Save as disclosed above, there is no information to be disclosed pursuant to the requirements of Rules 13.51(2)(h) to 13.51(2)(v) of the Listing Rules nor are there any other matters that need to be brought to the attention of the Shareholders in respect of the re-election of the abovenamed retiring Directors.

This appendix contains the explanatory statement, as required under the Listing Rules, to provide to the Shareholders with the requisite information in connection with the Repurchase Mandate.

## **1. SHARE CAPITAL**

As at the Latest Practicable Date, the issued share capital of the Company comprised 424,850,000 fully paid Shares and 80,000,000 convertible preference shares.

Subject to the passing of the ordinary resolution no. 4(2) set out in the AGM Notice for approving the Repurchase Mandate and on the basis that no further Shares will be issued or repurchased prior to the AGM, the Company would be allowed under the Repurchase Mandate to repurchase a maximum of 42,485,000 Shares during the period in which the Repurchase Mandate remains in force. Any Shares repurchased pursuant to the Repurchase Mandate must be fully paid-up.

## **2. REASONS FOR REPURCHASES**

The Directors believe that the Repurchase Mandate is in the interests of the Company and the Shareholders as a whole. Such repurchases may, depending on market conditions and funding arrangements at that time, lead to an enhancement of the net assets and/or earnings per Share. The Directors will decide on the number of Shares to be repurchased on each occasion and the price and other terms upon which the same is repurchased at relevant time having regard to the circumstances then pertaining and they will do so only when they believe that such repurchases will benefit the Company and the Shareholders as a whole. At present, the Directors have no intention to repurchase any Shares.

## **3. FUNDING OF REPURCHASES**

In repurchasing Shares, the Company will only apply funds legally available for such purpose in accordance with the Bye-laws and the applicable laws of Bermuda. It is envisaged that such repurchases would be paid out of the capital paid up on the repurchased Shares, or the funds of the Company otherwise available for dividend or distribution, or the proceeds of a fresh issue of Shares made for the purpose. Any premium payable on a repurchase would be provided out of funds of the Company otherwise available for dividend or distribution or the Company's share premium account.

In the event that the Repurchase Mandate were to be exercised in full at any time during the period which the Repurchase Mandate remains in force, there might be a material adverse impact on the working capital but possibly not the gearing position of the Company as compared to the consolidated financial position of the Company as at 31 December 2020 (being the date to which the latest published audited consolidated financial statements of the Company were made up). The Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse impact on the working capital or the gearing position of the Company which in the opinion of the Directors is from time to time appropriate for the Company.

#### **4.    CONNECTED PERSONS AND DIRECTORS' UNDERTAKING**

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their associates have any present intention to sell Shares to the Company in the event that the Repurchase Mandate is approved by the Shareholders.

No core connected persons of the Company have notified the Company that they have a present intention to sell Shares to the Company, or have undertaken not to do so, in the event that the Repurchase Mandate is approved by the Shareholders.

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the powers of the Company to make repurchases pursuant to the Repurchase Mandate in accordance with the Listing Rules, the Bye-laws and the applicable laws of Bermuda.

#### **5.    EFFECT OF THE TAKEOVERS CODE**

If, as a result of a repurchase of Shares, a Shareholder's proportionate interest in the voting rights of the Company is increased, such increase will be treated as an acquisition for the purpose of Rule 32 of the Takeovers Code. Accordingly, a Shareholder, or a group of Shareholders acting in concert (within the meaning of the Takeovers Code), may obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, Champ Key Holdings Limited ("Champ Key") was interested in 225,518,633 Shares, representing approximately 53.08% of the total number of Shares in issue.

In the event that the Repurchase Mandate was to be exercised in full, then (if the present shareholdings otherwise remained the same) the shareholding in the Company of Champ Key would increase to approximately 58.98% of the total number of Shares in issue. It is considered that such increase will not give rise to an obligation to make a mandatory offer under Rule 26 of the Takeovers Code. The Directors have no present intention to exercise the Repurchase Mandate to such an extent as would give rise to this obligation.

The Directors do not intend to exercise the Repurchase Mandate to an extent which will result in the number of Shares held in the hands of the public falling below the prescribed limit under the Listing Rules.

## 6. SHARE PRICES

The highest and lowest prices at which the Shares were traded on the Stock Exchange during each of the previous 12 calendar months preceding the Latest Practicable Date and up to that date were as follows:

	<b>Price per Share</b>	
	<b>Highest</b>	<b>Lowest</b>
