In addition, their respective background, experience and knowledge allow them to provide valuable and relevant insights and contribute to the diversity of the Board. Accordingly, the Nomination Committee has recommended them to the Board for re-election and the Board has endorsed the recommendations of the Nomination Committee and recommended all retiring Directors to stand for re-election at the Annual General Meeting.

The following is an explanatory statement required by Rule 10.06(1)(b) of the Listing Rules to provide the Shareholders with information reasonably necessary to enable such Shareholders to make an informed decision on whether to vote for or against the ordinary resolution to approve the granting of the Share Repurchase Mandate.

1. SHARE CAPITAL

As at the Latest Practicable Date, the total number of issued Shares is 415,000,000.

Subject to the passing of the ordinary resolution in respect of the granting of the Share Repurchase Mandate and on the basis that the total number of issued Shares will remain unchanged on the date of the Annual General Meeting, being 415,000,000 Shares, the Directors would be authorized under the Share Repurchase Mandate to repurchase, during the period in which the Share Repurchase Mandate remains in force, up to 41,500,000 Shares, representing approximately 10% of the total number of issued Shares as at the date of the Annual General Meeting.

2. REASONS FOR SHARE REPURCHASE

The Directors believe that it is in the best interests of the Company and Shareholders for the Directors to receive the general authority from the Shareholders to repurchase Shares in the market. Repurchases of Shares will only be made when the Directors believe that such repurchases will benefit the Company and the Shareholders. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net value of the Company and its assets and/or its earnings per Share.

3. FUNDING OF SHARE REPURCHASE

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with the Articles of Association and the applicable laws of the Cayman Islands.

Any payment for the repurchase of Shares will be drawn from the profits or share premium of the Company or from the proceeds of a fresh issue of Shares made for the purpose of the repurchase or, subject to the Companies Law of the Cayman Islands, out of capital and, in the case of any premium payable on the purchase, out of the profits of the Company or from sums standing to the credit of the share premium account of the Company or, subject to the Companies Law of the Cayman Islands, out of capital.

4. IMPACT OF SHARE REPURCHASE

The Directors do not propose to exercise the Share Repurchase Mandate to such an extent as would, under the circumstances, have a material adverse effect in the opinion of the Directors on the working capital requirements of the Company or its gearing levels. However, there might be a material adverse impact on the working capital or gearing position of the Company as compared with the position disclosed in the audited accounts contained in the annual report of the Company for the year ended 31 December 2020 in the event that the Share Repurchase Mandate is exercised in full.

5. MARKET PRICES OF SHARES

The highest and lowest prices per Share at which Shares have traded on the Stock Exchange during each of the previous twelve months up to and including the Latest Practicable Date were as follows:

Month	Highest	Lowest
	<i>HK\$</i>	<i>HK\$</i>
2020		
July	7.13	4.15
August	7.72	6.11
September	6.68	5.26
October	6.17	5.05
November	5.32	4.85
December	5.12	4.44
2021		
January	5.80	4.50
February	4.99	4.25
March	4.90	4.08
April (<i>up to the Latest Practicable Date</i>)	4.49	4.25

6. GENERAL

None of the Directors or, to the best of their knowledge, having made all reasonable enquiries, any of their respective close associates (as defined in the Listing Rules) has any present intention to sell any Shares to the Company or its subsidiaries.

No core connected person (as defined in the Listing Rules) of the Company has notified the Company that he/she/it has a present intention to sell any Shares to the Company, or has undertaken not to do so, if the Share Repurchase Mandate is exercised.

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Share Repurchase Mandate in accordance with the Listing Rules and the applicable laws of the Cayman Islands.

7. TAKEOVERS CODE

If as a result of a securities repurchase pursuant to the Share Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of voting rights for the purpose of Rule 32 of the Takeovers Code. Accordingly, a Shareholder, or a group of Shareholders acting in concert (within the meaning of the Takeovers Code), depending on the level of the increase of the Shareholders' interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code as a result.

As at the Latest Practicable Date, Redsun Services Group (Holdings) were entitled to exercise voting rights of approximately 72.77% of the total issued share capital of the Company.

If the Share Repurchase Mandate is fully exercised, then, the total number of Shares which will be repurchased pursuant to the Share Repurchase Mandate shall be 41,500,000 Shares (being 10% of the issued share capital of the Company based on the aforesaid assumptions). The percentage shareholding of Redsun Services Group (Holdings) will increase from approximately 72.77% to approximately 80.86% of the issued share capital of the Company immediately following the full exercise of the Share Repurchase Mandate. To the best knowledge and belief of the Directors, the Directors are not aware of any Shareholder or group of Shareholders acting in concert, who may become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code as a consequence of any repurchases pursuant to the Share Repurchase Mandate.

In the event that the Share Repurchase Mandate is fully exercised, the percentage of Shares held by the public would fall below the minimum prescribed level of 25% under the Listing Rules. However, the Directors have no present intention to exercise the Share Repurchase Mandate to such an extent that, under the circumstances, there would be insufficient public float as prescribed under the Listing Rules.

8. REPURCHASE OF SHARES MADE BY THE COMPANY

During the six months prior to the Latest Practicable Date, the Company had not repurchased any of the Shares (whether on the Stock Exchange or otherwise).
