CHARACTERISTICS OF GEM

GEM has been positioned as a market designed to accommodate small and mid-sized companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration.

Given that the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

APPENDIX I EXPLANATORY STATEMENT ON THE REPURCHASE MANDATE

This is an explanatory statement given to all Shareholders relating to the resolutions to be proposed at the AGM granting the Repurchase Mandate. This explanatory statement contains all the information required pursuant to Rule 13.08 and other relevant provisions of the GEM Listing Rules.

1. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 500,000,000 Shares. Subject to the passing of the proposed ordinary resolution for the approval of the Repurchase Mandate, and assuming that no further Shares will be issued and no Shares will be repurchased and cancelled after the Latest Practicable Date and up to the date of the AGM on which such resolution is passed, the Directors would be authorised to repurchase up to a maximum of 50,000,000 Shares, being 10% of the total number of the issued Shares as at the date of the resolution in relation thereto. The Repurchase Mandate, if granted at the AGM, will end at the earliest of (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required to be held by the Articles or any applicable laws of the Cayman Islands; and (iii) the date on which such authority is revoked or varied by an ordinary resolution of the Shareholders in a general meeting of the Company.

2. REASONS FOR REPURCHASE

The Directors believe that it is in the best interest of the Company and its Shareholders as a whole for the Directors to have general authority from the Shareholders to enable the Company to repurchase Shares in the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share of the Company and/or its earnings per Share. Repurchases of Shares will only be made when the Directors believe that such repurchases will benefit the Company and the Shareholders as a whole.

3. FUNDING OF REPURCHASE

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with the Articles, the GEM Listing Rules and the applicable laws and regulations of the Cayman Islands. Pursuant to the Repurchase Mandate, repurchases will be made out of funds of the Company legally permitted to be utilised in this connection, including funds of the Company which would otherwise be available for dividend or distribution or out of the proceeds of a fresh issue of Shares made for the purpose of the repurchase. In the case of any premium payable on the repurchase, out of funds of the Company which would otherwise be available for dividend or distribution or out of the share premium account of the Company. The Company may not repurchase securities on GEM for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of GEM prevailing from time to time.

APPENDIX I EXPLANATORY STATEMENT ON THE REPURCHASE MANDATE

4. IMPACT ON WORKING CAPITAL OR GEARING POSITION

An exercise of the Repurchase Mandate in full may have a material adverse impact on the working capital or gearing position of the Company compared with that as at 31 March 2021, being the date of its latest published audited consolidated financial statements. The Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse impact on the working capital or gearing position of the Company, which in the opinion of the Directors is from time to time appropriate for the Company.

5. SHARE PRICES

The highest and lowest prices at which the Shares had been traded on the GEM during the each of the previous twelve months preceding to the Latest Practicable Date were as follows:

Month	Price Per Share	
	Highest HK\$	Lowest HK\$
2020		
August	0.157	0.126
September	0.155	0.134
October	0.155	0.138
November	0.248	0.134
December	0.400	0.176
2021		
January	0.360	0.290
February	0.400	0.310
March	0.410	0.300
April	0.375	0.320
May	0.355	0.300
June	0.385	0.310
July	0.355	0.280
August (up to and including the Latest Practicable Date)	0.345	0.335

6. DIRECTORS, THEIR ASSOCIATES AND CONNECTED PERSONS

None of the Directors nor, to the best of their knowledge and belief having made all reasonable enquiries, any of their close associates (as defined in the GEM Listing Rules) has any present intention, in the event that the Repurchase Mandate is approved by the Shareholders, to sell Shares to the Company or its subsidiaries under the Repurchase Mandate.

APPENDIX I EXPLANATORY STATEMENT ON THE REPURCHASE MANDATE

As at the Latest Practicable Date, no core connected person (as defined in the GEM Listing Rules) of the Company have notified the Company that they have a present intention to sell Shares to the Company or its subsidiaries nor have they undertaken not to sell any of the Shares to the Company or its subsidiaries in the event that the Company is authorised to make repurchases of Shares.

7. UNDERTAKING OF THE DIRECTORS

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the powers of the Company to make repurchases pursuant to the Repurchase Mandate in accordance with the GEM Listing Rules, the Articles and the applicable laws of the Cayman Islands in force from time to time.

8. EFFECT OF THE TAKEOVERS CODE

If as a result of a repurchase of Shares, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Takeovers Code. As a result, a Shareholder, or a group of Shareholders acting in concert (within the meaning under the Takeovers Code), depending on the level of increase in the interest of the Shareholder(s), could obtain or consolidate control of the Company and become(s) obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code as a result of a repurchase of Shares made under the Repurchase Mandate.

As at the Latest Practicable Date, based on disclosures made under Part XV of the SFO and to the best of the knowledge and belief of the Company, the Company is not aware of any consequence which would arise under the Takeovers Code as a result of any repurchases made under the Repurchase Mandate.

The Directors will not exercise the Repurchase Mandate if the repurchase would result in the number of Shares which are in the hands of the public falling below 25% of the total number of Shares in issue (or such other percentage as may prescribed as the minimum public shareholding under the GEM Listing Rules).

Any repurchase of Shares which results in the number of Shares held by the public being reduced to less than 25% could only be implemented with the approval of the Stock Exchange to waive the GEM Listing Rules requirements regarding the public shareholding. However, the Directors have no current intention to exercise the Repurchase Mandate to such an extent as would give rise to this obligation. In any event, the Company will not repurchase Shares which would result in the amount of Shares held by the public being reduced to less than 25%.

9. SHARE REPURCHASE MADE BY THE COMPANY

The Company has not made any repurchase of the Shares (whether on the Stock Exchange or otherwise) during the period of six months immediately preceding the Latest Practicable Date.
