Having considered the recent listing of the Company, the structure and composition of the Board, the qualifications, skills and experience, time commitment and contribution of the retiring Directors with reference to the nomination criteria set out in the Company's board diversity policy and director nomination policy, the Company's corporate strategy, and the independence of all Independent Non-executive Directors, the Board considers that the retiring Independent Non-executive Directors are independent in accordance with the independence guidelines as set out in Rule 3.13 of the Listing Rules and that the retiring Directors will continue to bring valuable business experience, knowledge and professionalism to the Board for its efficient and effective functioning and diversity.

A form of proxy for use at the Annual General Meeting is enclosed with this circular and such form of proxy is also published on the websites of Hong Kong Exchanges and Clearing Limited (<http://www.hkexnews.hk>) and the Company (www.bluemoon.com.cn). 7. RECOMMENDATION

The Directors consider that the proposed resolutions, including but without limitation to, the granting to the Directors of the Proposed General Mandate, the Proposed Repurchase Mandate, the Proposed Extension Mandate, the re-election of the retiring Directors as set out in the notice of the Annual General Meeting and the proposed final dividend are all in the best interests of the Company and its Shareholders. The Directors therefore recommend the Shareholders to vote in favour of all the resolutions to be proposed at the Annual General Meeting.

By Order of the Board
PAN Dong
Chairman & Executive Director

The following is an explanatory statement required to be sent to the Shareholders under the Listing Rules to enable them to make an informed decision on whether to vote for or against the ordinary resolution in connection with the Proposed Repurchase Mandate at the Annual General Meeting.

1. SHARE CAPITAL

As at the Latest Practicable Date, the issued Shares of the Company comprised 5,859,195,000 Shares of nominal value of HK\$0.01 each.

Subject to the passing of the resolution granting the Proposed Repurchase Mandate and on the basis that no further Shares are issued or repurchased before the Annual General Meeting, the Company will be allowed to repurchase a maximum of 585,919,500 Shares, which are fully paid-up and represent 10% of the Shares in issue as at the date of passing of the relevant resolution at the Annual General Meeting, during the period ending on the earliest of (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required by any applicable laws or the Articles of Association to be held; and (iii) the revocation or variation of authority given under this resolution by an ordinary resolution of the Shareholders in general meeting.

2. REASONS FOR THE REPURCHASES

The Directors believe that it is in the best interests of the Company and its Shareholders to seek a general authority from the Shareholders to enable the Company to repurchase its Shares on the Stock Exchange. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or its earnings per Share, and will only be made when the Directors believe that such a repurchase will benefit the Company and its Shareholders.

3. FUNDING OF REPURCHASES

Repurchases of Shares will be financed out of funds legally available for the purpose and in accordance with the Articles of Association and the Cayman Companies Law. There could be an adverse impact on the net working capital or gearing ratio of the Company (as compared with the position disclosed in the audited accounts of the Company for the year ended 31 December 2020) in the event that the proposed share repurchases were to be carried out in full at any time during the proposed repurchase period. The Directors do not propose to exercise the Proposed Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the net working capital or the gearing ratio of the Company.

4. DIRECTORS' UNDERTAKING AND CONNECTED PERSONS

To the best of their knowledge, having made all reasonable enquiries, none of the Directors or any of their Associates currently intends to sell any Shares to the Company or its subsidiaries, if the Proposed Repurchase Mandate is exercised.

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Proposed Repurchase Mandate in accordance with the Listing Rules and the applicable laws of the Cayman Islands.

No Connected Person has notified the Company that he has a present intention to sell any Shares to the Company, or has undertaken not to do so, if the Proposed Repurchase Mandate is exercised.

5. THE TAKEOVERS CODE AND MINIMUM PUBLIC FLOAT

If as a result of a repurchase of Shares, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. Accordingly, a Shareholder, or group of Shareholders acting in concert, depending on the level of increase in the Shareholder's interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code for all the Shares not already owned by such Shareholder or group of Shareholders.

As at the Latest Practicable Date, to the best of the knowledge and belief of the Directors, a Controlling Shareholder of the Company, namely Ms. PAN Dong, controls the exercise of approximately 77.36% voting rights at a general meeting of the Company.

In the event that the Directors should exercise in full the power to repurchase Shares which is proposed to be granted pursuant to the Proposed Repurchase Mandate, the percentage of voting rights at a general meeting of the Company held by such Controlling Shareholder would increase to approximately 84.31% of the issued Shares. Save as aforesaid, the Directors are not aware of any consequences which may arise under the Takeovers Code as a result of any repurchase of Shares pursuant to the Proposed Repurchase Mandate. In any event, the Directors have no present intention to repurchase Shares to such extent which will trigger the mandatory offer requirement pursuant to the Takeovers Code.

The Listing Rules prohibit a company from making repurchases on the Stock Exchange if the result of the repurchase would be that less than 25% (or such other prescribed minimum percentage as determined by the Stock Exchange) of the issued shares of that company would be in public hands. The Directors do not propose to repurchase Shares which would result in less than the prescribed minimum percentage of Shares in public hands.

6. SHARE REPURCHASE MADE BY THE COMPANY

There was no repurchase of Shares by the Company or any of its subsidiaries of the Shares since the Listing Date and up to the Latest Practicable Date.

7. SHARE PRICES

The Shares are trading on the Stock Exchange and the highest and lowest traded prices for Shares recorded on the Stock Exchange in each of the following months immediately preceding the Latest Practicable Date were as follows:

Year	Month	Shares	
		Highest Price HK\$	Lowest Price HK\$
2020	December (from the Listing Date)	15.62	14.1
2021	January	18.16	15.66
	February	17.12	15.36
	March	16.08	11.12
	April (up to the Latest Practicable Date)	11.40	10.50
