The purpose of this circular is to provide the Shareholders with information in respect of the resolutions to be proposed at the 2021 AGM for (i) the grant of the Buyback Mandate to the Directors; (ii) the grant of the Issue Mandate to the Directors; (iii) the extension of the Issue Mandate by adding to it the number of Shares repurchased by the Company under the Buyback Mandate; and (iv) the re-election of the retiring Directors.

LETTER FROM THE BOARD

2. PROPOSED GRANT OF THE BUYBACK MANDATE

Any purchase or acquisition of Shares by the Company has to be made in accordance with, and in the manner prescribed by, the Constitution, the Companies Act, the Hong Kong Listing Rules and such other laws and regulations as may for the time being be applicable.

At the annual general meeting of the Company held on 22 June 2020, a general mandate was granted to the Directors to repurchase the Shares (the “**Buyback Mandate**”). The existing Buyback Mandate will expire at the conclusion of the 2021 AGM. Accordingly, the Directors are seeking Shareholders’ approval for the proposed grant of the Buyback Mandate at the 2021 AGM.

An ordinary resolution, as set out in ordinary resolution no. 8 in the notice of the 2021 AGM (the “**Resolution 8**”), will be proposed at the 2021 AGM to seek the approval of the Shareholders to grant the Directors generally and unconditionally the Buyback Mandate to purchase or acquire Shares, by way of on-market purchase(s) (“**Market Purchase(s)**”), transacted on the SEHK (or any other securities exchange on which the Shares may for the time being be listed and quoted, recognised by the SFC and the SEHK for this purpose) through the ready markets, through one or more duly licensed stockbrokers appointed by the Company for the purpose, at any time and upon such terms and conditions as the Directors may, in their absolute discretion, deem fit, provided that the aggregate number of Shares to be repurchased pursuant to the Buyback Mandate, shall not exceed 10% of the total number of issued Shares as at the date of passing the Resolution 8.

Pursuant to Section 76C of the Companies Act, the Company may purchase or acquire Shares by way of off-market purchase(s) otherwise than on the SEHK (the “**Off-Market Purchase(s)**”) if the purchase or acquisition is made in accordance with an equal access scheme authorised in advance by the Company in a general meeting. Pursuant to Rule 2 of the Hong Kong Buy-backs Code, Off-Market Purchases must be approved by the Executive Director of the Corporate Finance Division of the SFC (or any delegate of the Executive Director) before the Company may carry out such Off-Market Purchase. Such approval will normally be conditional upon, amongst others, approval of the proposed Off-Market Purchase by at least three-fourths of the votes cast on a poll by disinterested Shareholders in attendance in person or by proxy at a general meeting and a circular satisfying certain requirements set out in the Hong Kong Buy-backs Code having been sent to the Shareholders. The Company should also comply with other applicable requirements under the Hong Kong Buy-backs Code. In view of the requirements in Hong Kong in relation to Off-Market Purchases, the Company does not intend to purchase or acquire Shares by way of Off-Market Purchases and will not propose such resolution at the 2021 AGM.

Unless revoked or varied by the Company in a general meeting, the Buyback Mandate shall continue in force until the conclusion of the Company’s next annual general meeting held after the 2021 AGM or the expiration of the period within which the next annual general meeting of the Company is required by law to be held, whichever is earlier.

LETTER FROM THE BOARD

As at the Latest Practicable Date, the number of Shares in issue was 1,171,621,000. Accordingly, assuming no further Shares are issued or repurchased on or before the 2021 AGM, the exercise of the Buyback Mandate in full would enable the Company to repurchase a maximum of 117,162,100 Shares. The grant of the Buyback Mandate will provide flexibility to the Directors to repurchase Shares when it is in the interest of the Company to do so.

In accordance with the requirements of the Hong Kong Listing Rules, the Company shall send to the Shareholders an explanatory statement containing all the information reasonably necessary to enable them to make an informed decision on whether to vote for or against the grant of the Buyback Mandate. The explanatory statement as required by the Hong Kong Listing Rules and other requisite details in connection with the Buyback Mandate is set out in Appendix I to this circular.

3. PROPOSED GRANT/EXTENSION OF THE ISSUE MANDATE

At the annual general meeting of the Company held on 22 June 2020, a general mandate was granted to the Directors to allot, issue and deal with Shares. The existing Issue Mandate will expire at the conclusion of the 2021 AGM. Accordingly, the Directors are seeking Shareholders' approval for the proposed grant of the Issue Mandate at the 2021 AGM.

An ordinary resolution, as set out in ordinary resolution no. 9 in the notice of the 2021 AGM (the "**Resolution 9**"), will be proposed at the 2021 AGM to seek the approval of the Shareholders to grant the Directors generally and unconditionally the Issue Mandate to (i) allot, issue and deal with Shares whether by way of rights, bonus or otherwise; (ii) make or grant offers, agreements or options that might or would require Shares to be issued or other transferable rights to subscribe for or purchase Shares (collectively, "**Instruments**") including but not limited to the creation and issue of warrants, debentures or other Instruments convertible into Shares; and/or (iii) issue additional Instruments arising from adjustments made to the number of Instruments previously issued in the event of rights, bonus or capitalisation issues, at any time and upon such terms and conditions and to such persons as the Directors may, in their absolute discretion, deem fit provided that the aggregate number of Shares to be issued pursuant to the Resolution 9 (including Shares to be issued in pursuance of Instruments made or granted pursuant to the Resolution 9) other than on a rights issue, conversion of convertible securities, exercise of options or issue of scrip dividend or similar arrangement, as detailed in the Resolution 9, shall not exceed 20% of the total number of issued Shares as at the date of passing the Resolution 9.

Unless revoked or varied by the Company in a general meeting, the Issue Mandate shall continue in force until the conclusion of the Company's next annual general meeting held after the 2021 AGM or the expiration of the period within which the next annual general meeting of the Company is required by law to be held, whichever is earlier.

As at the Latest Practicable Date, the number of Shares in issue was 1,171,621,000. Accordingly, the exercise of the Issue Mandate in full would enable the Company to issue a maximum of 234,324,200 new Shares. The grant of the Issue Mandate will provide flexibility to the Directors to issue new Shares when it is in the interest of the Company to do so.

LETTER FROM THE BOARD

Another ordinary resolution, as set out in ordinary resolution no. 10 in the notice of the 2021 AGM, will be proposed at the 2021 AGM to seek the approval of the Shareholders to extend the Issue Mandate granted to the Directors by adding the number of Shares repurchased by the Company pursuant to and in accordance with the Buyback Mandate, conditional upon the passing of Resolution 8 and Resolution 9.

4. PROPOSED RE-ELECTION OF THE RETIRING DIRECTORS

Pursuant to Articles 89 and 90 of the Constitution, Mr. Zhang Qingjin, Mr. Ong Kian Guan and Mr. Li Hongxing shall retire by rotation at the 2021 AGM, and being eligible, will offer themselves for re-election at the 2021 AGM.

The Nomination Committee of the Company has reviewed the structure and composition of the Board, the confirmations and disclosures given by the Directors, the qualifications, skills and experience, time commitment and contributions of the retiring Directors, nominated Mr. Ong Kian Guan and Mr. Li Hongxing to the Board for it to recommend to Shareholders for re-election at the AGM. The nominations were made with reference to the nomination principles and criteria, defined process of selection and performance evaluation set out in the Company's Board Diversity Policy and Director Nomination Policy and the Company's corporate strategy and the independence of the independent non-executive Directors. The Nomination Committee has established and implemented processes including taking into consideration the attendance records at the meetings of the Board and the Committees for monitoring and evaluating the contribution of the retiring Directors. The nomination committee had also taken into account the respective contributions of Mr. Ong Kian Guan and Mr. Li Hongxing to the Board and their commitment to their roles and, with respect to Mr. Ong Kian Guan's nomination, his independence criteria as Mr. Ong Kian Guan has served more than nine years as an independent non-executive Director.

Pursuant to the code provision A.4.3 of Corporate Governance Code as set out in Appendix 14 of the Listing Rules, serving more than nine years could be relevant in the determination of an independent non-executive director's independence. If an independent non-executive director serves more than nine years, any further appointment of such independent non-executive director should be subject to a separate resolution to be approved by shareholders and the circular should include reasons why the Board believes such independent non-executive director is still independent and should be re-elected.

LETTER FROM THE BOARD

Mr. Ong Kian Guan joined the Company since May 2007. Mr. Ong Kian Guan is a practising member and a fellow of the Institute of Singapore Chartered Accountants, and also a partner of Baker Tilly TFW LLP with more than 20 years of professional experience in financial audits of multinational corporations and public listed companies from diverse industries. Throughout Mr. Ong Kian Guan's directorship with the Company, Mr. Ong Kian Guan has participated in Board meetings to give impartial advice and exercise independent judgement, served on various committees of the Board, but has never engaged in any executive management of the Company. Taking into consideration his independent scope of work in the past years, the Board (including the independent non-executive Directors other than Mr. Ong Kian Guan) considers that the long service of Mr. Ong Kian Guan would not affect his exercise of independent judgement and is satisfied that Mr. Ong Kian Guan has the required character, integrity and experience to continue fulfilling the role of an independent non-executive Director. As such, the Board (including the independent non-executive Directors other than Mr. Ong Kian Guan), considers Mr. Ong Kian Guan to be independent under the Listing Rules despite the length of his service. The Board (including the independent non-executive Directors other than Mr. Ong Kian Guan) believes that Mr. Ong Kian Guan's continued tenure will bring considerable stability to the Board and that Mr. Ong Kian Guan's financial experience and understanding of the Company's operations and business will continue to contribute an impartial and independent view to the Board.

The Company received from Mr. Ong Kian Guan a confirmation of independence pursuant to Rule 3.13 of the Listing Rules. Mr. Ong Kian Guan does not have any management role in the Group and he has no relationship with any other Directors, senior management or any substantial or controlling shareholders (as defined in the Listing Rules) of the Company.

The nomination committee of the Company reviewed the eligibility of Mr. Ong Kian Guan seeking for re-election at the AGM and also reviewed the confirmation of independence provided by Mr. Ong Kian Guan. The Board (including the independent non-executive Directors other than Mr. Ong Kian Guan), through the assessment and recommendation by the nomination committee, is of the opinion that Mr. Ong Kian Guan is independent for the purpose of acting as independent non-executive Director of the Company, and thus recommends Mr. Ong Kian Guan for re-election as a candidate for an independent non-executive Director at the AGM.

In addition, the Nomination Committee and the Board believed that the extensive business experience and financial knowledge of Mr. Ong Kian Guan and Mr. Li Hongxing will continue to make contribution to the Board and are satisfied with all the retiring Directors' contributions to the Company, which will continue to bring valuable business experience, knowledge and professionalism to the Board for its efficient and effective functioning and diversity. The Nomination Committee and the Board therefore recommended the re-election of all the retiring Directors, including the aforesaid independent non-executive Directors, who are due to retire at the 2021 AGM.

LETTER FROM THE BOARD

Pursuant to Rule 13.74 of the Hong Kong Listing Rules, a listed issuer shall disclose the details required under Rule 13.51(2) of the Hong Kong Listing Rules of any director(s) proposed to be re-elected or proposed new director(s) in the notice or accompanying circular to its shareholders of the relevant general meeting, if such re-election or appointment is subject to shareholders' approval at that relevant general meeting. The requisite details of the above three retiring Directors are set out in Appendix II to this circular.

5. DIRECTORS' RECOMMENDATIONS

Save for Mr. Liu Xingxu who abstains from making any recommendations to the Shareholders in accordance with Note 3(a) of Appendix 2 of the Singapore Take-overs Code, the remaining Directors consider that the grant of the Buyback Mandate is in the interests of the Company and is not prejudicial to the Shareholders as a whole. Accordingly, the Directors (other than Mr. Liu Xingxu) recommend the Shareholders to vote in favour of the resolution relating to the Buyback Mandate to be proposed at the 2021 AGM.

Shareholders should note that by voting in favour of the resolution in relation to the proposed grant of the Buyback Mandate, Shareholders are waiving their rights to a general offer from Mr. Liu Xingxu and/or persons acting in concert with him, if any, at the required price, if a share buy-back by the Company results in the aggregate voting rights of Mr. Liu Xingxu and/or persons acting in concert with him, if any, to increase in accordance with the proportions stipulated under Rule 14 of the Singapore Take-overs Code.

The Directors consider that the grant/extension of the Issue Mandate and the re-election of the retiring Directors are in the interests of the Company and are not prejudicial to the Shareholders as a whole. Accordingly, the Directors recommend the Shareholders to vote in favour of the relevant resolutions to be proposed at the 2021 AGM.

6. ABSTENTION FROM VOTING

Each of Mr. Liu Xingxu, Pioneer Top and/or persons acting in concert with them, is required under the Singapore Take-overs Code to abstain from voting on the resolution in respect of the proposed grant of the Buyback Mandate at the 2021 AGM. Mr. Liu Xingxu shall not, and shall procure that his concert parties shall not, accept appointments as proxies for voting on the resolution in respect of the proposed grant of the Buyback Mandate unless specific instructions have been given on the proxy form(s) on how the votes are to be cast in respect of the resolution relating to the proposed grant of the Buyback Mandate.

Save as disclosed above, no other Shareholder is required to abstain from voting on the resolutions proposed at the 2021 AGM.

LETTER FROM THE BOARD

7. 2021 AGM

The 2021 AGM, notice of which is set out on pages 39 to 45 of this circular, will be convened at the 3rd Conference Room, 6th Floor, R&D Building, Gate No.7, Xinlianxin Avenue, Henan Xinxiang Economic Development Zone, Xinxiang City, Henan Province, PRC on 25 June 2021 at 2:30 p.m. for the approval of the resolutions in relation to, *inter alia*, the grant of the Buyback Mandate and the Issue Mandate, the extension of the Issue Mandate by the addition thereto of the number of Shares repurchased pursuant to the Buyback Mandate and the re-election of the retiring Directors.

Pursuant to the Hong Kong Listing Rules and the Constitution, any vote of Shareholders at a general meeting must be taken by poll. Accordingly, all the proposed resolutions will be put to vote by way of poll at the 2021 AGM. An announcement on the poll voting results will be published by the Company after the 2021 AGM in the manner prescribed under Rule 13.39(5) of the Hong Kong Listing Rules.

8. ACTION TO BE TAKEN BY SHAREHOLDERS

A form of proxy for use at the 2021 AGM is enclosed with this circular and such form of proxy is also published on the websites of the SEHK (www.hkexnews.hk) and the Company (www.chinaxlx.com.hk). If you are not able to attend the 2021 AGM in person, please complete and sign the form of proxy in accordance with the instructions printed thereon and return it, together with the letter or power of attorney under which it is signed or a certified copy of that letter or power of attorney, to the Company's Hong Kong Share Transfer Agent and Branch Share Registrar, Tricor Investor Services Limited, at Level 54, Hopewell Centre, 183 Queen's Road East, Hong Kong as soon as possible but in any event not less than 48 hours before the time scheduled for holding the 2021 AGM (i.e., not later than 2:30 p.m. on 23 June 2021) or any adjournment thereof. Completion and delivery of the form of proxy will not preclude you from attending and voting at the 2021 AGM if you so wish and in such event, your proxy form shall be deemed to be revoked.

9. DIRECTORS' RESPONSIBILITY STATEMENT

The Directors collectively and individually accept full responsibility for the accuracy of the information given in this circular and confirm after making all reasonable enquiries that, to the best of their knowledge and belief, this circular constitutes full and true disclosure of all material facts about the proposed grant of the Buyback Mandate and the Issue Mandate and re-election of the retiring Directors. The Group and the Directors are not aware of any facts the omission of which would make any statement in this circular misleading.

Where information contained in this circular has been extracted from published or otherwise publicly available sources or obtained from a named source, the sole responsibility of the Directors has been to ensure that such information has been accurately and correctly extracted from these sources and/or reproduced in this circular in its proper form and context.

LETTER FROM THE BOARD

10. GENERAL INFORMATION

Your attention is drawn to the additional information set out in the appendices to this circular: Appendix I - Explanatory Statement on the Buyback Mandate; and Appendix II - Details of the Retiring Directors Proposed to be Re-elected at the 2021 AGM.

Yours faithfully,
By order of the Board
Liu Xingxu
Chairman

The following is an explanatory statement required by the Hong Kong Listing Rules, together with other requisite details, to be sent to the Shareholders to enable them to make an informed decision on whether to vote for or against the ordinary resolution to be proposed at the 2021 AGM in relation to the grant of the Buyback Mandate.

1. RATIONALE FOR THE BUYBACK MANDATE

The Directors believe that the grant of the Buyback Mandate is in the interests of the Company and the Shareholders as a whole, as it will give the Directors the flexibility to purchase or acquire Shares on the market when circumstances permit. Share purchases or acquisitions also allow the Directors to exercise control over the Company's share structure and may, depending on the market conditions and funding arrangements at the time, lead to an enhancement of the EPS and/or NTA per Share.

Repurchases of Shares will only be undertaken if such repurchases can benefit the Company and the Shareholders as a whole. Subject to the provisions of the Companies Act and the Hong Kong Listing Rules, the number of Shares to be repurchased on any occasion and the price and other terms upon which the same are repurchased will be decided by the Directors at the relevant time, having regard to the circumstances then pertaining. No purchase of Shares will be made in circumstances which would have or may have any material adverse effect on the financial position of the Company and the Group and the trading and listing status of the Shares on the SEHK, or which would result in the Company being delisted from the SEHK.

2. AUTHORITY AND LIMITATIONS ON THE BUYBACK MANDATE

The authority and limitations placed on purchases or acquisitions of Shares by the Company under the Buyback Mandate are summarised below:

(I) Maximum Number of Shares

Only Shares which are issued and fully paid-up may be purchased or acquired by the Company. The total number of Shares which may be purchased or acquired pursuant to the Buyback Mandate is limited to 10% of the total number of issued Shares as at the date of the 2021 AGM on which the proposed grant of the Buyback Mandate is approved.

For illustrative purposes only, on the basis of 1,171,621,000 Shares in issue as at the Latest Practicable Date and assuming no further Shares are issued or repurchased on or before the 2021 AGM, not more than 117,162,100 Shares (representing 10% of the total number of issued Shares as at the date of the 2021 AGM) may be purchased or acquired by the Company pursuant to the Buyback Mandate.

(II) Duration of Authority

Purchases or acquisitions of Shares pursuant to the Buyback Mandate may be made, at any time and from time to time, on and from the date of the 2021 AGM, at which the proposed grant of the Buyback Mandate is approved, until whichever is the earliest of:

- (i) the conclusion of the next annual general meeting of the Company;
- (ii) the expiration of the period within which the next annual general meeting of the Company is required by the Constitution or any applicable laws of Singapore to be held;
- (iii) the date on which the purchases or acquisitions of Shares pursuant to the Buyback Mandate have been carried out to the full extent mandated; or
- (iv) the passing of an ordinary resolution by the Shareholders in general meeting revoking, varying or renewing the Buyback Mandate.

(III) Manner of Purchases or Acquisitions of Shares

Purchases or acquisitions of Shares shall be effected by the Company by way of Market Purchases transacted on the SEHK (or any other securities exchange on which the Shares may for the time being be listed and quoted, recognised by the SFC and the SEHK for this purpose) through the ready markets, through one or more duly licensed stockbrokers appointed by the Company for the purpose.

(IV) Maximum Price

The purchase price (excluding brokerage, stamp duties, commission, applicable goods and services tax and other related expenses) in relation to a Share to be purchased or acquired by way of a Market Purchase must not be 105% or more of the Average Closing Price (the “**Maximum Price**”).

For the above purpose, “**Average Closing Price**” means the average of the closing market prices of a Share for the 5 consecutive Market Days on which the Shares are transacted on the SEHK immediately preceding the date of the Market Purchase by the Company.

3. STATUS OF THE SHARES REPURCHASED

A Share purchased or acquired by the Company is deemed to be cancelled immediately on purchase or acquisition (and all rights and privileges attached to the Share will expire on such cancellation). Accordingly, the total number of issued Shares will be diminished by the number of Shares purchased or acquired by the Company.

Pursuant to Rule 10.06(5) of the Hong Kong Listing Rules, the listing of all Shares purchased or acquired by the Company (whether on the SEHK or otherwise) shall be automatically cancelled upon such purchase or acquisition of Shares.

4. SOURCE OF FUNDS

In purchasing or acquiring Shares, the Company may only apply funds legally available for such purchase or acquisition in accordance with the Constitution and the applicable laws in Singapore and Hong Kong. The Company may not purchase or acquire Shares for a consideration other than cash and where relevant, settlement shall be in accordance with the trading rules of the SEHK. Any payment made by the Company in consideration of the purchase or acquisition of Shares may be made out of the Company's capital or profits so long as the Company is solvent. Such payment shall include any expenses (including brokerage or commission) incurred directly in the purchase or acquisition of Shares by the Company.

For this purpose, a company is "solvent" if at the date of the foregoing payment, the following conditions are satisfied:

- (a) there is no ground on which the company could be found to be unable to pay its debts;
- (b) if:
 - (i) it is intended to commence winding up of the company within the period of 12 months immediately after the date of the payment, the company will be able to pay its debts in full within the period of 12 months after the date of commencement of the winding up; or
 - (ii) it is not intended so to commence winding up, the company will be able to pay its debts as they fall due during the period of 12 months immediately after the date of the payment; and
- (c) the value of the company's assets is not less than the value of its liabilities (including contingent liabilities) and will not, after the proposed purchase, acquisition, variation or release (as the case may be), become less than the value of its liabilities (including contingent liabilities).

The Company may use internal resources and/or external borrowings to finance its purchases or acquisitions of Shares pursuant to the Buyback Mandate. The Directors do not propose to carry out repurchases of shares to such an extent that would, or in circumstances that might, result in a material adverse effect on the financial position of the Company.

5. FINANCIAL EFFECTS

Where Shares are purchased or acquired, and cancelled, the Company shall:

- (a) reduce the amount of its share capital where the Shares were purchased or acquired out of the capital of the Company;
- (b) reduce the amount of its profits where the Shares were purchased or acquired out of the profits of the Company; or
- (c) reduce the amount of its share capital and profits proportionately where the Shares were purchased or acquired out of both the capital and the profits of the Company,

by the total amount of the purchase price paid by the Company for the Shares repurchased or acquired, and cancelled.

For this purpose, the total amount of the purchase price referred to above shall include any expenses (including brokerage or commission) incurred directly in the purchase or acquisition of the Shares which is paid out of the Company's capital or profits.

Under the Constitution, the Company may purchase or acquire Shares out of distributable profits of the Company or out of the proceeds of a fresh issue of Shares made for the purposes of such purchase or acquisition.

Where the total amount of the purchase price paid by the Company for the purchase or acquisition of Shares is made out of profits, such total amount of the purchase price will correspondingly reduce the amount available for the distribution of cash dividends by the Company. On the other hand, where the total amount of the purchase price paid by the Company for the purchase or acquisition of Shares is made out of capital, the amount available for the distribution of cash dividends by the Company will not be reduced.

The financial impact on the Company and the Group arising from purchases or acquisitions of Shares which may be made pursuant to the Buyback Mandate will depend on, *inter alia*, the aggregate number of Shares purchased or acquired, the price at which such Shares are purchased or acquired and the amount (if any) borrowed by the Company to fund the purchase or acquisition of Shares.

There might be an adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited accounts contained in the annual report of the Company for the year ended 31 December 2020) in the event that the Buyback Mandate is to be carried out in full at any time during the proposed repurchase period. However, the Directors do not intend to exercise the Buyback Mandate to such an extent that it would have a material adverse effect on the working capital requirements or the gearing levels of the Company as compared with the position disclosed in the latest published audited financial statements of the Company which in the opinion of the Directors are from time to time appropriate for the Group. The purchase or acquisition of the Shares will only be effected after considering the relevant factors such as working capital requirements, availability of financial resources, expansion and investment plans of the Group and prevailing market conditions. The proposed Buyback Mandate will be exercised with a view of enhancing the EPS and/or NTA per Share.

For illustrative purposes only, assuming that the Company had repurchased 117,162,100 Shares (representing 10% of the total number of issued Shares as at the Latest Practicable Date and assuming that no Shares are issued or repurchased on or prior to the date of the 2021 AGM), the financial effects on the Company and the Group arising from purchases or acquisitions of Shares pursuant to the Buyback Mandate, based on the audited financial statements of the Company and the Group for the year ended 31 December 2020 would have been as follows, based on a HK\$:RMB exchange rate of HK\$1:RMB0.83 as at the Latest Practicable Date:

For illustrative purposes only:

Where the Shares purchased or acquired are cancelled, in a Market Purchase, assuming that the Maximum Price is HK\$4.316, which is not more than 5% above the Average Closing Price of a Share over the last 5 Market Days immediately preceding the Latest Practicable Date on which transactions in the Shares were recorded, the maximum amount of funds required for the purchase or acquisition of up to 117,162,100 Shares, which is the maximum number of Shares the Company is able to purchase or acquire under the Buyback Mandate, would be HK\$505,671,624. The financial effects of the purchase or acquisition of Shares on the financial position of the Company and the Group for the year ended 31 December 2020 are as follows, assuming that the Buyback Mandate had been exercised in full:

As at 31 December 2020, the Group and the Company had cash and bank balances of approximately RMB682 million (equivalent to approximately HK\$822 million) and RMB19 million (equivalent to approximately HK\$23 million) respectively. In order to effect a purchase or acquisition of up to 117,162,100 Shares at the Maximum Price assuming that the Market Purchase takes place on the Latest Practicable Date and that no Shares are issued or repurchased on or prior to the 2021 AGM, cash reserves from the Group of RMB420 million (equivalent to approximately HK\$506 million) will be required.

As illustrated above, the exercise of the Buyback Mandate will have the effect of reducing the working capital and the NTA of the Group and the Company by the purchase price of the Shares purchased or acquired. The NTA per Share of the Group as at 31 December 2020 (assuming the Buyback Mandate is exercised in full and there is no change of share capital on or prior to the 2021 AGM) will increase from RMB530.32 cents (equivalent to approximately HK638.94 cents) to RMB549.44 cents (equivalent to approximately HK661.98 cents).

Assuming that the Buyback Mandate had been exercised in full on 31 December 2020 and there is no change of share capital on or prior to the 2021 AGM, the EPS of the Group for the year ended 31 December 2020 would be increased from RMB29.67 cents (equivalent to approximately HK35.75 cents) to RMB32.97 cents (equivalent to approximately HK39.72 cents) as a result of the reduction in the number of issued Shares.

Shareholders should note that the financial effects set out above, based on the respective aforementioned assumptions, are for illustration purposes only. In particular, it is important to note that the above analysis is based on audited financial statements of the Company and the Group for the year ended 31 December 2020, and is not necessarily representative of future financial performance.

The Company will take into account both financial factors (for example, cash surplus, debt position and working capital requirement) and non-financial factors (for example, share market conditions and performance of the Shares) in assessing the relative impact of a repurchase of Shares pursuant to the Buyback Mandate before execution.

Shareholders should also note that although the Buyback Mandate would authorise the Company to repurchase up to 10% of the total number of issued Shares, the Company may not necessarily repurchase or be able to repurchase the entire 10% of the total number of issued Shares.

Shareholders who are in doubt as to their respective tax positions or any tax implications arising from Buyback Mandate or who may be subject to tax in a jurisdiction other than Singapore and/or Hong Kong, should consult their own professional advisers.

6. TAKEOVERS CODE IMPLICATIONS

(I) Hong Kong Takeovers Code Implications

If, on the exercise of the power to repurchase Shares pursuant to the Buyback Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of voting rights for the purposes of the Hong Kong Takeovers Code. Accordingly, a Shareholder, or a group of Shareholders acting in concert, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 and Rule 32 of the Hong Kong Takeovers Code for all the Shares not already owned by such Shareholder or group of Shareholders.

To the best knowledge of the Company, as at the Latest Practicable Date, Mr. Liu Xingxu was interested in 413,607,999 Shares, representing approximately 35.30% of the total issued share capital of the Company. Out of these Shares, 600,000 Shares (being approximately 0.05% of the total issued share capital of the Company) were beneficially owned by Mr. Liu Xingxu, and 413,007,999 Shares (being approximately 35.25% of the total issued share capital of the Company) were held by Pioneer Top. Mr. Liu Xingxu beneficially owned 42% of the equity interest in Pioneer Top and held the remaining 58% of the equity interest in Pioneer Top in trust for 7 beneficiaries (including Mr. Zhang Qingjin, an executive Director) under a trust agreement dated 26 July 2016. Pursuant to the said trust agreement, Mr. Liu Xingxu is irrevocably granted the absolute discretion to exercise the voting rights and the rights to the day-to-day management of Pioneer Top.

In the event that the Directors exercise the Buyback Mandate in full, the number of Shares to be repurchased pursuant to the Buyback Mandate will be 117,162,100 Shares.

On the basis that (i) the total issued share capital of the Company (being 1,171,621,000 Shares) remains unchanged as at the date of the 2021 AGM, and (ii) the shareholdings of Mr. Liu Xingxu (being 413,607,999 Shares) in the Company remains unchanged, in the event that the Directors exercise in full the power to repurchase Shares in accordance with the terms of the relevant ordinary resolution to be proposed at the 2021 AGM (presuming that apart from the decrease of the issued share capital arising from the said full exercise of the Buyback Mandate, there is no other change in the Company's issued share capital), the shareholding interests of Mr. Liu Xingxu in the issued Shares would be increased to approximately 39.22% of the total issued share capital of the Company.

The above-mentioned increase of shareholding interests would give rise to an obligation for Mr. Liu Xingxu to make a mandatory general offer under the Hong Kong Takeovers Code. However, the Directors do not have any present intention to exercise the proposed Buyback Mandate to such an extent as would give rise to such an obligation.

Save as aforesaid and as at the Latest Practicable Date, the Directors were not aware of any consequence which the exercise in full of the Buyback Mandate would have under the Hong Kong Takeovers Code.

(II) Singapore Take-overs Code Implications

If, as a result of any purchase or acquisition of Shares by the Company, a Shareholder's proportionate interest in the voting capital of the Company increases, such increase will be treated as an acquisition for the purposes of the Singapore Take-overs Code. If such increase results in the change of control, or, as a result of such increase, a Shareholder or group of Shareholders acting in concert obtains or consolidates effective control of the Company, such Shareholder or group of Shareholders acting in concert could become obliged to make a take-over offer for the Company under Rule 14 of the Singapore Take-overs Code.

Under the Singapore Take-overs Code, persons acting in concert comprise individuals or companies who, pursuant to an agreement or understanding (whether formal or informal), co-operate, through the acquisition by any of them of shares in a company, to obtain or consolidate effective control of that company. Unless the contrary is established, the following persons will, *inter alia*, be presumed to be acting in concert:

- (a) a company with its parent company, subsidiaries, its fellow subsidiaries, any associated companies of the foregoing companies, any company whose associated companies include any of the foregoing companies, and any person who has provided financial assistance (other than a bank in the ordinary course of business) to any of the foregoing companies for the purchase of voting rights. For this purpose, a company is an associated company of another company if the second company owns or controls at least 20% but not more than 50% of the voting rights of the first-mentioned company;
- (b) a company with any of its directors (together with their close relatives, related trusts as well as companies controlled by any of the directors, their close relatives and related trusts);
- (c) a company with any of its pension funds and employee share schemes;
- (d) a person with any investment company, unit trust or other fund whose investment such person manages on a discretionary basis, but only in respect of the investment account which such person manages;
- (e) a financial or other professional adviser, including a stockbroker, with its client in respect of the shareholdings of the adviser and the persons controlling, controlled by or under the same control as the adviser;
- (f) directors of a company (together with their close relatives, related trusts and companies controlled by any of such directors, their close relatives and related trusts) which is subject to an offer or where the directors have reason to believe a bona fide offer for their company may be imminent;

- (g) partners; and
- (h) an individual, his close relatives, his related trusts, any person who is accustomed to act according to his instructions, companies controlled by any of the foregoing persons, and any person who has provided financial assistance (other than a bank in the ordinary course of business) to any of the foregoing persons for the purchase of voting rights.

For the above purposes, “close relatives” include immediate family (i.e. parents, siblings, spouse and children), siblings of parents (i.e. uncles and aunts) as well as their children (i.e. cousins), and children of siblings (i.e. nephews and nieces).

The circumstances under which the Shareholders (including the Directors) and persons acting in concert with them respectively will incur an obligation to make a take-over offer under Rule 14 of the Singapore Take-overs Code after a purchase or acquisition of Shares by the Company are set out in Rule 14 and Appendix 2 of the Singapore Take-overs Code.

Under the Singapore Take-overs Code, a Shareholder and persons acting in concert with him will incur an obligation to make a take-over offer after a share buy-back by the Company if, *inter alia*, their voting rights increase to 30% or more as a result of a share buy-back by the Company and they acquire any Shares between the date of the notice of resolution to authorise the Buyback Mandate and the next annual general meeting of the Company, or, if they already hold between 30% and 50% of the Company’s voting rights and as a result of a share buy-back by the Company their voting rights increase by more than 1% in any period of 6 months and they acquire any Shares between the date of the notice of resolution to authorise the Buyback Mandate and the next annual general meeting of the Company.

Under Appendix 2 of the Singapore Take-overs Code, a Shareholder not acting in concert with the Directors will not be required to make a take-over offer under Rule 14 of the Singapore Take-overs Code if, as a result of the Company purchasing or acquiring its Shares, the voting rights of such Shareholder in the Company would increase to 30% or more, or, if such Shareholder holds between 30% and 50% of the Company’s voting rights, the voting rights of such Shareholder would increase by more than 1% in any period of 6 months. Such Shareholder need not abstain from voting in respect of the resolution authorising the Buyback Mandate unless so required under the Companies Act.

Notwithstanding the above, Note 3(a) of Appendix 2 of the Singapore Take-overs Code provides that for a market acquisition under Section 76E of the Companies Act by a listed company, directors and persons acting in concert with them will be exempted from the requirement to make an offer under Rule 14 of the Singapore Take-overs Code, subject to the following conditions:

- (i) the circular to shareholders on the resolution to authorise a share buy-back to contain advice to the effect that by voting for the buy-back resolution, shareholders are waiving their right to a general offer at the required price from directors and parties acting in concert with them who, as a result of the company buying back its shares, would increase their voting rights to 30% or more, or, if they together hold between 30% and 50% of the company's voting rights, would increase their voting rights by more than 1% in any period of 6 months; and the names of such directors and persons acting in concert with them, their voting rights at the time of the resolution and after the proposed buy-back to be disclosed in the same circular;
- (ii) the resolution to authorise a share buy-back to be approved by a majority of those shareholders present and voting at the meeting on a poll who could not become obliged to make an offer as a result of the share buy-back;
- (iii) directors and/or persons acting in concert with them to abstain from voting for and/or recommending shareholders to vote in favour of the resolution to authorise the share buy-back;
- (iv) within 7 days after the passing of the resolution to authorise a buy-back, each of the directors to submit to the Council a duly signed form as prescribed by the Council;
- (v) directors and/or persons acting in concert with them not to have acquired and not to acquire any shares between the date on which they know that the announcement of the share buy-back proposals is imminent and the earlier of:
 - the date on which the authority of the share buy-back expires; and
 - the date on which the company announces it has bought back such number of shares as authorised by shareholders at the latest general meeting or it has decided to cease buying back its shares, as the case may be,if such acquisitions, taken together with the share buy-back, would cause their aggregate voting rights to increase to 30% or more; and
- (vi) directors and/or persons acting in concert with them, together holding between 30% and 50% of the company's voting rights, not to have acquired and not to acquire any shares between the date on which they know that the announcement of the share buy-back proposal is imminent and the earlier of:
 - the date on which the authority of the share buy-back expires; and
 - the date on which the company announces it has bought back such number of shares as authorised by shareholders at the latest general meeting or it has decided to cease buying back its shares, as the case may be,

if such acquisitions, taken together with the share buy-back, would cause their aggregate voting rights to increase by more than 1% in the preceding 6 months.

It follows that where the aggregate voting rights held by a director and persons acting in concert with him increase by more than 1% solely as a result of the share buy-back and none of them has acquired any shares during the relevant period defined above, then such director and/or persons acting in concert with him would be eligible for an exemption from the requirement to make a general offer under Rule 14 of the Singapore Take-overs Code, or where already exempted, would continue to enjoy the exemption.

The effect of Rule 14 and Appendix 2 of the Singapore Take-overs Code is that, subject to the fulfilment of the abovementioned conditions, Directors and persons acting in concert with them will be exempted from the obligation to make a take-over offer under Rule 14 of the Singapore Take-overs Code within the validity period of the exemption if, as a result of the Company purchasing or acquiring Shares, the voting rights of such Directors and their concert parties would increase to 30% or more, or if the voting rights of such Directors and their concert parties fall between 30% and 50% of the Company's voting rights, the voting rights of such Directors and their concert parties would increase by more than 1% in any period of 6 months.

As at the Latest Practicable Date, the Company's issued share capital comprises 1,171,621,000 Shares of which the aggregate shareholdings and voting rights of Mr. Liu Xingxu, the Chairman of the Board and an executive Director, and persons acting in concert with him, in the event of share buy-backs up to the maximum of 10% of the issued share capital of the Company as permitted by the Buyback Mandate, are as follows:

	Percentage of Shares and voting rights as at the Latest Practicable Date	Percentage of Shares and voting rights after the maximum share buy-backs permitted under the Buyback Mandate ⁽¹⁾
Mr. Liu Xingxu	0.05%	0.06%
Pioneer Top ⁽²⁾	35.25%	39.16%
Total	<u>35.30%</u>	<u>39.22%</u>

Notes:

- (1) The above is based on the assumption that the Shares bought back by the Company will be cancelled immediately.
- (2) Pioneer Top is an investment holding company established in the British Virgin Islands (the “BVI”). Mr. Liu Xingxu beneficially owned 42% of the equity interest in Pioneer Top, and held the remaining 58% of the equity interest in Pioneer Top in trust for 7 beneficiaries under a trust agreement dated 26 July 2016, including 7% for Mr. Zhang Qingjin, an executive Director; 7% for Mr. Li Yushun and 7% for Mr. Wang Nairen, the Company’s senior management; 7% for Mr. Ru Zhengtao, 7% for Mr. Zhu Xingye (retired) and 7% for Mr. Shang Dewei, the Company’s employees; and 16% for Mr. Li Buwen (retired), the former executive Director. Mr. Liu Xingxu has the absolute discretion to exercise the voting rights held by Pioneer Top in the Company in accordance with the trust agreement.

Based on the shareholdings of Mr. Liu Xingxu as set out above, in the event that the Company undertakes share buy-backs under the Buyback Mandate up to the maximum of 10% of the issued share capital of the Company as permitted by the Buyback Mandate, the shareholdings and voting rights of Mr. Liu Xingxu will increase from 35.30% to 39.22%. Under the Singapore Take-overs Code, in the event that the aggregate shareholding and voting rights of Mr. Liu Xingxu increases by more than 1% within a 6-month period as a result of a share buy-back by the Company, he will be required to make a take-over offer under Rule 14.1(b).

Pursuant to Note 3(a) of Appendix 2 of the Singapore Take-overs Code, Mr. Liu Xingxu together with Pioneer Top (collectively, the “**Liu Concert Parties**”) will be exempted from the requirement to make an offer under Rule 14 of the Singapore Take-overs Code for the Company, in the event that the Liu Concert Parties’ aggregate percentage of total voting rights increases by more than 1% in any 6-month period as a result of a market acquisition under Section 76E of the Companies Act by the Company under the Buyback Mandate, if the following conditions are satisfied:

- (a) the circular to Shareholders on the resolution to approve the proposed grant of the Buyback Mandate to contain advice to the effect that by voting for the resolution, Shareholders are waiving their right to a general offer at the required price from the Liu Concert Parties, who, as a result of the Company buying back its Shares, would increase their voting rights by more than 1% in any period of 6 months; and the names of the Liu Concert Parties and their voting rights at the time of the resolution and after the proposed share buy-back by the Company to be disclosed in the same circular;
- (b) the resolution to approve the proposed grant of the Buyback Mandate to be approved by a majority of those Shareholders present and voting at the 2021 AGM on a poll who could not become obliged to make an offer as a result of the share buy-back by the Company;

- (c) the Liu Concert Parties abstain from voting for, and Mr. Liu Xingxu abstains from recommending Shareholders to vote in favour of, the resolution to approve the proposed grant of the Buyback Mandate;
- (d) within 7 days after the passing of the resolution to approve the proposed grant of the Buyback Mandate, each of the Directors to submit to the Council a duly signed form as prescribed by the Council; and
- (e) the Liu Concert Parties have not acquired and will not acquire any Shares between the date on which they know that the announcement of the proposal for the grant of the Buyback Mandate is imminent and the earlier of:
 - (i) the date on which the authority of the Buyback Mandate expires; and
 - (ii) the date on which the Company announces it has bought back such number of Shares as authorised by the Buyback Mandate or it has decided to cease buying back its Shares as the case may be,

if such acquisitions, taken together with the share buy-back by the Company, would cause their aggregate voting rights in the Company to increase by more than 1% in the preceding 6-month period.

If the Company has bought back such number of its Shares under the Buyback Mandate as authorised by its Shareholders or has ceased to buy back its Shares under the Buyback Mandate and the increase in the aggregate voting rights held by Mr. Liu Xingxu and his concert parties as a result of the Company buying back its Shares at such time is 1% or more, Mr. Liu Xingxu and his concert parties will incur a bid obligation for the Company if they acquire additional voting rights in the Company (other than as a result of the Company buying back its Shares under the Buyback Mandate) before the date on which the Company's next annual general meeting is or is required to be held.

If the Company has ceased to buy back its Shares under the Buyback Mandate and the increase in the aggregate voting rights held by Mr. Liu Xingxu and his concert parties as a result of the Company buying back its Shares at such time is less than 1%, Mr. Liu Xingxu and his concert parties may acquire further voting rights in the Company. However, any increase in the percentage voting rights held by Mr. Liu Xingxu and his concert parties as a result of the Company buying back its Shares will be taken into account together with any voting rights acquired by Mr. Liu Xingxu and his concert parties (by whatever means) in determining whether Mr. Liu Xingxu and his concert parties' aggregate voting rights in the Company have increased by more than 1% in any 6-month period.

Other than as disclosed above, the Directors are not aware of any facts or factors which suggest or imply that any particular Shareholder is, or may be regarded as, a party acting in concert such that his interests in voting shares in the capital of the Company should or ought to be consolidated, and consequences under the Singapore Take-overs Code would ensue as a result of a purchase or acquisition of Shares by the Company pursuant to the Buyback Mandate.

Shareholders should note that by voting in favour of the resolution in relation to the proposed grant of the Buyback Mandate, Shareholders are waiving their rights to a general offer from Mr. Liu Xingxu and/or persons acting in concert with him, if any, at the required price, if a share buy-back by the Company results in the aggregate voting rights of Mr. Liu Xingxu and/or persons acting in concert with him, if any, to increase in accordance with the proportions stipulated under Rule 14 of the Singapore Take-overs Code.

Shareholders are advised to consult their professional advisers and/or the relevant authorities at the earliest opportunity as to whether they would incur any obligation to make a take-over offer as a result of any purchase or acquisition of Shares by the Company pursuant to the Buyback Mandate.

7. HONG KONG LISTING RULES IMPLICATIONS

Under the Hong Kong Listing Rules, an issuer shall not purchase its shares on the SEHK at any time after inside information has come to its knowledge until the information is made publicly available. In particular, during the period of one month immediately preceding the earlier of (i) the date of the board meeting (as such date is first notified to the SEHK in accordance with the Hong Kong Listing Rules) for the approval of the issuer's results for any year, half-year, quarterly or any other interim period (whether or not required under the Hong Kong Listing Rules); and (ii) the deadline for the issuer to publish an announcement of its results for any year or half-year under the Hong Kong Listing Rules, or quarterly or any other interim period (whether or not required under the Hong Kong Listing Rules), and ending on the date of the results announcement, the issuer may not purchase its shares on the SEHK, unless the circumstances are exceptional. Further, an issuer shall not knowingly purchase its shares from a core connected person and a core connected person shall not knowingly sell shares to the issuer, on the SEHK.

Pursuant to the Hong Kong Listing Rules, the Company shall ensure that after its repurchase of Shares on the SEHK, at least 25% of the total number of issued Shares will remain in the hands of the public.

In undertaking any purchase or acquisition of Shares through Market Purchases, the Directors will use their best efforts to ensure that, notwithstanding such purchases or acquisitions, a sufficient float in the hands of the public will be maintained so that the purchases or acquisitions of Shares will not cause market illiquidity or adversely affect the listing status and orderly trading of the Shares on the SEHK.

9. REPURCHASES OF SHARES MADE BY THE COMPANY

During the 6 months prior to the Latest Practicable Date, the Company has not repurchased Shares on the Stock Exchange.

10. REPORTING REQUIREMENTS**(I) Hong Kong Listing Rules**

Under the Hong Kong Listing Rules, after a listed issuer has made a purchase of its shares whether on the SEHK or otherwise, the listed issuer shall:

- (a) submit for publication to the SEHK not later than 30 minutes before the earlier of the commencement of the morning trading session or any pre-opening session on the business day following any day on which the issuer makes a purchase of shares (whether on the SEHK or otherwise), the total number of shares purchased by the issuer the previous day, the purchase price per share or the highest and lowest prices paid for such purchases, where relevant, and shall confirm that those purchases which were made on the SEHK were made in accordance with the Hong Kong Listing Rules and if the issuer's primary listing is on the SEHK, that there have been no material changes to the particulars contained in the explanatory statement issued by the listed issuer in relation to the mandate pursuant to which such purchase of shares is made. In respect of purchases made on another stock exchange, the issuer's report must confirm that those purchases were made in accordance with the domestic rules applying to purchases on that other stock exchange.
