Any director appointed by the Board to fill a casual vacancy shall hold office only until the forthcoming annual general meeting of the Company and shall then be eligible for re-election at that meeting pursuant to the Company's Bye-law 86. The Board is not aware of any circumstance that might influence Mr. Chi's independence. In addition, the Nomination Committee had evaluated his performance and are of the view that he have provided valuable contributions to the Company and have demonstrated his abilities to provide independent, balanced and objective view to the Company's affairs.

The Nomination Committee is also of the view that each of Ms. Zheng Juhua and Mr. Chi Chi Hung, Kenneth would bring to the Board their own perspective, skills and experience, as further described in their respective biographies in Appendix I to this circular. APPENDIX II EXPLANATORY STATEMENT ON THE REPURCHASE MANDATE

The following is an explanatory statement required by the Listing Rules to be sent to the Shareholders to enable them to make an informed decision on whether to vote for or against the resolution to be proposed at the Annual General Meeting in relation to the granting of the Repurchase Mandate.

STOCK EXCHANGE RULES FOR REPURCHASES OF SHARES

The Listing Rules permit companies with a primary listing on the Stock Exchange to repurchase their shares on the Stock Exchange subject to certain restrictions.

The Listing Rules provide that all proposed repurchases of shares by a company with a primary listing on the Stock Exchange must be approved by shareholders in advance by an ordinary resolution in a general meeting, either by way of a general mandate or by a specific approval of a particular transaction and that the shares to be repurchased must be fully paid up.

SHARE CAPITAL AND EXERCISE OF THE REPURCHASE MANDATE

Under the Repurchase Mandate, the number of Shares that the Company may repurchase shall not exceed 10% of the total number of issued Shares of the Company as at the date of the passing of the relevant resolution granting the Repurchase Mandate. The Company's authority is restricted to purchase in accordance with the Listing Rules. As at the Latest Practicable Date, there were in issue an aggregate of 4,120,600,000 Shares. Exercise in full of the Repurchase Mandate, on the basis that no further Shares would be issued or repurchased prior to the date of the Annual General Meeting, would accordingly result in up to 412,060,000 Shares being repurchased by the Company. The Shares repurchased by the Company shall, subject to applicable law, be automatically cancelled upon such repurchase.

REASONS FOR REPURCHASE

Although the Directors have no present intention of repurchasing any shares, they believe that the flexibility afforded by the Repurchase Mandate would be beneficial to the Company and its shareholders. At any time in the future when shares are trading at a discount to their underlying value, the ability of the Company to repurchase shares will be beneficial to those shareholders who retain their investment in the Company since their percentage interest in the assets of the Company would increase in proportion to the number of shares repurchased by the Company.

FUNDING OF REPURCHASES

In repurchasing shares, the Company may only apply funds legally available for such purpose in accordance with its Bye-laws, the Listing Rules and the applicable laws and regulations of Bermuda and Hong Kong.

APPENDIX II EXPLANATORY STATEMENT ON THE REPURCHASE MANDATE

Bermuda law provides that the purchase of shares may only be effected out of the capital paid up on the shares to be repurchased, out of the funds of the Company which would otherwise be available for dividend or distribution or out of the proceeds of a new issue of shares of the Company made for the purpose of the repurchase. Any premium payable over the par value of the shares of the Company to be repurchased must be provided for out of the funds of the Company which would otherwise be available for dividend or distribution or out of the Company's share premium account before the shares are repurchased.

There might be material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited financial statements contained in the Annual Report of the Company for the year ended 31 March 2021) in the event that the Repurchase Mandate were to be carried out in full at any time during the proposed repurchase period. However, the Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements or the gearing levels of the Company which in the opinion of the Directors are from time to time appropriate for the Company. The number of shares to be repurchased on any occasion and the price and other terms upon which the same are repurchased will be decided by the Directors at the relevant time having regard to the circumstances then pertaining.

DIRECTORS' UNDERTAKING

The Directors have undertaken to the Stock Exchange to exercise the power of the Company to make purchases under the Repurchase Mandate in accordance with the Listing Rules, the Bye-laws and laws of Bermuda.

EFFECT OF THE TAKEOVERS CODE

If on the exercise of the power to repurchase Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. As a result, a Shareholder or group of Shareholders acting in concert could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 and Rule 32 of the Takeovers Code.

APPENDIX II EXPLANATORY STATEMENT ON THE REPURCHASE MANDATE

As at the Latest Practicable Date, according to the register kept by the Company pursuant to section 336 of the SFO and so far as is known to, or can be ascertained after reasonable enquiry by the Directors, the following persons were directly or indirectly interested in 5% or more of the total number of issued Shares of the Company. Their respective interest as at the Latest Practicable Date is shown under the column “Before repurchase” while their respective interest in the event that the Directors exercise in full the power to repurchase Shares in accordance with the terms of the ordinary resolutions in relation to the Repurchase Mandate to be proposed at the AGM (and assuming that the issued share capital of the Company remains unchanged up to the date of the AGM) is shown under the column “After repurchase”.

Accordingly, CCBI Investments Limited, CCB International (Holdings) Limited, CCB Financial Holdings Limited, CCB International Group Holdings Limited, China Construction Bank Corporation and Central Huijin Investment Limited are deemed to be interested in the relevant shares under the SFO.

As at the Latest Practicable Date, Ms. Zheng Juhua, the Chairlady and executive Director was beneficially interested in 834,767,140 Shares, representing approximately 20.26% in the total number of issued Shares of Company through her controlled corporations. On the basis that no Shares are allotted and issued or repurchased prior to the date of AGM, in the event that the Directors exercised in full the power to repurchase Shares under the Repurchase Mandate, the interest of Ms. Zheng Juhua would increase to approximately 22.51%. The Directors are not aware of any such consequences which would arise under the Takeovers Code as a result of any exercise of the Repurchase Mandate. In the event that any exercise of the Repurchase Mandate would, to the knowledge of the Directors, have such a consequence, the Directors have no present intention to exercise the Repurchase Mandate to such an extent as would trigger a mandatory offer obligation for any shareholder or group of shareholders.

The Directors have no present intention to exercise the Repurchase Mandate to such an extent as would result in the amount of Shares held by the public being reduced to less than 25% of the total issued shares of the Company.

DISCLOSURE OF INTEREST

None of the Directors, and to the best of their knowledge having made all reasonable enquiries, nor any close associates of the Directors, have any present intention to sell Shares to the Company under the Repurchase Mandate in the event that the Repurchase Mandate is approved by the Shareholders.

As at the Latest Practicable Date, the Company has not been notified by any core connected persons (as defined in the Listing Rules) of the Company that they have a present intention to sell any Shares or that they have undertaken not to sell any Shares held by them to the Company in the event that the Repurchase Mandate is approved by the Shareholders.
