**RE-ELECTION OF RETIRING DIRECTORS,
GENERAL MANDATES TO ISSUE AND REPURCHASE SHARES,
MANDATE TO ISSUE NEW SHARES UNDER
THE SHARE INCENTIVE SCHEME,
PROPOSED DECLARATION OF FINAL DIVIDEND,
AND
NOTICE OF ANNUAL GENERAL MEETING**

INTRODUCTION

The purpose of this circular is to provide the Shareholders with information regarding the resolutions to be proposed at the AGM including (i) the proposed re-election of the Retiring Directors; (ii) the granting of the Issue Mandate; (iii) the granting of the Repurchase Mandate; (iv) the extension of the Issue Mandate; (v) the granting of Scheme Mandate; and (vi) the proposed declaration of final dividend. The Board has confirmed that having made all reasonable enquiries, no Shareholder is required to abstain from voting on any of the resolutions as set out in the notice of the AGM.

LETTER FROM THE BOARD

RE-ELECTION OF THE RETIRING DIRECTORS

As at the Latest Practicable Date, the Board consists of eight Directors, namely Mr. Gao Tianpeng, Mr. Cheng Yonghong, Mr. Zhang Youda, Mr. Liu Jian, Mr. Wang Qiangzhong, Mr. Wu Chi Keung, Mr. Yen Yuen Ho, Tony and Mr. Poon Chiu Kwok.

Pursuant to Article 16.18 of the Articles of Association, at every annual general meeting of the Company, one-third of the Directors for the time being shall retire from office by rotation provided that every Director shall be subject to retirement by rotation at least once every three years. Accordingly, Mr. Zhang Youda (“**Mr. Zhang**”) and Mr. Wang Qiangzhong (“**Mr. Wang**”) shall retire as non-executive Directors; and Mr. Yen Yuen Ho, Tony (“**Mr. Yen**”) shall retire as an independent non-executive Director at the AGM.

The Retiring Directors, being eligible, would offer themselves for re-election at the AGM. Each of the Directors seeking for re-election at the AGM has been considered with reference to his qualification, experience, management position and past contribution to the Group. The nomination accorded with the nomination policy and objective criteria as set out in the Company’s board diversity policy. Mr. Zhang and Mr. Yen, being members of the Remuneration and Nomination Committee, had abstained from voting at the committee meeting when their own nominations were considered. The Board was satisfied that each of the Retiring Directors has the required character, integrity and experience to continue to fulfil the role and function of the Directors, and in the case of Mr. Yen, the Board is satisfied also with his independence criteria.

Mr. Yen has been serving as an independent non-executive Director since August 2010. Taking into consideration of his independent scope of work in the past years, the Board (including the independent non-executive Directors other than Mr. Yen) considers that the long service of Mr. Yen would not affect his exercise of independent judgement and is satisfied that Mr. Yen has the required character, integrity and experience to continue fulfilling the role of an independent non-executive Director. As such, the Board (including the independent non-executive Directors other than Mr. Yen) consider Mr. Yen to be independent under the Listing Rules despite the length of his service. The Company has received from Mr. Yen a confirmation of independence pursuant to Rule 3.13 of the Listing Rules. Mr. Yen does not have any management role in the Group and has no relationship with any other Directors, senior management or any substantial or controlling shareholders (as defined in the Listing Rules) of the Company. In addition, the Board has considered that the extensive experience and knowledge acquired and developed from Mr. Yen’s background and past experience as set out in the biographical information in Appendix I to this circular (particularly on legal profession and the board’s experience with other listed companies and public organisations), Mr. Yen has been able to bring about governance insights to the Board which were critical and complementary to effective Board decision.

The Board accepted the nomination and recommended Mr. Zhang, Mr. Wang and Mr. Yen to stand for re-election at the AGM.

Details of the Retiring Directors proposed to be re-elected are set out in Appendix I to this circular.

LETTER FROM THE BOARD

ISSUE MANDATE

At the Last AGM, a general mandate was granted to the Directors to exercise the powers of the Company to allot, issue and otherwise deal with the Shares in the Company. Such mandate shall lapse at the conclusion of the AGM. At the AGM, ordinary resolutions will be proposed to (i) grant to the Directors a general mandate to allot, issue and otherwise deal with the Shares not exceeding 20% of the total number of issued Shares as at the date of passing such resolution; and (ii) add to such general mandate so granted to the Directors any Shares repurchased by the Company pursuant to and in accordance with the Repurchase Mandate. The Directors have confirmed that they have no present intention to issue any new Shares pursuant to the Issue Mandate.

As at the Latest Practicable Date, the issued share capital of the Company is 12,609,873,051 Shares. Assuming that there is no change in the issued share capital of the Company between the Latest Practicable Date and the date of the AGM, the maximum number of Shares which may be issued pursuant to the Issue Mandate will be 2,521,974,610 Shares.

REPURCHASE MANDATE

At the Last AGM, a general mandate was granted to the Directors to exercise the powers of the Company to repurchase its own Shares. Such mandate shall lapse at the conclusion of the AGM. At the AGM, an ordinary resolution will be proposed to grant a general mandate to the Directors to exercise the powers of the Company to repurchase its own Shares up to a maximum of 10% of the total number of issued Shares as at the date of passing such resolution. An explanatory statement as required under the Listing Rules to provide the requisite information in respect of the Repurchase Mandate is set out in Appendix II to this circular. The Directors have confirmed that they have no present intention to repurchase any Shares pursuant to the Repurchase Mandate.

SCHEME MANDATE

The Share Incentive Scheme was adopted by way of an ordinary resolution at the annual general meeting held on 2 June 2015. The Share Incentive Scheme is not subject to the provisions of Chapter 17 of the Listing Rules and provides (among other things) that (a) for grant to Eligible Persons who are not connected person of the Company, the Trustee or the Remuneration and Nomination Committee shall, on behalf of the Eligible Persons, subscribe for new Shares from the Company and/or the Trustee shall purchase existing Shares from the secondary market to satisfy the relevant number of Performance Shares; and (b) for grant to Eligible Persons who are connected persons of the Company, the Trustee shall purchase, on behalf of the Eligible Persons, existing Share from the secondary market to satisfy the relevant number of Performance Shares, so that the grants under (a) or (b) above will not constitute connected transactions (as defined in the Listing Rules) of the Company. Pursuant to the Share Incentive Scheme, the maximum number of new Shares for allotment and issue to satisfy the grant of the Performance Shares, which may be granted by the Company during the period commencing from the date of AGM and ending on the date of the following annual general meeting, will be 2% of the Company's total number of issued Shares as at the date of AGM. Such Scheme Mandate will only be used to satisfy the grant of the Performance Shares to Eligible Persons who are not connected person of the Company only. The aggregate number of the Performance Shares which may be allotted and issued and/or purchased upon vesting of the Performance Shares granted under the Share Incentive Scheme is limited to 10% of the total number of Shares in issue as at the

LETTER FROM THE BOARD

Adoption Date, that is, 435,075,305 Performance Shares, as the total number of Shares in issue as at the Adoption Date was 4,350,753,051. In addition, the maximum aggregate number of Shares which may be issued upon the vesting of Performance Shares granted under the Share Incentive Scheme and yet to be vested in relation to Shares or options granted under other long-term incentive schemes of the Company (including the Share Option Scheme) must not, in aggregate, exceed 30% of the total number of Shares in issue from time to time. As at the Latest Practicable Date, no Performance Shares have been issued under the Share Incentive Scheme. At the AGM, an ordinary resolution will be proposed for the Shareholders to consider and to approve the granting of the Scheme Mandate.

The purpose of the Share Incentive Scheme is to provide incentive or reward to the Eligible Persons for their contributions to, and continuing efforts to promote the interests of, the Group and its business.

The Board may select the Eligible Persons and determine the number of the Performance Shares to be granted to each of the Eligible Persons by taking into consideration matters including, without limitation, the general financial condition of the Company or any subsidiary and the rank, skills, performance and contributions or potential contributions of the relevant Eligible Persons.

The Share Incentive Scheme should terminate on the earlier of (i) the tenth anniversary date of the Adoption Date; and (ii) such date of early termination as may be determined by the Board provided that such termination shall not affect any subsisting rights of any Eligible Person.

In accordance with the terms of the Share Incentive Scheme, any proposed Eligible Person to whom any Performance Share is proposed to be granted through subscription of new Shares under the Share Incentive Scheme, including such Eligible Persons being management members and employees of the Group (but excluding, for the avoidance of doubt, the Directors or any directors of the Company's subsidiaries who will not be entitled under the Share Incentive Scheme to receive grants of Performance Shares through the subscription of new Shares under the Share Incentive Scheme) and his/her associates, shall abstain from voting on the relevant resolution granting the Scheme Mandate at the AGM. As of the Latest Practicable Date, there is no specific Eligible Person to whom any Performance Share is proposed to be granted under the Share Incentive Scheme. As such, according to the Company's knowledge, no person is required to abstain from voting on the relevant resolution granting the Scheme Mandate at the AGM.

As at the Latest Practicable Date, the issued share capital of the Company is 12,609,873,051 Shares of HK\$0.01 each. Subject to the passing of the ordinary resolution in respect of granting the Scheme Mandate and on the basis that no further Share will be issued or repurchased prior to the AGM, the Scheme Mandate will, if exercised in full, result in up to 2% of the issued share capital of the Company as at the Latest Practicable Date or 252,197,461 Shares being allotted and issued and the interest of each existing Shareholder will be reduced by approximately 1.96% based on the enlarged issued share capital of 12,862,070,512 Shares (assuming the number of Shares held by the existing Shareholders remains unchanged). On the basis of the closing price of HK\$1.29 per Share as at the Latest Practicable Date and the Scheme Mandate being exercised in full, the aggregate market value of the 252,197,461 Shares to be allotted and issued pursuant thereto would be approximately HK\$325,334,725. The Company expects that the costs attributable to the grant of any Performance Shares under the Share Incentive Scheme will be accounted for by reference to the market value of such Performance Shares at the time of grant. The Company will give due consideration to any financial impact arising from the grant of the Performance Shares under the Share Incentive Scheme before deciding whether to exercise the Scheme Mandate to allot and issue new Shares or

LETTER FROM THE BOARD

to purchase existing Shares from the secondary market to satisfy the grant of the Performance Shares. Since the date on which the Share Incentive Scheme was adopted by the Shareholders at the annual general meeting held on 2 June 2015 to the Latest Practicable Date, no Performance Share was allotted and issued to or purchased from the secondary market for any Eligible Person under the Share Incentive Scheme.

Application will be made to the Stock Exchange for the approval of the listing of, and permission to deal in, the Performance Shares which may fall to be allotted and issued pursuant to the Share Incentive Scheme, representing up to 2% of the Company's total number of issued Shares as at the date of passing the resolution approving the Scheme Mandate.

In the past years, he was appointed by the HKSAR Government as a member of the Education Bureau's Panel of Review Board on School Complaints and as the Vice-Chairman of the Social Welfare Lump Sum Grant Independent Complaints Handling Committee. Mr. Yen also serves as a guest speaker to various universities in Hong Kong. He is an independent non-executive director of Beijing Energy International Holding Co., Ltd., Alltronics Holdings Limited and WWPKG Holdings Company Limited (the shares of which are listed on the Stock Exchange). Mr. Yen was in October 2015 appointed by China Minsheng Jiaye Investment Co. Limited as an independent director.

Mr. Yen has entered into a letter of appointment with the Company with a term ending 31 December 2022. He is subject to retirement by rotation and re-election at the general meeting of the Company in accordance with the articles of association of the Company. He is entitled to a director's fee of HK\$264,000 per annum. Mr. Yen is also eligible to participate in the Share Option Scheme, Share Incentive Scheme and other benefits in kind available to independent non-executive Directors.

GENERAL

The above emoluments of the Retiring Directors are recommended by the Remuneration and Nomination Committee and approved by the Board with reference to their respective qualifications, experience and roles and duties in the Company.

APPENDIX I PARTICULARS OF THE DIRECTORS FOR RE-ELECTION

Save as disclosed above, each of the Retiring Directors does not have any other relationship with any Directors, senior management or substantial or controlling Shareholders (as defined in the Listing Rules) and has not held any directorship in other listed public companies in the past three years. As at the Latest Practicable Date, the Retiring Directors do not have any interest in the Shares or underlying Shares pursuant to Part XV of the SFO.

Save as disclosed above, the Board is not aware of any matter in relation to the Retiring Directors that is required to be disclosed pursuant to Rule 13.51(2)(h) to (v) of the Listing Rules and any other matter that needs to be brought to the attention of the Shareholders.

This appendix serves as an explanatory statement, as required by the Listing Rules, to provide information reasonably necessary to enable the Shareholders to make an informed decision on whether to vote for or against the ordinary resolution to approve the granting of the Repurchase Mandate to be proposed at the AGM.

1. SHARE CAPITAL

At the Latest Practicable Date, the issued share capital of the Company comprised 12,609,873,051 Shares. Subject to the passing of the resolution approving the granting of the Repurchase Mandate and on the basis that the issued share capital of the Company remains unchanged as at the date of AGM, the Directors would be authorised under the Repurchase Mandate to repurchase a maximum of 1,260,987,305 Shares, representing 10% of the existing 12,609,873,051 Shares in issue.

2. REASONS FOR REPURCHASES

The Directors believe that the Repurchase Mandate is in the interests of the Company and its Shareholders as a whole as it would enable the Directors to repurchase Shares in the market as and when appropriate. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value and will only be made when the Directors believe that such repurchase will benefit the Company and the Shareholders.

3. FUNDING OF REPURCHASES

Any repurchase would only be financed out of funds of the Company legally available for such purpose in accordance with the Memorandum and Articles of Association, the Listing Rules and the applicable laws of the Cayman Islands. The Company may not repurchase its Shares on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time.

It is currently envisaged that the funds required for any repurchase would be derived from the working capital and/or the distributable profits of the Company.

4. IMPACT OF REPURCHASES

There might be material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in its audited consolidated financial statements for the year ended 31 December 2020) in the event that the Repurchase Mandate is exercised in full at any time during the period covered by the Repurchase Mandate. However, the Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or its gearing level.

5. UNDERTAKING

The Directors have undertaken to the Stock Exchange that they will exercise the powers of the Company to repurchase Shares pursuant to the Repurchase Mandate in accordance with the Listing Rules, the Memorandum and Articles of Association and the applicable laws of the Cayman Islands.

6. DISCLOSURE OF INTEREST

As at the Latest Practicable Date, none of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their respective close associates, have a present intention to sell any Shares to the Company if the Repurchase Mandate is approved by the Shareholders.

No core connected persons of the Company have notified the Company that they have a present intention to sell Shares to the Company or have undertaken not to do so, if the Repurchase Mandate is approved by the Shareholders.

7. THE TAKEOVERS CODE

If, as a result of a repurchase of Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of Rule 32 of the Takeovers Code. As a result, a Shareholder or a group of Shareholders acting in concert (as defined in the Takeovers Code) could obtain or consolidate control of the Company and, depending on the level of increase of the shareholding, become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code for all the Shares not already owned by such Shareholder or group of Shareholders.

As at the Latest Practicable Date, to the best knowledge of the Company, JCG and its concert parties were interested in 7,593,009,857 Shares, representing approximately 60.21% of the issued share capital of the Company.

Assuming that there is no alteration to the existing shareholdings, upon exercise of the Repurchase Mandate in full in accordance with the terms of the ordinary resolution to be proposed at the AGM, the shareholding of JCG and its concert parties in the Company would be increased to approximately 66.91% of the issued share capital of the Company. The Directors are not aware of any consequences of such repurchases of Shares that would result in a Shareholder, or group of Shareholders acting in concert, becoming obliged to make a mandatory offer under Rule 26 of the Takeovers Code if the Repurchase Mandate were to be exercised in full. Moreover, the Directors do not intend to exercise the power to repurchase Shares to an extent which would render any Shareholder or group of Shareholders obliged to make a mandatory offer under Rule 26 of the Takeovers Code.

Assuming that there is no change in the total number of issued Shares between the Latest Practicable Date and date of repurchase, the exercise of Repurchase Mandate whether in whole or in part will not result in the number of Shares held by the public being reduced to less than 25% of the issued share capital of the Company. The Directors have no intention to exercise the Repurchase Mandate to an extent that may result in a public shareholding less than such prescribed percentage under the Listing Rules.

8. SHARE PURCHASES MADE BY THE COMPANY

No repurchases of Shares have been made by the Company (whether on the Stock Exchange or otherwise) during the six months preceding the Latest Practicable Date.

9. SHARE PRICES

The highest and lowest prices at which the Shares were traded on the Stock Exchange during each of the previous twelve months prior to the Latest Practicable Date were as follows:
