**PROFIT WARNING**

This announcement is made by Man Shun Group (Holdings) Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Directors**”) of the Company wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on the information currently available to the Company and the preliminary review by the Board of the unaudited management accounts of the Group for the period ended 30 June 2021, the Group is expected to record an unaudited net loss approximately HK\$1.5 million for the six months ended 30 June 2021 (the “**Period**”) as compared to a net profit of approximately HK\$1.8 million for the six months ended 30 June 2020.

The Board considers the expected net loss was primarily attributable to (i) the increase in direct costs of the Group from the impact of an increase in prices of raw materials; and (ii) additional costs incurred for a substantial project situated nearby the Tai Wai mass transit station (the “**Tai Wai Project**”). The construction progress of the Tai Wai Project was adversely affected and caused delay due to the substantial subsidence event previously. The resumption of the Tai Wai Project required more material and labour forces to carrying on the construction progress. Thus, additional subcontracting services, usage of material, consumables and labour costs were incurred during the period leading to the decrease in the Group’s financial results for the Period.

The Company is in the process of preparing the interim results of the Group for the Period, the information contained in this announcement is only based on the information currently available to the Company and the preliminary review by the Board on the unaudited management accounts of the Group, which have not been reviewed or audited by the independent auditors and/or the audit committee of the Company. The actual interim results of the Group for the Period may differ from what is disclosed in this announcement. The Shareholders and potential investors are advised to read carefully the announcement of the Company in relation to the interim results of the Group for the Period, which is expected to be published on or before 31 August 2021 in accordance with the requirements of the Listing Rules.

**Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.**
