enquiries, their respective close associates (as defined in the GEM Listing Rules), have any present intention if the Repurchase Mandate is approved by the Shareholders, to sell any Shares to the Company.

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the GEM Listing Rules, the Articles of Association and the applicable laws of the Cayman Islands.

No core connected person (as defined in the GEM Listing Rules) has notified the Company that he or she has a present intention to sell any Shares to the Company, or has undertaken not to do so, if the Repurchase Mandate is approved by the Shareholders.

TAKEOVERS CODE

If as a result of a repurchase of Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of voting rights for the purposes of the Takeovers Code. Accordingly, a Shareholder, or a group of Shareholders acting in concert (within the meaning under the Takeovers Code), depending on the level of increase in the Shareholder's interest, could obtain or consolidate control of the Company and thereby become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code. Save as aforesaid, the Directors are not aware of any consequences which would arise under the Takeovers Code as a result of any repurchase of Shares pursuant to the Repurchase Mandate.

As at the Latest Practicable Date, to the best knowledge and belief of the Directors, Mr. Wong Wai Chit and his spouse, Ms. Iong Man Lai, and Mr. Wong Man Chit and his spouse, Ms. Tse Sheung are parties acting in concert (the "Concert Parties") and were deemed to be interested in 643,500,000 Shares held by AVW International Limited, a company is beneficially owned as to 50% by Mr. Wong Wai Chit and 50% by Mr. Wong Man Chit, representing approximately 58.5% of the number of issued Shares in aggregate. In the event that the Directors should exercise in full the Repurchase Mandate, their shareholding in the Company will be increased to approximately 65.0% of the number of the issued Shares. To the best knowledge and belief of the Directors, such increase would not give rise to an obligation to make a mandatory offer under the Takeovers Code. The Directors have no present intention to repurchase the Shares to the extent that will trigger the obligations under the Takeovers Code for the Concert Parties to make a mandatory offer. The Directors are not aware of any other consequences which may arise under the Takeovers Code as a result of any purchase by the Company of its Shares.

The GEM Listing Rules prohibit a company from making repurchase on the Stock Exchange if the result of the repurchase would be that less than 25% (or such other prescribed minimum percentage as determined by the Stock Exchange) of the total number of issued shares of the Company would be in public hands. The Directors do not propose to repurchase Shares which would result in less than the prescribed minimum percentage of Shares in public hands.

SHARE REPURCHASE MADE BY THE COMPANY

No repurchases of Shares have been made by the Company during the six months immediately preceding the Latest Practicable Date (whether on the Stock Exchange or otherwise).
