PROPOSED SHARE CONSOLIDATION AND PROPOSED CHANGE IN BOARD LOT SIZE

The Board proposes to implement the Share Consolidation on the basis that every five (5) issued and unissued Existing Shares of HK\$0.0001 each in the share capital of the Company be consolidated into one (1) Consolidated Share of HK\$0.0005 and to round down the number of Consolidated Shares in the issued share capital of the Company to the nearest whole number by disregarding each and every fractional Consolidated Share which would otherwise arise therefrom.

The Board also proposes to change the board lot size for trading from 40,000 Existing Shares to 20,000 Consolidated Shares upon the Share Consolidation becoming effective.

Effects of the Share Consolidation

Immediately upon the Share Consolidation becoming effective and assuming there will be no change in the issued share capital of the Company from the date of this announcement up to the effective date of the Share Consolidation, the authorised share capital of the Company shall remain at HK\$10,000,000 divided into 20,000,000,000 Consolidated Shares of HK\$0.0005 each (of which 222,450,526 Consolidated Shares will be in issue).

Conditions of the Share Consolidation

The Share Consolidation is conditional upon:

- (a) the passing by the Shareholders of an ordinary resolution to approve the Share Consolidation at the EGM; and

- (b) the GEM Listing Committee of the Stock Exchange granting the listing of, and permission to deal in, the Consolidated Shares upon the Share Consolidation becoming effective.

Subject to the fulfilment of the conditions of the Share Consolidation, the Share Consolidation will become effective on the second Business Day after the EGM.

Status of the Consolidated Shares

Upon the Share Consolidation becoming effective, the Consolidated Shares shall rank *pari passu* in all respects with each other in the same class in accordance with the Articles of Association. The Share Consolidation will not result in any change in the relative rights or proportionate interests of the holders of shares of the same class. Other than the expenses to be incurred in relation to the Share Consolidation (including without limitation professional fees and printing fees), the implementation thereof will not, of itself, alter the underlying assets, business operations, management or financial position of the Company or the proportionate interests or rights of the holders of shares of the same class, save for any fractional Consolidated Shares which may arise.

Settlement of transactions between participants of the Stock Exchange on any trading day is required to take place in CCASS on the second settlement day thereafter.

All activities under CCASS are subject to the General Rules of CCASS and CCASS Operational Procedures in effect from time to time. All necessary arrangements will be made for the Consolidated Shares to be admitted into CCASS established and operated by HKSCC.

None of the securities of the Company is listed or dealt in on any other stock exchange other than the Stock Exchange and no such listing or permission to deal is being or is proposed to be sought.

Proposed Change in Board Lot Size

As at the date of this announcement, the Existing Shares are traded on the Stock Exchange in board lot size of 40,000 Existing Shares. It is proposed that, following the Share Consolidation becoming effective, the Consolidated Shares will be traded in board lot size of 20,000 Consolidated Shares.

Based on the closing price of HK\$0.058 per Existing Share (equivalent to HK\$0.29 per Consolidated Share) as quoted on the Stock Exchange as at the date of this announcement, the board lot value of the existing board lot of 40,000 Existing Shares each is HK\$2,320; and the board lot value of the proposed board lot of 20,000 Consolidated Shares each is HK\$5,800. The Change in Board Lot Size will not, by itself, affect any of the rights of Shareholders.

Exchange of share certificates

Subject to the Share Consolidation becoming effective, which is expected to be on Thursday, 2 September 2021, the Shareholders may, during a period between Thursday, 2 September 2021 and Tuesday, 12 October 2021 (both dates inclusive), submit existing share certificates for the Existing Shares, which is in light brown colour, to the Hong Kong Share Registrar, to exchange, at the expense of the Company, for new share certificates for the Consolidated Shares, which will be in light purple colour. It is expected that new share certificates for the Consolidated Shares will be available for collection within 10 Business Days from the date of submission for the exchange. Thereafter, the existing share certificates for the Existing Shares will be accepted for exchange only on payment of a fee of HK\$2.50 (or such higher amount as may from time to time be specified by the Stock Exchange) for each new share certificate for the Consolidated Shares to be issued or each existing share certificate for the Existing Shares cancelled, whichever the number of certificates issued or cancelled is higher.

Subject to the Share Consolidation becoming effective, the existing share certificate will only be valid for delivery, trading and settlement purposes for the period up to 4:10 p.m. on Friday, 8 October 2021, and thereafter will not be accepted for delivery, trading and settlement purposes. However, the existing share certificate will continue to be good evidence of title to the Consolidated Shares on the basis of five (5) Existing Shares for one (1) Consolidated Share. Nevertheless, the existing share certificates for the Existing Shares will continue to be good evidence of legal title and may be exchanged for new share certificates for the Consolidated Shares at any time at the expense of the Shareholders but will not be accepted for delivery, trading and settlement purposes.

Arrangement on odd lot trading

In order to facilitate the trading of odd lots (if any) of the Consolidated Shares arising from the Share Consolidation, the Company will appoint a securities firm to provide matching service, on a best effort basis, to those Shareholders who wish to acquire odd

lots of the Consolidated Shares to make up a full board lot, or to dispose of their holding of odd lots of the Consolidated Shares. Details of the odd lot arrangement will be set out in the Circular to be despatched to the Shareholders.

Fractional Consolidated Shares

Fractional Consolidated Shares (if any) arising from the Share Consolidation will not be issued to the Shareholders otherwise entitled thereto but will be aggregated and sold if possible, for the benefit of the Company. Fractional Consolidated Shares will only arise in respect of the entire shareholding of a holder of the Existing Shares regardless of the number of share certificates held by such holder.

Adjustments in relation to other securities of the Company

As at the date of this announcement, the Company has no outstanding options, warrants or other securities in issue which are convertible into or giving rights to subscribe for, convert or exchange into, any Existing Shares or Consolidated Shares, as the case may be.

Reasons for the Share Consolidation and the Change in Board Lot Size

Pursuant to Rule 17.76 of the GEM Listing Rules, where the market price of the securities of an issuer approaches the extremities of HK\$0.01 or HK\$9,995, the issuer may be required either to change the trading method or to proceed with a consolidation or splitting of its securities. The “Guide on Trading Arrangements for Selected Types of Corporate Actions” issued by the Hong Kong Exchanges and Clearing Limited on 28 November 2008 and updated on 1 October 2020 has further stated that (i) market price of the shares at a level less than HK\$0.1 each will be considered as trading at extremity as referred to under Rule 17.76 of the GEM Listing Rules; and (ii) taking into account the minimum transaction costs for a securities trade, the expected value per board lot should be greater than HK\$2,000.

In view of the recent trading prices of the Existing Shares, the Board proposes to implement the Share Consolidation which will increase the nominal value of the Shares. It is expected that the Share Consolidation will bring about a corresponding increase in the trading price of the Consolidated Shares on the Stock Exchange. Further, the Share Consolidation will also make investing in the Consolidated Shares more attractive to a broader range of institutional and professional investors in order to optimise the Shareholder base and improve the value of the Shares in the long run. When deciding to invest in any particular company, institutional and professional investors tend to consider, among other factors, the stability of the share price performance and how it compares with its peers in a particular sector, including its per share price and per board lot value. By aligning the Share price level and board lot value of the Company with its major industry peers, it is expected that such parameters of the Shares will achieve a level playing field with its major industry peers when being assessed by different types of investors who are considering investment in the industry as part of their portfolios.

Therefore, the Company believes that an upward adjustment in the trading price of the Consolidated Shares will make investing in the Consolidated Shares more attractive to a broader range of institutional and professional investors, which is also expected that the corporate image and profile of the Company would be uplifted.

With a higher trading price in respect of the Consolidated Shares after the Share Consolidation having become effective, the Company considers that the Change in Board Lot Size would achieve a reasonable level of overall transaction and handling costs of dealings in each board lot of the Consolidated Shares for members of the investing public and would improve the liquidity of the Consolidated Shares.

Accordingly, the Directors are of the view that the Share Consolidation and the Change in Board Lot Size are in the interests of the Company and the Shareholders as a whole. The Board believes that the Share Consolidation will not have any material adverse effect on the financial position of the Company and its subsidiaries nor result in change in the relative rights of the Shareholders.

As at the date of this announcement, (i) the Company has no intention to carry out other corporate actions in the next 12 months which may have an effect of undermining or negating the intended purpose of the Share Consolidation; and (ii) the Company currently does not have any plan to conduct any equity fundraising activities in the next 12 months.
