(b) REPURCHASE MANDATE

An ordinary resolution will be proposed at the AGM to approve the granting of the Repurchase Mandate. The new Repurchase Mandate, if granted, will allow the Directors to exercise all the powers of the Company to repurchase its own Shares not exceeding 10% of the issued share capital of the Company as at the date of passing the relevant resolution.

Subject to the passing of the proposed resolution granting the Repurchase Mandate, and on the basis that there were 311,036,000 fully paid-up Shares as at the Latest Practicable Date and no further Shares will be allotted and issued or repurchased by the Company from the Latest Practicable Date to the date of AGM, the Company will be allowed under the Repurchase Mandate to repurchase a maximum of 31,103,600 Shares. There is no present intention for any repurchase of Shares pursuant to the Repurchase Mandate.

LETTER FROM THE BOARD

An explanatory statement required under Rule 10.06(1)(b) of the Listing Rules to be sent to the Shareholders in relation to the Repurchase Mandate is set out in Appendix I to this circular. The explanatory statement contains all the information reasonably necessary for Shareholders to make an informed decision on whether to approve the relevant resolution at the AGM.

(c) GENERAL EXTENSION MANDATE

It is recommended that the General Extension Mandate be granted to the Directors permitting them, after the grant of the Repurchase Mandate referred to above, to add to the General Mandate any Shares repurchased pursuant to the Repurchase Mandate.

The authority conferred on the Directors by the General Mandate, the Repurchase Mandate and the General Extension Mandate would continue in force until the earliest of (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required by law or the Articles to be held; and (iii) its revocation or variation by ordinary resolution of the Shareholders in general meeting.

To the best of the Directors' knowledge, information and belief, having made all reasonable enquiries, no Shareholder is required to abstain from voting on the resolutions to be proposed at the AGM.

APPENDIX I EXPLANATORY STATEMENT ON REPURCHASE OF SHARES

This explanatory statement contains all the information required pursuant to Rule 10.06(1)(b) and other relevant provisions of the Listing Rules to enable the Shareholders to make an informed decision on whether to vote for or against the ordinary resolutions to be proposed at the AGM in relation to the new Repurchase Mandate.

1. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company was 311,036,000 fully paid-up Shares.

Subject to the passing of the resolution granting the new Repurchase Mandate and on the basis that no further Shares will be allotted and issued or repurchased from the Latest Practicable Date to the date of the AGM, the Directors would be allowed under the Repurchase Mandate to repurchase up to 31,103,600 Shares, representing 10% of the number of Shares in issue as at the Latest Practicable Date, during the period from the date of resolution granting the Repurchase Mandate until the earliest of (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required by law or the Articles to be held; and (iii) its revocation or variation by ordinary resolution of the Shareholders in general meeting.

2. REASONS FOR REPURCHASES

The Directors believe that it is in the best interests of the Company and its Shareholders as a whole to have a general authority from Shareholders to enable the Directors to repurchase Shares in the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net value of the Company and its assets and/or earnings per Share and will only be made if the Directors believe that such repurchases will benefit the Company and its Shareholders as a whole.

3. FUNDING OF REPURCHASES

In repurchasing Shares, the Company may apply funds legally available for such purpose from distributable profit or funds from a new issue in accordance with its memorandum and articles of association and the laws of the Cayman Islands.

That is to say, any repurchase of Shares may be purchased out of capital paid up on the repurchased Shares or the profits of the Company which would otherwise be available for dividend and, in the case of any premium payable on such repurchase, out of profits of the Company which would otherwise be available for dividend or from the Company's share premium account or its contributed surplus account.

APPENDIX I EXPLANATORY STATEMENT ON REPURCHASE OF SHARES

On the basis of the combined net tangible assets of the Group as at 31 December 2020 and taking into account the current working capital position of the Group, the Directors consider that no material adverse effect on the working capital and gearing position of the Group may result in the event that the Repurchase Mandate was to be exercised in full at any time during the proposed purchase period.

The Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

4. EFFECT ON THE TAKEOVERS CODE

If, as the result of a Share repurchase, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of Rule 32 of the Takeovers Code. In certain circumstances, a Shareholder or a group of Shareholders acting in concert (depending on the level of increase of the Shareholders' interest) could as a result of increase of its or their interest, obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

Assuming that no further Shares will be allotted and issued or repurchased from the Latest Practicable Date to the date of the AGM, on exercise in full of the Repurchase Mandate, the number of issued Shares will decrease from 311,036,000 to 279,932,400.

As at the Latest Practicable Date, Diamond State Holdings Limited held 214,428,488 Shares, representing approximately 68.94% of the issued shares of the Company.

The decrease of issued Shares resulted from the full exercise of the Repurchase Mandate will cause the percentage shareholding of Diamond State Holdings Limited to increase to approximately 76.60%. Accordingly, the Directors are not aware of any consequences which may arise under the Takeovers Code as a result of any repurchases made under the Repurchase Mandate. The Board currently has no intention to exercise the Repurchase Mandate to the extent which will trigger a mandatory offer under Rule 26 of the Takeovers Code.

The Company has no intention to exercise the Repurchase Mandate to the effect that it will result in the public float to fall below 25% or such other minimum percentage prescribed by the Listing Rules from time to time.

No connected person has notified the Company that he has a present intention to sell Shares to the Company, or has undertaken not to do so, if the Repurchase Mandate is approved by Shareholders.
