3. REASONS FOR REPURCHASE

The Directors believe that the Repurchase Mandate is in the best interests of the Company and the Shareholders. Such repurchase may, depending on market conditions and funding arrangement at the time, lead to an enhancement of the net assets and/or earnings per Share and will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders.

4. FUNDING AND IMPACT OF REPURCHASES

In repurchasing the Shares, the Company may only apply funds legally available for such purpose in accordance with the memorandum of association of the Company, the Articles and all applicable laws of Hong Kong.

The Directors consider that there may be material adverse effect on the working capital and the gearing position of the Company (as compared with the position disclosed in the Company’s latest published audited accounts for the year ended 31 December, 2020), if any the Repurchase Mandate is exercised in full during the proposed repurchase period. However, the Directors do not intend to exercise the Repurchase Mandate to such an extent as would, in any circumstances, have a material adverse effect on the working capital or the gearing position which in the opinion of the Directors from time to time appropriate for the Company.

The Directors are not aware of any consequences which would arise under the Takeovers Code as a consequence of any repurchases pursuant to the Repurchase Mandate. The Directors have no intention of exercising the power to repurchase shares pursuant to the Repurchase Mandate to such extent as would result in the level of shareholdings in the Company held by public shareholders falling below 25%.
