The following is an explanatory statement required to be sent to the Shareholders under the Listing Rules in connection with the proposed Repurchase Mandate.

SHARE CAPITAL

As at the Latest Practicable Date, the total number of Shares in issue was 4,217,720,000 Shares. Subject to the passing of the resolution granting the Repurchase Mandate and on the basis that no further Shares are issued or repurchased after the Latest Practicable Date and up to the date of the Annual General Meeting, the Company will be allowed to repurchase a maximum of 421,772,000 Shares which represent 10% of the total number of issued Shares during the period ending on the earliest of i) the conclusion of the next annual general meeting of the Company; or ii) the expiration of the period within which the next annual general meeting of the Company is required to be held by any applicable laws of the Cayman Islands or the Articles of Association; or iii) the date upon which such authority is revoked or varied by a resolution of the Shareholders in general meeting prior to the next annual general meeting of the Company.

REASONS AND FUNDING OF REPURCHASES

The Directors believe that it is in the best interests of the Company and the Shareholders as a whole to seek a general authority from the Shareholders to enable the Company to repurchase its Shares on the Stock Exchange. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or its earnings per Share and will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders as a whole.

Repurchases of Shares will be financed out of funds legally available for the purpose and in accordance with the Articles of Association, the Cayman Companies Law and the Listing Rules. The Cayman Companies Law provides that the amount of capital repaid in connection with a share repurchase may be paid out of the profits of the Company or the proceeds of a fresh issue of Shares made for the purposes of the repurchase or out of capital subject to and in accordance with the Cayman Companies Law. The amount of premium payable on repurchase may only be paid out of either the profits of the Company or out of the share premium account before or at the time the Company's Shares are repurchased in the manner provided for in the Cayman Companies Law.

The Directors would only exercise the power to repurchase in circumstances where they consider that the repurchase would be in the best interests of the Company. The Directors consider that if the Repurchase Mandate was to be exercised in full at the current prevailing market value, it may have a material adverse impact on the working capital and/or the gearing position of the Company, as compared with the positions disclosed in the audited consolidated financial statements of the Company as at 31 December 2020, being the date to which the latest published audited consolidated financial statements of the Company were made up. The Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

GENERAL

To the best of their knowledge, having made all reasonable enquiries, none of the Directors nor any of their close associates, as defined in the Listing Rules, currently intend to sell any Shares to the Company or its subsidiaries, in the event that the Repurchase Mandate is approved by the Shareholders.

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the Listing Rules, the applicable laws of the Cayman Islands and the Articles of Association.

No core connected person of the Company has notified the Company that he has a present intention to sell any Shares to the Company, or has undertaken not to do so, if the Repurchase Mandate is exercised.

If as a result of a repurchase of Shares by the Company pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. Accordingly, a Shareholder, or a group of Shareholders acting in concert, depending on the level of increase of the Shareholder's interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, to the best knowledge and belief of the Directors, Minsheng Group Company Limited (formerly known as Honest Cheer Investments Limited) ("**Minsheng Group**") held 3,019,628,000 Shares, which is 90% owned by Mr. Li Xuechun, an executive Director, and 10% owned by Ms. Li Ning, daughter of Mr. Li Xuechun, was deemed to be interested in approximately 71.59% of the existing issued share capital of the Company. In the event that the Directors should exercise in full the Repurchase Mandate, the shareholding of Minsheng Group in the Company will be increased to approximately 79.55% of the issued share capital of the Company. To the best knowledge and belief of the Directors, such increase would not give rise to any obligation to make a mandatory offer under the Takeovers Code. Save as aforesaid, the Directors are not aware of any consequences which would arise under the Takeover Codes as a results of any repurchase of Shares pursuant to the Repurchase Mandate.

The Listing Rules prohibit a company from making repurchase on the Stock Exchange if the result of the repurchase would be that less than 25% (or such other prescribed minimum percentage as determined by the Stock Exchange) of the issued share capital would be in public hands. The Directors do not propose to repurchase Shares which would result in less than the prescribed minimum percentage of Shares in public hands.

SHARE REPURCHASE MADE BY THE COMPANY

No repurchase of Shares (whether on the Stock Exchange or otherwise) have been made by the Company in the six months preceding the Latest Practicable Date.

The highest and lowest traded prices for Shares recorded on the Stock Exchange during each of the previous 12 months up to the Latest Practicable Date were as follows:
