CHARACTERISTICS OF GEM

GEM has been positioned as a market designed to accommodate small and mid-sized companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration.

Given that the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the main board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

NOTICE OF ANNUAL GENERAL MEETING**

INTRODUCTION

The purpose of this circular is to provide you with information regarding the following resolutions to be proposed at the AGM relating to:

- (a) the granting of the Issue Mandate to issue Shares;
- (b) the granting of the Repurchase Mandate to repurchase Shares;

* *For identification purposes only*

LETTER FROM THE BOARD

- (c) the granting of the extension mandate to extend the Issue Mandate by an amount representing the aggregate number of any Shares repurchased under the Repurchase Mandate; and
- (d) the re-election of Directors.

BACKGROUND

On 28 May 2020, resolutions were passed by the Shareholders granting general unconditional mandates to the Directors to exercise the powers of the Company to:

- (a) allot, issue and deal with share capital of the Company not exceeding 20% of the total number of issued Shares on 28 May 2020;
- (b) repurchase Shares not exceeding 10% of the total number of issued Shares on 28 May 2020; and
- (c) add to the general mandate for issuing Shares set out in paragraph (a) above the number of Shares purchased by the Company pursuant to the repurchase mandate set out in paragraph (b) above.

The above general mandates will expire at the conclusion of the forthcoming AGM and the purpose of this circular is to seek your support, at the forthcoming AGM, to approve the general mandates as referred to below.

ISSUE MANDATE

Ordinary resolutions will be proposed at the AGM to grant to the Directors the Issue Mandate, details of which are set out in ordinary resolution numbered 4A of the notice of AGM. The new Shares which may be allotted and issued pursuant to the Issue Mandate are limited to a maximum of 20% of the total number of issued Shares at the date of passing of the resolution approving the Issue Mandate.

As at the Latest Practicable Date, the issued share capital of the Company comprised 1,317,240,000 Shares. Assuming there is no change in the issued share capital of the Company between the period from the Latest Practicable Date and the date of passing the resolution approving the Issue Mandate, the maximum number of Shares which may be allotted and issued pursuant to the Issue Mandate on the date of passing the resolution approving the Issue Mandate will be 263,448,000 Shares.

LETTER FROM THE BOARD

The Issue Mandate will continue in force until the earlier of: (1) the conclusion of the next annual general meeting of the Company; (2) the date by which the next annual general meeting of the Company is required to be held by the Articles of Association, or any other applicable laws; or (3) the date upon which such authority is revoked or varied by ordinary resolution of the company in general meeting.

Subject to the passing of the ordinary resolution regarding the Issue Mandate and the Repurchase Mandate, an ordinary resolution will also be proposed at the AGM to authorize the Directors to issue new Shares in an amount not exceeding the aggregate total number of the Shares repurchased pursuant to the Repurchase Mandate, details of which are set out in ordinary resolution No. 4C of the notice of AGM.

REPURCHASE MANDATE

An ordinary resolution will be proposed at the AGM to grant to the Directors the Repurchase Mandate, details of which are set out in ordinary resolution No. 4B of the notice of AGM. The Shares which may be repurchased pursuant to the Repurchase Mandate are limited to a maximum of 10% of the total number of issued Shares of the Company at the date of passing the resolution approving the Repurchase Mandate.

The Repurchase Mandate will continue in force until the earlier of: (1) the conclusion of the next annual general meeting of the Company; (2) the date by the next annual general meeting of the Company is required to be held by the Articles of Association, or any other applicable laws; or (3) the date upon which such authority is revoked or varied by ordinary resolution of the Company in general meeting.

As at the Latest Practicable Date, the issued share capital of the Company comprised 1,317,240,000 Shares. Assuming that there is no change in the issued share capital of the Company between the period from the Latest Practicable Date and the date of passing the resolution approving the Repurchase Mandate, the maximum number of Shares which may be repurchased pursuant to the Repurchase Mandate on the date of passing the resolution approving the Repurchase Mandate will be 131,724,000 Shares.

An explanatory statement required to be sent to the Shareholders under the GEM Listing Rules is set out in Appendix I to this circular to provide the requisite information regarding the Repurchase Mandate to the Shareholders.

RE-ELECTION OF DIRECTORS

Pursuant to Article 86 (2) of the Articles of Association, any Director appointed by the Board as an addition to the existing Board shall hold office only until the next following annual general meeting of the Company and shall then be eligible for re-election.

LETTER FROM THE BOARD

Pursuant to Article 87 (1) of the Articles of Association, at every annual general meeting of the Company, one third of the Directors for the time being (or, if their number is not a multiple of three (3), the number nearest to but not less than one-third) shall retire from office by rotation provided that every Director shall be subject to retirement by rotation at least once every three years.

Pursuant to Article 87 (2) of the Articles of Association, a retiring Director shall be eligible for re-election and shall continue to act as a Director throughout the meeting at which he retires. The Directors to retire by rotation shall include (so far as necessary to ascertain the number of directors to retire by rotation) any Director who wishes to retire and not to offer himself for re-election. Any further Directors so to retire shall be those of the other Directors subject to retirement by rotation who have been longest in office since their last re-election or appointment and so that as between persons who became or were last re-elected Directors on the same day those to retire shall (unless they otherwise agree among themselves) be determined by lot. Any Director appointed by the Board pursuant to Article 86 (2) shall not be taken into account in determining which particular Directors or the number of Directors who are to retire by rotation.

Mr. Pao Ping Wing, being an independent non-executive Director eligible for re-election at the AGM, has made an annual confirmation of independence pursuant to Rule 5.09 of the GEM Listing Rules. Mr. Pao Ping Wing has served as an independent non-executive Director for more than 9 years. During his years of appointment, Mr. Pao Ping Wing has demonstrated his ability to provide an independent view to the Company's matters. Notwithstanding his years of service as an independent non-executive Director, the Board is of the view that Mr. Pao Ping Wing is able to continue to fulfill his role as required and thus recommends him for re-election at the AGM.

In accordance to Article 87 (1) of the Articles of Association, Mr. Lin Xue Xin, Mr. Cui Jian and Mr. Pao Ping Wing will retire from office as Directors and being eligible, have offered themselves for re-election as Directors at the AGM.

Pursuant to Rule 17.46A of the GEM Listing Rules, a listed issuer shall disclose the details required under Rule 17.50 (2) of the GEM Listing Rules of any directors proposed to be re-elected or proposed new director in the notice or accompanying circular to its shareholders of the relevant general meeting, if such re-election and appointment is subject to shareholders' approval at that relevant general meeting. The requisite details of the above three retiring Directors are set out in Appendix II to this circular.

ANNUAL GENERAL MEETING

The Company will convene the AGM at 10: 00 a.m. on Wednesday, 26 May 2021 at Unicorn & Phoenix, Basement 2, The Charterhouse, 209-219 Wan chai Road, Hong Kong at which resolutions will be proposed for the purpose of considering and if thought fit, approving, *inter alia*, the resolutions proposed in this circular. The notice of the AGM is set out on pages 16 to 20 to this circular.

LETTER FROM THE BOARD

A form of proxy for use in connection with the AGM is enclosed herewith. Whether or not you are able to attend the meeting, you are requested to complete and return the enclosed form of proxy in accordance with the instructions printed thereon as soon as possible to the branch share registrar of the Company in Hong Kong, Tricor Abacus Limited, Level 54, Hopewell Centre, 183 Queen's Road East, Hong Kong and in any event by not later than 48 hours before the time appointed for the holding of the AGM (or any adjourned meeting thereof). Completion and return of the form of proxy will not preclude you from attending and voting in person at the AGM (or any adjourned meeting thereof) should you so wish.

VOTING AT THE AGM

Pursuant to Rule 17.47 (4) of the GEM Listing Rules, any vote of the Shareholders at a general meeting of the Company must be taken by poll except where the chairman, in good faith, decides to allow a resolution which relates purely to a procedural or administrative matter to be voted on by a show of hands. Accordingly, the resolutions to be considered and, if thought fit, approved at the AGM will be voted by way of a poll by the Shareholders. An announcement on the poll results will be made by the Company after the AGM in the manner prescribed under Rule 17.47 (5) of the GEM Listing Rules.

RECOMMENDATION

The Directors believe that the Issue Mandate, the Repurchase Mandate and the extension of the Issue Mandate and the re-election of retiring Directors are in the interests of the Company and the Shareholders as a whole. Accordingly, the Directors recommend the Shareholders to vote in favour of all the resolutions to be proposed at the AGM.

RESPONSIBILITY STATEMENT

This circular, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the GEM Listing Rules for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this circular misleading.

Yours faithfully,
For and on behalf of the Board of
Sing Lee Software (Group) Limited
Hung Yung Lai
Chairman

This appendix serves as an explanatory statement, as required pursuant to Rule 13.08 and other relevant provisions of the GEM Listing Rules, to provide you with requisite information for your consideration of the Repurchase Mandate.

1. EXERCISE OF THE REPURCHASE MANDATE

As at the Latest Practicable Date, the issued share capital of the Company comprised 1,317,240,000 shares of HK\$0.01 each.

Subject to the passing of the ordinary resolution no. 4 (B) in the AGM Notice and on the basis that no further Shares are issued or repurchased by the Company prior to the AGM, the Company would be allowed under the Repurchase Mandate to repurchase a maximum of 131,724,000 shares (being 10% of the total number of issued Shares as at the Latest Practicable Date) during the period from the date of passing of the ordinary resolution no. 4 (B) as set out in the notice of AGM up to (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required by the Articles of Association or any applicable law to be held; or (iii) the revocation or variation or renewal of the Repurchase Mandate by ordinary resolution of the shareholders of the Company in general meeting, whichever occurs first. As at the Latest Practicable Date, the Directors have no intention to exercise the Repurchase Mandate.

2. REASONS FOR REPURCHASES

Although the Directors have no present intention of repurchasing the Shares, they believe that the Repurchase Mandate is in the best interests of the Company and its Shareholders for the Directors to have a general authority from the Shareholders to enable the Company to repurchase Shares on the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value and/or earnings per Share and will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders.

3. FUNDING OF REPURCHASES

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with the Memorandum and Articles of Association and the applicable laws and regulations.

Shares may only be repurchased out of the profits of the Company or out of the proceeds of a fresh issue of Shares made for the purpose of repurchase. The premium, if any, payable on repurchases must have been provided for out of the profits of the Company or out of the share premium account of the Company before or at the time the Shares are repurchased. The Company may not repurchase Shares on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time.

4. EFFECT OF EXERCISING THE REPURCHASE MANDATE

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited consolidated financial statements contained in the 2020 annual report of the Company) in the event that the Repurchase Mandate is exercised in full. However, the Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse impact on the working capital requirements of the Company or on the gearing levels which, in the opinion of the Directors, are from time to time appropriate of the Company.

5. DIRECTORS' UNDERTAKING

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the power of the Company to make repurchases pursuant to the Repurchase Mandate in accordance with the Memorandum and Articles of Association, the GEM Listing Rules and the applicable laws.

6. DIRECTORS AND CORE CONNECTED PERSONS

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their close associates (as defined in the GEM Listing Rules) has any present intention, to sell Shares to the Company in the event the Repurchase Mandate is approved by the Shareholders.

No core connected person (as defined in the GEM Listing Rules) has notified the Company that he or she has a present intention to sell Shares to the Company, or has undertaken not to sell the Shares to the Company, in the event of Repurchase Mandate is approved by the Shareholders.

7. SHARE PRICES

The highest and lowest prices at which the Shares were traded on the GEM during each of the previous twelve months before the Latest Practicable Date were as follows:

	Shares Price	
	Highest HK\$	Lowest HK\$
2020		
April	0.149	0.128
May	0.153	0.115
June	0.153	0.120
July	0.129	0.102
August	0.112	0.094
September	0.128	0.096
October	0.099	0.085
November	0.101	0.080
December	0.086	0.067
2021		
January	0.078	0.054
February	0.075	0.059
March	0.082	0.061
April (up to the Latest Practicable Date)	0.080	0.070

8. EFFECT OF THE TAKEOVERS CODE

If, as a result of a repurchase of Shares, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. As a result, a Shareholder, or a group of Shareholders acting in concert (within the meaning under the Takeovers Code), depending on the level of increase in the Shareholder's interests, could obtain or consolidate control of the Company and become(s) obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, Goldcorp Industrial Limited, who is a controlling Shareholder, is deemed to be interested in an aggregate of 431,782,500 Shares, representing approximately 32.78% of the issued share capital of the Company. In the event that the Repurchase Mandate is exercised in full, the interest of Goldcorp Industrial Limited in the issued share capital of the Company would be increased to approximately 36.42%. Goldcorp Industrial Limited and parties acting in concert (as defined in the Takeovers Code) with it would be obliged to make a mandatory offer for all securities of the Company not already owned by them in accordance with Rule 26 of the Takeovers Code. However, the Directors have no present intention to exercise the Repurchase Mandate to such an extent as would give rise to this obligation.

Save as disclosed above, the Directors are not aware of any consequences which may arise under the Takeovers Code as a result of any purchase made under the Repurchase Mandate. Further, the Directors have no intention to exercise the Repurchase Mandate to such an extent that results in a public shareholding of less than the minimum public float requirement of 25% of the total issued share capital of the Company.

9. SHARE PURCHASE MADE BY THE COMPANY

No purchase of Shares have been made by the Company in the previous six months, whether on the Stock Exchange or otherwise.
