NOTICE OF ANNUAL GENERAL MEETING**

LETTER FROM THE BOARD

INTRODUCTION

The purpose of this circular is to provide you with the notice of Annual General Meeting and further information in relation to, amongst other matters, the following proposals to be put forward at the Annual General Meeting: (a) the grant to the Directors of the Issue Mandate, the Repurchase Mandate and to extend the Issue Mandate by an amount representing the aggregate nominal amount of any Shares repurchased by the Company; and (b) the re-election of the retiring Directors.

ISSUE MANDATE

At the Company's annual general meeting held on 23 June 2020, a general unconditional mandate was granted to the Directors to issue Shares, and such mandate will lapse at the conclusion of the Annual General Meeting. In order to ensure flexibility and give discretion to the Directors in the event that it becomes desirable for the Company to issue any new Shares, an ordinary resolution 4(A) will be proposed at the Annual General Meeting to grant a general mandate to the Directors to exercise all powers of the Company to allot, issue and deal with additional Shares up to 20% of the total nominal amount of issued share capital of the Company as at the date of passing of the resolution in relation to the Issue Mandate.

As at the Latest Practicable Date, the issued share capital of the Company comprised 3,541,372,224 Shares. Subject to the passing of the ordinary resolution 4(A) and on the basis that no further Shares are issued or repurchased after the Latest Practicable Date and up to the Annual General Meeting, the Company will be allowed to issue a maximum of 708,274,444 Shares under the Issue Mandate.

In addition, subject to a separate approval of the ordinary resolutions 4(B) and 4(C), the number of Shares repurchased by the Company under ordinary resolution 4(B) will also be added to extend the 20% limit of the Issue Mandate as mentioned in the ordinary resolution 4(A) provided that such additional amount shall not exceed 10% of the total nominal amount of the issued share capital of the Company as at the date of passing the resolutions in relation to the Issue Mandate and the Repurchase Mandate.

The Directors wish to state that they have no immediate plans to issue any new Shares pursuant to the Issue Mandate as at the Latest Practicable Date.

The Issue Mandate, if approved, will continue to be in force from the passing of the said resolution until whichever the following first occurs: (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required by any applicable laws or the Bye-laws to be held; or (iii) the revocation or variation of the authority given under such ordinary resolution by an ordinary resolution of the Shareholders in a general meeting of the Company.

LETTER FROM THE BOARD

REPURCHASE MANDATE

At the Company's annual general meeting held on 23 June 2020, a general unconditional mandate was granted to the Directors to repurchase Shares, and such mandate will lapse at the conclusion of the Annual General Meeting. An ordinary resolution will be proposed at the Annual General Meeting to approve the granting of the Repurchase Mandate to the Directors to exercise all powers of the Company to repurchase Shares representing up to 10% of the issued share capital of the Company as at the date of passing of the resolution in relation to the Repurchase Mandate.

The Repurchase Mandate, if approved, will continue in force from the passing of the said resolution until the following first occurs: (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required by any applicable laws or the Bye-laws to be held; or (iii) the revocation or variation of the authority given under such resolution by an ordinary resolution of the Shareholders in a general meeting of the Company.

The Directors have no current intention of exercising the Repurchase Mandate as at the Latest Practicable Date.

Accordingly, Mr. YANG Rong Bing, Professor LO Yuk Lam and Mr. LEUNG Man Kit will retire by rotation and being eligible, will offer themselves for re-election as the Directors at the Annual General Meeting.

In accordance with bye-law 83(2) of the Bye-laws, any Director appointed by the Board as an addition to the existing Board shall hold office only until the next following annual general meeting of the Company and shall then be eligible for re-election. The following is an explanatory statement required to be sent to the Shareholders under the Listing Rules in connection with the proposed Repurchase Mandate.

PROVISION OF THE LISTING RULES

The Listing Rules permit companies with a primary listing on the Stock Exchange to repurchase their own securities on the Stock Exchange subject to certain restrictions, the most important of which are summarised below:

(i) Shareholders' Approval

All proposed repurchases of securities (which must be fully paid up in the case of shares) by a company with a primary listing on the Stock Exchange must be approved in advance by an ordinary resolution of the shareholders in general meeting, either by way of general mandate or by specific approval of a particular transaction.

Such authority may only continue in force during the period from the passing of the resolution until the earlier of: (i) the conclusion of the next annual general meeting of the Company (unless renewed by an ordinary resolution of the Shareholders in a general meeting, either unconditionally or subject to conditions); (ii) the expiration of the period within which the Company's next annual general meeting is required by the Bye-laws or any other applicable laws to be held; or (iii) the date when it is varied or revoked by an ordinary resolution of the Shareholders in general meeting.

(ii) Source of Funds

Repurchases must be funded out of funds legally available for such purpose in accordance with the Memorandum and the Bye-laws, the Listing Rules and the applicable laws of Bermuda. A listed company may not repurchase its own securities on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the Listing Rules. Subject to the foregoing, any repurchases by the Company may be made out of the capital paid up on Shares to be repurchased, funds of the Company otherwise available for dividend or distribution or out of a fresh issue of Shares made for the purpose of the repurchase or out of capital and, in the case of any premium payable on the purchase, out of the funds of the Company otherwise available for dividend or distribution or from sums standing to the credit of the share premium account of the Company.

(iii) Trading Restrictions

The total number of shares which a listed company may repurchase on the Stock Exchange is the number of shares representing up to a maximum of 10% of the aggregate number of shares in issue. A company may not issue or announce a proposed issue of new securities for a period of 30 days immediately following a repurchase (other than an issue of securities pursuant to an exercise of warrants, share options or similar instruments requiring the company to issue securities which were outstanding prior to such repurchase) without the

prior approval of the Stock Exchange. In addition, a listed company is prohibited from repurchasing its shares on the Stock Exchange if the purchase price is higher by 5% or more than the average closing market price for the five preceding trading days on which its shares were traded on the Stock Exchange. The Listing Rules also prohibit a listed company from repurchasing its securities if the repurchase would result in the number of listed securities which are in the hands of the public falling below the relevant prescribed minimum percentage as required by the Stock Exchange. A company is required to procure that the broker appointed by it to effect a repurchase of securities discloses to the Stock Exchange such information with respect to the repurchase as the Stock Exchange may require.

(iv) Status of Repurchased Shares

All repurchased securities (whether effected on the Stock Exchange or otherwise) will be automatically delisted and the certificates for those securities must be cancelled and destroyed. Under the Bermuda Companies Act, a company's repurchased shares may be treated as cancelled or held as treasury shares and, if so cancelled the amount of the company's issued share capital shall be reduced by the aggregate value of the repurchased shares accordingly although the authorised share capital of the company will not be reduced.

(v) Suspension of Repurchase

A listed company may not make any repurchase of securities after a price sensitive development has occurred or has been the subject of a decision until such time as the inside information has been made publicly available. In particular, during the period of one month immediately preceding the earlier of: (a) the date of the board meeting (as such date is first notified to the Stock Exchange in accordance with the Listing Rules) for the approval of a listed company's results for any year, half-year, quarterly or any other interim period (whether or not required under the Listing Rules); and (b) the deadline for publication of an announcement of a listed company's results for any year or half-year under the Listing Rules, or quarterly or any other interim period (whether or not required under the Listing Rules), the listed company may not repurchase its shares on the Stock Exchange other than in exceptional circumstances. In addition, the Stock Exchange may prohibit a repurchase of securities on the Stock Exchange if a listed company has breached the Listing Rules.

(vi) Reporting Requirements

Certain information relating to repurchases of securities on the Stock Exchange or otherwise must be reported to the Stock Exchange not later than 30 minutes before the earlier of the commencement of the morning trading session or any pre-opening session on the following business day. In addition, a listed company's annual report is required to disclose details regarding repurchases of securities made during the year, including a monthly analysis of the number of securities repurchased, the purchase price per share or the highest and lowest price paid for all such repurchases, where relevant, and the aggregate prices paid.

(vii) Connected Persons

A listed company is prohibited from knowingly repurchasing securities on the Stock Exchange from a “connected person”, that is, a director, chief executive or substantial shareholder of the company or any of its subsidiaries or their associates and a connected person is prohibited from knowingly selling his securities to the company.

SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 3,541,372,224 Shares with nominal value of USD0.02 each. Subject to the passing of the resolution granting the Repurchase Mandate and on the basis that no further Shares are issued or repurchased before the Annual General Meeting, the Company will be allowed to repurchase a maximum of 354,137,222 Shares which represent 10% of the issued share capital of the Company during the period ending on the earlier of (i) the conclusion of the next annual general meeting of the Company; or (ii) the expiration of the period within which the next annual general meeting of the Company is required by any applicable laws or the Bye-laws to be held; or (iii) the date on which such authority is revoked or varied by a resolution of the Shareholders in general meeting.

REASONS FOR REPURCHASES

The Directors believe that the ability to repurchase Shares is in the interests of the Company and the Shareholders. Repurchases may, depending on the circumstances, result in an increase in the net asset value and/or earnings per Share. The Directors sought the grant of a general authority from the Shareholder to give the Company the flexibility to repurchase Shares if and when appropriate. The number of Shares to be repurchased on any occasion and the price and other terms upon which the same are repurchased will be decided by the Directors at the relevant time having regard to the circumstances then pertaining and any repurchases will only be made when the Directors believe that such repurchases will benefit the Company and the Shareholders.

FUNDING OF REPURCHASES

Repurchases of Shares will be financed out of funds legally available for the purpose and in accordance with the Memorandum and Bye-laws, the Listing Rules, and any other applicable laws of Bermuda. Under Bermuda law, any repurchases by the Company may be made out of capital paid up on the Shares to be repurchased, or out of funds of the Company which would otherwise be available for dividend or distribution or out of the proceeds of a fresh issue of Shares made for the purpose and, in the case of premiums payable on repurchases, funds of the Company which would otherwise be available for dividend or distribution or out of the share premium account of the Company.

As at the Latest Practicable Date, the Directors have no present intention to repurchase any Shares and they would only exercise the power to repurchase in circumstances where they consider that the repurchase would be in the best interests of the Company and the Shareholders as a whole. The Directors consider that if the Repurchase Mandate was to be exercised in full, it may not have a material adverse impact on the working capital or the gearing position of the Company, as compared with the positions disclosed in the audited consolidated financial statements of the Company as at 31 December 2020, being the date on which the latest published audited consolidated financial statements of the Company were made up. The Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or on the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

UNDERTAKING OF THE DIRECTORS

To the best of their knowledge, having made all reasonable enquiries, none of the Directors or any of their close associates, as defined in the Listing Rules, currently intends to sell any Shares to the Company or its subsidiaries, if the Repurchase Mandate is approved by the Shareholders.

The Directors have undertaken to the Stock Exchange that, they will exercise the Repurchase Mandate in accordance with the Listing Rules, the Memorandum and the Bye-laws and applicable laws of Bermuda.

No core connected person (as defined in the Listing Rules) has notified the Company that he/she/it has any present intention to sell any Shares to the Company, and none of them have undertaken not to do so, if the proposed Repurchase Mandate is approved by the Shareholders.

EFFECT OF TAKEOVERS CODE

If as a result of a repurchase of Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. Accordingly, a Shareholder, or a group of Shareholders acting in concert (within the meaning of the Takeovers Code), depending on the level of increase of the Shareholder's interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, to the best knowledge and belief of the Directors, Mr. Liu Dian Bo had deemed interests in 1,257,196,703 Shares and 72,701,950 Shares in short position under Part XV of the SFO, representing an approximate total of 35.50% and 2.05% of the existing issued share capital of the Company respectively. The 1,257,196,703 Shares and 72,701,950 Shares in short position were held through his controlled corporations, namely Shorea LBG, Ginkgo (PTC) Limited, Nelumbo Investments Limited, Luye Group, Luye Pharma Holdings, Luye Pharma Intl and Luye Pharma Investment.

In the event that the Repurchase Mandate should be exercised in full, the aggregate interests of Mr. Liu Dian Bo (through his controlled corporations) will be increased to approximately 39.44% (long position) and 2.28% (short position) of the issued share capital of the Company respectively. Such exercise of the Repurchase Mandate may give rise to an obligation on Mr. Liu Dian Bo (through his controlled corporations) to make a mandatory offer under Rule 26 of the Takeovers Code, as a result of which the number of Shares held by the public may be reduced to less than the minimum public float requirement.

However, the Directors currently have no intention to repurchase Shares which would trigger a mandatory general offer obligation on the part of the above persons or otherwise would result in the number of Shares held by the public being reduced to less than the minimum public float requirement. Save as disclosed above, the Directors are not aware of any consequences which will arise under the Takeovers Code as a result of any purchases to be made under the Repurchase Mandate.

SHARE REPURCHASE MADE BY THE COMPANY

In the six months immediately prior to the Latest Practicable Date, the Company had not repurchased any shares on the Stock Exchange.
