Printed Corporate Communications

Rule 2.07A of the Hong Kong Listing Rules provides that a listed issuer may send or otherwise make available to the relevant holders of its securities any corporate communication by electronic means, provided that either the listed issuer has previously received from each of the relevant holders of its securities an express, positive confirmation in writing or the shareholders of the listed issuer have resolved in a general meeting that the listed issuer may

send or supply corporate communications to shareholders by making them available on the listed issuer's own website or the listed issuer's constitutional documents contain provision to that effect, and certain conditions are satisfied.

The Company's ADSs have been listed on the Nasdaq since March 2018. The Company has a diverse shareholder base with ADS holders globally.

The Company does not currently produce or send out any corporate communications to its shareholders or holders of ADSs in printed form unless requested or in limited circumstances. The Company publicly files or furnishes various corporate communications with the SEC which are posted on the SEC's website. The Company's annual reports on Form 20-F and current reports on Form 6-K are also available free of charge on its website as soon as reasonably practicable after they are filed with or furnished to the SEC. Further, the Company will post its proxy materials and notices to its shareholders and holders of ADSs on a publicly accessible website. Those documents will also be available on the Company's website.

Apart from the Hong Kong Offer Shares that the Company will offer for subscription by the public in Hong Kong, the International Offer Shares will be placed to professional, institutional, corporate and other investors in Hong Kong and elsewhere in the world. Given the Company's diverse shareholder base and the potential number of countries in which its shareholders are located, the Company considers that it would not be practicable for the Company to send printed copies of all its corporate communications to all of its shareholders. Further, the Company considers that it would also not be practicable for the Company to approach its existing shareholders individually to seek confirmation from them of their wish to receive corporate communications in electronic form, or to provide them with the right to request corporate communications in printed form instead.

The Company has applied for, and the Hong Kong Stock Exchange has granted, a waiver from strict compliance with Rule 2.07A of the Hong Kong Listing Rules on the conditions that the Company will:

- (a) issue all future corporate communications as required by the Hong Kong Listing Rules on its own website in English and Chinese, and on the Hong Kong Stock Exchange's website in English and Chinese;
- (b) provide printed copies of proxy materials in English only to its shareholders at no costs upon request; and
- (c) ensure that the "Investor Relations" page of its website (<http://ir.bilibili.com>) will direct investors to all of its future filings with the Hong Kong Stock Exchange.

Notes:

- (1) Given that the Company has not yet entered into legally binding agreements for certain of the above Investments as at the Latest Practicable Date, the terms and information set out above might be subject to further changes.
- (2) The approximate consideration disclosed in the table represents each of the Investment after the Track Record Period. The percentage of shareholding/equity interest represents the Company's total pro forma shareholding in each of the Investments after the completion of the disclosed transaction.
- (3) To the best of our directors' knowledge, information and belief having made all reasonable enquiry, the target and ultimate beneficial owner of the target in each Investments are third parties independent of the Company and its connected persons.

The Company confirms that the investment amounts for the Investments are the result of commercial arm's length negotiations, based on factors including stock price (for public companies), market dynamics, a mutually agreed valuation, and/or capital need of the relevant company's operations.

Our directors believe that the Investments will complement the Group's businesses and support the growth of the Bilibili Platform by enhancing its features, functionality and content offerings, and are therefore expected to create synergies. Accordingly, our directors believe that the Investments, if consummated, will be fair and reasonable and in the interests of the Shareholders as a whole. The consideration for each of the Investments, if consummated, will be satisfied by the Group's own source of funds. For the avoidance of doubt, the proceeds of the Global Offering will not be used to fund the Investments.

The Company has applied for, and the Hong Kong Stock Exchange has granted, a waiver from strict compliance with Rules 4.04(2) and 4.04(4)(a) of the Hong Kong Listing Rules in respect of the Investments on the following grounds:

Ordinary and usual course of business

The Company confirms that it makes strategic equity investments in sectors relating to its business as part of its ordinary and usual course of business. The Company has a history of making minority investments and have conducted a number of minority investments during the Track Record Period.

The percentage ratios of each Investment are all less than 5% by reference to the most recent fiscal year of the Track Record Period

The relevant percentage ratios calculated in accordance with Rule 14.07 of the Hong Kong Listing Rules for each of the Investments are all significantly less than 5% by reference to the most recent fiscal year of the Track Record Period. The Company does not believe that the Investments are subject to aggregation under Rule 14.22 of the Hong Kong Listing Rules, because (i) each of the Investments involves the acquisition of interests in a different company and (ii) the Investments were entered into, or are expected to be entered into, with different counterparties.

Accordingly, the Company believes that the Investments have not resulted in, or are not expected to result in, any significant changes to its financial position since December 31, 2019, and all information that is reasonably necessary for potential investors to make an informed assessment of its activities or financial position has been included in this prospectus. As such, the Company considers that a waiver from compliance with the requirements under Rules 4.04(2) and 4.04(4)(a) of the Hong Kong Listing Rules would not prejudice the interests of the investors.

The Company is not able to exercise any control over the underlying company or business

The Company confirms that: (i) it only holds and/or will only hold a minority equity interest in each of the Investments and does not control their boards of directors, and expects this to remain the case for any subsequent Investments; and (ii) it is also not involved in the day to day management of these Investments and only enjoys minority strategic shareholder rights. The minority rights given to the Company are generally commensurate to its status as a minority shareholder and are for the protection of its interests as a minority stakeholder in the Investments. These rights are neither intended, nor sufficient to compel or require the relevant companies to prepare or to disclose in this prospectus audited financial statements for the purposes of compliance with Rules 4.04(2) and 4.04(4)(a) of the Hong Kong Listing Rules. These disclosures are also not required pursuant to applicable U.S. securities laws. It could be prejudicial and potentially harmful to the Company's portfolio relationships and commercial interests to make such disclosures. In addition, as some portfolio companies are private, disclosing this information could harm their interests and bring them into an unfavorable competitive position. Accordingly, as the Company does not expect the Investments to result in any material changes to its financial position after the Track Record Period, the Company does not believe the non-disclosure of the required information pursuant to Rules 4.04(2) and 4.04(4)(a) of the Hong Kong Listing Rules would prejudice the interest of the investors.

Alternative disclosure of the Investments in the listing document

The Company has disclosed alternative information about the Investments in this prospectus. Such information includes that which would be required for a discloseable transaction under Chapter 14 of the Hong Kong Listing Rules that the Company's directors consider to be material, including, for example, descriptions of the relevant companies' principal business activities, the investment amounts, and a statement as to whether the core connected persons at the level of the Company is a controlling shareholder of any of the Investments. The Company has however excluded disclosure on the names of certain companies in connection with the Investments in this prospectus because (i) the Company has entered into confidentiality agreements with these companies and does not have consent for such disclosure and/or (ii) given that the Company has not yet entered into legally binding agreements with respect to the Investments as of the Latest Practicable Date and the competitive nature of the industries in which the Company operates, disclosure of the names of the relevant companies in this prospectus is commercially sensitive and may jeopardize the Company's ability to consummate the proposed Investments. The Company considers that it is commercially sensitive to disclose the identities of the companies the Company invested in or propose to invest in as such information may enable the Company's competitors to anticipate the Company's investment strategy. Since the relevant percentage ratio of each Investment is less than 5% by reference to the most recent fiscal year of the Company's Track Record Period, the Company believes the current disclosure is adequate for potential investors to form an informed assessment of the Company. The Company does not expect to use any proceeds from the Listing to fund the Investments.

Acquisitions since the Track Record Period

Since the Track Record Period, the Company has made or proposed to make a number of acquisitions and up to the Latest Practicable Date, and expects to continue to enter into further acquisitions subsequent to the Latest Practicable Date and prior to the date of this prospectus (collectively, the "Acquisitions"). Details of the Acquisitions up to the Latest Practicable Date include:

Target⁽¹⁾⁽³⁾	Consideration⁽²⁾ <i>(approximately RMB million)</i>	Percentage of shareholding/ equity interest⁽²⁾	Principal business activities
Company V	105	100%	Online Games
Company W	613	100%	Animation
Company X	50	100%	Mobile app
Total	768		

Notes:

- (1) Given that the Company has not yet entered into legally binding agreements for certain of the above Acquisitions as at the Latest Practicable Date, the terms and information set out above might be subject to further changes.

- (2) The approximate consideration disclosed in the table represents each of the Acquisitions after the Track Record Period. The percentage of shareholding/equity interest represents the Company's total pro forma shareholding in each of the Acquisitions after the completion of disclosed transaction.
- (3) To the best of our directors' knowledge, information and belief having made all reasonable enquiry, the target and ultimate beneficial owner of the target in each Acquisition are third parties independent of the Company and its connected persons.

The acquisition amounts for the Acquisitions are the result of commercial arm's length negotiations, based on factors including market dynamics, a mutually agreed valuation, and/or capital required for the target company's operations.

Our directors believe that the Acquisitions will complement the Group's businesses and support the growth of the Bilibili Platform by enhancing its features, functionality and content offerings, and are therefore expected to create synergies. Accordingly, our directors believe that the Acquisitions, if consummated, will be fair and reasonable and in the interests of the Shareholders as a whole. The consideration for each of the Acquisitions, if consummated, will be satisfied by the Group's own source of funds. For the avoidance of doubt, the proceeds of the Global Offering will not be used to fund the Acquisitions.

The Company has applied for, and the Hong Kong Stock Exchange has granted, a waiver from strict compliance with Rules 4.04(2) and 4.04(4)(a) of the Hong Kong Listing Rules in respect of the Acquisitions on the following grounds:

The percentage ratios of each Acquisition are all less than 5% by reference to the most recent fiscal year of the Company's Track Record Period

The relevant percentage ratios calculated in accordance with Rule 14.07 of the Hong Kong Listing Rules for the Acquisitions are all significantly less than 5% by reference to the most recent fiscal year of the Track Record Period. The Company does not believe that the Acquisitions are subject to aggregation under Rule 14.22 of the Hong Kong Listing Rules, because (i) each of the Acquisitions involves the acquisition of interests in a different company and (ii) the Acquisitions were entered into, or are expected to be entered into, with different counterparties.

Accordingly, the Company believes that the Acquisitions have not resulted in, or are not expected to result in, any significant changes to the Company's financial position since December 31, 2019, and all information that is reasonably necessary for the potential investors to make an informed assessment of the Company's activities or financial position has been included in this prospectus. As such, the Company considers that a waiver from compliance with Rules 4.04(2) and 4.04(4)(a) of the Hong Kong Listing Rules would not prejudice the interests of the investors.

The historical financial information of the targets is not available and would be unduly burdensome to obtain or prepare

The Company confirms that the targets in respect of the Acquisitions do not have available historical financial information which is readily available for disclosure in this prospectus in accordance with the Hong Kong Listing Rules. In addition, it would require considerable time

and resources for the Company and its reporting accountant to fully familiarize themselves with the management accounting policies of the targets and compile the necessary financial information and supporting documents for disclosure in this prospectus. As such, the Company believes that it would be impractical and unduly burdensome for the Company to disclose the audited financial information of the targets as required under Rules 4.04(2) and 4.04(4)(a) of the Hong Kong Listing Rules.

In addition, having considered the Acquisitions to be immaterial and that the Company does not expect the Acquisitions to have any material effect on its business, financial condition or operations, the Company believes that it would not be meaningful and would be unduly burdensome for it to prepare and include the financial information of the targets during the Track Record Period in this prospectus. As the Company does not expect the Acquisitions to result in any material changes to its financial position after the Track Record Period, the Company does not believe the non-disclosure of the required information pursuant to Rules 4.04(2) and 4.04(4)(a) of the Hong Kong Listing Rules would prejudice the interests of the investors.

Alternative disclosure of the Acquisitions in the listing document

The Company has provided alternative information about the Acquisitions in this prospectus. Such information includes that which would be required for a discloseable transaction under Chapter 14 of the Hong Kong Listing Rules that the Company's directors consider to be material, including, for example, descriptions of the targets' principal business activities, the investment amounts, and a statement as to whether the core connected persons at the level of the Company is a controlling shareholder of any of the targets. The Company has however excluded disclosure on the names of certain targets in connection with the Acquisitions because (i) the Company has entered into confidentiality agreements with these companies and does not have consent from them for such disclosure and/or (ii) given that the Company has not yet entered into legally binding agreements with respect to all of these Acquisitions as of the Latest Practicable Date and the competitive nature of the industries in which the Company operates, disclosure of the names of the relevant companies in this prospectus is commercially sensitive and may jeopardize the Company's ability to consummate the proposed Acquisitions. It is commercially sensitive to disclose the identities of the companies the Company invested in or propose to invest in as such information may enable its competitors to anticipate the Company's investment strategy. Since the relevant percentage ratio of each Acquisition is less than 5% by reference to the most recent fiscal year of the Track Record Period, the Company believes the current disclosure is adequate for potential investors to form an informed assessment of the Company. The Company does not expect to use any proceeds from the Listing to fund the Acquisitions.

Disclosure Requirements Relating to the Accountant's Report

Rules 4.04(3)(a), 4.05(2) and 4.13 of the Hong Kong Listing Rules and Paragraph 31(3)(b) of the Third Schedule to the Companies (Winding Up and Miscellaneous Provisions) Ordinance set out certain historical financial information to be included in a listing document that is not required to be disclosed under U.S. GAAP, including in particular:

- (a) balance sheet at a company level;

- (b) aging analysis of accounts receivables;
- (c) aging analysis of accounts payables; and
- (d) adjustments made to show profits of all periods in accordance with the relevant accounting standards in relation to the last fiscal year reported on.

In accordance with U.S. GAAP, the Company has applied the modified retrospective method to account for the impact of the adoption of certain new accounting standards in the Track Record Period. Under the modified retrospective method adopted by our Group, comparative periods in the latest consolidated financial statements are not retrospectively adjusted.

During the Track Record Period, the Company adopted, among other new accounting standards that did not have a material impact on our consolidated financial statements, Accounting Standards Update 2016-13 “Financial Instruments — Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments”, or ASC Topic 326, and “Accounting Standards Update 2016-02 “Leases” (Topic 842),” including certain transitional guidance and subsequent amendments, or ASC 842. The relevant accounting policies upon the adoption of these new accounting standards are disclosed in the “Accountant’s Report” in Appendix I to this prospectus.

ASC Topic 326 was adopted on January 1, 2020 using the modified retrospective method with a cumulative-effect increase of approximately RMB17.9 million recorded in accumulated deficit on January 1, 2020. The new standard amends previously issued guidance regarding the impairment of financial instruments by creating an impairment model that is based on expected losses rather than incurred losses. The adoption of ASC Topic 326 had no significant impact on our Group’s financial position and performance.

ASC 842 was adopted on January 1, 2019 using the modified retrospective method by applying the new lease standard to all leases existing as of January 1, 2019, the date of initial application, and no adjustments were made to the comparative periods. Adoption of the new lease standard resulted in the recognition of RMB235.7 million of operating lease right-of-use assets and operating lease liabilities on the consolidated balance sheet as of January 1, 2019. The adoption of the new lease standard does not have any significant impact on the consolidated statements of operations and comprehensive income and cash flows and there was no adjustment to the beginning accumulated deficit on January 1, 2019.

This prospectus includes the following alternative disclosures:

- (a) for certain new accounting standards that came into effect during the Track Record Period, the accounting policies as well as the impact of adoption, if any, to the beginning accumulated deficit of initial application (i.e., January 1, 2019 and 2020) has been disclosed in the “Accountant’s Report” in Appendix I to this prospectus in accordance with the relevant requirements under U.S. GAAP; and

- (b) disclosure of the relevant accounting policies adopted for the Track Record Period in the “Accountant’s Report” in Appendix I to this prospectus.

As this prospectus has included the above alternative disclosures and the current disclosure in the this prospectus contains all information which is necessary for the investors to make an informed assessment of the business, asset and liability, financial position, trading position, management and prospect of the Group, the Company believes that it would be of no material value to the Hong Kong investors and be unduly burdensome for the Accountant’s Report in Appendix I to this prospectus to include certain required information pursuant to Rules 4.04(3)(a), 4.05(2) and 4.13 of the Hong Kong Listing Rules and Paragraph 31(3)(b) of the Third Schedule to the Companies (Winding Up and Miscellaneous Provisions) Ordinance. We confirm that all information necessary for the public to make an informed assessment of business, asset and liability, financial position, trading position, management and prospect of the Group has been disclosed in this prospectus, and that, as such, the granting of the waiver and exemption from strict compliance with the relevant content requirements under the Companies (Winding Up and Miscellaneous Provisions) Ordinance and the Hong Kong Listing Rules will not prejudice the interest of the investing public.

The Company has applied for, and the Hong Kong Stock Exchange and SFC have granted, (i) a waiver from strict compliance with the requirements under Rules 4.04(3)(a), 4.05(2) and 4.13 of the Hong Kong Listing Rules, and (ii) an exemption from the requirements under Paragraph 31(3)(b) of the Third Schedule to the Companies (Winding Up and Miscellaneous Provisions) Ordinance, to the extent not strictly met by the current disclosure in this prospectus. The SFC has granted an exemption on the conditions that: (i) the particulars of such exemption are set out in this prospectus; and (ii) this prospectus will be issued on or before March 18, 2021.

Requirements Relating to the Articles of Association of the Company

Rule 19.30(1)(b) of the Hong Kong Listing Rules provides that the Hong Kong Stock Exchange may refuse a listing if it is not satisfied that the overseas issuer’s primary listing is or is to be on an exchange where the standards of shareholder protection are at least equivalent to those provided in Hong Kong. Note 1 to Rule 19C.06 of the Hong Kong Listing Rules provides that a Non-Grandfathered Greater China Issuer seeking a secondary listing under Chapter 19C of the Hong Kong Listing Rules must comply with Appendix 3 and Appendix 13 to the Hong Kong Listing Rules.

The Company's Articles do not comply with some of the Listing Rules Articles Requirements, namely, (i) paragraphs 2(2), 12, 13(2) and 14 of Appendix 3 to the Hong Kong Listing Rules, (ii) paragraphs 1, 2(1), 3(1), 3(2), 3(3), 4(1), 4(2), 5(2), 5(3) and 5(4) of Part B of Appendix 13 to the Hong Kong Listing Rules and (iii) Rules 8A.09, 8A.13 to 8A.19, 8A.21 to 8A.24, 8A.26 to 8A.35 and 8A.37 to 8A.41 of the Hong Kong Listing Rules (together, the "**Unmet Listing Rules Articles Requirements**"). The Company will seek shareholders' approval to incorporate the Unmet Listing Rules Articles Requirements into its Articles in an extraordinary general meeting to be convened in September 2021 (the "**2021 EGM**").

Details of how the Unmet Listing Rules Articles Requirements will be incorporated into the Company's Articles are set out below:

present in person or by proxy and voting at such meeting. Notwithstanding the foregoing, the Company will not hold an annual general meeting in 2021;
- (10) The Company shall keep proper books of account necessary to give a true and fair view of the Company's affairs (paragraph 4(1) of Part B of Appendix 13);
- (11) Accounts shall be audited and shall be laid before members at the annual general meeting which must be held in each year; not more than 15 months (or such longer period as the Hong Kong Stock Exchange may authorise) may elapse between the date of one annual general meeting and the next (paragraph 4(2) of Part B of Appendix 13);
- (12) Except as would be permitted by the Companies Ordinance if the Company were a company incorporated in Hong Kong, and except as permitted under the Companies Law, the Company shall not directly or indirectly:
 - (i) make a loan to a director of the Company or his close associates or a director of any holding company of the Company or a body corporate controlled by such a director or director of the Company;
 - (ii) enter into any guarantee or provide any security in connection with a loan made by any person to a director of the Company or such a director or a body corporate controlled by such a director or director of the Company; or
 - (iii) if any one or more of the directors of the Company hold (jointly or severally or directly or indirectly) a controlling interest in another company, make a loan to that other company or enter into any guarantee or provide any security in connection with a loan made by any person to that other company (paragraph 5(2) of Part B of Appendix 13);
- (13) The directors shall declare their material interests in any contracts with the Company at the earliest meeting of the board of directors of the Company at which it is practicable

for them to do so either specifically or by way of a general notice stating that, by reason of facts specified in the notice, they are to be regarded as interested in any contracts of a specified description which may subsequently be made by the Company (paragraph 5(3) of Part B of Appendix 13);

- (14) Payment to any director or past director of any sum by way of compensation for loss of office or as consideration for or in connection with his retirement from office (not being a payment to which the director is contractually entitled) must first be approved by the Company in general meeting (paragraph 5(4) of Part B of Appendix 13);
- (15) The Company shall not take any action (including the issue or repurchase of shares of any class) that would result in (a) the aggregate number of votes entitled to be cast by all holders of Class Z ordinary shares (for the avoidance of doubt, excluding those who are also holders of Class Y ordinary shares) present at a general meeting to be less than 10% of the votes entitled to be cast by all members at a general meeting; or (b) an increase in the proportion of Class Y ordinary shares to the total number of shares in issue (Rules 8A.09 and 8A.13 of the Hong Kong Listing Rules);
- (16) No further Class Y ordinary shares shall be issued by the Company, except with the prior approval of the Hong Kong Stock Exchange and pursuant to (a) an offer to subscribe for shares made to all the members pro rata (apart from fractional entitlements) to their existing holdings; (b) a pro rata issue of shares to all the members by way of scrip dividends; or (c) pursuant to a share subdivision or other similar capital reorganisation; provided that, each member shall be entitled to subscribe for (in a pro rata offer) or be issued (in an issue of shares by way of scrip dividends) shares in the same class as the shares then held by him, notwithstanding article 16 of the Company's existing Articles; and further provided that the proposed allotment or issuance will not result in an increase in the proportion of Class Y ordinary shares in issue, so that:
- (i) if, under a pro rata offer, any holder of Class Y ordinary shares does not take up any part of the Class Y ordinary shares or the rights thereto offered to him, such untaken shares (or rights) shall only be transferred to another person on the basis that such transferred rights will only entitle the transferee to an equivalent number of Class Z ordinary shares; and
 - (ii) to the extent that rights to Class Z ordinary shares in a pro rata offer are not taken up in their entirety, the number of Class Y ordinary shares that shall be allotted, issued or granted in such pro rata offer shall be reduced proportionately. (Rule 8A.14 of the Hong Kong Listing Rules);
- (17) If the Company reduces the number of its shares in issue (e.g. through a purchase of its own shares) the WVR beneficiaries must reduce their weighted voting rights in the Company proportionately (for example through conversion of a proportion of their shareholding with those rights into shares without those rights), if the reduction in the number of shares in issue would otherwise result in an increase in the proportion of the Company's shares that carry weighted voting rights (Rule 8A.15 of the Hong Kong Listing Rules);

- (18) The Company must not change the terms of the Class Y ordinary shares to increase the number of votes to which each Class Y ordinary share is entitled (Rule 8A.16 of the Hong Kong Listing Rules);
- (19) Class Y ordinary shares shall only be held by a director or a limited partnership, trust, private company or other vehicle wholly owned or wholly controlled by a director (“**Director Holding Vehicle**”). Subject to the Hong Kong Listing Rules or other applicable laws or regulations, each Class Y ordinary share shall be automatically converted into one Class Z ordinary share upon the occurrence of any of the following events:
- (i) the death of the holder of such Class Y ordinary share (or, where the holder is a Director Holding Vehicle, the death of the director holding or controlling such Director Holding Vehicle);
 - (ii) the holder of such Class Y ordinary share ceasing to be a director or a Director Holding Vehicle for any reason;
 - (iii) the holder of such Class Y ordinary share (or, where the holder is a Director Holding Vehicle, the director holding or controlling such Director Holding Vehicle) being deemed by the Hong Kong Stock Exchange to be incapacitated for the purpose of performing his duties as a director;
 - (iv) the holder of such Class Y ordinary share (or, where the holder is a Director Holding Vehicle, the director holding or controlling such Director Holding Vehicle) being deemed by the Hong Kong Stock Exchange to no longer meet the requirements of a director set out in the Hong Kong Listing Rules; or
 - (v) the transfer to another person of the beneficial ownership of, or economic interest in, such Class Y ordinary share or the control over the voting rights attached to such Class Y ordinary share (through voting proxies or otherwise), other than (i) the grant of any encumbrance, lien or mortgage over such share which does not result in the transfer of the legal title or beneficial ownership of, or the voting rights attached to, such share, until the same is transferred upon the enforcement of such encumbrance, lien or mortgage; (ii) a transfer of the legal title to such share by a director to a Director Holding Vehicle held or controlled by him, or by a Director Holding Vehicle to the director holding or controlling it or another Director Holding Vehicle held or controlled by such director; and (iii) any transfer of legal title to such share by a holder of Class Y ordinary shares to a limited partnership, trust, private company or other vehicle which holds Class Y ordinary shares on behalf of such holder. (Rules 8A.17, 8A.18(1), 8A.18(2) and 8A.19 of the Hong Kong Listing Rules);
- (20) Any conversion of Class Y ordinary shares into Class Z ordinary shares pursuant to these Articles shall be effected by the re-designation of each Class Y ordinary share into one Class Z ordinary share (Rule 8A.21 of the Hong Kong Listing Rules);

- (21) All of the Class Y ordinary shares in the authorized share capital shall be automatically re-designated into Class Z ordinary shares in the event all of the Class Y ordinary shares in issue are converted into Class Z ordinary shares, and no further Class Y ordinary shares shall be issued by the Company (Rule 8A.22 of the Hong Kong Listing Rules);
- (22) The board may, whenever it thinks fit, convene an extraordinary general meeting. General meetings shall also be convened on the written requisition of members holding at the date of deposit of the requisition Shares which carry in aggregate not less than one-tenth (1/10) of all votes (on a one vote per Share basis) attaching to all issued and outstanding Shares of the Company that as at the date of the deposit carry the right to vote at general meetings of the Company, and such members may add resolutions to the meeting agenda (Rule 8A.23 of the Hong Kong Listing Rules);
- (23) Notwithstanding any provisions in the Company's Articles to the contrary, each Class Y ordinary share and each Class Z ordinary share shall entitle its holder to one vote on a poll at a general meeting in respect of a resolution on any of the following matters:
- (i) any amendment to the Company's Memorandum or Articles, including the variation of the rights attached to any class of shares;
 - (ii) the appointment or removal of any independent non-executive director;
 - (iii) the appointment or removal of the auditors; or
 - (iv) the voluntary winding-up of the Company (Rule 8A.24 of the Hong Kong Listing Rules).
- (24) The role of an independent non-executive director shall include, but is not limited to:
- (i) participating in board meetings to bring an independent judgment to bear on issues of strategy, policy, performance, accountability, resources, key appointments and standards of conduct;
 - (ii) taking the lead where potential conflicts of interests arise;
 - (iii) serving on the audit, remuneration, nomination and other governance committees, if invited; and
 - (iv) scrutinising the Company's performance in achieving agreed corporate goals and objectives, and monitoring performance reporting;

The independent non-executive directors shall give the board and any committees on which they serve the benefit of their skills, expertise and varied backgrounds and qualifications through regular attendance and active participation. They should also attend general meetings and develop a balanced understanding of the views of the members; and

The independent non-executive directors shall make a positive contribution to the development of the Company's strategy and policies through independent, constructive and informed comments (Rule 8A.26 of the Hong Kong Listing Rules).

- (25) The board shall establish a nominating and corporate governance committee, which shall perform the following duties:
- (i) review the structure, size and composition (including the skills, knowledge and experience) of the board at least annually and make recommendations on any proposed changes to the board to complement the Company's corporate strategy;
 - (ii) identify individuals suitably qualified to become directors and select or make recommendations to the board on the selection of individuals nominated for directorships;
 - (iii) assess the independence of independent non-executive directors; and
 - (iv) make recommendations to the board on the appointment or re-appointment of directors and succession planning for directors, in particular the chairman and the chief executive officer of the Company.

The nominating and corporate governance committee should make available its terms of reference explaining its role and the authority delegated to it by the board by including them on the Hong Kong Stock Exchange's website and the Company's website.

The Company should provide the nominating and corporate governance committee sufficient resources to perform its duties. Where necessary, the nominating and corporate governance committee should seek independent professional advice, at the Company's expense, to perform its responsibilities.

Where the board proposes a resolution to elect an individual as an independent non-executive director at the general meeting, it should set out in the circular to shareholders and/or explanatory statement accompanying the notice of the relevant general meeting:

- (i) the process used for identifying the individual and why the board believes the individual should be elected and the reasons why it considers the individual to be independent;
- (ii) if the proposed independent non-executive director will be holding their seventh (or more) listed company directorship, why the board believes the individual would still be able to devote sufficient time to the board;
- (iii) the perspectives, skills and experience that the individual can bring to the board; and
- (iv) how the individual contributes to diversity of the board (Rule 8A.27 of the Hong Kong Listing Rules);

- (26) The nominating and corporate governance committee shall comprise entirely of independent non-executive directors, one of whom shall act as its chairman (Rules 8A.28 and 8A.31 of the Hong Kong Listing Rules);
- (27) The independent non-executive directors shall be subject to retirement by rotation at least once every three years. Independent non-executive directors are eligible for re-appointment at the end of the three year term (Rule 8A.29 of the Hong Kong Listing Rules);
- (28) The nominating and corporate governance committee shall also perform the following duties:
- (i) develop and review the Company's policies and practices on corporate governance and make recommendations to the board;
 - (ii) review and monitor the training and continuous professional development of directors and senior management;
 - (iii) review and monitor the Company's policies and practices on compliance with legal and regulatory requirements;
 - (iv) develop, review and monitor the code of conduct and compliance manual (if any) applicable to employees and directors;
 - (v) review the Company's compliance with the code and disclosure in the Corporate Governance Report;
 - (vi) review and monitor whether the Company is operated and managed for the benefit of all of its members;
 - (vii) confirm, on an annual basis, that each holder of Class Y ordinary shares (or where a holder is a Director Holding Vehicle, the person holding or controlling such vehicle) has been a director throughout the year and that none of the events set out in Rule 8A.17 of the Hong Kong Listing Rules have occurred during the relevant financial year;
 - (viii) confirm, on an annual basis, that each holder of Class Y ordinary shares (or where a holder is a Director Holding Vehicle, the person holding or controlling such vehicle) has complied with rules 8A.14, 8A.15, 8A.18 and 8A.24 throughout the year;
 - (ix) review and monitor the management of conflicts of interests and make a recommendation to the board on any matter where there is a potential conflict of interest between the Company, a subsidiary of the Company and/or holders of Class Z ordinary shares (considered as a group) on the one hand, and any holder of Class Y ordinary shares on the other;

- (x) review and monitor all risks related to the Company's weighted voting rights structure, including connected transactions between the Company and/or a subsidiary of the Company on one hand and any beneficiary of weighted voting rights on the other and make a recommendation to the board on any such transaction;
 - (xi) make a recommendation to the board as to the appointment or removal of the compliance adviser;
 - (xii) seek to ensure effective and on-going communication between the Company and its members, particularly with regards to the requirements of Rule 8A.35 of the Hong Kong Listing Rules;
 - (xiii) report on the work of the nominating and corporate governance committee on at least a half yearly and annual basis covering all areas of its charter in respect of corporate governance matters; and
 - (xiv) disclose, on a comply or explain basis, its recommendations to the board in respect of matters in sub-paragraphs (ix) to (xi) above in the report referred to in sub-paragraph (xiii) above (Rule 8A.30 of the Hong Kong Listing Rules);
- (29) The Corporate Governance Report produced by the Company pursuant to the Hong Kong Listing Rules shall include a summary of the work of the nominating and corporate governance committee, with regards to its charter on corporate governance matters, for the accounting period covered by both the half-yearly and annual report and disclose any significant subsequent events for the period up to the date of publication of the half-yearly and annual report, to the extent possible. (Rule 8A.32 of the Hong Kong Listing Rules);
- (30) The Company shall appoint a compliance adviser on a permanent basis (Rule 8A.33 of the Hong Kong Listing Rules);
- (31) The board shall consult with, and if necessary, seek advice from the compliance adviser, on a timely and ongoing basis, on any matters related to:
- (i) the weighted voting rights structure of the Company;
 - (ii) transactions in which the holders of Class Y ordinary shares have an interest; and
 - (iii) where there is a potential conflict of interest between the Company, a subsidiary of the Company and/or holders of Class Z ordinary shares (considered as a group) on the one hand, and any holder of Class Y ordinary shares on the other (Rule 8A.34 of the Hong Kong Listing Rules);
- (32) The Company shall comply with the provisions of Appendix 14 of the Hong Kong Listing Rules regarding communication with shareholders or members of the Company (Rule 8A.35 of the Hong Kong Listing Rules);

- (33) The Company shall include the words “A company controlled through weighted voting rights” or such language as may be specified by the Hong Kong Stock Exchange from time to time on the front page of all its listing documents, periodic financial reports, circulars, notifications and announcements required by the Hong Kong Listing Rules, and describe its weighted voting rights structure, the rationale of such structure and the associated risks for the members prominently in its listing documents and periodic financial reports. This statement shall inform prospective investors of the potential risks of investing in the Company and that they should make the decision to invest only after due and careful consideration (Rule 8A.37 of the Hong Kong Listing Rules);
- (34) Every share certificate shall prominently include the words “A company controlled through weighted voting rights” or such language as may be specified by the Hong Kong Stock Exchange from time to time, and specify the number and class of shares in respect of which it is issued and the amount paid thereon or the fact that they are fully paid, as the case may be, and may otherwise be in such form as the board may from time to time prescribe (Rule 8A.38 of the Hong Kong Listing Rules);
- (35) The Company shall, in its listing documents and its interim and annual reports:
- (i) identify the holders of Class Y ordinary shares (and, where a holder is a Director Holding Vehicle, the director holding or controlling such vehicle) (Rule 8A.39 of the Hong Kong Listing Rules);
 - (ii) disclose the impact of a potential conversion of Class Y ordinary shares into Class Z ordinary shares on its share capital (Rule 8A.40 of the Hong Kong Listing Rules); and
 - (iii) disclose all circumstances in which the weighted voting rights attached to the Class Y ordinary shares shall cease (Rule 8A.41 of the Hong Kong Listing Rules).

In addition, to further enhance its shareholder protection measures, the Company will at the 2021 EGM propose to its shareholders the following amendments to its Articles: (a) lowering the quorum of general meeting (which is not a class meeting) from one-third of all votes attaching to all shares in issue and entitled to vote at such general meeting in the Company as currently provided for in article 65 of the Company’s Articles to 10% of all votes attaching to all shares in issue and entitled to vote at such general meeting in the Company (the “**Quorum Requirement**”); and (b) where a general meeting is postponed by the directors, requiring such meeting to be postponed to a specific date, time and place (the “**GM Postponement Requirement**”, together with the Unmet Listing Rules Articles Requirements and the Quorum Requirement, the “**Unmet Articles Requirements**”).

As advised by the Company’s legal adviser as to Cayman Islands laws, the incorporation of the following Unmet Articles Requirements will require (a) approvals of both holders of Class Y ordinary shares and holders of Class Z ordinary shares in separate class meetings at the 2021 EGM in accordance with article 17 of the Company’s Articles because these requirements would vary the rights attached to Class Y and Class Z ordinary shares: (i) paragraph 2(1) of Part B of Appendix 13 to the Hong Kong Listing Rules; and (ii) Rules 8A.09, 8A.13, 8A.14, 8A.15, 8A.16, 8A.17, 8A.18(1), 8A.18(2), 8A.19, 8A.21, 8A.22, 8A.23 and 8A.24 of the

Hong Kong Listing Rules—a resolution to incorporate these Unmet Articles Requirements (the “**Class-based Resolution**”) will need to be approved at the separate class meetings of holders of Class Y ordinary shares (the “**Class Y Meeting**”) and of Class Z ordinary shares (the “**Class Z Meeting**”). The quorum for the Class Y and Class Z Meetings will be one-third of the issued shares of the respective Class Y and Class Z ordinary shares on a one share one vote basis in accordance with article 17 of the Company’s Articles. The Class-based Resolution requires approval by holders of two-thirds of the issued Class Y ordinary shares and approval by holders of two-thirds of the issued Class Z ordinary shares pursuant to article 17 of the Company’s Articles.

If the Class-based Resolution is passed at both the Class Y and Class Z Meetings, at the full shareholders’ meeting where all shareholders may vote as a single class (the “**Full Shareholders’ Meeting**”), the shareholders will be asked to vote on the Class-based Resolution and another resolution to incorporate into the Company’s Articles the Unmet Articles Requirements not covered by the Class-based Resolution (the “**Non-class-based Resolution**”). The quorum for the Full Shareholders’ Meeting will be members controlling one-third of the voting powers in the Company present in person or by proxy pursuant to article 65 of the Company’s Articles. At the Full Shareholders’ Meeting, each of the Class-based Resolution and the Non-class-based Resolution will require approval by members holding two-thirds of the voting rights of those present and voting in person or by proxy in accordance with article 159 of the Company’s Articles.

If the Class-based Resolution is not approved at either the Class Y or Class Z Meeting, then the shareholders at the Full Shareholders’ Meeting will only be asked to vote on the Non-class-based Resolution.

The Company has applied for, and the Hong Kong Stock Exchange has granted, a waiver from strict compliance with the Unmet Articles Requirements, subject to the conditions that:

- a. at the 2021 EGM, the Company will put forth: (i) the Class-based Resolution at the Class Y Meeting and the Class Z Meeting; and (ii) the Class-based Resolution (if adopted at the Class Y and Class Z Meetings) and the Non-class-based Resolution at the Full Shareholders’ Meeting (together, the “**Proposed Resolutions**”) to amend its Articles to comply with the Unmet Articles Requirements;
- b. each of the WVR beneficiaries will, prior to the Listing, irrevocably undertake to the Company to be present at the 2021 EGM (whether in person or by proxy) and any general meeting that may be convened upon Listing and before the 2021 EGM, and to vote in favor of the Proposed Resolutions;
- c. if any of the Proposed Resolutions are not passed at the 2021 EGM, until they are all approved by the shareholders, the Company undertakes to the Hong Kong Stock Exchange to continue to put forth the Proposed Resolutions that have not been passed at each subsequent annual general meeting, and each of the WVR beneficiaries will, prior to the Listing, irrevocably undertake to continue to be present and vote in favor of such Proposed Resolutions at such a meeting;

- d. the Company will issue a press release announcing its support publicly for the Proposed Resolutions each year after the Listing until all the Proposed Resolutions are adopted;
- e. the Company will, prior to the Listing, irrevocably undertake to the Hong Kong Stock Exchange that it will comply with the Unmet Listing Rules Articles Requirements and the GM Postponement Requirement in full (the “**Undertaking for Interim Compliance**”) upon the Listing and before its existing Articles are formally amended to incorporate the Unmet Articles Requirements, except for:
 - i. paragraph 3(3) of Part B of Appendix 13 to the extent that the Company is required to hold an annual general meeting in 2021, due to the reasons as set out in “— Laying Annual Financial Statements Before Members at an Annual General Meeting Within Six Months After the End of Financial Year” in this section below;
 - ii. paragraph 2(1) of Part B of Appendix 13 such that, prior to the Company’s Articles being amended, the threshold for passing a resolution in a separate class meeting will be approval by holders of two-thirds of the issued shares of that class as per article 17 of the Company’s Articles, based on the specific and prevailing circumstances of the Company; and
 - iii. Rules 8A.24(1) and (2) and paragraph 1 of Part B of Appendix 13 such that, prior to the Company’s articles being amended, the threshold for passing a special resolution for amendments to the Company’s Articles will be approval by members holding two-thirds of the voting rights of those present and voting in person or by proxy at the general meeting in accordance with article 159 of the Company’s Articles, based on the specific and prevailing circumstances of the Company. For the avoidance of doubt, the exception for Rules 8A.24(1) and (2) is only applicable to the passing of the Proposed Resolutions, the Company shall irrevocably undertake to comply with Rules 8A.24(1) and (2) for passing any special resolution (other than the Proposed Resolutions) under the Undertaking for Interim Compliance;
- f. each of the WVR beneficiaries will, prior to the Listing, irrevocably undertake to the Company that it will procure the Company to give effect to the Undertaking for Interim Compliance upon the Listing and before its existing Articles are formally amended; and
- g. the Company remains listed on the Nasdaq.

The Company’s legal adviser as to the laws of the Cayman Islands confirms that the Undertaking for Interim Compliance will not violate the laws and regulations of the Cayman Islands, and the Company confirms that, having consulted its other legal advisers, the Undertaking for Interim Compliance will also not violate other laws and regulations applicable to the Company.

Assuming the Over-allotment Option is not exercised, the WVR beneficiaries will, immediately upon the Listing, beneficially own in aggregate 83,715,114 Class Y ordinary shares and 2,634,145 Class Z ordinary shares representing (a) 100% of the total voting rights of holders of the Class Y ordinary shares voting as a separate class, (b) approximately 0.90% of the total voting rights of holders of the Class Z ordinary shares voting as a separate class, and (c) approximately 74.27% of total voting rights in the Company.

Accordingly, although our WVR beneficiaries' undertakings to be present at the 2021 EGM (whether in person or by proxy) will be able to ensure a quorum at the Class Y Meeting and the Full Shareholders' Meeting, there is no assurance that a quorum will be formed at the Class Z Meeting. If no quorum is formed at the Class Z Meeting, it cannot be convened. Furthermore, despite our WVR beneficiaries' undertakings to vote in favor of the Proposed Resolutions to ensure that they will be adopted at the Class Y Meeting and the Full Shareholders' Meeting, there is no guarantee that the Class-based Resolution will be passed at the Class Z Meeting. As the Company has not, since its listing on the Nasdaq, held a general meeting, it is uncertain as to whether the Class-based Resolution will be approved with sufficient support from our shareholders at the Class Z Meeting.

After the Listing, the Company will in its interim and annual reports confirm whether it has, in the preceding financial year, complied with the Corporate Governance Code set out in Appendix 14 to the Hong Kong Listing Rules to the extent required by Chapter 8A of the Hong Kong Listing Rules.

Dealings in Shares Prior to Listing

According to Rule 9.09(b) of the Hong Kong Listing Rules, there must be no dealing in the securities of a new applicant for which listing is sought by any core connected person of the issuer from four clear business days before the expected hearing date until listing is granted (the "**Relevant Period**").

The Company had approximately 100 subsidiaries and operating entities as of January 31, 2021, and its ADSs are widely held, publicly traded and listed on the Nasdaq. The Company considers that it is therefore not in a position to control the investment decisions of its shareholders or the investing public in the U.S. Solely based on public filings with the SEC as of the Latest Practicable Date, other than (a) Mr. Rui Chen (the Company's Controlling Shareholder, executive Director and Chief Executive Officer), (b) Vanship Limited (a company controlled by The Le Petit Prince Trust, a trust of which Mr. Rui Chen is the settlor, and Mr. Rui Chen and his family members are the beneficiaries), (c) Mr. Yi Xu (the Company's executive Director and President) and (d) Kami Sama Limited (a company controlled by The Homur Trust, a trust of which Mr. Yi Xu is the settlor, and Mr. Yi Xu and his family members are the beneficiaries), there are no shareholders who controlled more than 10% of the voting rights of the Company.

Mr. Rui Chen (the Company's Controlling Shareholder, executive Director and Chief Executive Officer) and Mr. Yi Xu (the Company's executive Director and President) may from time to time use their respective Shares as security (including charges and pledges) in connection with financing activities. As of December 31, 2020, Mr. Rui Chen, through

Vanship Limited and Windforce Limited, beneficially owned 49,928,751 Shares, of which 10,675,207 Class Y ordinary shares were pledged as security, and Mr. Yi Xu, through himself and Kami Sama Limited, beneficially owned 28,312,208 Shares, of which 14,000,000 Class Y ordinary shares were pledged as security. As of December 31, 2020, no persons under Category 2 (as defined below) had pledged their respective Shares as security in connection with financing transactions.

On the basis of the above, the Company considers that the following categories of persons (collectively, the “**Permitted Persons**”) should not be subject to the dealing restrictions set out in Rule 9.09(b) of the Hong Kong Listing Rules:

- (a) Mr. Rui Chen, the Company’s Controlling Shareholder, executive Director and Chief Executive Officer, and Mr. Yi Xu, the Company’s executive Director and President, in respect of their respective use of Shares as security in connection with financing activities, provided that there will be no change in the beneficial ownership of the Shares at the time of entering into any such transactions during the Relevant Period (“**Category 1**”);
- (b) the Company’s directors and chief executives other than Mr. Rui Chen and Mr. Yi Xu, and the directors and chief executives of its Major Subsidiaries, in respect of their respective use of the Shares as security in connection with financing activities, provided that there will be no change in the beneficial ownership of the Shares at the time of entering into any such transactions during the Relevant Period (“**Category 2**”);
- (c) directors, chief executives and substantial shareholders of the Company’s non-Major Subsidiaries and their close associates (“**Category 3**”); and
- (d) any other person (whether or not an existing Shareholder) who may, as a result of dealings, become the Company’s substantial shareholder and who is not its director or chief executive, or a director or chief executive of the Company’s subsidiaries, or their close associates (“**Category 4**”).

For the avoidance of doubt:

- (a) as the foreclosure, enforcement or exercise of other rights by the lenders in respect of a security interest over the Shares (including, for the avoidance of doubt, any security interest created pursuant to any top-up of security) will be subject to the terms of the financing transaction underlying such security and not within the control of the pledgor, any change in the beneficial owner of the Shares during the Relevant Period resulting from the foreclosure, enforcement or exercise of other rights by the lenders in respect of such security interest will not be subject to Rule 9.09(b) of the Hong Kong Listing Rules; and
- (b) persons in Category 1 and Category 2 who use their respective Shares other than as described in this section headed “Dealings in the Shares prior to Listing” are subject to the restrictions under Rule 9.09(b) of the Hong Kong Listing Rules.

The Company has applied for, and the Hong Kong Stock Exchange has granted, a waiver from strict compliance with Rule 9.09(b) of the Hong Kong Listing Rules to be granted on the following conditions:

- (a) Where Categories 1 and 2 of the Permitted Persons use the Shares as security, there will be no change in the beneficial ownership of the Shares at the time of entering into the relevant transactions during the Relevant Period;
- (b) Categories 3 and 4 of the Permitted Persons do not have any influence over the Global Offering and do not possess any non-public inside information of the Company given that such persons are not in a position with access to information that is considered material to the Company taken as a whole. Given the large number of the Company's subsidiaries and its vast ADS holder base, the Company and its management do not have effective control over the investment decisions of Categories 3 and 4 of the Permitted Persons in its ADSs;
- (c) the Company will promptly release any inside information to the public in the United States and Hong Kong in accordance with the relevant laws and regulations of the U.S. and Hong Kong. Accordingly, the Permitted Persons (other than Category 1 and Category 2 persons) are not in possession of any non-public inside information of which the Company is aware;
- (d) the Company will notify the Hong Kong Stock Exchange of any breaches of the dealing restrictions by any of its core connected persons during the Relevant Period when it becomes aware of the same other than dealings by the core connected persons who are Permitted Persons within the permitted scopes set out above; and
- (e) prior to the Listing Date, other than within the permitted scopes set out above, the Company's directors and chief executive and the directors and chief executives of its Major Subsidiaries and their close associates will not deal in the Shares or the ADSs during the Relevant Period provided that such prohibited dealing in the Shares shall not include the granting, vesting, payment or exercise (as applicable) of incentive and non-statutory options, restricted shares, RSUs, dividend equivalents, and share payments under the Group's share incentive plans.

The Company believes that the circumstances relating to this waiver align with those set out in the Hong Kong Stock Exchange's Guidance Letter HKEX-GL42-12 and the grant of this waiver will not prejudice the interests of potential investors.

Subscription for Shares by Existing Shareholders

Rule 2.03(2) of the Hong Kong Listing Rules provides that the issue and marketing of securities should be conducted in a fair and orderly manner.

Rule 10.04 of the Hong Kong Listing Rules requires that existing shareholders may only subscribe for or purchase any securities for which listing is sought that are being marketed by or on behalf of a new applicant either in his or its own name or through nominees if the conditions in Rule 10.03 of the Hong Kong Listing Rules are fulfilled. Paragraph 5(2) of Appendix 6 to the Hong Kong Listing Rules states that, without the prior written consent of the Hong Kong Stock Exchange, no allocations will be permitted to be made to directors, existing shareholders of a listing applicant or their close associates, unless the conditions set out in Rules 10.03 and 10.04 are fulfilled.

The conditions in Rules 10.03(1) and (2) of the Hong Kong Listing Rules are as follows:

- (a) that no securities are offered to the purchasers on a preferential basis and no preferential treatment is given to them in the allocation of the securities; and
- (b) that the minimum prescribed percentage of public shareholders required by Rule 8.08(1) of the Hong Kong Listing Rules is achieved.

Rule 19.31 of the Hong Kong Listing Rules provides that the requirement under Rule 8.08 of the Hong Kong Listing Rules to maintain a minimum percentage of public shareholders does not apply to a secondary listing.

The Hong Kong Stock Exchange's Guidance Letter HKEX-GL85-16 provides that the Hong Kong Stock Exchange will consider granting a waiver from Rule 10.04 and consent pursuant to paragraph 5(2) of Appendix 6 to the Hong Kong Listing Rules allowing an applicant's existing shareholders or their close associates to participate in an initial public offering if any actual or perceived preferential treatment arising from their ability to influence the applicant during the allocation process can be addressed.

The Company has been listed on the Nasdaq since March 2018 and has a wide and diverse shareholder base. There is a robust level of trade in the Company's securities, with significant daily trading volume resulting in daily changes to its existing shareholders. The Company is not in a position to prevent any person or entity from acquiring its listed securities prior to the allocation of shares in connection with the Global Offering. It would therefore be unduly burdensome for the Company to seek the prior consent of the Hong Kong Stock Exchange for each of its existing shareholders or their close associates who subscribe for Offer Shares in the Global Offering.

The Company confirms that any person (whether or not an existing shareholder of the Company) who may, as a result of dealings, become the Company's shareholder and who is not a director or chief executive of the Company or its subsidiaries, or any of their close associates (the "**Permitted Existing Shareholders**"), has no influence over the Global Offering and is not in possession of any non-public inside information and are effectively in the same position as any other public investors of the Company.

Solely based on public filings with the SEC available as of December 31, 2020, the Company had no shareholder who was not a director and who controlled 5% or more of the Company's voting rights.

The Company has applied for, and the Hong Kong Stock Exchange has granted, a waiver from strict compliance with the requirements of Rule 10.04 and Paragraph 5(2) of Appendix 6 to the Hong Kong Listing Rules in respect of the restriction on each Permitted Existing Shareholder, subject to the following conditions:

- (a) each Permitted Existing Shareholder (and its close associate) is interested in less than 5% of the Company's voting rights immediately before the Listing;
- (b) each Permitted Existing Shareholder (and its close associate) is neither a director nor member of the senior management of the Company or its subsidiaries or any of their close associates;
- (c) the Permitted Existing Shareholders and their close associates do not have the power to appoint directors of, or any other special rights in, the Company;
- (d) the Permitted Existing Shareholders and their close associates do not have influence over the offering process and will be treated the same as other applicants and placees in the Global Offering;
- (e) the Permitted Existing Shareholders and their close associates will be subject to the same book-building and allocation process as other investors in the Global Offering; and
- (f) no preferential treatment will be given to the Permitted Existing Shareholders and their close associates in the allocation process by virtue of their relationship with the Company. To the best of their knowledge and belief, each of the Company, the Joint Sponsors and the Joint Representatives (based on (i) its discussions with the Company and the Joint Representatives and (ii) the confirmations to be submitted to the Hong Kong Stock Exchange by the Company and the Joint Representatives) confirms to the Hong Kong Stock Exchange in writing that no preferential treatment has been, nor will be, given to the Permitted Existing Shareholders and their close associates as a placee in the International Offering by virtue of their relationship with the Company.

The Company expects to satisfy all the conditions set out in paragraph 4.20 of Guidance Letter HKEX-GL85-16 so that no actual or perceived preference will be given to the Permitted Existing Shareholders due to their existing shareholdings in the Company.

Allocation to the Permitted Existing Shareholders and/or their close associates will not be disclosed in the Company's allotment results announcement (other than to the extent that such Permitted Existing Shareholders or close associates subscribe for shares as cornerstone investors) unless such Permitted Existing Shareholders are interested in 5% or more of the issued share capital of the Company after the Global Offering as disclosed in any public filings with the SEC, as it would be unduly burdensome for the Company to disclose such information given that there is no requirement to disclose interests in equity securities under the U.S. Exchange Act unless the beneficial ownership of such person (including directors and officers of the company concerned) reaches more than 5% of equity securities registered under Section 12 of the U.S. Exchange Act.

Printed Prospectus

Pursuant to Rules 12.04(3), 12.07 and 12.11 of the Hong Kong Listing Rules, the Company is required to make available copies of this prospectus in printed form.

The waiver from the requirements to make available printed copies of this prospectus is in line with recent amendments to the Hong Kong Listing Rules relating to environmental, social and governance (“ESG”) matters. As the Hong Kong Stock Exchange noted on page 1 of its Consultation Conclusions on Review of the Environmental, Social and Governance Reporting Guide and Related Listing Rules dated December 2019, such amendments relating to ESG matters “*echo the increasing international focus on climate change and its impact on business.*” Electronic, *in lieu of* printed, prospectuses and application forms will help mitigate the environmental impact of printing, including the exploitation of precious natural resources such as trees and water, the handling and disposal of hazardous materials, air pollution, among others.

It is noted that in light of the severity of the ongoing COVID-19 pandemic, the provision of a printed prospectus and printed application forms will elevate the risk of contagion of the virus through printed materials. As of the Latest Practicable Date, the government of Hong Kong continued to have in place social distancing measures to restrict public gatherings. While the government of Hong Kong may relax such restrictions as the local COVID-19 situation improves, it is possible that stricter social distancing measures may be necessary later if the number of cases of infection in the territory dramatically increases. In any event, it is impossible to accurately predict the development of the COVID-19 pandemic as of the Latest Practicable Date. In this uncertain environment, an electronic application process with a paperless prospectus will reduce the need for prospective investors to gather in public, including branches of the receiving bank and other designated points of collection, in connection with the Hong Kong Public Offering.

The Company proposes to adopt a fully electronic application process for the Hong Kong Public Offering and will not provide printed copies of this prospectus or printed copies of any application forms to the public in relation to the Hong Kong Public Offering. The Company’s share registrar appointed in connection with the Listing and the Hong Kong Public Offering will implement enhanced measures to support White Form eIPO Service, including increasing its server capacity and making available a telephone hotline to answer investors’ queries and a dedicated section of the White Form eIPO Service with specific guidance to investors in connection with the fully electronic application process. To apply for the Hong Kong Offer Shares, investors may apply online through the White Form eIPO Service at www.eipo.com.hk or apply through CCASS EIPO service to electronically cause HKSCC Nominees to apply on their behalf. For details, please refer to the section headed “How to Apply for Hong Kong Offer Shares”.

The Company also expects to publish the formal notice with respect to its Hong Kong Public Offering on the official websites of the Hong Kong Stock Exchange and the Company and in selected English and Chinese local newspapers describing the fully electronic application process including the available channels for share subscription and the enhanced support provided by the Company’s appointed Hong Kong Share Registrar in relation to the

Hong Kong Public Offering and reminding investors that no printed prospectus or application form will be provided.

The Company has applied for, and the Hong Kong Stock Exchange has granted, a waiver from strict compliance with Rules 12.04(3), 12.07 and 12.11 of the Hong Kong Listing Rules in respect of providing copies of this prospectus in printed form.

Monthly Return

Rule 13.25B of the Hong Kong Listing Rules requires a listed issuer to publish a monthly return in relation to movements in its equity securities, debt securities and any other securitized instruments, as applicable, during the period to which the monthly return relates.

Under the Joint Policy Statement, this common waiver is subject to the condition that the issuer can meet one of the following three conditions:

- (a) it has received a relevant partial exemption from Part XV of the SFO; or
- (b) it publishes a “next day disclosure return” in strict compliance with Rule 13.25A of the Hong Kong Listing Rules, regardless of the waiver of general effect from this Rule for secondary listed issuers; or
- (c) it is subject to overseas laws or regulations that have a similar effect to Rule 13.25B of the Hong Kong Listing Rules and any differences are not material to shareholder protection.

The Company has obtained a relevant partial exemption from strict compliance with Part XV of the SFO. The Company has applied for, and the Hong Kong Stock Exchange has granted, a waiver from strict compliance with the continuing obligations under Rule 13.25B of the Hong Kong Listing Rules. The Company will disclose information about share repurchases, if any, in the Company’s annual reports on Form 20-F which are furnished or filed with the SEC and will also disclose such information, if material, in the Company’s quarterly earnings releases in accordance with applicable U.S. rules and regulations.

Laying Annual Financial Statements before members at an Annual General Meeting within six months after the end of financial year

Rule 13.46(2)(b) of the Hong Kong Listing Rules requires an overseas issuer to lay its annual financial statements before its members at its annual general meeting within the period of six months after the end of the financial year or accounting reference period to which the annual financial statements relate.

Note 2 to Rule 13.46(2)(b) of the Hong Kong Listing Rules provides that if an issuer has significant interests outside of Hong Kong it may apply for an extension of the six-month period.

The Company is an issuer with significant interests outside of Hong Kong. By way of illustration:

- (a) the Company was incorporated in the Cayman Islands;
- (b) the Company is a secondary listed issuer in Hong Kong under Chapter 19C of the Listing Rules, with a primary listing on the Nasdaq;
- (c) the Company has applied for a ruling from the Securities and Futures Commission on the date hereof that the Company should not be considered a public company in Hong Kong within the meaning of Section 4.2 of the Introduction on the Codes on Takeovers and Mergers and Share Buy-backs; one of the reasons for the application is that the Company has significant interests outside of Hong Kong;
- (d) as of December 31, 2020, the Group had more than 8,000 employees based in the PRC and less than 10 employees based in Hong Kong;
- (e) for the year ended December 31, 2019, more than 95% of the Group's net revenues were generated outside Hong Kong, and as of December 31, 2020, more than 95% of the Group's total assets were based outside Hong Kong; and
- (f) for the year ended December 31, 2019, less than 5% of the Group's net revenues were generated from Hong Kong, and, as of December 31, 2020, less than 5% of the Group's total assets were based in Hong Kong.

The Company is expected to be listed in March 2021 and will include in the prospectus the audited financial information for the year ended December 31, 2020 and other financial disclosure. Upon its Listing, the Company will therefore have provided its shareholders with all of the information required under Rule 13.46(2)(b) of the Hong Kong Listing Rules to its shareholders. Accordingly, the Company's shareholders would not be unfairly prejudiced by it not convening an annual general meeting by June 30, 2021 for the purpose of laying its annual financial statements for the financial year ended December 31, 2020 before its members, as required by Rule 13.46(2)(b) of the Hong Kong Listing Rules.

Furthermore, the Company has not historically held an annual general meeting ("AGM") every year, and the procedures for convening an AGM for a company with a dual listing in the U.S. and Hong Kong are burdensome and require global coordination among various parties, including, but not limited to, the Company's ADS depository bank, Hong Kong share registrar, and Hong Kong Securities Clearing Company Limited. Since the Company's ADSs, rather than its Class Z ordinary shares, are traded on Nasdaq, the Company with the help of its depository bank must take a series of extra steps to convene an AGM with matters submitted to shareholders for approval, in addition to the usual procedures for giving notice to, and collecting voting results from, shareholders owning Class Z ordinary shares. To illustrate, firstly, the Company (as a public company primarily listed in the U.S. with a highly fragmented and diverse share-holder base) will have to, with the assistance of its ADS depository bank, conduct broker search to gather the contact details of securities holders, prepare and print the AGM notice and proxy forms, mail physical copies to securities

holders, arrange notification(s) to Nasdaq and an announcement on Nasdaq (in addition to the Company's own announcement). This is a time-consuming process especially for a company who has not done so in the past, and will need to be completed not less than 21 days before the date of the AGM in accordance with the Company's undertaking to the Hong Kong Stock Exchange (see "— Requirements Relating to the Articles of Association of the Company" in this section above). Secondly, sufficient time must be given to the ADS depository bank to collect voting instructions from the ADS holders so that the depository bank can cast votes on behalf of the ADS holders. Thirdly, the Company will need to coordinate with its ADS depository bank, Hong Kong share registrar and Hong Kong Securities Clearing Company Limited on the logistical matters involved in convening an AGM for U.S. and Hong Kong shareholders. Since the Company has not historically held an AGM after its listing on the Nasdaq, let alone convening an AGM for both U.S and Hong Kong shareholders, the process for preparing the Company's first AGM, taking into account potential logistical and technical challenges, could take three months or more after the Listing. As such, the Company may have difficulty and may not be able to complete these burdensome procedures as set out above and convene an AGM by June 30, 2021.

In addition, since the Company has undertaken to convene 2021 EGM in September 2021 (see "— Requirements Relating to the Articles of Association of the Company" in this section above), the Company's resources and management attention will be diverged for the preparation of such 2021 EGM.

Rule 5620(a) of the Nasdaq Stock Market Marketplace Rules (the "**Nasdaq Listing Rules**") requires that each company listing common stock or voting preferred stock, and their equivalents, shall hold an AGM no later than one year after the end of the company's fiscal year-end. However, pursuant to Rule 5615(a)(3) of the Nasdaq Listing Rules, a foreign private issuer such as the Company may follow its home country practice in lieu of the Rule 5600 Series corporate governance requirements, including the requirements to hold an AGM under Rule 5620(a). The term "home country" is defined under the U.S. securities laws to mean the jurisdiction in which the company is legally organized, incorporated or established.

The Company has, in its past practice, elected to follow home country practice pursuant to Rule 5615(a)(3) of the Nasdaq Listing Rules to avoid complying with the requirement under the Rule 5620(a) to hold an AGM every fiscal year, and has disclosed the same in the Company's annual report on Form 20-F pursuant to the U.S. securities laws.

Under article 61(a) of the Company's articles of association, the Company may (but shall not be obliged to) in each calendar year hold a general meeting as its annual general meeting.

The Company's Cayman Islands counsel confirmed that (a) the Companies Act (as revised) of the Cayman Islands does not require the Company to follow or comply with the requirement of Rule 5620(a) to hold an AGM every fiscal year; (b) the Company's not holding an AGM every fiscal year will not breach any law, public rule or regulation applicable to the Company currently in force in the Cayman Islands; (c) the Company's the memorandum and articles do not prohibit the Company from following its home country practice in lieu of the requirement of Rule 5620(a).

On the basis of the above, the Company's not holding an AGM before the end of the financial year ending December 31, 2020 does not contravene the relevant requirements under the Nasdaq Listing Rules, U.S. securities laws, laws of the Cayman Islands and the Company's articles of association.

The Company has applied for, and the Hong Kong Stock Exchange has granted, a waiver from strict compliance with Rule 13.46(2)(b) of the Hong Kong Listing Rules in respect of the requirement to hold an AGM within six months after the financial year ended December 31, 2020 for the purpose of laying the Company's annual financial statements before its members, subject to the condition that the Company shall hold an AGM for the financial year ending December 31, 2021 by June 30, 2022 for the purpose of laying before its members at the 2022 AGM the financial statements for the financial year ending December 31, 2021 and for each subsequent financial year as required by Rule 13.46(2)(b) of the Hong Kong Listing Rules.

Particulars of any Commissions, Discounts and Brokerages and Alterations of Capital and Authorized Debentures

Paragraphs 13 and 26 of Part A of Appendix 1 to the Hong Kong Listing Rules and paragraphs 11 and 14 of the Third Schedule of the Companies (Winding Up and Miscellaneous Provisions) Ordinance require the listing document to include the particulars of any commissions, discounts, brokerages or other special terms granted within two years immediately preceding the issue of the listing document in connection with the issue or sale of any capital of any member of the group and the particulars of any alterations of capital within two years immediately preceding the issue of the listing document.

Paragraph 25 of the Third Schedule of the Companies (Winding Up and Miscellaneous Provisions) Ordinance requires particulars of the authorized debentures of the Company and its subsidiaries to be disclosed in this prospectus.

The Company has identified 10 entities as its Major Subsidiaries. For further details, see the section headed "History and Corporate Structure — Major Subsidiaries and Operating Entities" in this prospectus. The Company had approximately 100 subsidiaries and operating entities as of January 31, 2021. The Company believes that it would be unduly burdensome for the Company to disclose this information in respect of its non-major subsidiaries as the Company would have to incur additional costs and devote additional resources in compiling and verifying the relevant information for such disclosure, which would not be material or meaningful to investors. The non-disclosure of such information will not prejudice the interests of investors. We confirm that all information necessary for the public to make an informed assessment of business, asset and liability, financial position, trading position, management and prospect of the Group has been disclosed in this prospectus, and that, as such, the granting of the waiver and exemption from strict compliance with the relevant content requirements under the Companies (Winding Up and Miscellaneous Provisions) Ordinance and the Hong Kong Listing Rules will not prejudice the interest of the investing public.

The Major Subsidiaries include all significant operating subsidiaries under the financial threshold of Regulation S-X in the U.S. (i.e. contributing more than 10% of the Group's total assets and income) and subsidiaries that are material to the Group's business operations

(including those that hold major intellectual properties). None of the non-Major Subsidiaries is individually material to us in terms of its contribution to our Company's total net revenues, total net income or total assets or holds any major assets and intellectual property rights. By way of illustration, the aggregate revenue of the Major Subsidiaries accounted for more than 80% of the total revenues of the Group for the year ended December 31, 2019 and 2020, respectively, and the total assets of the Major Subsidiaries represented 56% and 53% of the total assets of the Group as at December 31, 2019 and 2020, respectively. As such, the Company has disclosed the particulars of the changes in its share capital and the Major Subsidiaries in the section headed "Statutory and General Information — Further Information About Us" in Appendix IV to this prospectus, and particulars of the commissions, discounts, brokerage fee and authorized debentures in respect of the Major Subsidiaries and the Company are set out in the section headed "Statutory and General Information — Other Information — Miscellaneous" of Appendix IV to this prospectus. The disclosure of the relevant information with respect to our Major Subsidiaries provides sufficient information that is reasonably necessary to enable potential investors to make an informed assessment of "the activities, assets and liabilities, financial position, management and prospects of the Company and of its profits and losses and of the rights attaching to such securities" (per Rule 11.07 of the Hong Kong Listing Rules); and having regard to the disclosure of the relevant information with respect to its Major Subsidiaries and the fact that such information do not pertain to the business of our Company, the non-inclusion of the information with respect to the non-Major Subsidiaries does not prejudice the interest of the investing public.

The Company has applied for, and the Hong Kong Stock Exchange and SFC have granted, (i) a waiver from the requirements under paragraphs 13 and 26 of Part A of Appendix 1 to the Hong Kong Listing Rules, and (ii) an exemption from the requirements under paragraphs 11, 14 and 25 of the Third Schedule of the Companies (Winding Up and Miscellaneous Provisions) Ordinance, to the extent not strictly met by the current disclosure in this prospectus. The SFC has granted an exemption on the conditions that: (i) the particulars of such exemption are set out in this prospectus; and (ii) this prospectus will be issued on or before March 18, 2021.

Disclosure Requirements of Options

Paragraph 27 of Part A of Appendix 1 to the Hong Kong Listing Rules requires the Company to set out in this prospectus particulars of any capital of any member of the group that is under option, or agreed conditionally or unconditionally to be put under option, including the consideration for which the option was or will be granted and the price and duration of the option, and the name and address of the grantee.

Paragraph 10 of the Third Schedule to the Companies (Winding Up and Miscellaneous Provisions) Ordinance further requires the Company to set out in this prospectus, among other things, details of the number, description and amount of any of its shares or debentures which any person has, or is entitled to be given, an option to subscribe for, together with the certain particulars of the option, namely the period during which it is exercisable, the price to be paid for shares or debentures subscribed for under it, the consideration given or to be given (if any) and the names and addresses of the persons to whom it was given.

In relation to the Company, the only options over the capital or debentures are (a) those issued under the Company's global share incentive plan adopted in November 2014 (the "**Global Share Plan**") and the Company's 2018 share incentive plan adopted in February 2018 (the "**2018 Plan**", and together with the Global Share Plan, the "**Share Incentive Plans**"), which are not subject to Chapter 17 of the Hong Kong Listing Rules pursuant to Rule 19C.11 of the Hong Kong Listing Rules; and (b) the convertible senior notes described in the section below " — Particulars of Debenture Holders".

Details of the Share Incentive Plans are disclosed in the section headed "Directors and Senior Management — Compensation — Share Incentive Plans" in this prospectus. The disclosure is substantially the same as those in the Company's 20-F filings and comply with applicable U.S. laws and regulations. The current disclosure in this prospectus is therefore not in strict compliance with the requirements under Paragraph 27 of Part A of Appendix 1. The Company believes that strict compliance with such requirements would be unduly burdensome, unnecessary and/or inappropriate for the Company, and would not be material or meaningful to Hong Kong investors. The non-disclosure of such information will not prejudice the interests of investors. We confirm that all information necessary for the public to make an informed assessment of business, asset and liability, financial position, trading position, management and prospect of the Group has been disclosed in this prospectus, and that, as such, the granting of the waiver and exemption from strict compliance with the relevant content requirements under the Companies (Winding Up and Miscellaneous Provisions) Ordinance and the Hong Kong Listing Rules will not prejudice the interest of the investing public.

The Company has applied for, and the Hong Kong Stock Exchange has granted, a waiver from strict compliance with the requirements under Paragraph 27 of Part A of Appendix 1 to the extent not strictly met by the current disclosure in this prospectus. The Company has applied for, and the SFC has granted, an exemption from the requirements under Paragraph 10 of the Third Schedule of the Companies (WUMP) Ordinance. The SFC has granted an exemption on the conditions that: (i) the Company disclosed in this prospectus the number of shares issuable upon exercise of the outstanding options under the Share Incentive Plans and the maximum percentage of options held by the Company directors and executive officers and their affiliates to the Company's total outstanding Class Z ordinary shares; (ii) the particulars of the exemption are set out in this prospectus; and (iii) this prospectus will be issued on or before March 18, 2021.

Particulars of Debenture Holders

In April 2019, we issued convertible senior notes in an aggregate principal amount of US\$500 million due 2026 with an interest rate of 1.375% per annum (the "**2026 Notes**"). The 2026 Notes may be converted, at an initial conversion rate of 40.4040 ADSs per US\$1,000 principal amount (which represents an initial conversion price of US\$24.75 per ADS) at each holder's option at any time prior to the close of business on the second business day immediately preceding the maturity date of April 1, 2026.

In June 2020, we issued convertible senior notes in aggregate principal amount of US\$800 million due 2027 with an interest rate of 1.25% per annum (the "**2027 Notes**", together with the 2026 Notes, the "**Convertible Notes**"). The 2027 Notes may be converted, at

an initial conversion rate of 24.5516 ADSs per US\$1,000 principal amount (which represents an initial conversion price of US\$40.73 per ADS) at each holder's option at any time prior to the close of business on the second business day immediately preceding the maturity date of June 15, 2027.

The convertible notes were placed to institutional investors in private placements and were broadly marketed to professional investors. As the convertible notes are transferable and can be traded via brokers without a centralized registrar that keeps track of the current holders of the Convertible Notes on an ongoing basis, the Company is not in a position to confirm who hold these debt instruments at any point in time — it would be unduly burdensome for the Company to ascertain information relating to the names and addresses of the holders of the convertible notes.

The Company has applied for, and the SFC has granted, an exemption from strict compliance with paragraph 10 of the Third Schedule to the Companies (Winding Up and Miscellaneous Provisions) Ordinance to the extent not strictly met by the current disclosure in this prospectus on the following grounds:

- i. since the identities of the ultimate noteholders are practically unavailable and given the expected frequent changes of the identities of the ultimate noteholders, it would be practically impossible for the Company to disclose the names and addresses of such ultimate noteholders (which are independent third parties). The disclosure, even if it can be made, would also not provide meaningful information to the potential investors of our Company;
- ii. strict compliance with the applicable disclosure requirements under Paragraph 10 of the Third Schedule to the Companies (Winding Up and Miscellaneous Provisions) Ordinance for each ultimate noteholder on an individual basis (including the disclosure of names and addresses of all noteholders) in this prospectus will be unduly burdensome on the Company in light of the difficulty in identifying the ultimate noteholders and the potentially significant increase in cost and time for ascertaining the information;
- iii. material information relating to the Convertible Notes has been disclosed in the section headed "Financial Information — Liquidity and Capital Resources" and Note 13 (Long-term Debt) to Appendix I of this prospectus, including but not limited to the principal amount, conversion rate, and the maximum number of ADS that can be converted from the Convertible Notes and the potential dilution effect upon full conversion of each of the 2026 Notes and 2027 Notes, the maturity date, the annual coupon rate, the conversion mechanism and the noteholders' rights to require our Company to repurchase the Convertible Notes. Accordingly, information that should be reasonably necessary for potential investors to make an informed assessment of the Company in their investment decision process has been included in this prospectus; and

- iv. non-compliance with the abovementioned disclosure requirements under Paragraph 10 of the Third Schedule to the Companies (Winding Up and Miscellaneous Provisions) Ordinance would not prevent the Company from providing its potential investors with an informed assessment of the activities, assets, liabilities, financial position, management and prospects of the Company and the non-disclosure of such information will not prejudice the interests of investors.

We confirm that all information necessary for the public to make an informed assessment of business, asset and liability, financial position, trading position, management and prospect of the Group has been disclosed in this prospectus, and that, as such, the granting of the waiver and exemption from strict compliance with the relevant content requirements under the Companies (Winding Up and Miscellaneous Provisions) Ordinance and the Hong Kong Listing Rules will not prejudice the interest of the investing public.

The SFC has granted an exemption referred to above on the following conditions:

- a. in respect of the Convertible Notes issued by our Company, the following details are fully disclosed in this prospectus:
- the total principal amounts of the Convertible Notes;
 - the maximum number of Class Z ordinary shares to be converted from the Convertible Notes;
 - the conversion rates of the Convertible Notes; and
 - the conversion periods of the Convertible Notes;
- b. the potential dilution effect upon full conversion of the Convertible Notes is set out in this prospectus;
- c. the particulars of such exemption are set out in this prospectus; and
- d. this prospectus will be issued on or before March 18, 2021.

Disclosure of Information on Subsidiaries Whose Profits or Assets Make Material Contributions to the Company

Paragraph 29(1) of Part A of Appendix 1 to the Hong Kong Listing Rules and paragraph 29 of the Third Schedule to the Companies (Winding Up and Miscellaneous Provisions) Ordinance require the listing document to include information in relation to the name, date and country of incorporation, the public or private status and the general nature of the business, the issued capital and the proportion thereof held or intended to be held, of every company the whole of the capital of which or a substantial proportion thereof is held or intended to be held by the Company, or whose profits or assets make, or will make, a material contribution to the figures in the accountant's report or the next published accounts.

The Company believes that it would be unduly burdensome for the Company to procure this information for the reasons as set out in this section headed “Particulars of any Commissions, Discounts and Brokerages and Alternations of Capital and Authorized Debentures” above. The non-disclosure of such information will not prejudice the interests of investors. As such, only the particulars in relation to the Major Subsidiaries are set out in this prospectus under the sections headed “History — Corporate Structure — Major Subsidiaries” and “Statutory and General Information — Further Information About Us” in Appendix IV to this prospectus, which should be sufficient for potential investors to make an informed assessment of the Company in their investment decisions. We confirm that all information necessary for the public to make an informed assessment of business, asset and liability, financial position, trading position, management and prospect of the Group has been disclosed in this prospectus, and that, as such, the granting of the waiver and exemption from strict compliance with the relevant content requirements under the Companies (Winding Up and Miscellaneous Provisions) Ordinance and the Hong Kong Listing Rules will not prejudice the interest of the investing public.

The Company has applied for, and the Hong Kong Stock Exchange and SFC have granted, (i) a waiver from strict compliance with the requirements under paragraph 29(1) of Part A of Appendix 1 to the Hong Kong Listing Rules, and (ii) an exemption from the requirements under Paragraph 29 of the Third Schedule of the Companies (Winding Up and Miscellaneous Provisions) Ordinance, to the extent not strictly met by the current disclosure in this prospectus. The SFC has granted an exemption on the conditions that: (i) the particulars of such exemption are set out in this prospectus; and (ii) this prospectus will be issued on or before March 18, 2021.

Disclosure Requirements of the Remuneration of Directors and Five Individuals Whose Emoluments were Highest

Paragraph 33(2) of Part A of Appendix 1 to the Hong Kong Listing Rules requires the listing document to include information in respect of directors’ emoluments during the three financial years ended December 31, 2017, 2018 and 2019. Paragraph 46(2) of Part A of Appendix 1 to the Hong Kong Listing Rules requires the listing document to include the aggregate of the remuneration paid and benefits in kind granted to the directors of the issuer in respect of the last completed financial year, and Paragraph 46(3) of Part A of Appendix 1 to the Hong Kong Listing Rules requires information in relation to an estimate of the aggregate remuneration and benefits in kind payable to directors in respect of the current financial year to be set out in the listing document.

Paragraph 33(3) of Part A of Appendix 1 to the Hong Kong Listing Rules requires the listing document to include information with respect to the five individuals whose emoluments were highest in the group for the year if one or more individuals whose emoluments were the highest have not been included under paragraph 33(2) of Part A of Appendix 1 to the Hong Kong Listing Rules.

The aggregate fees, salaries and benefits paid and accrued to its directors and executive officers as a group are disclosed in the section headed “Directors and Senior Management — Compensation” in this prospectus. The Company confirms that the current disclosure complies

with U.S. annual reporting requirements and is in line with the Company's disclosure in its annual reports on Form 20-F.

The Company believes that additional disclosure required by Paragraphs 33(2), 33(3), 46(2) and 46(3) of Part A of Appendix 1 to the Hong Kong Listing Rules would be unduly burdensome and would not provide additional meaningful disclosure for potential Hong Kong investors.

The Company has applied for, and the Hong Kong Stock Exchange has granted, a waiver from strict compliance with the requirements under Paragraphs 33(2), 33(3), 46(2) and 46(3) of Part A of Appendix 1 to the Hong Kong Listing Rules, to the extent not strictly met by the current disclosure in this prospectus.

Three-Year Restriction on Spin-Offs

Rule 19C.11 of the Hong Kong Listing Rules provides that, among other things, paragraphs 1 to 3(b) and 3(d) to 5 of Practice Note 15 to ("PN15") the Hong Kong Listing Rules do not apply to a Qualifying Issuer that has, or is seeking, a secondary listing on the Hong Kong Stock Exchange. This exception is limited to circumstances where the spun-off assets or businesses are not to be listed on the Hong Kong Stock Exchange's markets and the approval of shareholders of the Parent (as defined in PN15) is not required. Paragraph 3(b) of PN15 provides that the Listing Committee would not normally consider a spin-off application within three years of the date of listing of the Parent, because the original listing of the Parent will have been approved on the basis of the Parent's portfolio of businesses at the time of listing, and the expectation of investors at that time would have been that the Parent would continue to develop those businesses.

The Company, from time to time, considers different opportunities to bring value to its shareholders, including spinning off any of its business subsidiaries when they have reached a desirable level of maturity. The exact timing of any potential spin-off would depend on the development of each of the business subsidiaries and market conditions. In some cases, it is possible that a spin-off within three years of the Listing may be appropriate. As of the Latest Practicable Date, the Company has not identified any target for a potential spin-off and as a result the Company does not have any information relating to the identity of any spin-off target or any other details of any spin-off; and accordingly, there is no material omission of any information relating to any possible spin-off in this prospectus. Any potential spin-offs by the Company will be subject to compliance with all applicable requirements under the Hong Kong Listing Rules, including PN15, unless otherwise waived by the Hong Kong Stock Exchange.

No shareholders' approval with respect to a potential spin-off will be required under the Company's Articles under applicable U.S. regulations and Nasdaq rules. Further, as the Company is seeking a secondary listing under Chapter 19C of the Hong Kong Listing Rules and is therefore exempt from the requirements under Chapter 14 of the Hong Kong Listing Rules pursuant to Rule 19C.11, no shareholders' approval will be required under the Hong Kong Listing Rules as well.

The effect of a spin-off to the Company's shareholders should be the same regardless of whether or not the businesses to be potentially spun-off are to be listed on the Hong Kong Stock Exchange (save with respect to any preferential rights to subscribe for shares that are commonly provided in spin-offs on the Hong Kong Stock Exchange). Given the fact that certain spin-offs by secondary issuers are allowed within three years after their listing in Hong Kong pursuant to Rule 19C.11 of the Hong Kong Listing Rules, the Company believes that the three-year restriction on spin-offs on the Hong Kong Stock Exchange should also be waived and shall not apply to a potential spin-off by the Company.

The Company and any subsidiary in respect of which a potential spin-off is contemplated will be subject to compliance with all other applicable requirements under the Hong Kong Listing Rules, including the remaining requirements of PN15 and the applicable listing eligibility requirements under the Hong Kong Listing Rules, unless otherwise waived by the Hong Kong Stock Exchange.

Under U.S. securities laws and Nasdaq rules, the Company is not subject to any restrictions similar to the three-year restriction under paragraph 3(b) of PN15 in relation to the spin-offs of its business subsidiaries, nor is there any requirement for the Company to disclose any details of its potential spin-off entities when such information is not available because of the absence of any concrete spin-off plan.

The Company's directors owe fiduciary duties to the Company, including the duty to act in what they consider in good faith to be in the best interests of the Company; as such they will only pursue a potential spin-off if there are clear commercial benefits both to the Company and the entity to be spun off; and the directors will not direct the Company to conduct any spin-off if they believe it will have an adverse impact on the interests of the Company's shareholders.

The Company has applied for, and the Hong Kong Stock Exchange has granted, a waiver from strict compliance with the requirements of paragraph 3(b) of PN15 to be granted on the following conditions:

- (a) the Company will not within three years after the Listing spin off any of its business subsidiaries on the Hong Kong Stock Exchange until it confirms with the Hong Kong Stock Exchange with basis that the potential spin-off would not render the Company, excluding the subsidiary to be spun off, failing to meet the eligibility or suitability requirements under Rule 19C.05 of the Hong Kong Listing Rules based on the financial information of the subsidiary to be spun off at the time of the Listing, and where more than one subsidiary is to be spun off, the assessment will be made on a cumulative basis;
- (b) the Company will disclose in this prospectus its intention relating to any potential spin-off on the Hong Kong Stock Exchange within three years after the Listing and the risks relating to the uncertainty and timing of any potential spin-offs (see "Risk Factors — Divestitures of businesses and assets may have a material and adverse effect on our business and financial condition");

- (c) any potential spin-offs on the Hong Kong Stock Exchange by the Company will be subject to the requirements of PN15 (other than paragraph 3(b) thereof), including that each of the Company and the business subsidiary to be spun off will satisfy the applicable listing eligibility requirements on a standalone basis; and
- (d) disclosure of this waiver in this prospectus.

Timing Requirement of Liquidity Disclosure

Paragraph 32 of Part A of Appendix 1 to the Listing Rules requires a listing document to include a statement (or an appropriate negative statement) of a new applicant's indebtedness as at a specified most recent practicable date (the "**Most Recent Practicable Date**"), and a commentary on its liquidity, financial resources and capital structure (together, the "**Liquidity Disclosure**").

In accordance with Hong Kong Stock Exchange's Guidance Letter HKEX-GL37-12 ("**GL37-12**"), the Hong Kong Stock Exchange normally expects that the Most Recent Practicable Date for the Liquidity Disclosure, including, among other things, commentary on liquidity and financial resources such as net current assets (liabilities) position and management discussion on this position, in a listing document to be dated no more than two calendar months before: (a) the date of the application proof of the listing document and (b) the final date of the listing document.

As this prospectus is expected to be published in March 2021, the Company would otherwise be required to make the relevant indebtedness and liquidity disclosures no earlier than January 2021 pursuant to GL37-12. Given that the Company expects to include in this prospectus an accountant's report incorporating the audited consolidated financial information of the Group for the three years ended December 31, 2020, it would be unduly burdensome for the Company to re-arrange information for similar liquidity disclosures on a consolidated basis shortly after the end of the Company's current financial year. For a detailed commentary on the Group's liquidity position, please refer to the section headed "Financial Information — Liquidity and Capital Resources" and "— Working Capital".

Strict compliance with the Liquidity Disclosure requirements would constitute an additional one-off disclosure by the Company of its liquidity position on a date that would fall within the first quarter of its financial year, which would otherwise not be required to be disclosed to investors in the U.S. under applicable U.S. regulations and Nasdaq rules, because the Company is required to announce quarterly results at the end and not in the middle of each quarter of its financial year. Such a one-off disclosure would likely confuse the Company's existing investors and deviate from its customary practice and that of other U.S. listed companies.

In any event, if there are any material changes to such disclosures, the Company would be required to make an announcement pursuant to U.S. regulations and Nasdaq rules and disclose relevant material facts in this prospectus pursuant to the Hong Kong Listing Rules.

In the event that there is no material change to such disclosures, any similar disclosures made pursuant to GL37-12 would not give additional meaningful information to investors.

The Company has applied for, and the Hong Kong Stock Exchange has granted, a waiver from strict compliance with the timing requirement for the Liquidity Disclosure in this prospectus under GL37-12, such that the reported date of indebtedness and liquidity information in this prospectus will not exceed the requirement under GL37-12 by one calendar month (i.e. the time gap between the reported date of the Company's indebtedness and liquidity information and the date of this prospectus would be no more than three calendar months).

Disclosure of Offer Price

Paragraph 15(2)(c) of Part A of Appendix 1 to the Hong Kong Listing Rules provides that the issue price or offer price of each security must be disclosed in the listing document.

We set out below the reasons for the waiver from strict compliance with Paragraph 15(2)(c) of Part A of Appendix 1 to the Hong Kong Listing Rules:

- (i) **The Public Offer Price will be determined by reference to the Company's ADS price:** The Company's ADSs is listed and traded on NASDAQ. With a view to aligning the interest of securities holders in both U.S. and Hong Kong, the final offer price per Hong Kong Offer Share (the "**Public Offer Price**") will be determined with reference to, among other factors, the closing price of the Company's ADSs on NASDAQ on the last trading day on or before the Price Determination Date. The market price of the Company's ADSs traded on NASDAQ is subject to various factors including the overall market conditions, the global economy, the industry updates, etc., and is not within the control of the Company. The Company may set the International Offer Price at a level higher than the maximum Public Offer Price if (a) the Hong Kong dollar equivalent of the closing trading price of the ADSs on Nasdaq on the last trading day on or before the Price Determination Date (on a per Class Z ordinary share converted basis) were to exceed the maximum Public Offer Price as stated in this prospectus and/or (b) the Company believes that it is in the best interest of the Company as a listed company to set the International Offer Price at a level higher than the maximum Public Offer Price based on the level of interest expressed by professional and institutional investors during the book-building process. If the International Offer Price is set at or lower than the maximum Public Offer Price, the Public Offer Price must be set at such price which is equal to the International Offer Price;
- (ii) **Negative impact on the market price of the Company's ADSs and Offer Shares.** Setting a fixed price or a price range with a low-end offer price per Offer Share may be regarded by the investors and shareholders of the Company as an indication of the current market value of the Company's Shares, which may adversely affect the market price of the ADSs of the Company and the Offer Shares; and
- (iii) **Compliance with Companies (Winding Up and Miscellaneous Provisions) Ordinance.** Pursuant to paragraph 10(b) of the Third Schedule to the Companies (Winding Up and Miscellaneous Provisions) Ordinance, the price to be paid for

shares subscribed for shall be specified in the Prospectus. On this basis, disclosure of a maximum Public Offer Price complies with the requirements prescribed under paragraph 10(b) of the Third Schedule to the Companies (Winding Up and Miscellaneous Provisions) Ordinance, which provides clear indication of the maximum subscription consideration which a potential investor shall pay for Hong Kong Offer Shares.

We have applied for, and the Hong Kong Stock Exchange has granted, a waiver from strict compliance with Paragraph 15(2)(c) of Part A of Appendix 1 to the Hong Kong Listing Rules based on the reasons above, so that the Company will only disclose the maximum Public Offer Price for the Hong Kong Offer Shares in the prospectus.

See “Structure of the Global Offering — Pricing and Allocation” in this prospectus for (i) the time for determination of the Public Offer Price and form of its publication; (ii) the historical prices of our ADS and trading volume on the Nasdaq; and (iii) the source for investor to access the latest market price of the Company’s ADS.

Clawback Mechanism

Requirements under the Hong Kong Listing Rules Paragraph 4.2 of PN18 of the Hong Kong Listing Rules (“**Paragraph 4.2**”) requires a clawback mechanism to be put in place, which would have the effect of increasing the number of Hong Kong Offer Shares to certain percentages of the total number of the Offer Shares offered in the Global Offering if certain prescribed total demand levels are reached.

We have applied to the Hong Kong Stock Exchange for, and the Hong Kong Stock Exchange has granted us, a waiver from strict compliance with paragraph 4.2 of Practice Note 18 of the Hong Kong Listing Rules such that, provided the initial allocation of Shares under the Hong Kong Public Offering shall not be less than 3% of the Global Offering, in the event of over-subscription, the Joint Representatives shall apply clawback mechanism as set out below following the closing of the application lists with reference to the final offering size of the Global Offering (assuming the Overallotment Option is not exercised) based on the offer price determined on the Price Determination Date.

Based on the current market conditions, the Joint Representatives shall apply a clawback mechanism following the closing of the application lists on the following basis:

- (a) if the number of the Offer Shares validly applied for under the Hong Kong Public Offering represents 10 times or more but less than 15 times of the number of the Offer Shares initially available for subscription under the Hong Kong Public Offering, then the number of Offer Shares to be reallocated to the Hong Kong Public Offering from the International Offering will be increased, so that the total number of Offer Shares available under the Hong Kong Public Offering will be 1,500,000 Offer Shares, representing 6.0% of the Offer Shares initially available under the Global Offering;

- (b) if the number of the Offer Shares validly applied for under the Hong Kong Public Offering represents 15 times or more but less than 20 times of the number of the Offer Shares initially available for subscription under the Hong Kong Public Offering, then the number of Offer Shares to be reallocated to the Hong Kong Public Offering from the International Offering will be increased, so that the total number of the Offer Shares available under the Hong Kong Public Offering will be 2,250,000 Offer Shares, representing 9.0% of the Offer Shares initially available under the Global Offering; and
- (c) if the number of the Offer Shares validly applied for under the Hong Kong Public Offering represents 20 times or more of the number of the Offer Shares initially available for subscription under the Hong Kong Public Offering, then the number of Offer Shares to be reallocated to the Hong Kong Public Offering from the International Offering will be increased, so that the total number of the Offer Shares available under the Hong Kong Public Offering will be 3,000,000 Offer Shares, representing 12.0% of the Offer Shares initially available under the Global Offering.

In each case, the additional Offer Shares reallocated to the Hong Kong Public Offering will be allocated between pool A and pool B and the number of Offer Shares allocated to the International Offering will be correspondingly reduced in such manner as the Joint Representatives deem appropriate. In addition, the Joint Representatives may allocate Offer Shares from the International Offering to the Hong Kong Public Offering to satisfy valid applications under the Hong Kong Public Offering.

If the Hong Kong Public Offering is not fully subscribed, the Joint Representatives have the authority to reallocate all or any unsubscribed Hong Kong Public Shares to the International Offering, in such proportions as the Joint Representatives deem appropriate. See “Structure of the Global Offering — The Hong Kong Public Offering — Reallocation.”

Not a Public Company in Hong Kong Under the Takeovers Code

Section 4.1 of the Introduction to Takeovers Codes provides that the Takeovers Codes apply to takeovers, mergers and share buy-backs affecting, among others, public companies in Hong Kong and companies with a primary listing in Hong Kong. In order to determine whether a company is a “public company in Hong Kong”, Section 4.2 of the Takeovers Code provides that the Executive will consider all the circumstances and apply an economic or commercial test, taking into account primarily the number of Hong Kong shareholders and the extent of share trading in Hong Kong and other factors including (i) the location of its head office and place of central management; (ii) the location of its business and assets, including such factors as registration under companies legislation and tax status; and (iii) the existence or absence of protection available to Hong Kong shareholders given by any statute or code regulating takeovers, mergers and share repurchases outside Hong Kong.

The Company has applied for, and the SFC has granted, a ruling that the Company is not a “public company in Hong Kong” for the purposes of the Takeovers Codes. Therefore, the Takeovers Codes do not apply to the Company. In the event that the bulk of trading in the Company’s Shares migrates to Hong Kong such that the Company would be treated as having a dual-primary listing pursuant to Rule 19C.13 of the Hong Kong Listing Rules, the Takeovers Codes will apply to the Company.

Disclosure of Interests under Part XV of the SFO

Part XV of the SFO imposes duties of disclosure of interests in Shares. Under the U.S. Exchange Act, which the Company is subject to, any person (including directors and officers of the company concerned) who acquires beneficial ownership, as determined in accordance with the rules and regulations of the SEC and which includes the power to direct the voting or the disposition of the securities, of more than 5% of a class of equity securities registered under Section 12 of the U.S. Exchange Act must file beneficial owner reports with the SEC, and such person must promptly report any material change in the information provided (including any acquisition or disposition of 1% or more of the class of equity securities concerned), unless exceptions apply. Therefore, compliance with Part XV of the SFO would subject the Company's corporate insiders to a second level of reporting, which would be unduly burdensome to them, would result in additional costs and would not be meaningful, since the statutory disclosure of interest obligations under the U.S. Exchange Act that apply to the Company and its corporate insiders would provide its investors with sufficient information relating to the shareholding interests of its significant shareholders.

The Company has applied for, and the SFC has granted, a partial exemption under section 309(2) of the SFO to the Company, its substantial shareholders, directors and chief executive from strict compliance with the provisions of Part XV of the SFO (other than Divisions 5, 11 and 12 of part IV of the SFO) on the conditions that (i) the bulk of trading in the Shares is not considered to have migrated to Hong Kong on a permanent basis in accordance with Rule 19C.13 of the Listing Rules; (ii) all the disclosures of interests filed with the SEC are also filed with the Hong Kong Stock Exchange as soon as practicable, which will then publish such disclosures in the same manner as disclosures made under Part XV of the SFO; and (iii) the Company will advise the SFC if there is any material change to any of the information which has been provided to the SFC, including any significant changes to the disclosure requirements in the U.S. and any significant changes in the volume of the Company's worldwide share turnover that takes place on the Hong Kong Stock Exchange. This exemption may be reconsidered by the SFC in the event there is a material change in information provided to the SFC.

Disclosure of Interests Information

Part XV of the SFO imposes duties of disclosure of interests in shares. Practice Note 5 and paragraphs 41(4) and 45 of Part A of Appendix 1 to the Hong Kong Listing Rules require the disclosure of interests information in respect of shareholders' and directors' interests in this prospectus.

The U.S. Exchange Act and the rules and regulations promulgated thereunder require disclosure of interests by shareholders that are broadly equivalent to Part XV of the SFO. Relevant disclosure in respect of the substantial shareholder's interests can be found in the section headed "Major Shareholders" in this prospectus.

The Company has applied for, and the Hong Kong Stock Exchange has granted, a waiver from strict compliance with Practice Note 5 and Paragraphs 41(4) and 45 of Part A of Appendix 1 to the Hong Kong Listing Rules is to be granted on the following conditions:

- (a) the SFC granting the Company, its substantial shareholders, directors and chief executive a partial exemption from strict compliance with Part XV of the SFO;
- (b) the Company undertaking to file with the Hong Kong Stock Exchange, as soon as practicable, any declaration of shareholding and securities transactions filed with the SEC; and
- (c) the Company undertaking to disclose in present and future listing documents any shareholding interests as disclosed in an SEC filing and the relationship between its directors, officers, members of committees and their relationship to any controlling shareholders.

SECTION B1

FOREIGN LAWS AND REGULATIONS

Our Company is incorporated in the Cayman Islands and governed by its Articles of Association, as amended from time to time, and subject to the Companies Act, Cap.22 (Act 3 of 1961, as consolidated and revised) of the Cayman Islands, as amended or supplemented or otherwise modified from time to time (the “**Cayman Companies Act**”). Our ADSs are also listed in the U.S. on Nasdaq under the symbol “BILI”; we are considered a “foreign private issuer” and are subject to certain U.S. laws and regulations and the Nasdaq rules. We set out below a summary of key laws and regulations that concern shareholder rights and taxation that may differ from comparable provisions in Hong Kong. This summary does not contain all applicable laws and regulations, nor does it set out all the differences with laws and regulations in Hong Kong, or constitute legal or tax advice.

Foreign Laws and Regulations: Cayman Islands

RIGHTS OF SHAREHOLDERS

1. Dividends

Under our constitution

The holders of our Shares are entitled to such dividends as may be declared by our board of directors. In addition, shareholders may declare a dividends by passing an ordinary resolution, but no dividend shall exceed the amount recommended by the directors. Under Cayman Islands law, dividends may be declared and paid only out of funds legally available therefor, namely out of either profit, retained earnings, or our share premium account, and provided further that a dividend may not be paid if this would result in our Company being, immediately following such payment, unable to pay its debts as they fall due in the ordinary course of business.

Dividends received by each Class Y ordinary share and Class Z ordinary share in any dividend distribution shall be the same.

Any dividend or bonuses unclaimed after a period of six years from the date of declaration shall be forfeited and shall revert to our Company.

2. Voting Rights

Under our constitution

Holders of Class Y ordinary shares and Class Z ordinary shares at all times vote together as a single class on all resolutions submitted to a vote by the shareholders, except as may otherwise be required by law or provided for in the Memorandum and Articles of Association. In respect of matters requiring shareholders’ vote, on a show of hands, every

shareholder present in person or by proxy at a general meeting is entitled to one vote or, on a poll, each Class Y ordinary share is entitled to ten votes, and each Class Z ordinary share is entitled to one vote. Voting at any shareholders' meeting is by show of hands unless a poll is demanded. A poll may be demanded by the chairman of such meeting or any shareholder present in person or by proxy with a right to attend and vote at such meeting.

An ordinary resolution to be passed by the shareholders requires the affirmative vote of a simple majority of the votes cast by those shareholders entitled to vote who are present in person or by proxy at a general meeting. Holders of the ordinary shares may, among other things, divide or consolidate their shares by ordinary resolution. A special resolution requires the affirmative vote of no less than two-thirds of the votes cast by those shareholders entitled to vote who are present in person or by proxy at a general meeting. A special resolution will be required for important matters such as a change of name or making changes to the Memorandum and Articles of Association. Both ordinary resolutions and special resolutions may also be passed by a unanimous written resolution signed by all the shareholders of our Company, as permitted by the Cayman Companies Act and the Memorandum and Articles of Association.

3. Liquidation

Under our constitution

On winding up of our Company, if the assets available for distribution among the shareholders shall be more than sufficient to repay the whole of the share capital at the commencement of the winding up, the surplus shall be distributed amongst the shareholders in proportion to the par value of the shares held by them at the commencement of the winding up, subject to a deduction from those shares in respect of which there are monies due, of all monies payable to our Company for unpaid calls or otherwise. If the assets available for distribution are insufficient to repay the whole of the share capital, the assets will be distributed so that the losses are borne by our shareholders proportionately.

Under the Cayman Companies Act

A company may be placed in liquidation compulsorily by an order of the court, or voluntarily (a) by a special resolution of its members if our company is solvent, or (b) by an ordinary resolution of its members if our company is insolvent.

4. Shareholders' Suits

Under the Cayman Companies Act

The Cayman Islands courts can be expected to follow English case law precedents. The rule in *Foss v. Harbottle* (and the exceptions thereto which permit a minority shareholder to commence a class action against or derivative actions in the name of our Company to challenge (a) an act which is ultra vires our Company or illegal, (b) an act

which constitutes a fraud against the minority where the wrongdoers are themselves in control of our Company, and (c) an action which requires a resolution with a qualified (or special) majority which has not been obtained) has been applied and followed by the courts in the Cayman Islands.

5. Protection of Minorities

Under the Cayman Companies Act

In the case of a company (not being a bank) having a share capital divided into shares, the Grand Court of the Cayman Islands may, on the application of members holding not less than one-fifth of the shares of our Company in issue, appoint an inspector to examine into the affairs of our Company and to report thereon in such manner as the Grand Court shall direct.

Any shareholder of a company may petition the Grand Court of the Cayman Islands which may make a winding up order if the court is of the opinion that it is just and equitable that our Company should be wound up.

Claims against a company by its shareholders must, as a general rule, be based on the general laws of contract or tort applicable in the Cayman Islands or their individual rights as shareholders as established by our Company's memorandum and articles of association.

The English common law rule that the majority will not be permitted to commit a fraud on the minority has been applied and followed by the courts of the Cayman Islands.

DIRECTORS' POWERS AND INVESTOR PROTECTION

6. Director's Borrowing Powers

Under our constitution

Our directors may exercise all the powers of our Company to raise or borrow money and to mortgage or charge its undertaking, property and assets (present and future) and uncalled capital or any part thereof, to issue debentures, debenture stock and other securities, whether outright or as collateral security for any debt, liability or obligation of our Company or any third party.

7. Shareholders' Suits

Under the Cayman Companies Act

See item 4 above.

8. Protection of Minorities

Under the Cayman Companies Act

See item 5 above.

TAKEOVER OR SHARE REPURCHASES

9. Redemption, Purchase and Surrender of Shares

Under our constitution

Our Company may issue shares on terms that such shares are subject to redemption, at the option of our Company or at the option of the holders thereof, on such terms and in such manner as may be determined, before the issue of such shares, by the board of directors or by a special resolution of the shareholders. Our Company may repurchase any of our Company's shares provided that the manner and terms of such purchase have been approved by the board of directors or by ordinary resolution of the shareholders or are otherwise authorized by the Memorandum and Articles of Association. Under the Cayman Companies Act, the redemption or repurchase of any share may be paid out of our Company's profits or out of the proceeds of a fresh issue of shares made for the purpose of such redemption or repurchase, or out of capital (including share premium account and capital redemption reserve) if our Company can, immediately following such payment, pay our debts as they fall due in the ordinary course of business. In addition, under the Cayman Companies Act no such share may be redeemed or repurchased (a) unless it is fully paid up, (b) if such redemption or repurchase would result in there being no shares outstanding, or (c) if our Company has commenced liquidation. In addition, our Company may accept the surrender of any fully paid share for no consideration.

10. Mergers and Consolidations

Under the Cayman Companies Act

The Cayman Companies Act permits mergers and consolidations between Cayman Islands companies and between Cayman Islands companies and non-Cayman Islands companies. For these purposes, (a) "merger" means the merging of two or more constituent companies and the vesting of their undertaking, property and liabilities in one of such companies as the surviving company, and (b) "consolidation" means the combination of two or more constituent companies into a consolidated company and the vesting of the undertaking, property and liabilities of such companies to the consolidated company. In order to effect such a merger or consolidation, the directors of each constituent company must approve a written plan of merger or consolidation, which must then be authorised by (a) a special resolution of each constituent company and (b) such other authorisation, if any, as may be specified in such constituent company's articles of association. The written plan of merger or consolidation must be filed with the Registrar of Companies of the Cayman Islands together with a declaration as to the solvency of the consolidated or surviving company, a list of the assets and liabilities of

each constituent company and an undertaking that a copy of the certificate of merger or consolidation will be given to the members and creditors of each constituent company and that notification of the merger or consolidation will be published in the Cayman Islands Gazette. Dissenting shareholders have the right to be paid the fair value of their shares (which, if not agreed between the parties, will be determined by the Cayman Islands court) if they follow the required procedures, subject to certain exceptions. Court approval is not required for a merger or consolidation which is effected in compliance with these statutory procedures.

11. Reconstructions

Under the Cayman Companies Act

There are statutory provisions which facilitate reconstructions and amalgamations approved by a majority in number representing 75% in value of shareholders or creditors, depending on the circumstances, as are present at a meeting called for such purpose and thereafter sanctioned by the Grand Court of the Cayman Islands. Whilst a dissenting shareholder would have the right to express to the Grand Court his view that the transaction for which approval is sought would not provide the shareholders with a fair value for their shares, the Grand Court is unlikely to disapprove the transaction on that ground alone in the absence of evidence of fraud or bad faith on behalf of management and if the transaction were approved and consummated the dissenting shareholder would have no rights comparable to the appraisal rights (i.e. the right to receive payment in cash for the judicially determined value of his shares) ordinarily available, for example, to dissenting shareholders of United States corporations.

12. Take-overs

Under the Cayman Companies Act

Where an offer is made by a company for the shares of another company and, within four months of the offer, the holders of not less than 90% of the shares which are the subject of the offer accept, the offeror may at any time within two months after the expiration of the said four months, by notice require the dissenting shareholders to transfer their shares on the terms of the offer. A dissenting shareholder may apply to the Grand Court of the Cayman Islands within one month of the notice objecting to the transfer. The burden is on the dissenting shareholder to show that the Grand Court should exercise its discretion, which it will be unlikely to do unless there is evidence of fraud or bad faith or collusion as between the offeror and the holders of the shares who have accepted the offer as a means of unfairly forcing out minority shareholders.

TAXATION

13. Stamp duty on transfers

Under the Cayman Companies Act

No stamp duty is payable in the Cayman Islands on transfers of shares of Cayman Islands companies except those which hold interests in land in the Cayman Islands.

14. Taxation

Under the Cayman Companies Act

Pursuant to section 6 of the Tax Concessions Act (As Revised) of the Cayman Islands, our Company may obtain an undertaking from the Financial Secretary of the Cayman Islands:

- (a) that no law which is enacted in the Cayman Islands imposing any tax to be levied on profits, income, gains or appreciations shall apply to our Company or its operations; and
- (b) in addition, that no tax to be levied on profits, income, gains or appreciations or which is in the nature of estate duty or inheritance tax shall be payable:
 - (i) on or in respect of the shares, debentures or other obligations of our Company; or
 - (ii) by way of the withholding in whole or in part of any relevant payment as defined in section 6(3) of the Tax Concessions Act (As Revised).

The Cayman Islands currently levy no taxes on individuals or corporations based upon profits, income, gains or appreciations and there is no taxation in the nature of inheritance tax or estate duty. There are no other taxes likely to be material to our Company levied by the Government of the Cayman Islands save certain stamp duties which may be applicable, from time to time, on certain instruments executed in or brought within the jurisdiction of the Cayman Islands. The Cayman Islands are not party to any double tax treaties that are applicable to any payments made by or to our Company.

- *Voting of deposited securities.* Upon receipt of notice of any shareholders meeting, if requested in writing by the Company, the depository must, as soon as practicable, mail to ADR holders a notice containing key information received by the depository; and upon written instruction by the ADR holder, the depository will, as far as practicable, vote the underlying shares in accordance with the ADR holder's instructions. If no instructions are received, the depository may give a discretionary proxy to a person designated by the Company.
- *Reports.* ADR holders have a right to inspect reports and communications, including proxy soliciting material, received from the Company by the depository or generally made available to shareholders.
- *Withdrawal.* Subject to limited exceptions, ADR holders have the right to cancel their ADSs and withdraw the underlying shares at any time.

2. Shareholder Proposals and Approvals

As a foreign private issuer, our Company is not subject to SEC rules regarding proxy statements to shareholders. Instead, shareholder proposals must be made in accordance with our Company's Articles of Association, as amended.

Each Nasdaq-listed company is generally required to obtain shareholder approval of certain issuances of securities, including in connection with: (i) acquiring the stock or assets of another company; (ii) equity-based compensation of officers, directors, employees or consultants; (iii) a change of control; and (iv) private placements. However, as our Company is a foreign private issuer, it can follow "home country practice" (*i.e.*, the practice in the Cayman Islands) in lieu of complying with the above Nasdaq rules.

3. Corporate Governance

The Nasdaq Marketplace Rules contain a number of corporate governance requirements for Nasdaq-listed companies, the principal of which are:

- *Majority Independent Directors.* A majority of the board of directors must be comprised of "Independent Directors."
- *Audit Committee.* Each Nasdaq-listed company must have an audit committee of at least three members consisting of independent directors who satisfy certain requirements.

- *Compensation Committee.* Each Nasdaq-listed company must have a compensation committee of at least two members consisting of independent directors.
- *Nomination Committee.* The independent directors or a committee of independent directors must select or recommend nominees for directors.

However, as a foreign private issuer, our Company can opt to be exempt from most of the requirements if they choose to follow “home country practice,” which would be disclosed in our annual report on Form 20-F. Notwithstanding, our Company cannot opt out of the requirement to maintain an audit committee, which would be responsible for establishing procedures for handling complaints regarding our Company’s accounting practices.

4. Sarbanes-Oxley Requirements

The Company is also subject to the *U.S. Sarbanes-Oxley Act of 2002* (“**Sarbanes-Oxley**”). Sarbanes-Oxley addresses issues such as the composition of the audit committee of the board of directors and the adoption of the company codes of ethics, including:

- *No loans to directors or executive officers.* A company cannot extend loans to its directors and executive officers.
- *Whistle-blower protection.* The company is required to establish procedures for confidential and anonymous submission by employees of accounting-related concerns.

5. Takeover Regulations

Mergers. If we are required to seek shareholder approval in connection with a merger pursuant to the requirements of Cayman Islands law or our Articles of Association, as amended, we will furnish the proxy statement for the applicable shareholders’ meeting to the SEC on a current report on Form 6-K. As noted above, however, foreign private issuers such as our Company may elect to follow their “home country practices” in lieu of complying with applicable shareholder approval requirements under the Nasdaq Marketplace Rules. In addition, if the merger involves the issuance of shares, we may be required to register the offering of such shares with the SEC.

Tender Offers. Neither the U.S. federal securities laws nor the Nasdaq Marketplace Rules have the concept of a “general offer.” Therefore, a party making a tender offer is free to decide how many shares will be subject to the offer. All holders of the same class of securities must be treated equally and the highest consideration paid to any one shareholder of that class of securities must be paid to all shareholders of that same class. A tender offer must remain open for a minimum of 20 business days after commencement, and may be extended in circumstances. Within 10 business days of commencement, the subject company must send a notice to its shareholders recommending whether to accept or reject a tender offer, or expressing a neutral position.

Disclosure of Interests for Major Shareholders. Any person who, after acquiring beneficial ownership of a class of equity securities (which includes the power to direct the voting or the disposition of the securities) registered under Section 12 of the Exchange Act (“Registered Equity Class”), is a beneficial owner of more than 5% of the Registered Equity Class, must publicly file beneficial owner reports (Schedule 13D or Schedule 13G) with the SEC, and such person must promptly report any material change in the information provided (including any acquisition or disposition of 1% or more of the class of securities), unless exceptions apply. Schedule 13D must be filed by all major shareholders who are not otherwise eligible to use Schedule 13G.

CLASS Y ORDINARY SHARES AND CLASS Z ORDINARY SHARES

- 12. Holders of Class Y Ordinary Shares and Class Z Ordinary Shares shall at all times vote together as one class on all resolutions submitted to a vote by the Members. Each Class Y Ordinary Share shall entitle the holder thereof to ten (10) votes on all matters subject to vote at general meetings of the Company, and each Class Z Ordinary Share shall entitle the holder thereof to one (1) vote on all matters subject to vote at general meetings of the Company.

13. Each Class Y Ordinary Share is convertible into one (1) Class Z Ordinary Share at any time at the option of the holder thereof. The right to convert shall be exercisable by the holder of the Class Y Ordinary Share delivering a written notice to the Company that such holder elects to convert a specified number of Class Y Ordinary Shares into Class Z Ordinary Shares. In no event shall Class Z Ordinary Shares be convertible into Class Y Ordinary Shares.
14. Any conversion of Class Y Ordinary Shares into Class Z Ordinary Shares pursuant to these Articles shall be effected by means of the re-designation of each relevant Class Y Ordinary Share as a Class Z Ordinary Share. Such conversion shall become effective forthwith upon entries being made in the Register to record the re-designation of the relevant Class Y Ordinary Shares as Class Z Ordinary Shares.
15. Upon any sale, transfer, assignment or disposition of any Class Y Ordinary Share by a Shareholder to any person who is not a Founder or Founder Affiliate, or upon a change of ultimate beneficial ownership of any Class Y Ordinary Share to any Person who is not a Founder or Founder Affiliate, such Class Y Ordinary Share shall be automatically and immediately converted into one Class Z Ordinary Share. For the avoidance of doubt, (i) a sale, transfer, assignment or disposition shall be effective upon the Company's registration of such sale, transfer, assignment or disposition in its Register; and (ii) the creation of any pledge, charge, encumbrance or other third party right of whatever description on any Class Y Ordinary Shares to secure a holder's contractual or legal obligations shall not be deemed as a sale, transfer, assignment or disposition unless and until any such pledge, charge, encumbrance or other third party right is enforced and results in the third party holding legal title to the relevant Class Y Ordinary Shares, in which case all the related Class Y Ordinary Shares shall be automatically converted into the same number of Class Z Ordinary Shares. For purpose of this Article 15, beneficial ownership shall have the meaning set forth in Rule 13d-3 under the United States Securities Exchange Act of 1934, as amended.
16.
 - (a) The Company shall not take any action (including the issue or repurchase of Shares of any class) that would result in (a) the aggregate number of votes entitled to be cast by all holders of Class Z Ordinary Shares (for the avoidance of doubt, excluding those who are also holders of Class Y Ordinary Shares) present at a general meeting to be less than 10% of the votes entitled to be cast by all Members at a general meeting; or (b) an increase in the proportion of Class Y Ordinary Shares to the total number of Shares in issue.
 - (b) No further Class Y Ordinary Shares shall be issued by the Company, except with the prior approval of the HK Stock Exchange and pursuant to (x) an offer to subscribe for shares made to all the Members pro rata (apart from fractional entitlements) to their existing holdings; (y) a pro rata issue of Shares to all the Members by way of scrip dividends; or (z) pursuant to a share subdivision or other similar capital reorganisation, provided that each Member shall be entitled to subscribe for (in a pro rata offer) or be issued (in an issue of Shares by way of scrip dividends) Shares in the same class as the

Shares then held by him, notwithstanding the provisions of Article 16(i); and further provided that the proposed allotment or issuance will not result in an increase in the proportion of Class Y Ordinary Shares in issue, so that:

- (i) if, under a pro rata offer, any holder of Class Y Ordinary Shares does not take up any part of the Class Y Ordinary Shares or the rights thereto offered to him, such untaken shares (or rights) shall only be transferred to another person on the basis that such transferred rights will only entitle the transferee to an equivalent number of Class Z Ordinary Shares; and
 - (ii) to the extent that rights to Class Z Ordinary Shares in a pro rata offer are not taken up in their entirety, the number of Class Y Ordinary Shares that shall be allotted, issued or granted in such pro rata offer shall be reduced proportionately.
- (c) In the event the Company reduces the number of Shares in issue (e.g. through a purchase of its own Shares), the holders of Class Y Ordinary Shares shall reduce their voting rights in the Company proportionately, whether through a conversion of a portion of their Class Y Ordinary Shares or otherwise, if the reduction in the number of Shares in issue would otherwise result in an increase in the proportion of Class Y Ordinary Shares to the total number of Shares in issue;
- (d) The Company shall not change the terms of the Class Y Ordinary Shares to increase the number of votes to which each Class Y Ordinary Share is entitled.
- (e) Class Y Ordinary Shares shall only be held by a Director or a Director Holding Vehicle. Subject to the Listing Rules or other applicable laws or regulations, each Class Y Ordinary Share shall be automatically converted into one Class Z Ordinary Share upon the occurrence of any of the following events:
- (i) the death of the holder of such Class Y Ordinary Share (or, where the holder is a Director Holding Vehicle, the death of the Director holding or controlling such Director Holding Vehicle);
 - (ii) the holder of such Class Y Ordinary Share ceasing to be a Director or a Director Holding Vehicle for any reason;
 - (iii) the holder of such Class Y Ordinary Share (or, where the holder is a Director Holding Vehicle, the Director holding or controlling such Director Holding Vehicle) being deemed by the HK Stock Exchange to be incapacitated for the purpose of performing his duties as a Director;
 - (iv) the holder of such Class Y Ordinary Share (or, whether the holder is a Director Holding Vehicle, the Director holding or controlling such Director Holding Vehicle) being deemed by the HK Stock Exchange to no longer meet the requirements of a director set out in the Listing Rules; or

- (v) the transfer to another person of the beneficial ownership of, or economic interest in, such Class Y Ordinary Share or the control over the voting rights attached to such Class Y Ordinary Share (through voting proxies or otherwise), other than (a) the grant of any encumbrance, lien or mortgage over such Share which does not result in the transfer of the legal title or beneficial ownership of, or the voting rights attached to, such Share, until the same is transferred upon the enforcement of such encumbrance, lien or mortgage; (b) a transfer of the legal title to such Share by a Director to a Director Holding Vehicle held or controlled by him, or by a Director Holding Vehicle to the Director holding or controlling it or another Director Holding Vehicle held or controlled by such Director; and (c) any transfer of legal title to such Share by a holder of Class Y Ordinary Shares to a limited partnership, trust, private company or other vehicle which holds Class Y Ordinary Shares on behalf of such holder.
- (f) Any conversion of Class Y Ordinary Shares into Class Z Ordinary Shares pursuant to these Articles shall be effected by the re-designation of each Class Y Ordinary Share into one Class Z Ordinary Share. Such conversion shall become effective forthwith upon entries being made in the Register to record the re-designation to the relevant Class Y Ordinary Shares as Class Z Ordinary Shares.
- (g) All of the Class Y Ordinary Shares in the authorised share capital shall be automatically re-designated into Class Z Ordinary Shares in the event all of the Class Y Ordinary Shares in issue are converted into Class Z Ordinary Shares in accordance with Article 16(e), and no further Class Y Ordinary Shares shall be issued by the Company.
- (h) Notwithstanding any provisions in these Articles to the contrary, each Class Y Ordinary Share and each Class Z Ordinary Share shall entitle its holder to one vote on a poll at a general meeting in respect of a resolution on any of the following matters:
 - (i) any amendment of the Memorandum of Association or these Articles, including the variation of the rights attached to any class of Shares;
 - (ii) the appointment, election or removal of any Independent Non-executive Director;
 - (iii) the appointment or removal of the auditors; or
 - (iv) the voluntary liquidation or winding-up of the Company.
- (i) Save and except for voting rights and conversion rights as set out in Articles 12 to 16 (inclusive), the Class Y Ordinary Shares and the Class Z Ordinary Shares shall rank *pari passu* with one another and shall have the same rights, preferences, privileges and restrictions.

MODIFICATION OF RIGHTS

17. Whenever the capital of the Company is divided into different Classes the rights attached to any such Class may, subject to any rights or restrictions for the time being attached to any Class, only be varied with the consent in writing of the holders of three-fourths of the issued Shares of that Class or with the sanction of a resolution passed at a separate meeting of the holders of the Shares of that Class by the holders of three-fourths of the issued Shares of that Class present in person or by proxy and voting at such meeting. To every such separate meeting all the provisions of these Articles relating to general meetings of the Company or to the proceedings thereat shall, *mutatis mutandis*, apply, except that the necessary quorum shall be one or more Persons holding or representing by proxy at least one-third in nominal or par value amount of the issued Shares of the relevant Class (but so that if at any adjourned meeting of such holders a quorum as above defined is not present, those Shareholders who are present shall form a quorum) and that, subject to any rights or restrictions for the time being attached to the Shares of that Class, every Shareholder of that Class shall on a poll have one vote for each Share of that Class held by him. For the purposes of this Article, the Directors may treat all the Classes or any two or more Classes as forming one Class if they consider that all such Classes would be affected in the same way by the proposals under consideration, but in any other case shall treat them as separate Classes.
18. The rights conferred upon the holders of the Shares of any Class issued with preferred or other rights shall not, subject to any rights or restrictions for the time being attached to the Shares of that Class, be deemed to be materially adversely varied by, *inter alia*, the creation, allotment or issue of further Shares ranking *pari passu* with or subsequent to them or the redemption or purchase of any Shares of any Class by the Company. The rights of the holders of Shares shall not be deemed to be materially adversely varied by the creation or issue of Shares with preferred or other rights including, without limitation, the creation of Shares with enhanced or weighted voting rights.

CERTIFICATES

19. Every Person whose name is entered as a Member in the Register may, without payment and upon its written request, request a certificate within two calendar months after allotment or lodgement of transfer (or within such other period as the conditions of issue shall provide) in the form determined by the Directors. All certificates shall specify the Share or Shares held by that Person, provided that in respect of a Share or Shares held jointly by several Persons the Company shall not be bound to issue more than one certificate, and delivery of a certificate for a Share to one of several joint holders shall be sufficient delivery to all. All certificates for Shares shall be delivered personally or sent through the post addressed to the Member entitled thereto at the Member's registered address as appearing in the Register.

20. (a) Every share certificate shall prominently include the words “A company controlled through weighted voting rights” or such language as may be specified by the HK Stock Exchange from time to time, and specify the number and class of shares in respect of which it is issued and the amount paid thereon or the fact that they are fully paid, as the case may be, and may otherwise be in such form as the Board may from time to time prescribe.
- (b) Every share certificate of the Company shall bear legends required under the applicable laws, including the Securities Act.
21. Any two or more certificates representing Shares of any one Class held by any Member may at the Member’s request be cancelled and a single new certificate for such Shares issued in lieu on payment (if the Directors shall so require) of one dollar (US\$1.00) or such smaller sum as the Directors shall determine.
22. If a share certificate shall be damaged or defaced or alleged to have been lost, stolen or destroyed, a new certificate representing the same Shares may be issued to the relevant Member upon request, subject to delivery up of the old certificate or (if alleged to have been lost, stolen or destroyed) compliance with such conditions as to evidence and indemnity and the payment of out-of-pocket expenses of the Company in connection with the request as the Directors may think fit.
23. In the event that Shares are held jointly by several Persons, any request may be made by any one of the joint holders and if so made shall be binding on all of the joint holders.

FRACTIONAL SHARES

24. The Directors may issue fractions of a Share and, if so issued, a fraction of a Share shall be subject to and carry the corresponding fraction of liabilities (whether with respect to nominal or par value, premium, contributions, calls or otherwise), limitations, preferences, privileges, qualifications, restrictions, rights (including, without prejudice to the generality of the foregoing, voting and participation rights) and other attributes of a whole Share. If more than one fraction of a Share of the same Class is issued to or acquired by the same Shareholder such fractions shall be accumulated.

LIEN

25. The Company has a first and paramount lien on every Share (whether or not fully paid) for all amounts (whether presently payable or not) payable at a fixed time or called in respect of that Share. The Company also has a first and paramount lien on every Share registered in the name of a Person indebted or under liability to the Company (whether he is the sole registered holder of a Share or one of two or more joint holders) for all amounts owing by him or his estate to the Company (whether or not presently payable). The Directors may at

any time declare a Share to be wholly or in part exempt from the provisions of this Article. The Company's lien on a Share extends to any amount payable in respect of it, including but not limited to dividends.

26. The Company may sell, in such manner as the Directors in their absolute discretion think fit, any Share on which the Company has a lien, but no sale shall be made unless an amount in respect of which the lien exists is presently payable nor until the expiration of fourteen calendar days after a notice in writing, demanding payment of such part of the amount in respect of which the lien exists as is presently payable, has been given to the registered holder for the time being of the Share, or the Persons entitled thereto by reason of his death or bankruptcy.
27. For giving effect to any such sale the Directors may authorise a Person to transfer the Shares sold to the purchaser thereof. The purchaser shall be registered as the holder of the Shares comprised in any such transfer and he shall not be bound to see to the application of the purchase money, nor shall his title to the Shares be affected by any irregularity or invalidity in the proceedings in reference to the sale.
28. The proceeds of the sale after deduction of expenses, fees and commissions incurred by the Company shall be received by the Company and applied in payment of such part of the amount in respect of which the lien exists as is presently payable, and the residue shall (subject to a like lien for sums not presently payable as existed upon the Shares prior to the sale) be paid to the Person entitled to the Shares immediately prior to the sale.

CALLS ON SHARES

29. Subject to the terms of the allotment, the Directors may from time to time make calls upon the Shareholders in respect of any moneys unpaid on their Shares, and each Shareholder shall (subject to receiving at least fourteen calendar days' notice specifying the time or times of payment) pay to the Company at the time or times so specified the amount called on such Shares. A call shall be deemed to have been made at the time when the resolution of the Directors authorising such call was passed.
30. The joint holders of a Share shall be jointly and severally liable to pay calls in respect thereof.
31. If a sum called in respect of a Share is not paid before or on the day appointed for payment thereof, the Person from whom the sum is due shall pay interest upon the sum at the rate of eight percent per annum from the day appointed for the payment thereof to the time of the actual payment, but the Directors shall be at liberty to waive payment of that interest wholly or in part.
32. The provisions of these Articles as to the liability of joint holders and as to payment of interest shall apply in the case of non-payment of any sum which, by the terms of issue of a Share, becomes payable at a fixed time, whether on account of the amount of the Share, or by way of premium, as if the same had become payable by virtue of a call duly made and notified.

33. The Directors may make arrangements with respect to the issue of partly paid Shares for a difference between the Shareholders, or the particular Shares, in the amount of calls to be paid and in the times of payment.
34. The Directors may, if they think fit, receive from any Shareholder willing to advance the same all or any part of the moneys uncalled and unpaid upon any partly paid Shares held by him, and upon all or any of the moneys so advanced may (until the same would, but for such advance, become presently payable) pay interest at such rate (not exceeding without the sanction of an Ordinary Resolution, eight percent per annum) as may be agreed upon between the Shareholder paying the sum in advance and the Directors. No such sum paid in advance of calls shall entitle the Member paying such sum to any portion of a dividend declared in respect of any period prior to the date upon which such sum would, but for such payment, become presently payable.

FORFEITURE OF SHARES

35. If a Shareholder fails to pay any call or instalment of a call in respect of partly paid Shares on the day appointed for payment, the Directors may, at any time thereafter during such time as any part of such call or instalment remains unpaid, serve a notice on him requiring payment of so much of the call or instalment as is unpaid, together with any interest which may have accrued.
36. The notice shall name a further day (not earlier than the expiration of fourteen calendar days from the date of the notice) on or before which the payment required by the notice is to be made, and shall state that in the event of non-payment at or before the time appointed, the Shares in respect of which the call was made will be liable to be forfeited.
37. If the requirements of any such notice as aforesaid are not complied with, any Share in respect of which the notice has been given may at any time thereafter, before the payment required by notice has been made, be forfeited by a resolution of the Directors to that effect.
38. A forfeited Share may be sold or otherwise disposed of on such terms and in such manner as the Directors think fit, and at any time before a sale or disposition the forfeiture may be cancelled on such terms as the Directors think fit.
39. A Person whose Shares have been forfeited shall cease to be a Shareholder in respect of the forfeited Shares, but shall, notwithstanding, remain liable to pay to the Company all moneys which at the date of forfeiture were payable by him to the Company in respect of the Shares forfeited, but his liability shall cease if and when the Company receives payment in full of the amount unpaid on the Shares forfeited.
40. A certificate in writing under the hand of a Director that a Share has been duly forfeited on a date stated in the certificate shall be conclusive evidence of the facts in the declaration as against all Persons claiming to be entitled to the Share.

41. The Company may receive the consideration, if any, given for a Share on any sale or disposition thereof pursuant to the provisions of these Articles as to forfeiture and may execute a transfer of the Share in favour of the Person to whom the Share is sold or disposed of and that Person shall be registered as the holder of the Share and shall not be bound to see to the application of the purchase money, if any, nor shall his title to the Shares be affected by any irregularity or invalidity in the proceedings in reference to the disposition or sale.
42. The provisions of these Articles as to forfeiture shall apply in the case of non-payment of any sum which by the terms of issue of a Share becomes due and payable, whether on account of the amount of the Share, or by way of premium, as if the same had been payable by virtue of a call duly made and notified.

TRANSFER OF SHARES

43. The instrument of transfer of any Share shall be in writing and in any usual or common form or such other form as the Directors may, in their absolute discretion, approve and be executed by or on behalf of the transferor and if in respect of a nil or partly paid up Share, or if so required by the Directors, shall also be executed on behalf of the transferee and shall be accompanied by the certificate (if any) of the Shares to which it relates and such other evidence as the Directors may reasonably require to show the right of the transferor to make the transfer. The transferor shall be deemed to remain a Shareholder until the name of the transferee is entered in the Register in respect of the relevant Shares.
44.
 - (a) The Directors may in their absolute discretion decline to register any transfer of Shares which is not fully paid up or on which the Company has a lien.
 - (b) The Directors may also decline to register any transfer of any Share unless:
 - (i) the instrument of transfer is lodged with the Company, accompanied by the certificate for the Shares to which it relates and such other evidence as the Board may reasonably require to show the right of the transferor to make the transfer;
 - (ii) the instrument of transfer is in respect of only one Class of Shares;
 - (iii) the instrument of transfer is properly stamped, if required;
 - (iv) in the case of a transfer to joint holders, the number of joint holders to whom the Share is to be transferred does not exceed four; and
 - (v) a fee of such maximum sum as the Designated Stock Exchange may determine to be payable, or such lesser sum as the Board of Directors may from time to time require, is paid to the Company in respect thereof.

45. The registration of transfers may, on ten calendar days' notice being given by advertisement in such one or more newspapers, by electronic means or by any other means in accordance with the Designated Stock Exchange Rules, be suspended and the Register closed at such times and for such periods as the Directors may, in their absolute discretion, from time to time determine, provided always that such registration of transfer shall not be suspended nor the Register closed for more than thirty calendar days in any calendar year.
46. All instruments of transfer that are registered shall be retained by the Company. If the Directors refuse to register a transfer of any Shares, they shall within three calendar months after the date on which the transfer was lodged with the Company send notice of the refusal to each of the transferor and the transferee.

TRANSMISSION OF SHARES

47. The legal personal representative of a deceased sole holder of a Share shall be the only Person recognised by the Company as having any title to the Share. In the case of a Share registered in the name of two or more holders, the survivors or survivor, or the legal personal representatives of the deceased survivor, shall be the only Person recognised by the Company as having any title to the Share.
48. Any Person becoming entitled to a Share in consequence of the death or bankruptcy of a Shareholder shall, upon such evidence being produced as may from time to time be required by the Directors, have the right either to be registered as a Shareholder in respect of the Share or, instead of being registered himself, to make such transfer of the Share as the deceased or bankrupt Person could have made; but the Directors shall, in either case, have the same right to decline or suspend registration as they would have had in the case of a transfer of the Share by the deceased or bankrupt Person before the death or bankruptcy.
49. A Person becoming entitled to a Share by reason of the death or bankruptcy of a Shareholder shall be entitled to the same dividends and other advantages to which he would be entitled if he were the registered Shareholder, except that he shall not, before being registered as a Shareholder in respect of the Share, be entitled in respect of it to exercise any right conferred by membership in relation to meetings of the Company, provided however, that the Directors may at any time give notice requiring any such Person to elect either to be registered himself or to transfer the Share, and if the notice is not complied with within ninety calendar days, the Directors may thereafter withhold payment of all dividends, bonuses or other monies payable in respect of the Share until the requirements of the notice have been complied with.

REGISTRATION OF EMPOWERING INSTRUMENTS

50. The Company shall be entitled to charge a fee not exceeding one U.S. dollar (US\$1.00) on the registration of every probate, letters of administration, certificate of death or marriage, power of attorney, notice in lieu of distringas, or other instrument.

ALTERATION OF SHARE CAPITAL

51. The Company may from time to time by Ordinary Resolution increase the share capital by such sum, to be divided into Shares of such Classes and amount, as the resolution shall prescribe.
52. The Company may by Ordinary Resolution:
- (a) increase its share capital by new Shares of such amount as it thinks expedient;
 - (b) consolidate and divide all or any of its share capital into Shares of a larger amount than its existing Shares;
 - (c) subdivide its Shares, or any of them, into Shares of an amount smaller than that fixed by the Memorandum, provided that in the subdivision the proportion between the amount paid and the amount, if any, unpaid on each reduced Share shall be the same as it was in case of the Share from which the reduced Share is derived; and
 - (d) cancel any Shares that, at the date of the passing of the resolution, have not been taken or agreed to be taken by any Person and diminish the amount of its share capital by the amount of the Shares so cancelled.
53. The Company may by Special Resolution reduce its share capital and any capital redemption reserve in any manner authorised by the Companies Act.

REDEMPTION, PURCHASE AND SURRENDER OF SHARES

54. Subject to the provisions of the Companies Act and these Articles, the Company may:
- (a) issue Shares that are to be redeemed or are liable to be redeemed at the option of the Shareholder or the Company. The redemption of Shares shall be effected in such manner and upon such terms as may be determined, before the issue of such Shares, by either the Board or by the Shareholders by Special Resolution;
 - (b) purchase its own Shares (including any redeemable Shares) on such terms and in such manner and terms as have been approved by the Board or by the Members by Ordinary Resolution, or are otherwise authorised by these Articles; and
 - (c) make a payment in respect of the redemption or purchase of its own Shares in any manner permitted by the Companies Act, including out of capital.
55. The purchase of any Share shall not oblige the Company to purchase any other Share other than as may be required pursuant to applicable law and any other contractual obligations of the Company.

56. The holder of the Shares being purchased shall be bound to deliver up to the Company the certificate(s) (if any) thereof for cancellation and thereupon the Company shall pay to him the purchase or redemption monies or consideration in respect thereof.
57. The Directors may accept the surrender for no consideration of any fully paid Share.

TREASURY SHARES

58. The Directors may, prior to the purchase, redemption or surrender of any Share, determine that such Share shall be held as a Treasury Share.
59. The Directors may determine to cancel a Treasury Share or transfer a Treasury Share on such terms as they think proper (including, without limitation, for nil consideration).

GENERAL MEETINGS

60. All general meetings other than annual general meetings shall be called extraordinary general meetings.
61. (a) At all times during the Relevant Period other than the year of the Company's adoption of these Articles, the Company shall in each year hold a general meeting as its annual general meeting in addition to any other meeting in that year and shall specify the meeting as such in the notice calling it; and not more than 15 months (or such longer period as may be authorised by the HK Stock Exchange) shall elapse between the date of one annual general meeting of the Company and that of the next. The annual general meeting shall be held in the Relevant Territory or elsewhere as may be determined by the Board and at such time and place as the Board shall appoint.
- (b) At these meetings the report of the Directors (if any) shall be presented.
62. (a) The Chairman or a majority of the Directors may call general meetings, and they shall on a Shareholders' requisition forthwith proceed to convene an extraordinary general meeting of the Company.
- (b) A Shareholders' requisition is a requisition of Members holding at the date of deposit of the requisition Shares which carry in aggregate not less than one-tenth (1/10) of all votes (on a one vote per Share basis) attaching to all issued and outstanding Shares of the Company that as at the date of the deposit carry the right to vote at general meetings of the Company, and such Members may add resolutions to the meeting agenda.
- (c) The requisition must state the objects of the meeting and must be signed by the requisitionists and deposited at the Head Office or the Registration Office, and may consist of several documents in like form each signed by one or more requisitionists.

- (d) If the Directors do not within twenty-one calendar days from the date of the deposit of the requisition duly proceed to convene a general meeting to be held within a further twenty-one calendar days, the requisitionists, or any of them representing more than one-half of the total voting rights of all of them, may themselves convene a general meeting, but any meeting so convened shall not be held after the expiration of three calendar months after the expiration of the said twenty-one calendar days.
- (e) A general meeting convened as aforesaid by requisitionists shall be convened in the same manner as nearly as possible as that in which general meetings are to be convened by Directors.

NOTICE OF GENERAL MEETINGS

63. An annual general meeting of the Company shall be called by at least 21 days' notice in writing, and a general meeting of the Company, other than an annual general meeting, shall be called by at least 14 days' notice in writing. The notice shall be exclusive of the day on which it is served or deemed to be served and of the day for which it is given, and shall specify the place, the day, the hour and the agenda of the meeting and particulars of the resolutions to be considered at that meeting and in case of special business, the general nature of that business and shall be given in the manner hereinafter mentioned or in such other manner, if any, as may be prescribed by the Company in general meeting, to such persons as are, under these Articles, entitled to receive such notices from the Company, provided that a meeting of the Company shall notwithstanding that it is called by shorter notice than that specified in this Article be deemed to have been duly called if it is so agreed:
- (a) in the case of an annual general meeting, by all the Shareholders (or their proxies) entitled to attend and vote thereat; and
 - (b) in the case of any other meeting, by a majority in number of the Shareholders having a right to attend and vote at the meeting, being a majority together holding not less than 95% of the total voting rights at the meeting of all Members.
64. The accidental omission to give notice of a meeting to or the non-receipt of a notice of a meeting by any Shareholder shall not invalidate the proceedings at any meeting.

PROCEEDINGS AT GENERAL MEETINGS

65. No business except for the appointment of a chairman for the meeting shall be transacted at any general meeting unless a quorum of Shareholders is present at the time when the meeting proceeds to business. One or more Shareholders holding Shares which carry in aggregate (or representing by proxy) not less than one-tenth of all votes attaching to all Shares in issue and entitled to vote at such general meeting, present in person or by proxy or, if a corporation or other non-natural person, by its duly authorised representative, shall be a quorum for all purposes.

66. If within half an hour from the time appointed for the meeting a quorum is not present, the meeting shall be dissolved.
67. If the Directors wish to make this facility available for a specific general meeting or all general meetings of the Company, participation in any general meeting of the Company may be by means of a telephone or similar communication equipment by way of which all Persons participating in such meeting can communicate with each other and such participation shall be deemed to constitute presence in person at the meeting.
68. The Chairman, if any, of the Board of Directors shall preside as chairman at every general meeting of the Company.
69. If there is no such Chairman of the Board of Directors, or if at any general meeting he is not present within fifteen minutes after the time appointed for holding the meeting or is unwilling to act as chairman of the meeting, any Director or Person nominated by the Directors shall preside as chairman of that meeting, failing which the Shareholders present in person or by proxy shall choose any Person present to be chairman of that meeting.
70. The chairman may with the consent of any general meeting at which a quorum is present (and shall if so directed by the meeting) adjourn the meeting from time to time and from place to place, but no business shall be transacted at any adjourned meeting other than the business left unfinished at the meeting from which the adjournment took place. When a meeting, or adjourned meeting, is adjourned for fourteen calendar days or more, notice of the adjourned meeting shall be given as in the case of an original meeting. Save as aforesaid it shall not be necessary to give any notice of an adjournment or of the business to be transacted at an adjourned meeting.
71. The Directors may cancel or postpone any duly convened general meeting at any time prior to such meeting, except for general meetings requisitioned by the Shareholders in accordance with these Articles, for any reason or for no reason, upon notice in writing to Shareholders, provided that where a duly convened general meeting is postponed in accordance with this Article 71, the Directors shall fix the date, time and place for the reconvened meeting. A postponement may be for a stated period of any length or indefinitely as the Directors may determine.
72. At any general meeting a resolution put to the vote of the meeting shall be decided on a show of hands, unless a poll is (before or on the declaration of the result of the show of hands) demanded by the chairman of the meeting or any Shareholder present in person or by proxy, and unless a poll is so demanded, a declaration by the chairman of the meeting that a resolution has, on a show of hands, been carried, or carried unanimously, or by a particular majority, or lost, and an entry to that effect in the book of the proceedings of the Company, shall be conclusive evidence of the fact, without proof of the number or proportion of the votes recorded in favour of, or against, that resolution.
73. If a poll is duly demanded it shall be taken in such manner as the chairman of the meeting directs, and the result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded.

74. All questions submitted to a meeting shall be decided by an Ordinary Resolution except where a greater majority is required by these Articles or by the Companies Act. In the case of an equality of votes, whether on a show of hands or on a poll, the chairman of the meeting at which the show of hands takes place or at which the poll is demanded, shall be entitled to a second or casting vote.
75. A poll demanded on the election of a chairman of the meeting or on a question of adjournment shall be taken forthwith. A poll demanded on any other question shall be taken at such time as the chairman of the meeting directs.

VOTES OF SHAREHOLDERS

76. Subject to any rights and restrictions for the time being attached to any Share, on a show of hands every Shareholder present in person or by proxy (or, if a corporation or other non-natural person, by its duly authorised representative or proxy) shall, at a general meeting of the Company, each have one vote and on a poll every Shareholder present in person or by proxy (or, if a corporation or other non-natural person, by its duly authorised representative or proxy) shall have ten (10) votes for each Class Y Ordinary Share and one (1) vote for each Class Z Ordinary Share of which he is the holder. Where the Company has knowledge that any Shareholder is, under the Listing Rules, required to abstain from voting on any particular resolution or restricted to voting only for or only against any particular resolution, any votes cast by or on behalf of such Shareholder in contravention of such requirement or restriction shall not be counted.
77. In the case of joint holders the vote of the senior who tenders a vote whether in person or by proxy (or, if a corporation or other non-natural person, by its duly authorised representative or proxy) shall be accepted to the exclusion of the votes of the other joint holders and for this purpose seniority shall be determined by the order in which the names stand in the Register.
78. Shares carrying the right to vote that are held by a Shareholder of unsound mind, or in respect of whom an order has been made by any court having jurisdiction in lunacy, may be voted, whether on a show of hands or on a poll, by his committee, or other Person in the nature of a committee appointed by that court, and any such committee or other Person may vote in respect of such Shares by proxy.
79. No Shareholder shall be entitled to vote at any general meeting of the Company unless all calls, if any, or other sums presently payable by him in respect of Shares carrying the right to vote held by him have been paid.
80. On a poll votes may be given either personally or by proxy.
81. Each Shareholder, other than a recognised clearing house (or its nominee(s)) or depositary (or its nominee(s)), may only appoint one proxy on a show of hands. The instrument appointing a proxy shall be in writing under the hand of the appointor or of his attorney duly authorised in writing or, if the appointor is a corporation, either under Seal or under the hand of an officer or attorney duly authorised. A proxy need not be a Shareholder.

82. An instrument appointing a proxy may be in any usual or common form or such other form as the Directors may approve.
83. The instrument appointing a proxy shall be deposited at the Registered Office or at such other place as is specified for that purpose in the notice convening the meeting, or in any instrument of proxy sent out by the Company:
- (a) not less than 48 hours before the time for holding the meeting or adjourned meeting at which the person named in the instrument proposes to vote; or
 - (b) in the case of a poll taken more than 48 hours after it is demanded, be deposited as aforesaid after the poll has been demanded and not less than 24 hours before the time appointed for the taking of the poll; or
 - (c) where the poll is not taken forthwith but is taken not more than 48 hours after it was demanded be delivered at the meeting at which the poll was demanded to the chairman or to the secretary or to any director;

provided that the Directors may in the notice convening the meeting, or in an instrument of proxy sent out by the Company, direct that the instrument appointing a proxy may be deposited at such other time (no later than the time for holding the meeting or adjourned meeting) at the Registered Office or at such other place as is specified for that purpose in the notice convening the meeting, or in any instrument of proxy sent out by the Company. The Chairman may in any event at his discretion direct that an instrument of proxy shall be deemed to have been duly deposited. An instrument of proxy that is not deposited in the manner permitted shall be invalid.

84. The instrument appointing a proxy shall be deemed to confer authority to demand or join in demanding a poll.
85. A resolution in writing signed by all the Shareholders for the time being entitled to receive notice of and to attend and vote at general meetings of the Company (or being corporations by their duly authorised representatives) shall be as valid and effective as if the same had been passed at a general meeting of the Company duly convened and held.

CORPORATIONS ACTING BY REPRESENTATIVES AT MEETINGS

86. Any corporation which is a Shareholder or a Director may by resolution of its directors or other governing body authorise such Person as it thinks fit to act as its representative at any meeting of the Company or of any meeting of holders of a Class or of the Directors or of a committee of Directors, and the Person so authorised shall be entitled to exercise the same powers on behalf of the corporation which he represents as that corporation could exercise if it were an individual Shareholder or Director.

DEPOSITARY AND CLEARING HOUSES

87. If a recognised clearing house (or its nominee(s)) or depositary (or its nominee(s)) is a Member it may, by resolution of its directors or other governing body or by power of attorney, authorise such Person(s) as it thinks fit to act as its representative(s) at any general meeting of the Company or of any Class of Shareholders provided that, if more than one Person is so authorised, the authorisation shall specify the number and Class of Shares in respect of which each such Person is so authorised. A Person so authorised pursuant to this Article shall be entitled to exercise the same powers on behalf of the recognised clearing house (or its nominee(s)) or depositary (or its nominee(s)) which he represents as that recognised clearing house (or its nominee(s)) or depositary (or its nominee(s)) could exercise if it were an individual Member holding the number and Class of Shares specified in such authorisation, including the right to vote individually on a show of hands.

DIRECTORS

88. (a) Unless otherwise determined by the Company in general meeting, the number of Directors shall not be less than three (3) Directors, the exact number of Directors to be determined from time to time by the Board of Directors.
- (b) The Board of Directors shall elect and appoint a Chairman by a majority of the Directors then in office. - (f) reference to any determination by the Directors shall be construed as a determination by the Directors in their sole and absolute discretion and shall be applicable either generally or in any particular case;
 - (g) reference to “in writing” shall be construed as written or represented by any means reproducible in writing, including any form of print, lithograph, email, facsimile, photograph or telex or represented by any other substitute or format for storage or transmission for writing including in the form of an electronic record or partly one and partly another;
 - (h) any requirements as to delivery under the Articles include delivery in the form of an electronic record or an electronic communication;
 - (i) any requirements as to execution or signature under the Articles, including the execution of the Articles themselves, can be satisfied in the form of an electronic signature as defined in the Electronic Transaction Act;
 - (j) Sections 8 and 19(3) of the Electronic Transactions Act shall not apply;
 - (k) a resolution shall be an Ordinary Resolution when it has been passed by a simple majority of such Shareholders as, being entitled to do so, vote in person or, where proxies are allowed, by proxy or, in the case of any Shareholder being a corporation, by its duly authorised representative at a general meeting held in accordance with these Articles and of which not less than 14 days’ notice has been duly given; and
 - (l) to the extent that the same is permissible under Cayman Islands law and subject to Article 52, a Special Resolution shall be required to alter the Memorandum of Association of the Company, to approve any amendment of the Articles or to change the name of the Company.
3. Subject to the last two preceding Articles, any words defined in the Companies Act shall, if not inconsistent with the subject or context, bear the same meaning in these Articles.

PRELIMINARY

- 4. The business of the Company may be conducted as the Directors see fit.
- 5. The Registered Office shall be at such address in the Cayman Islands as the Directors may from time to time determine. The Company may in addition establish and maintain such other offices and places of business and agencies in such places as the Directors may from time to time determine.
- 6. The expenses incurred in the formation of the Company and in connection with the offer for subscription and issue of Shares shall be paid by the Company. Such expenses may be amortised over such period as the Directors may determine and the amount so paid shall be charged against income and/or capital in the accounts of the Company as the Directors shall determine.

7. (a) The Directors shall keep, or cause to be kept, the Register at such place as the Directors may from time to time determine and, in the absence of any such determination, the Register shall be kept at the Registered Office.
- (b) Subject to the provisions of the Companies Act, if the Board considers it necessary or appropriate, the Company may establish and maintain a principal or branch register of Shareholders at such location as the Board thinks fit and, during the Relevant Period, the Company shall keep its principal or a branch register of Shareholders in Hong Kong.
- (c) During the Relevant Period (except when the Register is closed), any Shareholder may inspect during business hours any Register maintained in Hong Kong without charge and require the provision to him of copies or extracts thereof in all respects as if the Company were incorporated under and were subject to the Companies Ordinance.

SHARES

8. Subject to these Articles, all Shares for the time being unissued shall be under the control of the Directors who may, in their absolute discretion and without the approval of the Members, cause the Company to:
- (a) issue, allot and dispose of Shares (including, without limitation, preferred shares) (whether in certificated form or non-certificated form) to such Persons, in such manner, on such terms and having such rights and being subject to such restrictions as they may from time to time determine;
- (b) grant rights over Shares or other securities to be issued in one or more classes or series as they deem necessary or appropriate and determine the designations, powers, preferences, privileges and other rights attaching to such Shares or securities, including dividend rights, voting rights, conversion rights, terms of redemption and liquidation preferences, any or all of which may be greater than the powers, preferences, privileges and rights associated with the then issued and outstanding Shares, at such times and on such other terms as they think proper; and
- (c) grant options with respect to Shares and issue warrants or similar instruments with respect thereto. Where warrants are issued to bearer, no certificate thereof shall be issued to replace one that has been lost unless the Board is satisfied beyond reasonable doubt that the original certificate thereof has been destroyed and the Company has received an indemnity in such form as the Board shall think fit with regard to the issue of any such replacement certificate.

9. The Directors may authorise the division of Shares into any number of Classes and the different Classes shall be authorised, established and designated (or re-designated as the case may be) and the variations in the relative rights (including, without limitation, voting, dividend and redemption rights), restrictions, preferences, privileges and payment obligations as between the different Classes (if any) may be fixed and determined by the Directors or by an Ordinary Resolution. The Directors may issue Shares with such preferred or other rights, all or any of which may be greater than the rights of Ordinary Shares, at such time and on such terms as they may think appropriate. Subject to these Articles, but notwithstanding Article 17, the Directors may issue from time to time, out of the authorised share capital of the Company (other than the authorised but unissued Ordinary Shares), series of preferred shares in their absolute discretion and without approval of the Members; provided, however, before any preferred shares of any such series are issued, the Directors shall by resolution of Directors determine, with respect to any series of preferred shares, the terms and rights of that series, including:
- (a) the designation of such series, the number of preferred shares to constitute such series and the subscription price thereof if different from the par value thereof;
 - (b) whether the preferred shares of such series shall have voting rights, in addition to any voting rights provided by law, and, if so, the terms of such voting rights, which may be general or limited;
 - (c) the dividends, if any, payable on such series, whether any such dividends shall be cumulative, and, if so, from what dates, the conditions and dates upon which such dividends shall be payable, and the preference or relation which such dividends shall bear to the dividends payable on any shares of any other class or any other series of shares;
 - (d) whether the preferred shares of such series shall be subject to redemption by the Company, and, if so, the times, prices and other conditions of such redemption;
 - (e) whether the preferred shares of such series shall have any rights to receive any part of the assets available for distribution amongst the Members upon the liquidation of the Company, and, if so, the terms of such liquidation preference, and the relation which such liquidation preference shall bear to the entitlements of the holders of shares of any other class or any other series of shares;
 - (f) whether the preferred shares of such series shall be subject to the operation of a retirement or sinking fund and, if so, the extent to and manner in which any such retirement or sinking fund shall be applied to the purchase or redemption of the preferred shares of such series for retirement or other corporate purposes and the terms and provisions relative to the operation thereof;

- (g) whether the preferred shares of such series shall be convertible into, or exchangeable for, shares of any other class or any other series of preferred shares or any other securities and, if so, the price or prices or the rate or rates of conversion or exchange and the method, if any, of adjusting the same, and any other terms and conditions of conversion or exchange;
- (h) the limitations and restrictions, if any, to be effective while any preferred shares of such series are outstanding upon the payment of dividends or the making of other distributions on, and upon the purchase, redemption or other acquisition by the Company of, the existing shares or shares of any other class of shares or any other series of preferred shares;
- (i) the conditions or restrictions, if any, upon the creation of indebtedness of the Company or upon the issue of any additional shares, including additional shares of such series or of any other class of shares or any other series of preferred shares; and
- (j) any other powers, preferences and relative, participating, optional and other special rights, and any qualifications, limitations and restrictions thereof;

and, for such purposes, the Directors may reserve an appropriate number of Shares for the time being unissued. The Company shall not issue Shares to bearer.

- 10. The Company may insofar as may be permitted by law, pay a commission to any Person in consideration of his subscribing or agreeing to subscribe whether absolutely or conditionally for any Shares. Such commissions may be satisfied by the payment of cash or the lodgement of fully or partly paid-up Shares or partly in one way and partly in the other. The Company may also pay such brokerage as may be lawful on any issue of Shares.
- 11. The Directors may refuse to accept any application for Shares, and may accept any application in whole or in part, for any reason or for no reason.
- 11A. The Company shall not exercise any powers to freeze or otherwise impair any of the rights attaching to any Share by reason only that the person or persons who are interested directly or indirectly therein have failed to disclose their interests to the Company.

CLASS Y ORDINARY SHARES AND CLASS Z ORDINARY SHARES

- 12. Holders of Class Y Ordinary Shares and Class Z Ordinary Shares shall at all times vote together as one class on all resolutions submitted to a vote by the Members. Each Class Y Ordinary Share shall entitle the holder thereof to ten (10) votes on all matters subject to vote at general meetings of the Company, and each Class Z Ordinary Share shall entitle the holder thereof to one (1) vote on all matters subject to vote at general meetings of the Company.

13. Each Class Y Ordinary Share is convertible into one (1) Class Z Ordinary Share at any time at the option of the holder thereof. The right to convert shall be exercisable by the holder of the Class Y Ordinary Share delivering a written notice to the Company that such holder elects to convert a specified number of Class Y Ordinary Shares into Class Z Ordinary Shares. In no event shall Class Z Ordinary Shares be convertible into Class Y Ordinary Shares.
14. Any conversion of Class Y Ordinary Shares into Class Z Ordinary Shares pursuant to these Articles shall be effected by means of the re-designation of each relevant Class Y Ordinary Share as a Class Z Ordinary Share. Such conversion shall become effective forthwith upon entries being made in the Register to record the re-designation of the relevant Class Y Ordinary Shares as Class Z Ordinary Shares.
15. Upon any sale, transfer, assignment or disposition of any Class Y Ordinary Share by a Shareholder to any person who is not a Founder or Founder Affiliate, or upon a change of ultimate beneficial ownership of any Class Y Ordinary Share to any Person who is not a Founder or Founder Affiliate, such Class Y Ordinary Share shall be automatically and immediately converted into one Class Z Ordinary Share. For the avoidance of doubt, (i) a sale, transfer, assignment or disposition shall be effective upon the Company's registration of such sale, transfer, assignment or disposition in its Register; and (ii) the creation of any pledge, charge, encumbrance or other third party right of whatever description on any Class Y Ordinary Shares to secure a holder's contractual or legal obligations shall not be deemed as a sale, transfer, assignment or disposition unless and until any such pledge, charge, encumbrance or other third party right is enforced and results in the third party holding legal title to the relevant Class Y Ordinary Shares, in which case all the related Class Y Ordinary Shares shall be automatically converted into the same number of Class Z Ordinary Shares. For purpose of this Article 15, beneficial ownership shall have the meaning set forth in Rule 13d-3 under the United States Securities Exchange Act of 1934, as amended.
16. (a) The Company shall not take any action (including the issue or repurchase of Shares of any class) that would result in (a) the aggregate number of votes entitled to be cast by all holders of Class Z Ordinary Shares (for the avoidance of doubt, excluding those who are also holders of Class Y Ordinary Shares) present at a general meeting to be less than 10% of the votes entitled to be cast by all Members at a general meeting; or (b) an increase in the proportion of Class Y Ordinary Shares to the total number of Shares in issue.
- (b) No further Class Y Ordinary Shares shall be issued by the Company, except with the prior approval of the HK Stock Exchange and pursuant to (x) an offer to subscribe for shares made to all the Members pro rata (apart from fractional entitlements) to their existing holdings; (y) a pro rata issue of Shares to all the Members by way of scrip dividends; or (z) pursuant to a share subdivision or other similar capital reorganisation, provided that each Member shall be entitled to subscribe for (in a pro rata offer) or be issued (in an issue of Shares by way of scrip dividends) Shares in the same class as the

Shares then held by him, notwithstanding the provisions of Article 16(i); and further provided that the proposed allotment or issuance will not result in an increase in the proportion of Class Y Ordinary Shares in issue, so that:

- (i) if, under a pro rata offer, any holder of Class Y Ordinary Shares does not take up any part of the Class Y Ordinary Shares or the rights thereto offered to him, such untaken shares (or rights) shall only be transferred to another person on the basis that such transferred rights will only entitle the transferee to an equivalent number of Class Z Ordinary Shares; and
- (ii) to the extent that rights to Class Z Ordinary Shares in a pro rata offer are not taken up in their entirety, the number of Class Y Ordinary Shares that shall be allotted, issued or granted in such pro rata offer shall be reduced proportionately.
- (c) In the event the Company reduces the number of Shares in issue (e.g. through a purchase of its own Shares), the holders of Class Y Ordinary Shares shall reduce their voting rights in the Company proportionately, whether through a conversion of a portion of their Class Y Ordinary Shares or otherwise, if the reduction in the number of Shares in issue would otherwise result in an increase in the proportion of Class Y Ordinary Shares to the total number of Shares in issue;
- (d) The Company shall not change the terms of the Class Y Ordinary Shares to increase the number of votes to which each Class Y Ordinary Share is entitled.
- (e) Class Y Ordinary Shares shall only be held by a Director or a Director Holding Vehicle. Subject to the Listing Rules or other applicable laws or regulations, each Class Y Ordinary Share shall be automatically converted into one Class Z Ordinary Share upon the occurrence of any of the following events:

 - (i) the death of the holder of such Class Y Ordinary Share (or, where the holder is a Director Holding Vehicle, the death of the Director holding or controlling such Director Holding Vehicle);
 - (ii) the holder of such Class Y Ordinary Share ceasing to be a Director or a Director Holding Vehicle for any reason;
 - (iii) the holder of such Class Y Ordinary Share (or, where the holder is a Director Holding Vehicle, the Director holding or controlling such Director Holding Vehicle) being deemed by the HK Stock Exchange to be incapacitated for the purpose of performing his duties as a Director;
 - (iv) the holder of such Class Y Ordinary Share (or, whether the holder is a Director Holding Vehicle, the Director holding or controlling such Director Holding Vehicle) being deemed by the HK Stock Exchange to no longer meet the requirements of a director set out in the Listing Rules; or

- (v) the transfer to another person of the beneficial ownership of, or economic interest in, such Class Y Ordinary Share or the control over the voting rights attached to such Class Y Ordinary Share (through voting proxies or otherwise), other than (a) the grant of any encumbrance, lien or mortgage over such Share which does not result in the transfer of the legal title or beneficial ownership of, or the voting rights attached to, such Share, until the same is transferred upon the enforcement of such encumbrance, lien or mortgage; (b) a transfer of the legal title to such Share by a Director to a Director Holding Vehicle held or controlled by him, or by a Director Holding Vehicle to the Director holding or controlling it or another Director Holding Vehicle held or controlled by such Director; and (c) any transfer of legal title to such Share by a holder of Class Y Ordinary Shares to a limited partnership, trust, private company or other vehicle which holds Class Y Ordinary Shares on behalf of such holder.
- (f) Any conversion of Class Y Ordinary Shares into Class Z Ordinary Shares pursuant to these Articles shall be effected by the re-designation of each Class Y Ordinary Share into one Class Z Ordinary Share. Such conversion shall become effective forthwith upon entries being made in the Register to record the re-designation to the relevant Class Y Ordinary Shares as Class Z Ordinary Shares.
- (g) All of the Class Y Ordinary Shares in the authorised share capital shall be automatically re-designated into Class Z Ordinary Shares in the event all of the Class Y Ordinary Shares in issue are converted into Class Z Ordinary Shares in accordance with Article 16(e), and no further Class Y Ordinary Shares shall be issued by the Company.
- (h) Notwithstanding any provisions in these Articles to the contrary, each Class Y Ordinary Share and each Class Z Ordinary Share shall entitle its holder to one vote on a poll at a general meeting in respect of a resolution on any of the following matters:
- (i) any amendment of the Memorandum of Association or these Articles, including the variation of the rights attached to any class of Shares;
- (ii) the appointment, election or removal of any Independent Non-executive Director;
- (iii) the appointment or removal of the auditors; or
- (iv) the voluntary liquidation or winding-up of the Company.
- (i) Save and except for voting rights and conversion rights as set out in Articles 12 to 16 (inclusive), the Class Y Ordinary Shares and the Class Z Ordinary Shares shall rank *pari passu* with one another and shall have the same rights, preferences, privileges and restrictions.

MODIFICATION OF RIGHTS

17. Whenever the capital of the Company is divided into different Classes the rights attached to any such Class may, subject to any rights or restrictions for the time being attached to any Class, only be varied with the consent in writing of the holders of three-fourths of the issued Shares of that Class or with the sanction of a resolution passed at a separate meeting of the holders of the Shares of that Class by the holders of three-fourths of the issued Shares of that Class present in person or by proxy and voting at such meeting. To every such separate meeting all the provisions of these Articles relating to general meetings of the Company or to the proceedings thereat shall, *mutatis mutandis*, apply, except that the necessary quorum shall be one or more Persons holding or representing by proxy at least one-third in nominal or par value amount of the issued Shares of the relevant Class (but so that if at any adjourned meeting of such holders a quorum as above defined is not present, those Shareholders who are present shall form a quorum) and that, subject to any rights or restrictions for the time being attached to the Shares of that Class, every Shareholder of that Class shall on a poll have one vote for each Share of that Class held by him. For the purposes of this Article, the Directors may treat all the Classes or any two or more Classes as forming one Class if they consider that all such Classes would be affected in the same way by the proposals under consideration, but in any other case shall treat them as separate Classes.
18. The rights conferred upon the holders of the Shares of any Class issued with preferred or other rights shall not, subject to any rights or restrictions for the time being attached to the Shares of that Class, be deemed to be materially adversely varied by, *inter alia*, the creation, allotment or issue of further Shares ranking *pari passu* with or subsequent to them or the redemption or purchase of any Shares of any Class by the Company. The rights of the holders of Shares shall not be deemed to be materially adversely varied by the creation or issue of Shares with preferred or other rights including, without limitation, the creation of Shares with enhanced or weighted voting rights.

CERTIFICATES

19. Every Person whose name is entered as a Member in the Register may, without payment and upon its written request, request a certificate within two calendar months after allotment or lodgement of transfer (or within such other period as the conditions of issue shall provide) in the form determined by the Directors. All certificates shall specify the Share or Shares held by that Person, provided that in respect of a Share or Shares held jointly by several Persons the Company shall not be bound to issue more than one certificate, and delivery of a certificate for a Share to one of several joint holders shall be sufficient delivery to all. All certificates for Shares shall be delivered personally or sent through the post addressed to the Member entitled thereto at the Member's registered address as appearing in the Register.

20. (a) Every share certificate shall prominently include the words “A company controlled through weighted voting rights” or such language as may be specified by the HK Stock Exchange from time to time, and specify the number and class of shares in respect of which it is issued and the amount paid thereon or the fact that they are fully paid, as the case may be, and may otherwise be in such form as the Board may from time to time prescribe.
- (b) Every share certificate of the Company shall bear legends required under the applicable laws, including the Securities Act.
21. Any two or more certificates representing Shares of any one Class held by any Member may at the Member’s request be cancelled and a single new certificate for such Shares issued in lieu on payment (if the Directors shall so require) of one dollar (US\$1.00) or such smaller sum as the Directors shall determine.
22. If a share certificate shall be damaged or defaced or alleged to have been lost, stolen or destroyed, a new certificate representing the same Shares may be issued to the relevant Member upon request, subject to delivery up of the old certificate or (if alleged to have been lost, stolen or destroyed) compliance with such conditions as to evidence and indemnity and the payment of out-of-pocket expenses of the Company in connection with the request as the Directors may think fit.
23. In the event that Shares are held jointly by several Persons, any request may be made by any one of the joint holders and if so made shall be binding on all of the joint holders.

FRACTIONAL SHARES

24. The Directors may issue fractions of a Share and, if so issued, a fraction of a Share shall be subject to and carry the corresponding fraction of liabilities (whether with respect to nominal or par value, premium, contributions, calls or otherwise), limitations, preferences, privileges, qualifications, restrictions, rights (including, without prejudice to the generality of the foregoing, voting and participation rights) and other attributes of a whole Share. If more than one fraction of a Share of the same Class is issued to or acquired by the same Shareholder such fractions shall be accumulated.

LIEN

25. The Company has a first and paramount lien on every Share (whether or not fully paid) for all amounts (whether presently payable or not) payable at a fixed time or called in respect of that Share. The Company also has a first and paramount lien on every Share registered in the name of a Person indebted or under liability to the Company (whether he is the sole registered holder of a Share or one of two or more joint holders) for all amounts owing by him or his estate to the Company (whether or not presently payable). The Directors may at

any time declare a Share to be wholly or in part exempt from the provisions of this Article. The Company's lien on a Share extends to any amount payable in respect of it, including but not limited to dividends.

26. The Company may sell, in such manner as the Directors in their absolute discretion think fit, any Share on which the Company has a lien, but no sale shall be made unless an amount in respect of which the lien exists is presently payable nor until the expiration of fourteen calendar days after a notice in writing, demanding payment of such part of the amount in respect of which the lien exists as is presently payable, has been given to the registered holder for the time being of the Share, or the Persons entitled thereto by reason of his death or bankruptcy.
27. For giving effect to any such sale the Directors may authorise a Person to transfer the Shares sold to the purchaser thereof. The purchaser shall be registered as the holder of the Shares comprised in any such transfer and he shall not be bound to see to the application of the purchase money, nor shall his title to the Shares be affected by any irregularity or invalidity in the proceedings in reference to the sale.
28. The proceeds of the sale after deduction of expenses, fees and commissions incurred by the Company shall be received by the Company and applied in payment of such part of the amount in respect of which the lien exists as is presently payable, and the residue shall (subject to a like lien for sums not presently payable as existed upon the Shares prior to the sale) be paid to the Person entitled to the Shares immediately prior to the sale.

CALLS ON SHARES

29. Subject to the terms of the allotment, the Directors may from time to time make calls upon the Shareholders in respect of any moneys unpaid on their Shares, and each Shareholder shall (subject to receiving at least fourteen calendar days' notice specifying the time or times of payment) pay to the Company at the time or times so specified the amount called on such Shares. A call shall be deemed to have been made at the time when the resolution of the Directors authorising such call was passed.
30. The joint holders of a Share shall be jointly and severally liable to pay calls in respect thereof.
31. If a sum called in respect of a Share is not paid before or on the day appointed for payment thereof, the Person from whom the sum is due shall pay interest upon the sum at the rate of eight percent per annum from the day appointed for the payment thereof to the time of the actual payment, but the Directors shall be at liberty to waive payment of that interest wholly or in part.
32. The provisions of these Articles as to the liability of joint holders and as to payment of interest shall apply in the case of non-payment of any sum which, by the terms of issue of a Share, becomes payable at a fixed time, whether on account of the amount of the Share, or by way of premium, as if the same had become payable by virtue of a call duly made and notified.

33. The Directors may make arrangements with respect to the issue of partly paid Shares for a difference between the Shareholders, or the particular Shares, in the amount of calls to be paid and in the times of payment.
34. The Directors may, if they think fit, receive from any Shareholder willing to advance the same all or any part of the moneys uncalled and unpaid upon any partly paid Shares held by him, and upon all or any of the moneys so advanced may (until the same would, but for such advance, become presently payable) pay interest at such rate (not exceeding without the sanction of an Ordinary Resolution, eight percent per annum) as may be agreed upon between the Shareholder paying the sum in advance and the Directors. No such sum paid in advance of calls shall entitle the Member paying such sum to any portion of a dividend declared in respect of any period prior to the date upon which such sum would, but for such payment, become presently payable.

FORFEITURE OF SHARES

35. If a Shareholder fails to pay any call or instalment of a call in respect of partly paid Shares on the day appointed for payment, the Directors may, at any time thereafter during such time as any part of such call or instalment remains unpaid, serve a notice on him requiring payment of so much of the call or instalment as is unpaid, together with any interest which may have accrued.
36. The notice shall name a further day (not earlier than the expiration of fourteen calendar days from the date of the notice) on or before which the payment required by the notice is to be made, and shall state that in the event of non-payment at or before the time appointed, the Shares in respect of which the call was made will be liable to be forfeited.
37. If the requirements of any such notice as aforesaid are not complied with, any Share in respect of which the notice has been given may at any time thereafter, before the payment required by notice has been made, be forfeited by a resolution of the Directors to that effect.
38. A forfeited Share may be sold or otherwise disposed of on such terms and in such manner as the Directors think fit, and at any time before a sale or disposition the forfeiture may be cancelled on such terms as the Directors think fit.
39. A Person whose Shares have been forfeited shall cease to be a Shareholder in respect of the forfeited Shares, but shall, notwithstanding, remain liable to pay to the Company all moneys which at the date of forfeiture were payable by him to the Company in respect of the Shares forfeited, but his liability shall cease if and when the Company receives payment in full of the amount unpaid on the Shares forfeited.
40. A certificate in writing under the hand of a Director that a Share has been duly forfeited on a date stated in the certificate shall be conclusive evidence of the facts in the declaration as against all Persons claiming to be entitled to the Share.

41. The Company may receive the consideration, if any, given for a Share on any sale or disposition thereof pursuant to the provisions of these Articles as to forfeiture and may execute a transfer of the Share in favour of the Person to whom the Share is sold or disposed of and that Person shall be registered as the holder of the Share and shall not be bound to see to the application of the purchase money, if any, nor shall his title to the Shares be affected by any irregularity or invalidity in the proceedings in reference to the disposition or sale.
42. The provisions of these Articles as to forfeiture shall apply in the case of non-payment of any sum which by the terms of issue of a Share becomes due and payable, whether on account of the amount of the Share, or by way of premium, as if the same had been payable by virtue of a call duly made and notified.

TRANSFER OF SHARES

43. The instrument of transfer of any Share shall be in writing and in any usual or common form or such other form as the Directors may, in their absolute discretion, approve and be executed by or on behalf of the transferor and if in respect of a nil or partly paid up Share, or if so required by the Directors, shall also be executed on behalf of the transferee and shall be accompanied by the certificate (if any) of the Shares to which it relates and such other evidence as the Directors may reasonably require to show the right of the transferor to make the transfer. The transferor shall be deemed to remain a Shareholder until the name of the transferee is entered in the Register in respect of the relevant Shares.
44.
 - (a) The Directors may in their absolute discretion decline to register any transfer of Shares which is not fully paid up or on which the Company has a lien.
 - (b) The Directors may also decline to register any transfer of any Share unless:
 - (i) the instrument of transfer is lodged with the Company, accompanied by the certificate for the Shares to which it relates and such other evidence as the Board may reasonably require to show the right of the transferor to make the transfer;
 - (ii) the instrument of transfer is in respect of only one Class of Shares;
 - (iii) the instrument of transfer is properly stamped, if required;
 - (iv) in the case of a transfer to joint holders, the number of joint holders to whom the Share is to be transferred does not exceed four; and
 - (v) a fee of such maximum sum as the Designated Stock Exchange may determine to be payable, or such lesser sum as the Board of Directors may from time to time require, is paid to the Company in respect thereof.

45. The registration of transfers may, on ten calendar days' notice being given by advertisement in such one or more newspapers, by electronic means or by any other means in accordance with the Designated Stock Exchange Rules, be suspended and the Register closed at such times and for such periods as the Directors may, in their absolute discretion, from time to time determine, provided always that such registration of transfer shall not be suspended nor the Register closed for more than thirty calendar days in any calendar year.
46. All instruments of transfer that are registered shall be retained by the Company. If the Directors refuse to register a transfer of any Shares, they shall within three calendar months after the date on which the transfer was lodged with the Company send notice of the refusal to each of the transferor and the transferee.

TRANSMISSION OF SHARES

47. The legal personal representative of a deceased sole holder of a Share shall be the only Person recognised by the Company as having any title to the Share. In the case of a Share registered in the name of two or more holders, the survivors or survivor, or the legal personal representatives of the deceased survivor, shall be the only Person recognised by the Company as having any title to the Share.
48. Any Person becoming entitled to a Share in consequence of the death or bankruptcy of a Shareholder shall, upon such evidence being produced as may from time to time be required by the Directors, have the right either to be registered as a Shareholder in respect of the Share or, instead of being registered himself, to make such transfer of the Share as the deceased or bankrupt Person could have made; but the Directors shall, in either case, have the same right to decline or suspend registration as they would have had in the case of a transfer of the Share by the deceased or bankrupt Person before the death or bankruptcy.
49. A Person becoming entitled to a Share by reason of the death or bankruptcy of a Shareholder shall be entitled to the same dividends and other advantages to which he would be entitled if he were the registered Shareholder, except that he shall not, before being registered as a Shareholder in respect of the Share, be entitled in respect of it to exercise any right conferred by membership in relation to meetings of the Company, provided however, that the Directors may at any time give notice requiring any such Person to elect either to be registered himself or to transfer the Share, and if the notice is not complied with within ninety calendar days, the Directors may thereafter withhold payment of all dividends, bonuses or other monies payable in respect of the Share until the requirements of the notice have been complied with.

REGISTRATION OF EMPOWERING INSTRUMENTS

50. The Company shall be entitled to charge a fee not exceeding one U.S. dollar (US\$1.00) on the registration of every probate, letters of administration, certificate of death or marriage, power of attorney, notice in lieu of distringas, or other instrument.

ALTERATION OF SHARE CAPITAL

51. The Company may from time to time by Ordinary Resolution increase the share capital by such sum, to be divided into Shares of such Classes and amount, as the resolution shall prescribe.
52. The Company may by Ordinary Resolution:
- (a) increase its share capital by new Shares of such amount as it thinks expedient;
 - (b) consolidate and divide all or any of its share capital into Shares of a larger amount than its existing Shares;
 - (c) subdivide its Shares, or any of them, into Shares of an amount smaller than that fixed by the Memorandum, provided that in the subdivision the proportion between the amount paid and the amount, if any, unpaid on each reduced Share shall be the same as it was in case of the Share from which the reduced Share is derived; and
 - (d) cancel any Shares that, at the date of the passing of the resolution, have not been taken or agreed to be taken by any Person and diminish the amount of its share capital by the amount of the Shares so cancelled.
53. The Company may by Special Resolution reduce its share capital and any capital redemption reserve in any manner authorised by the Companies Act.

REDEMPTION, PURCHASE AND SURRENDER OF SHARES

54. Subject to the provisions of the Companies Act and these Articles, the Company may:
- (a) issue Shares that are to be redeemed or are liable to be redeemed at the option of the Shareholder or the Company. The redemption of Shares shall be effected in such manner and upon such terms as may be determined, before the issue of such Shares, by either the Board or by the Shareholders by Special Resolution;
 - (b) purchase its own Shares (including any redeemable Shares) on such terms and in such manner and terms as have been approved by the Board or by the Members by Ordinary Resolution, or are otherwise authorised by these Articles; and

66. If within half an hour from the time appointed for the meeting a quorum is not present, the meeting shall be dissolved.

68. The Chairman, if any, of the Board of Directors shall preside as chairman at every general meeting of the Company.
69. When a meeting, or adjourned meeting, is adjourned for fourteen calendar days or more, notice of the adjourned meeting shall be given as in the case of an original meeting. Save as aforesaid it shall not be necessary to give any notice of an adjournment or of the business to be transacted at an adjourned meeting.
71. A postponement may be for a stated period of any length or indefinitely as the Directors may determine.
72. At any general meeting a resolution put to the vote of the meeting shall be decided on a show of hands, unless a poll is (before or on the declaration of the result of the show of hands) demanded by the chairman of the meeting or any Shareholder present in person or by proxy, and unless a poll is so demanded, a declaration by the chairman of the meeting that a resolution has, on a show of hands, been carried, or carried unanimously, or by a particular majority, or lost, and an entry to that effect in the book of the proceedings of the Company, shall be conclusive evidence of the fact, without proof of the number or proportion of the votes recorded in favour of, or against, that resolution.

In the case of an equality of votes, whether on a show of hands or on a poll, the chairman of the meeting at which the show of hands takes place or at which the poll is demanded, shall be entitled to a second or casting vote.
75. A poll demanded on the election of a chairman of the meeting or on a question of adjournment shall be taken forthwith. A poll demanded on any other question shall be taken at such time as the chairman of the meeting directs.

VOTES OF SHAREHOLDERS

76. Subject to any rights and restrictions for the time being attached to any Share, on a show of hands every Shareholder present in person or by proxy (or, if a corporation or other non-natural person, by its duly authorised representative or proxy) shall, at a general meeting of the Company, each have one vote and on a poll every Shareholder present in person or by proxy (or, if a corporation or other non-natural person, by its duly authorised representative or proxy) shall have ten (10) votes for each Class Y Ordinary Share and one (1) vote for each Class Z Ordinary Share of which he is the holder. Where the Company has knowledge that any Shareholder is, under the Listing Rules, required to abstain from voting on any particular resolution or restricted to voting only for or only against any particular resolution, any votes cast by or on behalf of such Shareholder in contravention of such requirement or restriction shall not be counted.
77. In the case of joint holders the vote of the senior who tenders a vote whether in person or by proxy (or, if a corporation or other non-natural person, by its duly authorised representative or proxy) shall be accepted to the exclusion of the votes of the other joint holders and for this purpose seniority shall be determined by the order in which the names stand in the Register.
78. Shares carrying the right to vote that are held by a Shareholder of unsound mind, or in respect of whom an order has been made by any court having jurisdiction in lunacy, may be voted, whether on a show of hands or on a poll, by his committee, or other Person in the nature of a committee appointed by that court, and any such committee or other Person may vote in respect of such Shares by proxy.
79. No Shareholder shall be entitled to vote at any general meeting of the Company unless all calls, if any, or other sums presently payable by him in respect of Shares carrying the right to vote held by him have been paid.
80. On a poll votes may be given either personally or by proxy.
81. Each Shareholder, other than a recognised clearing house (or its nominee(s)) or depositary (or its nominee(s)), may only appoint one proxy on a show of hands. The instrument appointing a proxy shall be in writing under the hand of the appointor or of his attorney duly authorised in writing or, if the appointor is a corporation, either under Seal or under the hand of an officer or attorney duly authorised. A proxy need not be a Shareholder.

82. An instrument appointing a proxy may be in any usual or common form or such other form as the Directors may approve.
83. The instrument appointing a proxy shall be deposited at the Registered Office or at such other place as is specified for that purpose in the notice convening the meeting, or in any instrument of proxy sent out by the Company:

The Chairman may in any event at his discretion direct that an instrument of proxy shall be deemed to have been duly deposited. An instrument of proxy that is not deposited in the manner permitted shall be invalid.

84. The instrument appointing a proxy shall be deemed to confer authority to demand or join in demanding a poll.
85. A resolution in writing signed by all the Shareholders for the time being entitled to receive notice of and to attend and vote at general meetings of the Company (or being corporations by their duly authorised representatives) shall be as valid and effective as if the same had been passed at a general meeting of the Company duly convened and held.

CORPORATIONS ACTING BY REPRESENTATIVES AT MEETINGS

86. Any corporation which is a Shareholder or a Director may by resolution of its directors or other governing body authorise such Person as it thinks fit to act as its representative at any meeting of the Company or of any meeting of holders of a Class or of the Directors or of a committee of Directors, and the Person so authorised shall be entitled to exercise the same powers on behalf of the corporation which he represents as that corporation could exercise if it were an individual Shareholder or Director.

DEPOSITARY AND CLEARING HOUSES

The notice of any meeting at which a resolution to remove a Director shall be proposed or voted upon must contain a statement of the intention to remove that Director and such notice must be served on that Director not less than ten (10) calendar days before the meeting. Such Director is entitled to attend the meeting and be heard on the motion for his removal.

No resolution passed by the Company in general meeting shall invalidate any prior act of the Directors that would have been valid if that resolution had not been passed.

101. The Directors may from time to time provide for the management of the affairs of the Company in such manner as they shall think fit and the provisions contained in the three next following Articles shall not limit the general powers conferred by this Article.

131. No dividend shall bear interest against the Company.

132. Any dividend unclaimed after a period of six calendar years from the date of declaration of such dividend may be forfeited by the Board of Directors and, if so forfeited, shall revert to the Company.

If all or any of the Shares

or other securities of the Company shall for the time being be (with the consent of the Company) listed or dealt in on any stock exchange or market, there shall be forwarded to such stock exchange or market such number of copies of such documents as may for the time being be required under its regulations or practice.

137. The Directors may appoint an auditor of the Company who shall hold office until removed from office by a resolution of the Directors and may fix his or their remuneration.

Such report shall be laid before the Company in the annual general meeting.
139. The auditors shall, if so required by the Directors, make a report on the accounts of the Company during their tenure of office at the next annual general meeting following their appointment, and at any time during their term of office, upon request of the Directors or any general meeting of the Members.
140. The Directors in each calendar year shall prepare, or cause to be prepared, an annual return and declaration setting forth the particulars required by the Companies Act and deliver a copy thereof to the Registrar of Companies in the Cayman Islands.

CAPITALISATION OF RESERVES

141. Subject to the Companies Act, the Directors may:
- (a) resolve to capitalise an amount standing to the credit of reserves (including a Share Premium Account, capital redemption reserve and profit and loss account), which is available for distribution;
 - (b) appropriate the sum resolved to be capitalised to the Shareholders in proportion to the nominal amount of Shares (whether or not fully paid) held by them respectively and apply that sum on their behalf in or towards:
 - (i) paying up the amounts (if any) for the time being unpaid on Shares held by them respectively, or

- (ii) paying up in full unissued Shares or debentures of a nominal amount equal to that sum,

and allot the Shares or debentures, credited as fully paid, to the Shareholders (or as they may direct) in those proportions, or partly in one way and partly in the other, but the Share Premium Account, the capital redemption reserve and profits which are not available for distribution may, for the purposes of this Article, only be applied in paying up unissued Shares to be allotted to Shareholders credited as fully paid;

and any such agreement made under this authority being effective and binding on all those Shareholders; and

- (e) generally do all acts and things required to give effect to the resolution.

142. Notwithstanding any provisions in these Articles, the Directors may resolve to capitalise an amount standing to the credit of reserves (including the share premium account, capital redemption reserve and profit and loss account) or otherwise available for distribution by applying such sum in paying up in full unissued Shares to be allotted and issued to:

- (a) employees (including Directors) or service providers of the Company or its Affiliates upon exercise or vesting of any options or awards granted under any share incentive scheme or employee benefit scheme or other arrangement which relates to such persons that has been adopted or approved by the Directors or the Members;
- (b) any trustee of any trust or administrator of any share incentive scheme or employee benefit scheme to whom shares are to be allotted and issued by the Company in connection with the operation of any share incentive scheme or employee benefit scheme or other arrangement which relates to such persons that has been adopted or approved by the Directors or Members; or

- (c) any depositary of the Company for the purposes of the issue, allotment and delivery by the depositary of ADSs to employees (including Directors) or service providers of the Company or its Affiliates upon exercise or vesting of any options or awards granted under any share incentive scheme or employee benefit scheme or other arrangement which relates to such persons that has been adopted or approved by the Directors or the Members.

SHARE PREMIUM ACCOUNT

- 143. The Directors shall in accordance with the Companies Act establish a Share Premium Account and shall carry to the credit of such account from time to time a sum equal to the amount or value of the premium paid on the issue of any Share.
- 144. There shall be debited to any Share Premium Account on the redemption or purchase of a Share the difference between the nominal value of such Share and the redemption or purchase price provided always that at the discretion of the Directors such sum may be paid out of the profits of the Company or, if permitted by the Companies Act, out of capital.

NOTICES

- 145. Except as otherwise provided in these Articles, any notice or document may be served by the Company or by the Person entitled to give notice to any Shareholder either personally, or by posting it by airmail or a recognised courier service in a prepaid letter addressed to such Shareholder at his address as appearing in the Register, or by electronic mail to any electronic mail address such Shareholder may have specified in writing for the purpose of such service of notices, or by facsimile to any facsimile number such Shareholder may have specified in writing for the purpose of such service of notices, or by placing it on the Company's Website should the Directors deem it appropriate. In the case of joint holders of a Share, all notices shall be given to that one of the joint holders whose name stands first in the Register in respect of the joint holding, and notice so given shall be sufficient notice to all the joint holders.
- 146. Notices sent from one country to another shall be sent or forwarded by prepaid airmail or a recognised courier service.
- 147. Any Shareholder present, either personally or by proxy, at any meeting of the Company shall for all purposes be deemed to have received due notice of such meeting and, where requisite, of the purposes for which such meeting was convened.

149. Any notice or document delivered or sent by post to or left at the registered address of any Shareholder in accordance with the terms of these Articles shall notwithstanding that such Shareholder be then dead or bankrupt, and whether or not the Company has notice of his death or bankruptcy, be deemed to have been duly served in respect of any Share registered in the name of such Shareholder as sole or joint holder, unless his name shall at the time of the service of the notice or document have been removed from the Register as the holder of the Share, and such service shall for all purposes be deemed a sufficient service of such notice or document on all Persons interested (whether jointly with or as claiming through or under him) in the Share.
150. Notice of every general meeting of the Company shall be given to:
- (a) all Shareholders holding Shares with the right to receive notice and who have supplied to the Company an address for the giving of notices to them; and
 - (b) every Person entitled to a Share in consequence of the death or bankruptcy of a Shareholder, who but for his death or bankruptcy would be entitled to receive notice of the meeting.

No other Person shall be entitled to receive notices of general meetings.

INFORMATION

151. Subject to the relevant laws, rules and regulations applicable to the Company, no Member shall be entitled to require discovery of any information in respect of any detail of the Company's trading or any information which is or may be in the nature of a trade secret or secret process which may relate to the conduct of the business of the Company and which in the opinion of the Board would not be in the interests of the Members to communicate to the public.
152. Subject to due compliance with the relevant laws, rules and regulations applicable to the Company, the Board shall be entitled to release or disclose any information in its possession, custody or control regarding the Company or its affairs to any of its Members including, without limitation, information contained in the Register and transfer books of the Company.

INDEMNITY

153. Every Director (including for the purposes of this Article any alternate Director appointed pursuant to the provisions of these Articles), Secretary, assistant Secretary, or other officer for the time being and from time to time of the Company (but not including the Company's auditors) and the personal representatives of the same (each an "Indemnified Person") shall be indemnified and secured harmless against all actions, proceedings, costs, charges, expenses, losses, damages or liabilities incurred or sustained by such Indemnified Person, other than by reason of such Indemnified Person's own dishonesty, willful default or fraud, in or about the conduct of the Company's business or affairs (including as a result of any mistake of judgment) or in the execution or discharge of his duties, powers, authorities or discretions, including without prejudice to the generality of the foregoing, any costs, expenses, losses or liabilities incurred by such Indemnified Person in defending (whether successfully or otherwise) any civil proceedings concerning the Company or its affairs in any court whether in the Cayman Islands or elsewhere.

154. No Indemnified Person shall be liable:

- (a) for the acts, receipts, neglects, defaults or omissions of any other Director or officer or agent of the Company; or
- (b) for any loss on account of defect of title to any property of the Company; or
- (c) on account of the insufficiency of any security in or upon which any money of the Company shall be invested; or
- (d) for any loss incurred through any bank, broker or other similar Person; or
- (e) for any loss occasioned by any negligence, default, breach of duty, breach of trust, error of judgement or oversight on such Indemnified Person's part; or
- (f) for any loss, damage or misfortune whatsoever which may happen in or arise from the execution or discharge of the duties, powers, authorities, or discretions of such Indemnified Person's office or in relation thereto;

unless the same shall happen through such Indemnified Person's own dishonesty, willful default or fraud.

FINANCIAL YEAR

155. Unless the Directors otherwise prescribe, the financial year of the Company shall end on December 31st in each calendar year and shall begin on January 1st in each calendar year.

NON-RECOGNITION OF TRUSTS

156. No Person shall be recognised by the Company as holding any Share upon any trust and the Company shall not, unless required by law, be bound by or be compelled in any way to recognise (even when having notice thereof) any equitable, contingent, future or partial interest in any Share or (except only as otherwise provided by these Articles or as the Companies Act requires) any other right in respect of any Share except an absolute right to the entirety thereof in each Shareholder registered in the Register.

WINDING UP

157. If the Company shall be wound up the liquidator may, with the sanction of a Special Resolution of the Company and any other sanction required by the Companies Act, divide amongst the Members in species or in kind the whole or any part of the assets of the Company (whether they shall consist of property of the same kind or not) and may for that purpose value any assets and determine how the division shall be carried out as between the Members or different classes of Members. The liquidator may, with the like sanction, vest the whole or any part of such assets in trustees upon such trusts for the benefit of the Members as the liquidator, with the like sanction, shall think fit, but so that no Member shall be compelled to accept any asset upon which there is a liability.
158. If the Company shall be wound up, and the assets available for distribution amongst the Members shall be insufficient to repay the whole of the share capital, such assets shall be distributed so that, as nearly as may be, the losses shall be borne by the Members in proportion to the par value of the Shares held by them. If in a winding up the assets available for distribution amongst the Members shall be more than sufficient to repay the whole of the share capital at the commencement of the winding up, the surplus shall be distributed amongst the Members in proportion to the par value of the Shares held by them at the commencement of the winding up subject to a deduction from those Shares in respect of which there are monies due, of all monies payable to the Company for unpaid calls or otherwise. This Article is without prejudice to the rights of the holders of Shares issued upon special terms and conditions.

AMENDMENT OF ARTICLES OF ASSOCIATION

159. Subject to the Companies Act, the Company may at any time and from time to time by Special Resolution alter or amend these Articles in whole or in part.

CLOSING OF REGISTER OR FIXING RECORD DATE

160. For the purpose of determining those Shareholders that are entitled to receive notice of, attend or vote at any meeting of Shareholders or any adjournment thereof, or those Shareholders that are entitled to receive payment of any dividend, or in order to make a determination as to who is a Shareholder for any other purpose, the Directors may provide that the Register shall be closed for transfers for a stated period which shall not exceed in any case thirty calendar days in any calendar year.

161. In lieu of or apart from closing the Register, the Directors may fix in advance a date as the record date for any such determination of those Shareholders that are entitled to receive notice of, attend or vote at a meeting of the Shareholders and for the purpose of determining those Shareholders that are entitled to receive payment of any dividend the Directors may, at or within ninety calendar days prior to the date of declaration of such dividend, fix a subsequent date as the record date for such determination.
162. If the Register is not so closed and no record date is fixed for the determination of those Shareholders entitled to receive notice of, attend or vote at a meeting of Shareholders or those Shareholders that are entitled to receive payment of a dividend, the date on which notice of the meeting is posted or the date on which the resolution of the Directors declaring such dividend is adopted, as the case may be, shall be the record date for such determination of Shareholders. When a determination of those Shareholders that are entitled to receive notice of, attend or vote at a meeting of Shareholders has been made as provided in this Article, such determination shall apply to any adjournment thereof.

REGISTRATION BY WAY OF CONTINUATION

163. The Company may by Special Resolution resolve to be registered by way of continuation in a jurisdiction outside the Cayman Islands or such other jurisdiction in which it is for the time being incorporated, registered or existing. In furtherance of a resolution adopted pursuant to this Article, the Directors may cause an application to be made to the Registrar of Companies to deregister the Company in the Cayman Islands or such other jurisdiction in which it is for the time being incorporated, registered or existing and may cause all such further steps as they consider appropriate to be taken to effect the transfer by way of continuation of the Company.

DISCLOSURE

164. The Directors, or any service providers (including the officers, the Secretary and the registered office agent of the Company) specifically authorised by the Directors, shall be entitled to disclose to any regulatory or judicial authority or to any stock exchange on which securities of the Company may from time to time be listed any information regarding the affairs of the Company including without limitation information contained in the Register and books of the Company.

UNTRACEABLE SHAREHOLDERS

165. (a) The Company may exercise the power to cease sending cheques for dividend entitlements or dividend warrants by post if such cheques or warrants remain uncashed on two consecutive occasions or after the first occasion on which such a cheque or warrant is returned undelivered.

- (b) The Company shall have the power to sell, in such manner as the Board thinks fit, any Shares of a Shareholder who is untraceable, but no such sale shall be made unless:
- (i) during the period of 12 years prior to the date of the advertisements referred to in sub-paragraph (ii) below (or, if published more than once, the first thereof) at least three dividends or other distributions in respect of the Shares in question have become payable or been made and no dividend or other distribution in respect of the Shares during that period has been claimed;
 - (ii) the Company has caused an advertisement to be inserted in the Newspapers of its intention to sell such Shares and a period of three months has elapsed since the date of such advertisement (or, if published more than once, the first thereof);
 - (iii) the Company has not at any time during the said periods of 12 years and three months received any indication of the existence of the holder of such Shares or of a person entitled to such Shares by death, bankruptcy or operation of law; and
- (c) To give effect to any such sale the Board may authorise any person to transfer the said Shares and the instrument of transfer signed or otherwise executed by or on behalf of such person shall be as effective as if it had been executed by the registered holder or the person entitled by transmission to such Shares, and the purchaser shall not be bound to see to the application of the purchase money nor shall his title to the Shares be affected by any irregularity or invalidity in the proceedings relating to the sale. The net proceeds of the sale will belong to the Company and upon receipt by the Company of such proceeds it shall become indebted to the former Shareholder for an amount equal to such net proceeds. Notwithstanding any entries made by the Company in any of its books or otherwise howsoever, no trusts shall be created in respect of such debt and no interest shall be payable in respect of it and the Company shall not be required to account for any money earned from the net proceeds which may be employed in the business of the Company or as it thinks fit. Any sale under this Article shall be valid and effective notwithstanding that the Shareholder holding the Shares sold is dead, bankrupt, wound up or otherwise under any legal disability or incapacity.

COMMUNICATION WITH MEMBERS AND DISCLOSURE

166. The Company shall comply with the provisions of Appendix 14 of the Listing Rules regarding communication with Shareholders or Members.
167. The Company shall include the words “A company controlled through weighted voting rights” or such language as may be specified by the HK Stock Exchange from time to time on the front page of all its listing documents, periodic financial reports, circulars, notifications and announcements required by the Listing Rules, and describe its weighted voting rights structure, the rationale of such structure, and the associated risks for the Members prominently in its listing documents and periodic financial reports. This statement shall inform prospective investors of the potential risks of investing in the Company and that they should make the decision only after due and careful consideration.

168. The Company shall, in its listing documents and its interim and annual reports:

Each Holder and each Beneficial Owner, upon acceptance of any ADSs (or any interest therein) issued in accordance with the terms of this Deposit Agreement, shall be deemed for all

purposes to (a) be a party to and bound by the terms of this Deposit Agreement and the applicable ADR(s) and (b) appoint the Depositary its attorney-in-fact, with full power to delegate, to act on its behalf and to take any and all actions contemplated in this Deposit Agreement and the applicable ADR(s), to adopt any and all procedures necessary to comply with applicable law and to take such action as the Depositary in its sole discretion may deem necessary or appropriate to carry out the purposes of this Deposit Agreement and the applicable ADR(s) (the taking of such actions to be the conclusive determinant of the necessity and appropriateness thereof).

SECTION 2.2 Form and Transferability of Receipts.

- (a) Form. Receipts in certificated form shall be substantially in the form set forth in Exhibit A and Exhibit B annexed to this Deposit Agreement, with appropriate insertions, modifications and omissions, as hereinafter provided. Receipts may be issued in denominations of any number of American Depositary Shares. No Receipt in certificated form shall be entitled to any benefits under this Deposit Agreement or be valid or obligatory for any purpose, unless such Receipt shall have been dated and signed by the manual or facsimile signature of a duly authorized signatory of the Depositary. The Depositary shall maintain books on which each Receipt so executed and Delivered, in the case of Receipts in certificated form, and each Receipt issued through any book-entry system, including, without limitation, DRS/Profile, in either case as hereinafter provided, and the transfer of each such Receipt shall be registered. Receipts in certificated form bearing the manual or facsimile signature of a duly authorized signatory of the Depositary who was at any time a proper signatory of the Depositary shall bind the Depositary, notwithstanding the fact that such signatory has ceased to hold such office prior to the execution and Delivery of such Receipts by the Registrar or did not hold such office on the date of issuance of such Receipts.

Notwithstanding anything in this Deposit Agreement or in the form of Receipt to the contrary, to the extent available by the Depositary, ADSs shall be evidenced by Receipts issued through any book-entry system, including, without limitation, DRS/Profile, unless certificated Receipts are specifically requested by the Holder. Holders and Beneficial Owners shall be bound by the terms and conditions of this Deposit Agreement and of the form of Receipt, regardless of whether their Receipts are in certificated form or are issued through any book-entry system, including, without limitation, DRS/Profile.

- (b) Legends. In addition to the foregoing, the Receipts may, and upon the written request of the Company shall, be endorsed with, or have incorporated in the text thereof, such legends or recitals or modifications not inconsistent with the provisions of this Deposit Agreement as may be (i) necessary to enable the Depositary and the Company to perform their respective obligations hereunder, (ii) required to comply with any applicable laws or regulations, or with the rules and regulations of any securities exchange or market upon which ADSs may be traded, listed or quoted, or to conform with any usage with respect thereto, (iii) necessary to indicate any special limitations or restrictions to which any particular ADRs or ADSs are subject by reason of the date of issuance of the Deposited Securities or otherwise or (iv) required by any book-entry system in which the ADSs are held. Holders and Beneficial Owners shall be deemed, for all purposes, to have notice

of, and to be bound by, the terms and conditions of the legends set forth, in the case of Holders, on the ADR registered in the name of the applicable Holders or, in the case of Beneficial Owners, on the ADR representing the ADSs owned by such Beneficial Owners.

- (c) Title. Subject to the limitations contained herein and in the form of Receipt, title to a Receipt (and to the ADSs evidenced thereby), when properly endorsed (in the case of certificated Receipts) or upon delivery to the Depositary of proper instruments of transfer, shall be transferable by delivery with the same effect as in the case of a negotiable instrument under the laws of the State of New York; provided, however, that the Depositary, notwithstanding any notice to the contrary, may treat the Holder thereof as the absolute owner thereof for the purpose of determining the person entitled to distribution of dividends or other distributions or to any notice provided for in this Deposit Agreement and for all other purposes and neither the Depositary nor the Company will have any obligation or be subject to any liability under the Deposit Agreement to any holder of a Receipt, unless such holder is the Holder thereof.

SECTION 2.3 Deposits.

- (a) Subject to the terms and conditions of this Deposit Agreement and applicable law, Shares or evidence of rights to receive Shares may be deposited by any person (including the Depositary in its individual capacity but subject, however, in the case of the Company or any Affiliate of the Company, to Section 5.7 hereof) at any time beginning on the 181st day after the date of the prospectus contained in the registration statement on Form F-1 under which the ADSs are first sold or on such earlier date as the Company (with the approval of the underwriters referred to in the said prospectus) may specify in writing to the Depositary, whether or not the transfer books of the Company or the Foreign Registrar, if any, are closed, by Delivery of the Shares to the Custodian. Except for Shares deposited by the Company in connection with the initial sale of ADSs under the registration statement on Form F-1, no deposit of Shares shall be accepted under this Deposit Agreement prior to such date. Every deposit of Shares shall be accompanied by the following: (A)(i) in the case of Shares represented by certificates issued in registered form, appropriate instruments of transfer or endorsement, in a form satisfactory to the Custodian, (ii) in the case of Shares represented by certificates issued in bearer form, such Shares or the certificates representing such Shares and (iii) in the case of Shares Delivered by book-entry transfer, confirmation of such book-entry transfer to the Custodian or that irrevocable instructions have been given to cause such Shares to be so transferred, (B) such certifications and payments (including, without limitation, the Depositary's fees and related charges) and evidence of such payments (including, without limitation, stamping or otherwise marking such Shares by way of receipt) as may be required by the Depositary or the Custodian in accordance with the provisions of this Deposit Agreement, (C) if the Depositary so requires, a written order directing the Depositary to execute and Deliver to, or upon the written order of, the person or persons stated in such order a Receipt or Receipts for the number of American Depositary Shares representing the Shares so deposited, (D) evidence satisfactory to the Depositary (which may include an opinion of counsel reasonably satisfactory to the Depositary provided at the cost of the person seeking to deposit Shares) that all conditions to such deposit have been met and all necessary approvals have been granted by, and there has been compliance with the rules and regulations of, any applicable governmental agency and

(E) if the Depositary so requires, (i) an agreement, assignment or instrument satisfactory to the Depositary or the Custodian which provides for the prompt transfer by any person in whose name the Shares are or have been recorded to the Custodian of any distribution, or right to subscribe for additional Shares or to receive other property in respect of any such deposited Shares or, in lieu thereof, such indemnity or other agreement as shall be satisfactory to the Depositary or the Custodian and (ii) if the Shares are registered in the name of the person on whose behalf they are presented for deposit, a proxy or proxies entitling the Custodian to exercise voting rights in respect of the Shares for any and all purposes until the Shares so deposited are registered in the name of the Depositary, the Custodian or any nominee. No Share shall be accepted for deposit unless accompanied by confirmation or such additional evidence, if any is required by the Depositary, that is reasonably satisfactory to the Depositary or the Custodian that all conditions to such deposit have been satisfied by the person depositing such Shares under the laws and regulations of the Cayman Islands and any necessary approval has been granted by any governmental body in the Cayman Islands, if any, which is then performing the function of the regulator of currency exchange. The Depositary may issue Receipts against evidence of rights to receive Shares from the Company, any agent of the Company or any custodian, registrar, transfer agent, clearing agency or other entity involved in ownership or transaction records in respect of the Shares. Without limitation of the foregoing, the Depositary shall not knowingly accept for deposit under this Deposit Agreement any Shares or other Deposited Securities required to be registered under the provisions of the Securities Act, unless a registration statement is in effect as to such Shares or other Deposited Securities, or any Shares or other Deposited Securities the deposit of which would violate any provisions of the Memorandum and Articles of Association. The Depositary shall use commercially reasonable efforts to comply with reasonable written instructions of the Company that the Depositary shall not accept for deposit hereunder any Shares specifically identified in such instructions at such times and under such circumstances as may reasonably be specified in such instructions in order to facilitate the Company's compliance with the securities laws in the United States and other jurisdictions, provided that the Company shall indemnify the Depositary and the Custodian for any claims and losses arising from not accepting the deposit of any Shares identified in the Company's instructions.

- (b) As soon as practicable after receipt of any permitted deposit hereunder and compliance with the provisions of this Deposit Agreement, the Custodian shall present the Shares so deposited, together with the appropriate instrument or instruments of transfer or endorsement, duly stamped, to the Foreign Registrar for transfer and registration of the Shares (as soon as transfer and registration can be accomplished and at the expense of the person for whom the deposit is made) in the name of the Depositary, the Custodian or a nominee of either. Deposited Securities shall be held by the Depositary or by a Custodian for the account and to the order of the Depositary or a nominee, in each case for the account of the Holders and Beneficial Owners, at such place or places as the Depositary or the Custodian shall determine.
- (c) In the event any Shares are deposited which entitle the holders thereof to receive a per-share distribution or other entitlement in an amount different from the Shares then on deposit, the Depositary is authorized to take any and all actions as may be necessary (including, without limitation, making the necessary notations on Receipts) to give effect

to the issuance of such ADSs and to ensure that such ADSs are not fungible with other ADSs issued hereunder until such time as the entitlement of the Shares represented by such non-fungible ADSs equals that of the Shares represented by ADSs prior to such deposit. The Company agrees to give timely written notice to the Depositary if any Shares issued or to be issued contain rights different from those of any other Shares theretofore issued and shall assist the Depositary with the establishment of procedures enabling the identification of such non-fungible Shares upon Delivery to the Custodian.

SECTION 2.4 Execution and Delivery of Receipts. After the deposit of any Shares pursuant to Section 2.3 hereof, the Custodian shall notify the Depositary of such deposit and the person or persons to whom or upon whose written order a Receipt or Receipts are Deliverable in respect thereof and the number of American Depositary Shares to be evidenced thereby. Such notification shall be made by letter, first class airmail postage prepaid, or, at the request, risk and expense of the person making the deposit, by cable, telex, SWIFT, facsimile or electronic transmission. After receiving such notice from the Custodian, the Depositary, subject to this Deposit Agreement (including, without limitation, the payment of the fees, expenses, taxes and/or other charges owing hereunder), shall issue the ADSs representing the Shares so deposited to or upon the order of the person or persons named in the notice delivered to the Depositary and shall execute and Deliver a Receipt registered in the name or names requested by such person or persons evidencing in the aggregate the number of American Depositary Shares to which such person or persons are entitled.

In carrying out its functions, a co-transfer agent may require evidence of authority and compliance with applicable laws and other requirements by Holders or persons entitled to such Receipts and will be entitled to protection and indemnity, in each case to the same extent as the Depositary. Such co-transfer agents may be removed and substitutes appointed by the Depositary. Each co-transfer agent appointed under this Section 2.5 (other than the Depositary) shall give notice in writing to the Depositary accepting such appointment and agreeing to be bound by the applicable terms of this Deposit Agreement.
- (d) Substitution of Receipts. At the request of a Holder, the Depositary shall, for the purpose of substituting a certificated Receipt with a Receipt issued through any book-entry system, including, without limitation, DRS/Profile, or vice versa, execute and Deliver a certificated Receipt or deliver a statement, as the case may be, for any authorized number of ADSs requested, evidencing the same aggregate number of ADSs as those evidenced by the relevant Receipt.

CERTAIN OBLIGATIONS OF HOLDERS AND BENEFICIAL OWNERS OF RECEIPTS

SECTION 3.1 Proofs, Certificates and Other Information. Any person presenting Shares for deposit shall provide, any Holder and any Beneficial Owner may be required to provide, and every Holder and Beneficial Owner agrees, from time to time to provide to the Depositary or the Custodian such proof of citizenship or residence, taxpayer status, payment of all applicable taxes or other governmental charges, exchange control approval, legal or beneficial ownership of ADSs and Deposited Securities, compliance with applicable laws and the terms of this Deposit Agreement and the provisions of, or governing, the Deposited Securities or other information, to execute such certifications and to make such representations and warranties and to provide such other information and documentation as the Depositary may deem necessary or proper or as the Company may reasonably require by written request to the Depositary consistent with its obligations hereunder. The Depositary and the Registrar, as applicable, may withhold the execution or Delivery or registration of transfer of any Receipt or the distribution or sale of any dividend or other distribution of rights or of the proceeds thereof, or to the extent not limited by the terms of Section 7.10 hereof, the Delivery of any Deposited Securities, until such proof or other information is filed or such certifications are executed, or such representations and warranties are made, or such other documentation or information provided, in each case to the Depositary's and the Company's satisfaction. The Depositary shall from time to time on the written request of the Company advise the Company of the availability of any such proofs, certificates or other information and shall, at the Company's sole expense, provide or otherwise make available copies thereof to the Company upon written request therefor by the Company, unless such disclosure is prohibited by law. Each Holder and Beneficial Owner agrees to provide, any information requested by the Company or the Depositary pursuant to this Section 3.1. Nothing herein shall obligate the Depositary to (i) obtain any information for the Company if not provided by the Holders or Beneficial Owners or (ii) verify or vouch for the accuracy of the information so provided by the Holders or Beneficial Owners.

Every Holder and Beneficial Owner agrees to indemnify the Depositary, the Company, the Custodian, the Agents and each of their respective directors, officers, employees, agents and Affiliates against, and to hold each of them harmless from, any Losses which any of them may incur or which may be made against any of them as a result of or in connection with any inaccuracy in or omission from any such proof, certificate, representation, warranty, information or document furnished by or on behalf of such Holder and/or Beneficial Owner or as a result of any such failure to furnish any of the foregoing.

The obligations of Holders and Beneficial Owners under Section 3.1 shall survive any transfer of Receipts, any surrender of Receipts or withdrawal of Deposited Securities or the termination of the Deposit Agreement.

SECTION 3.2 Liability for Taxes and Other Charges. If any present or future tax or other governmental charge shall become payable by the Depositary or the Custodian with respect to any ADR or any Deposited Securities or American Depositary Shares, such tax or other governmental charge shall be payable by the Holders and Beneficial Owners to the Depositary and such Holders and Beneficial Owners shall be deemed liable therefor. The Company, the Custodian and/or the Depositary may withhold or deduct from any distributions made in respect of Deposited Securities and may sell for the account of a Holder and/or Beneficial Owner any or all of the Deposited Securities and apply such distributions and sale proceeds in payment of such taxes (including applicable interest and penalties) and charges, with the Holder and the Beneficial Owner remaining fully liable for any deficiency. In addition to any other remedies available to it, the Depositary and the Custodian may refuse the deposit of Shares, and the Depositary may refuse to issue ADSs, to Deliver ADRs, to register the transfer, split-up or combination of ADRs and (subject to Section 7.10 hereof) the withdrawal of Deposited Securities, until payment in full of such tax, charge, penalty or interest is received. The liability of Holders and Beneficial Owners under this Section 3.2 shall survive any transfer of Receipts, any surrender of Receipts and withdrawal of Deposited Securities or the termination of this Deposit Agreement.

SECTION 3.3 Representations and Warranties on Deposit of Shares. Each person depositing Shares under this Deposit Agreement shall be deemed thereby to represent and warrant that (i) such Shares and the certificates therefor are duly authorized, validly issued, fully paid, non-assessable and were legally obtained by such person, (ii) all preemptive (and similar) rights, if any, with respect to such Shares have been validly waived or exercised, (iii) the person making such deposit is duly authorized so to do, (iv) the Shares presented for deposit are free and clear of any lien, encumbrance, security interest, charge, mortgage or adverse claim and are not, and the American Depositary Shares issuable upon such deposit will not be, Restricted Securities, (v) the Shares presented for deposit have not been stripped of any rights or entitlements and (vi) the Shares are not subject to any lock-up agreement with the Company or other party, or the Shares are subject to a lock-up agreement but such lock-up agreement has terminated or the lock-up restrictions imposed thereunder have expired. Such representations and warranties shall survive the deposit and withdrawal of Shares, the issuance and cancellation of American Depositary Shares in respect thereof and the transfer of such American Depositary Shares. If any such representations or warranties are false in any way, the Company and the Depositary shall be authorized, at the cost and expense of the person depositing Shares, to take any and all actions necessary to correct the consequences thereof.

SECTION 3.4 Compliance with Information Requests. Notwithstanding any other provision of the Deposit Agreement, the Articles of Association and applicable law, each Holder and Beneficial Owner agrees to (a) provide such information as the Company or the Depositary may request pursuant to law (including, without limitation, relevant Cayman Islands law, any applicable law of the United States, the Memorandum and Articles of Association, any resolutions of the Company's Board of Directors adopted pursuant to the Memorandum and Articles of Association, the requirements of any markets or exchanges upon which the Shares, ADSs or Receipts are listed or traded, or to any requirements of any electronic book-entry system by which the ADSs or Receipts may be transferred), (b) be bound by and subject to applicable provisions of the laws of the Cayman Islands, the Memorandum and Articles of

Association and the requirements of any markets or exchanges upon which the ADSs, Receipts or Shares are listed or traded, or pursuant to any requirements of any electronic book-entry system by which the ADSs, Receipts or Shares may be transferred, to the same extent as if such Holder and Beneficial Owner held Shares directly, in each case irrespective of whether or not they are Holders or Beneficial Owners at the time such request is made and, without limiting the generality of the foregoing, (c) comply with all applicable provisions of Cayman Islands law, the rules and requirements of any stock exchange on which the Shares are, or will be registered, traded or listed and the Articles of Association regarding any such Holder or Beneficial Owner's interest in Shares (including the aggregate of ADSs and Shares held by each such Holder or Beneficial Owner) and/or the disclosure of interests therein, whether or not the same may be enforceable against such Holder or Beneficial Owner. The Depository agrees to use its reasonable efforts to forward upon the request of the Company, and at the Company's expense, any such request from the Company to the Holders and to forward to the Company any such responses to such requests received by the Depository.

ARTICLE IV.

THE DEPOSITED SECURITIES

SECTION 4.1 Cash Distributions. Whenever the Depository receives confirmation from the Custodian of receipt of any cash dividend or other cash distribution on any Deposited Securities, or receives proceeds from the sale of any Shares, rights, securities or other entitlements under the terms hereof, the Depository will, if at the time of receipt thereof any amounts received in a Foreign Currency can in the judgment of the Depository (pursuant to Section 4.6 hereof) be converted on a practicable basis into Dollars transferable to the United States, promptly convert or cause to be converted such cash dividend, distribution or proceeds into Dollars (on the terms described in Section 4.6 hereof) and will distribute promptly the amount thus received (net of (a) the applicable fees and charges of, and expenses incurred by, the Depository and/or a division or Affiliate(s) of the Depository and (b) taxes and/or governmental charges) to the Holders of record as of the ADS Record Date in proportion to the number of American Depositary Shares held by such Holders respectively as of the ADS Record Date. The Depository shall distribute only such amount, however, as can be distributed without attributing to any Holder a fraction of one cent. Any such fractional amounts shall be rounded down to the nearest whole cent and so distributed to Holders entitled thereto. Holders and Beneficial Owners understand that in converting Foreign Currency, amounts received on conversion are calculated at a rate which exceeds the number of decimal places used by the Depository to report distribution rates. The excess amount may be retained by the Depository as an additional cost of conversion, irrespective of any other fees and expenses payable or owing hereunder and shall not be subject to escheatment. If the Company, the Custodian or the Depository is required to withhold and does withhold from any cash dividend or other cash distribution in respect of any Deposited Securities an amount on account of taxes, duties or other governmental charges, the amount distributed to Holders of the ADSs representing such Deposited Securities shall be reduced accordingly. Such withheld amounts shall be forwarded by the Company, the Custodian or the Depository to the relevant governmental authority. Evidence of payment thereof by the Company shall be forwarded by the Company to the Depository upon request. The Depository shall forward to the Company or its agent such

information from its records as the Company may reasonably request to enable the Company or its agent to file with governmental agencies such reports as are necessary to obtain benefits under the applicable tax treaties for the Holders and Beneficial Owners of Receipts.

SECTION 4.2 Distribution in Shares. If any distribution upon any Deposited Securities consists of a dividend in, or free distribution of, Shares, the Company shall cause such Shares to be deposited with the Custodian and registered, as the case may be, in the name of the Depository, the Custodian or any of their nominees. Upon receipt of confirmation of such deposit from the Custodian, the Depository shall establish the ADS Record Date upon the terms described in Section 4.7 hereof and shall, subject to Section 5.9 hereof, either (i) distribute to the Holders as of the ADS Record Date in proportion to the number of ADSs held as of the ADS Record Date, additional ADSs, which represent in the aggregate the number of Shares received as such dividend, or free distribution, subject to the other terms of this Deposit Agreement (including, without limitation, (a) the applicable fees and charges of, and expenses incurred by, the Depository and (b) taxes and/or governmental charges), or (ii) if additional ADSs are not so distributed, each ADS issued and outstanding after the ADS Record Date shall, to the extent permissible by law, thenceforth also represent rights and interests in the additional Shares distributed upon the Deposited Securities represented thereby (net of (a) the applicable fees and charges of, and expenses incurred by, the Depository and (b) taxes and/or governmental charges). In lieu of Delivering fractional ADSs, the Depository shall sell the number of Shares represented by the aggregate of such fractions and distribute the proceeds upon the terms described in Section 4.1 hereof. The Depository may withhold any such distribution of Receipts if it has not received satisfactory assurances from the Company (including an Opinion of Counsel furnished at the expense of the Company) that such distribution does not require registration under the Securities Act or is exempt from registration under the provisions of the Securities Act. To the extent such distribution may be withheld, the Depository may dispose of all or a portion of such distribution in such amounts and in such manner, including by public or private sale, as the Depository deems necessary and practicable, and the Depository shall distribute the net proceeds of any such sale (after deduction of applicable taxes and/or governmental charges and fees and charges of, and expenses incurred by, the Depository and/or a division or Affiliate(s) of the Depository) to Holders entitled thereto upon the terms described in Section 4.1 hereof.

SECTION 4.3 Elective Distributions in Cash or Shares. Whenever the Company intends to distribute a dividend payable at the election of the holders of Shares in cash or in additional Shares, the Company shall give notice thereof to the Depository at least 30 days prior to the proposed distribution stating whether or not it wishes such elective distribution to be made available to Holders of ADSs. Upon receipt of notice indicating that the Company wishes such elective distribution to be made available to Holders of ADSs, the Depository shall consult with the Company to determine, and the Company shall assist the Depository in its determination, whether it is lawful and reasonably practicable to make such elective distribution available to the Holders of ADSs. The Depository shall make such elective distribution available to Holders only if (i) the Company shall have timely requested that the elective distribution is available to Holders of ADRs, (ii) the Depository shall have received satisfactory documentation within the terms of Section 5.7 hereof (including, without limitation, any legal opinions of counsel in any applicable jurisdiction that the Depository in its reasonable discretion may request, at the expense of the Company) and (iii) the Depository

shall have determined that such distribution is lawful and reasonably practicable. If the above conditions are not satisfied, the Depositary shall, to the extent permitted by law, distribute to the Holders, on the basis of the same determination as is made in the local market in respect of the Shares for which no election is made, either cash upon the terms described in Section 4.1 hereof or additional ADSs representing such additional Shares upon the terms described in Section 4.2 hereof. If the above conditions are satisfied, the Depositary shall establish an ADS Record Date (on the terms described in Section 4.7 hereof) and establish procedures to enable Holders to elect the receipt of the proposed dividend in cash or in additional ADSs. The Company shall assist the Depositary in establishing such procedures to the extent necessary. Subject to Section 5.9 hereof, if a Holder elects to receive the proposed dividend in cash, the dividend shall be distributed upon the terms described in Section 4.1 hereof or in ADSs, the dividend shall be distributed upon the terms described in Section 4.2 hereof. Nothing herein shall obligate the Depositary to make available to Holders a method to receive the elective dividend in Shares (rather than ADSs). There can be no assurance that Holders generally, or any Holder in particular, will be given the opportunity to receive elective distributions on the same terms and conditions as the holders of Shares.

SECTION 4.4 Distribution of Rights to Purchase Shares.

- (a) **Distribution to ADS Holders.** Whenever the Company intends to distribute to the holders of the Deposited Securities rights to subscribe for additional Shares, the Company shall give notice thereof to the Depositary at least 60 days prior to the proposed distribution stating whether or not it wishes such rights to be made available to Holders of ADSs. Upon timely receipt of a notice indicating that the Company wishes such rights to be made available to Holders of ADSs, the Depositary shall consult with the Company to determine, and the Company shall determine, whether it is lawful and reasonably practicable to make such rights available to the Holders. The Depositary shall make such rights available to Holders only if (i) the Company shall have timely requested that such rights be made available to Holders, (ii) the Depositary shall have received satisfactory documentation within the terms of Section 5.7 hereof and (iii) the Depositary shall have determined that such distribution of rights is lawful and reasonably practicable. In the event any of the conditions set forth above are not satisfied, the Depositary shall proceed with the sale of the rights as contemplated in Section 4.4(b) below or, if timing or market conditions may not permit, do nothing thereby allowing such rights to lapse. In the event all conditions set forth above are satisfied, the Depositary shall establish an ADS Record Date (upon the terms described in Section 4.7 hereof) and establish procedures to distribute such rights (by means of warrants or otherwise) and to enable the Holders to exercise the rights (upon payment of applicable fees and charges of, and expenses incurred by, the Depositary and taxes and/or other governmental charges). Nothing herein shall obligate the Depositary to make available to the Holders a method to exercise such rights to subscribe for Shares (rather than ADSs).
- (b) **Sale of Rights.** If (i) the Company does not timely request the Depositary to make the rights available to Holders or requests that the rights not be made available to Holders, (ii) the Depositary fails to receive satisfactory documentation within the terms of Section 5.7 hereof or determines it is not lawful or reasonably practicable to make the rights available to Holders or (iii) any rights made available are not exercised and appear

to be about to lapse, the Depositary shall determine whether it is lawful and reasonably practicable to sell such rights, and if it so determines that it is lawful and reasonably practicable, endeavour to sell such rights in a riskless principal capacity or otherwise, at such place and upon such terms (including public or private sale) as it may deem proper. The Company shall assist the Depositary to the extent necessary to determine such legality and practicability. The Depositary shall, upon such sale, convert and distribute proceeds of such sale (net of applicable fees and charges of, and expenses incurred by, the Depositary and/or a division or Affiliate(s) of the Depositary and taxes and/or governmental charges) upon the terms set forth in Section 4.1 hereof.

- (c) Lapse of Rights. If the Depositary is unable to make any rights available to Holders upon the terms described in Section 4.4(a) hereof or to arrange for the sale of the rights upon the terms described in Section 4.4(b) hereof, the Depositary shall allow such rights to lapse.

The Depositary shall not be responsible for (i) any failure to determine that it may be lawful or practicable to make such rights available to Holders in general or any Holders in particular, (ii) any foreign exchange exposure or loss incurred in connection with such sale or exercise or (iii) the content of any materials forwarded to the Holders on behalf of the Company in connection with the rights distribution.

Notwithstanding anything to the contrary in this Section 4.4, if registration (under the Securities Act or any other applicable law) of the rights or the securities to which any rights relate may be required in order for the Company to offer such rights or such securities to Holders and to sell the securities represented by such rights, the Depositary will not distribute such rights to the Holders (i) unless and until a registration statement under the Securities Act covering such offering is in effect or (ii) unless the Company furnishes at its expense the Depositary with opinion(s) of counsel for the Company in the United States and counsel to the Company in any other applicable country in which rights would be distributed, in each case satisfactory to the Depositary, to the effect that the offering and sale of such securities to Holders and Beneficial Owners are exempt from, or do not require registration under, the provisions of the Securities Act or any other applicable laws. In the event that the Company, the Depositary or the Custodian shall be required to withhold and does withhold from any distribution of property (including rights) an amount on account of taxes and/or other governmental charges, the amount distributed to the Holders shall be reduced accordingly. In the event that the Depositary determines that any distribution in property (including Shares and rights to subscribe therefor) is subject to any tax or other governmental charges which the Depositary is obligated to withhold, the Depositary may dispose of all or a portion of such property (including Shares and rights to subscribe therefor) in such amounts and in such manner, including by public or private sale, as the Depositary deems necessary and practicable to pay any such taxes and/or charges.

There can be no assurance that Holders generally, or any Holder in particular, will be given the opportunity to exercise rights on the same terms and conditions as the holders of Shares or be able to exercise such rights. Nothing herein shall obligate the Company to file any registration statement in respect of any rights or Shares or other securities to be

acquired upon the exercise of such rights or otherwise to register or qualify the offer or sale of such rights or securities under the applicable law of any other jurisdiction for any purpose.

SECTION 4.5 Distributions Other Than Cash, Shares or Rights to Purchase Shares.

- (a) Whenever the Company intends to distribute to the holders of Deposited Securities property other than cash, Shares or rights to purchase additional Shares, the Company shall give notice thereof to the Depositary at least 30 days prior to the proposed distribution and shall indicate whether or not it wishes such distribution to be made to Holders of ADSs. Upon receipt of a notice indicating that the Company wishes such distribution be made to Holders of ADSs, the Depositary shall determine whether such distribution to Holders is lawful and practicable. The Depositary shall not make such distribution unless (i) the Company shall have timely requested the Depositary to make such distribution to Holders, (ii) the Depositary shall have received satisfactory documentation within the terms of Section 5.7 hereof and (iii) the Depositary shall have determined that such distribution is lawful and reasonably practicable.
- (b) Upon receipt of satisfactory documentation and the request of the Company to distribute property to Holders of ADSs and after making the requisite determinations set forth in (a) above, the Depositary may distribute the property so received to the Holders of record as of the ADS Record Date, in proportion to the number of ADSs held by such Holders respectively and in such manner as the Depositary may deem practicable for accomplishing such distribution (i) upon receipt of payment or net of the applicable fees and charges of, and expenses incurred by, the Depositary and (ii) net of any taxes and/or other governmental charges. The Depositary may dispose of all or a portion of the property so distributed and deposited, in such amounts and in such manner (including public or private sale) as the Depositary may deem practicable or necessary to satisfy any taxes (including applicable interest and penalties) and other governmental charges applicable to the distribution.
- (c) If (i) the Company does not request the Depositary to make such distribution to Holders or requests the Depositary not to make such distribution to Holders, (ii) the Depositary does not receive satisfactory documentation within the terms of Section 5.7 hereof or (iii) the Depositary determines that all or a portion of such distribution is not reasonably practicable or feasible, the Depositary shall endeavor to sell or cause such property to be sold in a public or private sale, at such place or places and upon such terms as it may deem proper and shall distribute the net proceeds, if any, of such sale received by the Depositary (net of applicable fees and charges of, and expenses incurred by, the Depositary and/or a division or Affiliate(s) of the Depositary and taxes and/or governmental charges) to the Holders as of the ADS Record Date upon the terms of Section 4.1 hereof. If the Depositary is unable to sell such property, the Depositary may dispose of such property in any way it deems reasonably practicable under the circumstances for nominal or no consideration and Holders and Beneficial Owners shall have no rights thereto or arising therefrom.

SECTION 4.6 Conversion of Foreign Currency. Whenever the Depositary or the Custodian shall receive Foreign Currency, by way of dividends or other distributions or the net proceeds from the sale of securities, property or rights, and in the judgment of the Depositary such Foreign Currency can at such time be converted on a practicable basis (by sale or in any other manner that it may determine in accordance with applicable law) into Dollars transferable to the United States and distributable to the Holders entitled thereto, the Depositary shall convert or cause to be converted, by sale or in any other manner that it may determine, such Foreign Currency into Dollars, and shall distribute such Dollars (net of any fees, expenses, taxes and/or other governmental charges incurred in the process of such conversion) in accordance with the terms of the applicable sections of this Deposit Agreement. If the Depositary shall have distributed warrants or other instruments that entitle the holders thereof to such Dollars, the Depositary shall distribute such Dollars to the holders of such warrants and/or instruments upon surrender thereof for cancellation, in either case without liability for interest thereon. Such distribution may be made upon an averaged or other practicable basis without regard to any distinctions among Holders on account of exchange restrictions, the date of delivery of any Receipt or otherwise.

In converting Foreign Currency, amounts received on conversion may be calculated at a rate which exceeds the number of decimal places used by the Depositary to report distribution rates (which in any case will not be less than two decimal places). Any excess amount may be retained by the Depositary as an additional cost of conversion, irrespective of any other fees and expenses payable or owing hereunder and shall not be subject to escheatment.

If such conversion or distribution can be effected only with the approval or license of any government or agency thereof, the Depositary may file such application for approval or license, if any, as it may deem necessary, practicable and at nominal cost and expense. Nothing herein shall obligate the Depositary to file or cause to be filed, or to seek effectiveness of any such application or license.

If at any time the Depositary shall determine that in its judgment the conversion of any Foreign Currency and the transfer and distribution of proceeds of such conversion received by the Depositary is not practical or lawful, or if any approval or license of any governmental authority or agency thereof that is required for such conversion, transfer and distribution is denied, or not obtainable at a reasonable cost, within a reasonable period or otherwise sought, the Depositary shall, in its sole discretion but subject to applicable laws and regulations, either (i) distribute the Foreign Currency (or an appropriate document evidencing the right to receive such Foreign Currency) received by the Depositary to the Holders entitled to receive such Foreign Currency or (ii) hold such Foreign Currency uninvested and without liability for interest thereon for the respective accounts of the Holders entitled to receive the same.

Holders and Beneficial Owners are directed to refer to Section 7.9 hereof for certain disclosure related to conversion of Foreign Currency.

SECTION 4.7 Fixing of Record Date. Whenever necessary in connection with any distribution (whether in cash, Shares, rights, or other distribution), or whenever for any reason the Depositary causes a change in the number of Shares that are represented by each American Depositary Share, or whenever the Depositary shall receive notice of any meeting of or

solicitation of holders of Shares or other Deposited Securities, or whenever the Depositary shall find it necessary or convenient, the Depositary shall fix a record date (the “**ADS Record Date**”), as close as practicable to the record date fixed by the Company with respect to the Shares (if applicable), for the determination of the Holders who shall be entitled to receive such distribution, to give instructions for the exercise of voting rights at any such meeting, to give or withhold such consent, to receive such notice or solicitation or to otherwise take action or to exercise the rights of Holders with respect to such changed number of Shares represented by each American Depositary Share or for any other reason. Subject to applicable law and the provisions of Sections 4.1 through 4.6 hereof and to the other terms and conditions of this Deposit Agreement, only the Holders of record at the close of business in New York on such ADS Record Date shall be entitled to receive such distribution, to give such voting instructions, to receive such notice or solicitation, or otherwise take action.

SECTION 4.8 Voting of Deposited Securities. Subject to the next sentence, as soon as practicable after receipt of notice of any meeting at which the holders of Deposited Securities are entitled to vote, or of solicitation of consents or proxies from holders of Deposited Securities, the Depositary shall fix the ADS Record Date in respect of such meeting or such solicitation of consents or proxies. The Depositary shall, if requested by the Company in writing in a timely manner (the Depositary having no obligation to take any further action if the request shall not have been received by the Depositary at least 30 Business Days prior to the date of such vote or meeting) and at the Company’s expense, and provided no U.S. legal prohibitions exist, mail by regular, ordinary mail delivery (or by electronic mail or as otherwise may be agreed between the Company and the Depositary in writing from time to time) or otherwise distribute as soon as practicable after receipt thereof to Holders as of the ADS Record Date: (a) such notice of meeting or solicitation of consent or proxy; (b) a statement that the Holders at the close of business on the ADS Record Date will be entitled, subject to any applicable law, the provisions of this Deposit Agreement, the Company’s Memorandum and Articles of Association and the provisions of or governing the Deposited Securities (which provisions, if any, shall be summarized in pertinent part by the Company), to instruct the Depositary as to the exercise of the voting rights, if any, pertaining to the Deposited Securities represented by such Holder’s American Depositary Shares; and (c) a brief statement as to the manner in which such voting instructions may be given to the Depositary, or in which instructions may be deemed to have been given in accordance with this Section 4.8, including an express indication that instructions may be given (or be deemed to have been given in accordance with the immediately following paragraph of this section if no instruction is received) to the Depositary to give a discretionary proxy to a person or persons designated by the Company. Voting instructions may be given only in respect of a number of American Depositary Shares representing an integral number of Deposited Securities. Upon the timely receipt of voting instructions of a Holder on the ADS Record Date in the manner specified by the Depositary, the Depositary shall endeavor, insofar as practicable and permitted under applicable law, the provisions of this Deposit Agreement, the Company’s Memorandum and Articles of Association and the provisions of or governing the Deposited Securities, to vote or cause the Custodian to vote the Deposited Securities (in person or by proxy) represented by American Depositary Shares evidenced by such Receipt in accordance with such voting instructions.

In the event that (i) the Depositary timely receives voting instructions from a Holder which fail to specify the manner in which the Depositary is to vote the Deposited Securities represented by such Holder's ADSs or (ii) no timely instructions are received by the Depositary from a Holder with respect to any of the Deposited Securities represented by the ADSs held by such Holder on the ADS Record Date, the Depositary shall (unless otherwise specified in the notice distributed to Holders) deem such Holder to have instructed the Depositary to give a discretionary proxy to a person designated by the Company with respect to such Deposited Securities and the Depositary shall give a discretionary proxy to a person designated by the Company to vote such Deposited Securities, provided, however, that no such instruction shall be deemed to have been given and no such discretionary proxy shall be given with respect to any matter as to which the Company informs the Depositary (and the Company agrees to provide such information as promptly as practicable in writing, if applicable) that (x) the Company does not wish to give such proxy, (y) the Company is aware or should reasonably be aware that substantial opposition exists from Holders against the outcome for which the person designated by the Company would otherwise vote or (z) the outcome for which the person designated by the Company would otherwise vote would materially and adversely affect the rights of holders of Deposited Securities, provided, further, that the Company will have no liability to any Holder or Beneficial Owner resulting from such notification.

In the event that voting on any resolution or matter is conducted on a show of hands basis in accordance with the Memorandum and Articles of Association, the Depositary will refrain from voting and the voting instructions (or the deemed voting instructions, as set out above) received by the Depositary from Holders shall lapse. The Depositary will have no obligation to demand voting on a poll basis with respect to any resolution and shall have no liability to any Holder or Beneficial Owner for not having demanded voting on a poll basis.

Neither the Depositary nor the Custodian shall, under any circumstances exercise any discretion as to voting, and neither the Depositary nor the Custodian shall vote, attempt to exercise the right to vote, or in any way make use of for purposes of establishing a quorum or otherwise, the Deposited Securities represented by ADSs except pursuant to and in accordance with such written instructions from Holders, including the deemed instruction to the Depositary to give a discretionary proxy to a person designated by the Company. Deposited Securities represented by ADSs for which (i) no timely voting instructions are received by the Depositary from the Holder, or (ii) timely voting instructions are received by the Depositary from the Holder but such voting instructions fail to specify the manner in which the Depositary is to vote the Deposited Securities represented by such Holder's ADSs, shall be voted in the manner provided in this Section 4.8. Notwithstanding anything else contained herein, and subject to applicable law, regulation and the Memorandum and Articles of Association, the Depositary shall, if so requested in writing by the Company, represent all Deposited Securities (whether or not voting instructions have been received in respect of such Deposited Securities from Holders as of the ADS Record Date) for the purpose of establishing quorum at a meeting of shareholders.

There can be no assurance that Holders or Beneficial Owners generally or any Holder or Beneficial Owner in particular will receive the notice described above with sufficient time to enable the Holder to return voting instructions to the Depositary in a timely manner.

Notwithstanding the above, save for applicable provisions of the law of the Cayman Islands, and in accordance with the terms of Section 5.3 hereof, the Depositary shall not be liable for any failure to carry out any instructions to vote any of the Deposited Securities or the manner in which such vote is cast or the effect of such vote.

SECTION 4.9 Changes Affecting Deposited Securities. Upon any change in par value, split-up, subdivision, cancellation, consolidation or any other reclassification of Deposited Securities or upon any recapitalization, reorganization, amalgamation, merger or consolidation or sale of assets affecting the Company or to which it is otherwise a party, any securities which shall be received by the Depositary or the Custodian in exchange for, or in conversion of or replacement or otherwise in respect of, such Deposited Securities shall, to the extent permitted by law, be treated as new Deposited Securities under this Deposit Agreement and the Receipts shall, subject to the provisions of this Deposit Agreement and applicable law, evidence American Depositary Shares representing the right to receive such additional securities. Alternatively, the Depositary may, with the Company's approval, and shall, if the Company shall so request, subject to the terms of this Deposit Agreement and receipt of an Opinion of Counsel furnished at the Company's expense satisfactory to the Depositary (stating that such distributions are not in violation of any applicable laws or regulations), execute and deliver additional Receipts, as in the case of a stock dividend on the Shares, or call for the surrender of outstanding Receipts to be exchanged for new Receipts. In either case, as well as in the event of newly deposited Shares, necessary modifications to the form of Receipt contained in Exhibit A and Exhibit B hereto, specifically describing such new Deposited Securities and/or corporate change, shall also be made. The Company agrees that it will, jointly with the Depositary, amend the Registration Statement on Form F-6 as filed with the Commission to permit the issuance of such new form of Receipt. Notwithstanding the foregoing, in the event that any security so received may not be lawfully distributed to some or all Holders, the Depositary may, with the Company's approval, and shall, if the Company requests, subject to receipt of an Opinion of Counsel (furnished at the Company's expense) satisfactory to the Depositary that such action is not in violation of any applicable laws or regulations, sell such securities at public or private sale, at such place or places and upon such terms as it may deem proper and may allocate the net proceeds of such sales (net of fees and charges of, and expenses incurred by, the Depositary and/or a division or Affiliate(s) of the Depositary and taxes and/or governmental charges) for the account of the Holders otherwise entitled to such securities upon an averaged or other practicable basis without regard to any distinctions among such Holders and distribute the net proceeds so allocated to the extent practicable as in the case of a distribution received in cash pursuant to Section 4.1 hereof. The Depositary shall not be responsible for (i) any failure to determine that it may be lawful or feasible to make such securities available to Holders in general or to any Holder in particular, (ii) any foreign exchange exposure or loss incurred in connection with such sale or (iii) any liability to the purchaser of such securities.

SECTION 4.10 Available Information. The Company is subject to the periodic reporting requirements of the Exchange Act applicable to foreign private issuers (as defined in Rule 405 of the Securities Act) and accordingly files certain information with the Commission. These reports and documents can be inspected and copied at the Commission's website at www.sec.gov or at the public reference facilities maintained by the Commission located at 100 F Street, N.E., Washington D.C. 20549, U.S.A.

SECTION 4.11 Reports. The Depositary shall make available during normal business hours on any Business Day for inspection by Holders at its Corporate Trust Office any reports and communications, including any proxy soliciting materials, received from the Company which are both received by the Depositary, the Custodian, or the nominee of either of them as the holder of the Deposited Securities and made generally available to the holders of such Deposited Securities by the Company. The Company agrees to provide to the Depositary, at the Company's expense, all such documents that it provides to the Custodian. Unless otherwise agreed in writing by the Company and the Depositary, the Depositary shall, at the expense of the Company and in accordance with Section 5.6 hereof, also mail to Holders by regular, ordinary mail delivery or by electronic transmission (if agreed by the Company and the Depositary) copies of notices and reports when furnished by the Company pursuant to Section 5.6 hereof.

SECTION 4.12 List of Holders. Promptly upon written request by the Company, the Depositary shall, at the expense of the Company, furnish to it a list, as of a recent date, of the names, addresses and holdings of American Depositary Shares by all persons in whose names Receipts are registered on the books of the Depositary.

SECTION 4.13 Taxation; Withholding. The Depositary will, and will instruct the Custodian to, forward to the Company or its agents such information from its records as the Company may request to enable the Company or its agents to file necessary tax reports with governmental authorities or agencies. The Depositary, the Custodian or the Company and its agents may, but shall not be obligated to, file such reports as are necessary to reduce or eliminate applicable taxes on dividends and on other distributions in respect of Deposited Securities under applicable tax treaties or laws for the Holders and Beneficial Owners. Holders and Beneficial Owners of American Depositary Shares may be required from time to time, and in a timely manner to provide and/or file such proof of taxpayer status, residence and beneficial ownership (as applicable), to execute such certificates and to make such representations and warranties, or to provide any other information or documents, as the Depositary or the Custodian may deem necessary or proper to fulfill the Depositary's or the Custodian's obligations under applicable law. The Holders and Beneficial Owners shall indemnify the Depositary, the Company, the Custodian, the Agents and their respective directors, officers, employees, agents and Affiliates against, and hold each of them harmless from, any claims by any governmental authority with respect to taxes, additions to tax, penalties or interest arising out of any refund of taxes, reduced rate of withholding at source or other tax benefit obtained by the Beneficial Owner or Holder or out of or in connection with any inaccuracy in or omission from any such proof, certificate, representation, warranty, information or document furnished by or on behalf of such Holder or Beneficial Owner. The obligations of Holders and Beneficial Owners under this Section 4.13 shall survive any transfer of Receipts, any surrender of Receipts and withdrawal of Deposited Securities or the termination of this Deposit Agreement.

The Company shall remit to the appropriate governmental authority or agency any amounts required to be withheld by the Company and owing to such governmental authority or agency. Upon any such withholding, the Company shall remit to the Depositary information, in a form reasonably satisfactory to the Depositary, about such taxes and/or governmental charges withheld or paid, and, if so requested, the tax receipt (or other proof of payment to the applicable governmental authority) therefor. The Depositary shall, to the extent required

by U.S. law, report to Holders (i) any taxes withheld by it; (ii) any taxes withheld by the Custodian, subject to information being provided to the Depositary by the Custodian and (iii) any taxes withheld by the Company, subject to information being provided to the Depositary by the Company. The Depositary and the Custodian shall not be required to provide the Holders with any evidence of the remittance by the Company (or its agents) of any taxes withheld, or of the payment of taxes by the Company, except to the extent the evidence is provided by the Company to the Depositary. None of the Depositary, the Custodian or the Company shall be liable for the failure by any Holder or Beneficial Owner to obtain the benefits of credits on the basis of non-U.S. tax paid against such Holder's or Beneficial Owner's income tax liability.

In the event that the Depositary determines that any distribution in property (including Shares and rights to subscribe therefor) is subject to any tax or other governmental charge which the Depositary is obligated to withhold, the Depositary shall withhold the amount required to be withheld and may by public or private sale dispose of all or a portion of such property (including Shares and rights to subscribe therefor) in such amounts and in such manner as the Depositary deems necessary and practicable to pay such taxes and/or charges and the Depositary shall distribute the net proceeds of any such sale after deduction of such taxes and/or charges to the Holders entitled thereto in proportion to the number of American Depositary Shares held by them respectively.

The Depositary is under no obligation to provide the Holders and Beneficial Owners with any information about the tax status of the Company. The Depositary shall not incur any liability for any tax consequences that may be incurred by Holders and Beneficial Owners on account of their ownership of the American Depositary Shares, including without limitation, tax consequences resulting from the Company (or any of its subsidiaries) being treated as a "Passive Foreign Investment Company" (as defined in the U.S. Internal Revenue Code of 1986, as amended and the regulations issued thereunder) or otherwise.

ARTICLE V.

THE DEPOSITARY, THE CUSTODIAN AND THE COMPANY

SECTION 5.1 Maintenance of Office and Transfer Books by the Registrar. Until termination of this Deposit Agreement in accordance with its terms, the Depositary or if a Registrar for the Receipts shall have been appointed, the Registrar shall maintain in the Borough of Manhattan, the City of New York, an office and facilities for the execution and delivery, registration, registration of transfers, combination and split-up of Receipts, the surrender of Receipts and the Delivery and withdrawal of Deposited Securities in accordance with the provisions of this Deposit Agreement.

The Depositary or the Registrar as applicable, shall keep books for the registration of Receipts and transfers of Receipts which at all reasonable times shall be open for inspection by the Company and by the Holders of such Receipts, provided that such inspection shall not be, to the Depositary's or the Registrar's knowledge, for the purpose of communicating with Holders of such Receipts in the interest of a business or object other than the business of the Company or other than a matter related to this Deposit Agreement or the Receipts.

The Depositary or the Registrar, as applicable, may close the transfer books with respect to the Receipts, at any time and from time to time, when deemed necessary or advisable by it in connection with the performance of its duties hereunder, or at the reasonable written request of the Company.

If any Receipts or the American Depositary Shares evidenced thereby are listed on one or more stock exchanges or automated quotation systems in the United States, the Depositary shall act as Registrar or appoint a Registrar or one or more co-registrars for registration of Receipts and transfers, combinations and split-ups, and to countersign such Receipts in accordance with any requirements of such exchanges or systems. Such Registrar or co-registrars may be removed and a substitute or substitutes appointed by the Depositary.

If any Receipts or the American Depositary Shares evidenced thereby are listed on one or more securities exchanges, markets or automated quotation systems, (i) the Depositary shall be entitled to, and shall, take or refrain from taking such action(s) as it may deem necessary or appropriate to comply with the requirements of such securities exchange(s), market(s) or automated quotation system(s) applicable to it, notwithstanding any other provision of this Deposit Agreement; and (ii) upon the reasonable request of the Depositary, the Company shall provide the Depositary such information and assistance as may be reasonably necessary for the Depositary to comply with such requirements, to the extent that the Company may lawfully do so.

Each Registrar and co-registrar appointed under this Section 5.1 shall give notice in writing to the Depositary accepting such appointment and agreeing to be bound by the applicable terms of the Deposit Agreement.

SECTION 5.2 Exoneration. None of the Depositary, the Custodian or the Company shall be obligated to do or perform any act which is inconsistent with the provisions of this Deposit Agreement or shall incur any liability to Holders, Beneficial Owners or any third parties (i) if the Depositary, the Custodian or the Company or their respective controlling persons or agents (including without limitation, the Agents) shall be prevented or forbidden from, or delayed in, doing or performing any act or thing required by the terms of this Deposit Agreement, by reason of any provision of any present or future law or regulation of the United States or any state thereof, the Cayman Islands or any other country, or of any other governmental authority or regulatory authority or stock exchange, or on account of the possible criminal or civil penalties or restraint, or by reason of any provision, present or future, of the Memorandum and Articles of Association or any provision of or governing any Deposited Securities, or by reason of any act of God or war or other circumstances beyond its control (including, without limitation, nationalization, expropriation, currency restrictions, work stoppage, strikes, civil unrest, revolutions, rebellions, explosions and computer failure), (ii) by reason of any exercise of, or failure to exercise, any discretion provided for in this Deposit Agreement or in the Memorandum and Articles of Association or provisions of or governing Deposited Securities, (iii) for any action or inaction of the Depositary, the Custodian or the Company or their respective controlling persons or agents (including without limitation, the Agents) in reliance upon the advice of or information from legal counsel, accountants, any person presenting Shares for deposit, any Holder, any Beneficial Owner or authorized representative thereof, or any other person believed by it in good faith to be competent to give such advice or information, (iv) for the inability by a Holder or Beneficial Owner to benefit from any

distribution, offering, right or other benefit which is made available to holders of Deposited Securities but is not, under the terms of this Deposit Agreement, made available to Holders of American Depositary Shares or (v) for any special, consequential, indirect or punitive damages for any breach of the terms of this Deposit Agreement or otherwise.

The Depositary, its controlling persons, its agents (including without limitation, the Agents), the Custodian and the Company, its controlling persons and its agents may rely and shall be protected in acting upon any written notice, request, opinion or other document believed by it to be genuine and to have been signed or presented by the proper party or parties.

No disclaimer of liability under the Securities Act is intended by any provision of this Deposit Agreement.

SECTION 5.3 Standard of Care. The Company and the Depositary and their respective directors, officers, Affiliates, employees and agents (including without limitation, the Agents) assume no obligation and shall not be subject to any liability under this Deposit Agreement or any Receipts to any Holder(s) or Beneficial Owner(s) or other persons, except in accordance with Section 5.8 hereof, provided, that the Company and the Depositary and their respective directors, officers, Affiliates, employees and agents (including without limitation, the Agents) agree to perform their respective obligations specifically set forth in this Deposit Agreement or the applicable ADRs without gross negligence or willful misconduct.

Without limitation of the foregoing, neither the Depositary, nor the Company, nor any of their respective controlling persons, directors, officers, affiliates, employees or agents (including without limitation, the Agents), shall be under any obligation to appear in, prosecute or defend any action, suit or other proceeding in respect of any Deposited Securities or in respect of the Receipts, which in its opinion may involve it in expense or liability, unless indemnity satisfactory to it against all expenses (including fees and disbursements of counsel) and liabilities be furnished as often as may be required (and no Custodian shall be under any obligation whatsoever with respect to such proceedings, the responsibility of the Custodian being solely to the Depositary).

The Depositary and its directors, officers, affiliates, employees and agents (including without limitation, the Agents) shall not be liable for any failure to carry out any instructions to vote any of the Deposited Securities, or for the manner in which any vote is cast or the effects of any vote. The Depositary shall not incur any liability for any failure to determine that any distribution or action may be lawful or reasonably practicable, for the content of any information submitted to it by the Company for distribution to the Holders or for any inaccuracy of any translation thereof, for any investment risk associated with acquiring an interest in the Deposited Securities, for the validity or worth of the Deposited Securities or for any tax consequences that may result from the ownership of ADSs, Shares or Deposited Securities, for the credit-worthiness of any third party, for allowing any rights to lapse upon the terms of this Deposit Agreement or for the failure or timeliness of any notice from the Company, or for any action or non action by it in reliance upon the opinion, advice of or information from legal counsel, accountants, any person presenting Shares for deposit, any Holder or any other person believed by it in good faith to be competent to give such advice or information. The Depositary and its agents (including without limitation, the Agents) shall not be liable for any acts or omissions made by a successor depositary whether in connection with

a previous act or omission of the Depositary or in connection with any matter arising wholly after the removal or resignation of the Depositary, provided that in connection with the issue out of which such potential liability arises the Depositary performed its obligations without gross negligence or willful misconduct while it acted as Depositary.

SECTION 5.4 Resignation and Removal of the Depositary; Appointment of Successor Depositary. The Depositary may at any time resign as Depositary hereunder by written notice of resignation delivered to the Company, such resignation to be effective on the earlier of (i) the 90th day after delivery thereof to the Company (whereupon the Depositary shall, in the event no successor depositary has been appointed by the Company, be entitled to take the actions contemplated in Section 6.2 hereof) and (ii) the appointment by the Company of a successor depositary and its acceptance of such appointment as hereinafter provided, save that, any amounts, fees, costs or expenses owed to the Depositary hereunder or in accordance with any other agreements otherwise agreed in writing between the Company and the Depositary from time to time shall be paid to the Depositary prior to such resignation.

The Company shall use reasonable efforts to appoint such successor depositary, and give notice to the Depositary of such appointment, not more than 90 days after delivery by the Depositary of written notice of resignation as provided in this Section 5.4. In the event that notice of the appointment of a successor depositary is not provided by the Company in accordance with the preceding sentence, the Depositary shall be entitled to take the actions contemplated in Section 6.2 hereof.

The Depositary may at any time be removed by the Company by written notice of such removal, which removal shall be effective on the later of (i) the 90th day after delivery thereof to the Depositary (whereupon the Depositary shall be entitled to take the actions contemplated in Section 6.2 hereof if a successor depositary has not been appointed), and (ii) the appointment by the Company of a successor depositary and its acceptance of such appointment as hereinafter provided, save that, any amounts, fees, costs or expenses owed to the Depositary hereunder or in accordance with any other agreements otherwise agreed in writing between the Company and the Depositary from time to time shall be paid to the Depositary prior to such removal.

In case at any time the Depositary acting hereunder shall resign or be removed, the Company shall use its best efforts to appoint a successor depositary, which shall be a bank or trust company having an office in the Borough of Manhattan, the City of New York. Every successor depositary shall be required by the Company to execute and deliver to its predecessor and to the Company an instrument in writing accepting its appointment hereunder, and thereupon such successor depositary, without any further act or deed (except as required by applicable law), shall become fully vested with all the rights, powers, duties and obligations of its predecessor. The predecessor depositary, upon payment of all sums due to it and on the written request of the Company, shall (i) execute and deliver an instrument transferring to such successor all rights and powers of such predecessor hereunder (other than as contemplated in Sections 5.8 and 5.9 hereof), (ii) duly assign, transfer and deliver all right, title and interest to the Deposited Securities to such successor, and (iii) deliver to such successor a list of the Holders of all outstanding Receipts and such other information relating to Receipts and Holders thereof as the successor may reasonably request. Any such successor depositary shall promptly mail notice of its appointment to such Holders.

Any corporation into or with which the Depositary may be merged or consolidated shall be the successor of the Depositary without the execution or filing of any document or any further act and, notwithstanding anything to the contrary in this Deposit Agreement, the Depositary may assign or otherwise transfer all or any of its rights and benefits under this Deposit Agreement (including any cause of action arising in connection with it) to Deutsche Bank AG or any branch thereof or any entity which is a direct or indirect subsidiary or other affiliate of Deutsche Bank AG.

SECTION 5.5 The Custodian. The Custodian or its successors in acting hereunder shall be subject at all times and in all respects to the direction of the Depositary for the Deposited Securities for which the Custodian acts as custodian and shall be responsible solely to it. If any Custodian resigns or is discharged from its duties hereunder with respect to any Deposited Securities and no other Custodian has previously been appointed hereunder, the Depositary shall promptly appoint a substitute custodian. The Depositary shall require such resigning or discharged Custodian to deliver the Deposited Securities held by it, together with all such records maintained by it as Custodian with respect to such Deposited Securities as the Depositary may request, to the Custodian designated by the Depositary. Whenever the Depositary determines, in its discretion, that it is appropriate to do so, it may appoint an additional entity to act as Custodian with respect to any Deposited Securities, or discharge the Custodian with respect to any Deposited Securities and appoint a substitute custodian, which shall thereafter be Custodian hereunder with respect to the Deposited Securities. After any such change, the Depositary shall give notice thereof in writing to all Holders.

Upon the appointment of any successor depositary, any Custodian then acting hereunder shall, unless otherwise instructed by the Depositary, continue to be the Custodian of the Deposited Securities without any further act or writing and shall be subject to the direction of the successor depositary. The successor depositary so appointed shall, nevertheless, on the written request of any Custodian, execute and deliver to such Custodian all such instruments as may be proper to give to such Custodian full and complete power and authority to act on the direction of such successor depositary.

SECTION 5.6 Notices and Reports. On or before the first date on which the Company gives notice, by publication or otherwise, of any meeting of holders of Shares or other Deposited Securities, or of any adjourned meeting of such holders, or of the taking of any action by such holders other than at a meeting, or of the taking of any action in respect of any cash or other distributions or the offering of any rights in respect of Deposited Securities, the Company shall transmit to the Depositary and the Custodian a copy of the notice thereof in English but otherwise in the form given or to be given to holders of Shares or other Deposited Securities. The Company shall also furnish to the Custodian and the Depositary a summary, in English, of any applicable provisions or proposed provisions of the Memorandum and Articles of Association that may be relevant or pertain to such notice of meeting or be the subject of a vote thereat.

The Company will also transmit to the Depositary (a) English language versions of the other notices, reports and communications which are made generally available by the Company to holders of its Shares or other Deposited Securities and (b) English language versions of the

Company's annual and other reports prepared in accordance with the applicable requirements of the Commission. The Depositary shall arrange, at the request of the Company and at the Company's expense, for the mailing of copies thereof to all Holders, or by any other means as agreed between the Company and the Depositary (at the Company's expense) or make such notices, reports and other communications available for inspection by all Holders, provided, that, the Depositary shall have received evidence sufficiently satisfactory to it, including in the form of an Opinion of Counsel regarding U.S. law or of any other applicable jurisdiction, furnished at the expense of the Company, as the Depositary reasonably requests, that the distribution of such notices, reports and any such other communications to Holders from time to time is valid and does not or will not infringe any local, U.S. or other applicable jurisdiction regulatory restrictions or requirements if so distributed and made available to Holders. The Company will timely provide the Depositary with the quantity of such notices, reports, and communications, as requested by the Depositary from time to time, in order for the Depositary to effect such mailings. The Company has delivered to the Depositary and the Custodian a copy of the Memorandum and Articles of Association along with the provisions of or governing the Shares and any other Deposited Securities issued by the Company or any Affiliate of the Company, in connection with the Shares, in each case, to the extent not in English, along with a certified English translation thereof, and promptly upon any amendment thereto or change therein, the Company shall deliver to the Depositary and the Custodian a copy of such amendment thereto or change therein, to the extent not in English, along with a certified English translation thereof. The Depositary may rely upon such copy for all purposes of this Deposit Agreement.

The Depositary will make available, at the expense of the Company, a copy of any such notices, reports or communications issued by the Company and delivered to the Depositary for inspection by the Holders of the Receipts evidencing the American Depositary Shares representing such Shares governed by such provisions at the Depositary's Corporate Trust Office, at the office of the Custodian and at any other designated transfer office.

SECTION 5.7 Issuance of Additional Shares, ADSs etc. The Company agrees that in the event it or any of its Affiliates proposes (i) an issuance, sale or distribution of additional Shares, (ii) an offering of rights to subscribe for Shares or other Deposited Securities, (iii) an issuance of securities convertible into or exchangeable for Shares, (iv) an issuance of rights to subscribe for securities convertible into or exchangeable for Shares, (v) an elective dividend of cash or Shares, (vi) a redemption of Deposited Securities, (vii) a meeting of holders of Deposited Securities, or solicitation of consents or proxies, relating to any reclassification of securities, merger, subdivision, amalgamation or consolidation or transfer of assets, (viii) any reclassification, recapitalization, reorganization, merger, amalgamation, consolidation or sale of assets which affects the Deposited Securities or (ix) a distribution of property other than cash, Shares or rights to purchase additional Shares it will obtain U.S. legal advice and take all steps necessary to ensure that the application of the proposed transaction to Holders and Beneficial Owners does not violate the registration provisions of the Securities Act, or any other applicable laws (including, without limitation, the Investment Company Act of 1940, as amended, the Exchange Act or the securities laws of the states of the United States). In support of the foregoing, the Company will furnish to the Depositary at its request, at the Company's expense, (a) a written opinion of U.S. counsel (satisfactory to the Depositary) stating

whether or not application of such transaction to Holders and Beneficial Owners (1) requires a registration statement under the Securities Act to be in effect or (2) is exempt from the registration requirements of the Securities Act and/or (3) dealing with such other issues requested by the Depository; (b) a written opinion of Cayman Islands counsel (satisfactory to the Depository) stating that (1) making the transaction available to Holders and Beneficial Owners does not violate the laws or regulations of the Cayman Islands and (2) all requisite regulatory consents and approvals have been obtained in the Cayman Islands; and (c) as the Depository may request, a written Opinion of Counsel in any other jurisdiction in which Holders or Beneficial Owners reside to the effect that making the transaction available to such Holders or Beneficial Owners does not violate the laws or regulations of such jurisdiction. If the filing of a registration statement is required, the Depository shall not have any obligation to proceed with the transaction unless it shall have received evidence reasonably satisfactory to it that such registration statement has been declared effective and that such distribution is in accordance with all applicable laws or regulations. If, being advised by counsel, the Company determines that a transaction is required to be registered under the Securities Act, the Company will either (i) register such transaction to the extent necessary, (ii) alter the terms of the transaction to avoid the registration requirements of the Securities Act or (iii) direct the Depository to take specific measures, in each case as contemplated in this Deposit Agreement, to prevent such transaction from violating the registration requirements of the Securities Act.

The Company agrees with the Depository that neither the Company nor any of its Affiliates will at any time (i) deposit any Shares or other Deposited Securities, either upon original issuance or upon a sale of Shares or other Deposited Securities previously issued and reacquired by the Company or by any such Affiliate, or (ii) issue additional Shares, rights to subscribe for such Shares, securities convertible into or exchangeable for Shares or rights to subscribe for such securities, unless such transaction and the securities issuable in such transaction are exempt from registration under the Securities Act or have been registered under the Securities Act (and such registration statement has been declared effective).

Notwithstanding anything else contained in this Deposit Agreement, nothing in this Deposit Agreement shall be deemed to obligate the Company to file any registration statement in respect of any proposed transaction.

SECTION 5.8 Indemnification. The Company agrees to indemnify the Depository, any Custodian and each of their respective directors, officers, employees, agents (including without limitation, the Agents) and Affiliates against, and hold each of them harmless from, any losses, liabilities, taxes, costs, claims, judgments, proceedings, actions, demands and any charges or expenses of any kind whatsoever (including, but not limited to, reasonable fees and expenses of counsel together with, in each case, value added tax and any similar tax charged or otherwise imposed in respect thereof) (collectively referred to as “**Losses**”) which the Depository or any agent (including without limitation, the Agents) thereof may incur or which may be made against it as a result of or in connection with its appointment or the exercise of its powers and duties under this Agreement or that may arise (a) out of or in connection with any offer, issuance, sale, resale, transfer, deposit or withdrawal of Receipts, American Depositary Shares, the Shares, or other Deposited Securities, as the case may be, (b) out of or in connection with any offering documents in respect thereof or (c) out of or in connection with acts performed or omitted, including, but not limited to, any delivery by the

Depository on behalf of the Company of information regarding the Company in connection with this Deposit Agreement, the Receipts, the American Depositary Shares, the Shares, or any Deposited Securities, in any such case (i) by the Depository, the Custodian or any of their respective directors, officers, employees, agents (including without limitation, the Agents) and Affiliates, except to the extent any such Losses arise out of the gross negligence or wilful misconduct of any of them, or (ii) by the Company or any of its directors, officers, employees, agents and Affiliates.

The Depository agrees to indemnify the Company and hold it harmless from any Losses which may arise out of acts performed or omitted to be performed by the Depository arising out of its gross negligence or wilful misconduct. Notwithstanding the above, in no event shall the Depository or any of its directors, officers, employees, agents (including without limitation, the Agents) and/or Affiliates be liable for any special, consequential, indirect or punitive damages to the Company, Holders, Beneficial Owners or any other person.

Any person seeking indemnification hereunder (an “**Indemnified Person**”) shall notify the person from whom it is seeking indemnification (the “**Indemnifying Person**”) of the commencement of any indemnifiable action or claim promptly after such Indemnified Person becomes aware of such commencement (provided that the failure to make such notification shall not affect such Indemnified Person’s rights to indemnification except to the extent the Indemnifying Person is materially prejudiced by such failure) and shall consult in good faith with the Indemnifying Person as to the conduct of the defense of such action or claim that may give rise to an indemnity hereunder, which defense shall be reasonable under the circumstances. No Indemnified Person shall compromise or settle any action or claim that may give rise to an indemnity hereunder without the consent of the Indemnifying Person, which consent shall not be unreasonably withheld.

The obligations set forth in this Section shall survive the termination of this Deposit Agreement and the succession or substitution of any party hereto.

SECTION 5.9 Fees and Charges of Depository. The Company, the Holders, the Beneficial Owners, and persons depositing Shares or surrendering ADSs for cancellation and withdrawal of Deposited Securities shall be required to pay to the Depository the Depository’s fees and related charges identified as payable by them respectively as provided for under Article (9) of the Receipt. All fees and charges so payable may, at any time and from time to time, be changed by agreement between the Depository and the Company, but, in the case of fees and charges payable by Holders and Beneficial Owners, only in the manner contemplated in Section 6.1 hereof. The Depository shall provide, without charge, a copy of its latest fee schedule to anyone upon request.

The Depository and the Company may reach separate agreement in relation to the payment of any additional remuneration to the Depository in respect of any exceptional duties which the Depository finds necessary or desirable and agreed by both parties in the performance of its obligations hereunder and in respect of the actual costs and expenses of the Depository in respect of any notices required to be given to the Holders in accordance with Article (20) of the Receipt.

In connection with any payment by the Company to the Depositary:

- (i) all fees, taxes, duties, charges, costs and expenses which are payable by the Company shall be paid or be procured to be paid by the Company (and any such amounts which are paid by the Depositary shall be reimbursed to the Depositary by the Company upon demand therefor);
- (ii) such payment shall be subject to all necessary applicable exchange control and other consents and approvals having been obtained. The Company undertakes to use its reasonable endeavours to obtain all necessary approvals that are required to be obtained by it in this connection; and
- (iii) the Depositary may request, in its sole but reasonable discretion after reasonable consultation with the Company, an Opinion of Counsel regarding U.S. law, the laws of the Cayman Islands or of any other relevant jurisdiction, to be furnished at the expense of the Company, if at any time it deems it necessary to seek such an Opinion of Counsel regarding the validity of any action to be taken or instructed to be taken under this Agreement.

The Company agrees to promptly pay to the Depositary such other fees, charges and expenses and to reimburse the Depositary for such out-of-pocket expenses as the Depositary and the Company may agree to in writing from time to time. Responsibility for payment of such charges may at any time and from time to time be changed by agreement between the Company and the Depositary.

All payments by the Company to the Depositary under this Clause 5.9 shall be paid without set-off or counterclaim, and free and clear of and without deduction or withholding for or on account of, any present or future taxes, levies, imports, duties, fees, assessments or other charges of whatever nature, imposed by the Cayman Islands or by any department, agency or other political subdivision or taxing authority thereof or therein, and all interest, penalties or similar liabilities with respect thereto.

The right of the Depositary to receive payment of fees, charges and expenses as provided above shall survive the termination of this Deposit Agreement. As to any Depositary, upon the resignation or removal of such Depositary as described in Section 5.4 hereof, such right shall extend for those fees, charges and expenses incurred prior to the effectiveness of such resignation or removal.

SECTION 5.10 Restricted Securities Owners/Ownership Restrictions. From time to time or upon request of the Depositary, the Company shall provide to the Depositary a list setting forth, to the actual knowledge of the Company, those persons or entities who beneficially own Restricted Securities and the Company shall update such list on a regular basis. The Depositary may rely on such list or update but shall not be liable for any action or omission made in reliance thereon. The Company agrees to advise in writing each of the persons or entities who, to the knowledge of the Company, holds Restricted Securities that such Restricted Securities are ineligible for deposit hereunder and, to the extent practicable, shall require each of such persons to represent in writing that such person will not deposit Restricted

Securities hereunder. Holders and Beneficial Owners shall comply with any limitations on ownership of Shares under the Memorandum and Articles of Association or applicable Cayman Islands law as if they held the number of Shares their ADSs represent. The Company shall, in accordance with Article (24) of the Receipt, inform Holders and Beneficial Owners and the Depositary of any other limitations on ownership of Shares that the Holders and Beneficial Owners may be subject to by reason of the number of ADSs held under the Articles of Association or applicable Cayman Islands law, as such restrictions may be in force from time to time.

The Company may, in its sole discretion, but subject to applicable law, instruct the Depositary to take action with respect to the ownership interest of any Holder or Beneficial Owner pursuant to the Memorandum and Articles of Association, including but not limited to, the removal or limitation of voting rights or the mandatory sale or disposition on behalf of a Holder or Beneficial Owner of the Shares represented by the ADRs held by such Holder or Beneficial Owner in excess of such limitations, if and to the extent such disposition is permitted by applicable law and the Memorandum and Articles of Association; provided that any such measures are practicable and legal and can be undertaken without undue burden or expense, and provided further the Depositary's agreement to the foregoing is conditional upon it being advised of any applicable changes in the Memorandum and Articles of Association. The Depositary shall have no liability for any actions taken in accordance with such instructions.

ARTICLE VI.

AMENDMENT AND TERMINATION

SECTION 6.1 Amendment/Supplement. Subject to the terms and conditions of this Section 6.1 and applicable law, the Receipts outstanding at any time, the provisions of this Deposit Agreement and the form of Receipt attached hereto and to be issued under the terms hereof may at any time and from time to time be amended or supplemented by written agreement between the Company and the Depositary in any respect which they may deem necessary or desirable and not materially prejudicial to the Holders without the consent of the Holders or Beneficial Owners. Any amendment or supplement which shall impose or increase any fees or charges (other than charges in connection with foreign exchange control regulations, and taxes and/or other governmental charges, delivery and other such expenses payable by Holders or Beneficial Owners), or which shall otherwise materially prejudice any substantial existing right of Holders or Beneficial Owners, shall not, however, become effective as to outstanding Receipts until 30 days after notice of such amendment or supplement shall have been given to the Holders of outstanding Receipts. Notice of any amendment to the Deposit Agreement or form of Receipts shall not need to describe in detail the specific amendments effectuated thereby, and failure to describe the specific amendments in any such notice shall not render such notice invalid, provided, however, that, in each such case, the notice given to the Holders identifies a means for Holders and Beneficial Owners to retrieve or receive the text of such amendment (i.e., upon retrieval from the Commission's, the Depositary's or the Company's website or upon request from the Depositary). The parties hereto agree that any amendments or supplements which (i) are reasonably necessary (as agreed by the Company and the Depositary) in order for (a) the American Depositary Shares to be registered on Form

F-6 under the Securities Act or (b) the American Depositary Shares or the Shares to be traded solely in electronic book-entry form and (ii) do not in either such case impose or increase any fees or charges to be borne by Holders, shall be deemed not to materially prejudice any substantial rights of Holders or Beneficial Owners. Every Holder and Beneficial Owner at the time any amendment or supplement so becomes effective shall be deemed, by continuing to hold such American Depositary Share or Shares, to consent and agree to such amendment or supplement and to be bound by the Deposit Agreement as amended and supplemented thereby. In no event shall any amendment or supplement impair the right of the Holder to surrender such Receipt and receive therefor the Deposited Securities represented thereby, except in order to comply with mandatory provisions of applicable law. Notwithstanding the foregoing, if any governmental body should adopt new laws, rules or regulations which would require amendment or supplement of the Deposit Agreement to ensure compliance therewith, the Company and the Depositary may amend or supplement the Deposit Agreement and the Receipt at any time in accordance with such changed laws, rules or regulations. Such amendment or supplement to the Deposit Agreement in such circumstances may become effective before a notice of such amendment or supplement is given to Holders or within any other period of time as required for compliance with such laws, rules or regulations.

SECTION 6.2 Termination. The Depositary shall, at any time at the written direction of the Company, terminate this Deposit Agreement by mailing notice of such termination to the Holders of all Receipts then outstanding at least 90 days prior to the date fixed in such notice for such termination, provided that, the Depositary shall be reimbursed for any amounts, fees, costs or expenses owed to it in accordance with the terms of this Deposit Agreement and in accordance with any other agreements as otherwise agreed in writing between the Company and the Depositary from time to time, prior to such termination shall take effect. If 90 days shall have expired after (i) the Depositary shall have delivered to the Company a written notice of its election to resign, or (ii) the Company shall have delivered to the Depositary a written notice of the removal of the Depositary, and in either case a successor depositary shall not have been appointed and accepted its appointment as provided in Section 5.4 hereof, the Depositary may terminate this Deposit Agreement by mailing notice of such termination to the Holders of all Receipts then outstanding at least 30 days prior to the date fixed for such termination. On and after the date of termination of this Deposit Agreement, each Holder will, upon surrender of such Receipt at the Corporate Trust Office of the Depositary, upon the payment of the charges of the Depositary for the surrender of Receipts referred to in Section 2.6 hereof and subject to the conditions and restrictions therein set forth, and upon payment of any applicable taxes and/or governmental charges, be entitled to Delivery, to him or upon his order, of the amount of Deposited Securities represented by such Receipt. If any Receipts shall remain outstanding after the date of termination of this Deposit Agreement, the Registrar thereafter shall discontinue the registration of transfers of Receipts, and the Depositary shall suspend the distribution of dividends to the Holders thereof, and shall not give any further notices or perform any further acts under this Deposit Agreement, except that the Depositary shall continue to collect dividends and other distributions pertaining to Deposited Securities, shall sell rights or other property as provided in this Deposit Agreement, and shall continue to Deliver Deposited Securities, subject to the conditions and restrictions set forth in Section 2.6 hereof, together with any dividends or other distributions received with respect thereto and the net proceeds of the sale of any rights or other property, in exchange for Receipts surrendered to the Depositary (after deducting, or charging, as the case may be, in each case, the charges

of the Depositary for the surrender of a Receipt, any expenses for the account of the Holder in accordance with the terms and conditions of this Deposit Agreement and any applicable taxes and/or governmental charges or assessments). At any time after the expiration of six months from the date of termination of this Deposit Agreement, the Depositary may sell the Deposited Securities then held hereunder and may thereafter hold uninvested the net proceeds of any such sale, together with any other cash then held by it hereunder, in an unsegregated account, without liability for interest for the pro rata benefit of the Holders of Receipts whose Receipts have not theretofore been surrendered. After making such sale, the Depositary shall be discharged from all obligations under this Deposit Agreement with respect to the Receipts and the Shares, Deposited Securities and American Depositary Shares, except to account for such net proceeds and other cash (after deducting, or charging, as the case may be, in each case, the charges of the Depositary for the surrender of a Receipt, any expenses for the account of the Holder in accordance with the terms and conditions of this Deposit Agreement and any applicable taxes and/or governmental charges or assessments). Upon the termination of this Deposit Agreement, the Company shall be discharged from all obligations under this Deposit Agreement except for its obligations to the Depositary hereunder. The obligations under the terms of the Deposit Agreement and Receipts of Holders and Beneficial Owners of ADSs outstanding as of the effective date of any termination shall survive such effective date of termination and shall be discharged only when the applicable ADSs are presented by their Holders to the Depositary for cancellation under the terms of the Deposit Agreement and the Holders have each satisfied any and all of their obligations hereunder (including, but not limited to, any payment and/or reimbursement obligations which relate to prior to the effective date of termination but which payment and/or reimbursement is claimed after such effective date of termination).

Notwithstanding anything contained in the Deposit Agreement or any ADR, in connection with the termination of the Deposit Agreement, the Depositary may, independently and without the need for any action by the Company, make available to Holders of ADSs a means to withdraw the Deposited Securities represented by their ADSs and to direct the deposit of such Deposited Securities into an unsponsored American depositary shares program established by the Depositary, upon such terms and conditions as the Depositary may deem reasonably appropriate, subject however, in each case, to satisfaction of the applicable registration requirements by the unsponsored American depositary shares program under the Securities Act, and to receipt by the Depositary of payment of the applicable fees and charges of, and reimbursement of the applicable expenses incurred by, the Depositary.

The Company agrees that the failure of the Process Agent to give any notice of such service to it shall not impair or affect in any way the validity of such service or any judgment rendered in any action or proceeding based thereon.

The Company irrevocably and unconditionally waives, to the fullest extent permitted by law, any objection that it may now or hereafter have to the laying of venue of any actions, suits or proceedings brought in any court as provided in this Section 7.6, and hereby further

irrevocably and unconditionally waives and agrees not to plead or claim in any such court that any such action, suit or proceeding brought in any such court has been brought in an inconvenient forum.

The Company, the Depositary and by holding an American Depositary Share (or interest therein) Holders and Beneficial Owners each agree that, notwithstanding the foregoing, with regard to any claim or dispute or difference of whatever nature between or involving the parties hereto arising directly or indirectly from the relationship created by this Deposit Agreement, the Depositary, in its sole discretion, shall be entitled to refer such dispute or difference for final settlement by arbitration (“**Arbitration**”) in accordance with the Commercial Arbitration Rules of the American Arbitration Association (the “**Rules**”) then in force. The arbitration shall be conducted by three arbitrators, one nominated by the Depositary, one nominated by the Company, and one nominated by the two party-appointed arbitrators within 30 calendar days of the confirmation of the nomination of the second arbitrator. EACH PARTY TO THE DEPOSIT AGREEMENT (INCLUDING, FOR AVOIDANCE OF DOUBT, EACH HOLDER AND BENEFICIAL OWNER AND/OR HOLDER OF INTERESTS IN ANY ADRs) HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY SUIT, ACTION OR PROCEEDING AGAINST THE DEPOSITARY AND/OR THE COMPANY DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THE SHARES OR OTHER DEPOSITED SECURITIES, THE ADSs OR THE ADRs, THE DEPOSIT AGREEMENT OR ANY TRANSACTION CONTEMPLATED HEREIN OR THEREIN, OR THE BREACH HEREOF OR THEREOF (WHETHER BASED ON CONTRACT, TORT, COMMON LAW OR ANY OTHER THEORY).

SECTION 7.7 Assignment. Subject to the provisions and exceptions set forth in Section 5.4 hereof, this Deposit Agreement may not be assigned by either the Company or the Depositary.

SECTION 7.8 Agents. The Depositary shall be entitled, in its sole but reasonable discretion, to appoint one or more agents (the “**Agents**”) of which it shall have control for the purpose, inter alia, of making distributions to the Holders or otherwise carrying out its obligations under this Agreement.

SECTION 7.9 Affiliates etc. The Depositary reserves the right to utilize and retain a division or Affiliate(s) of the Depositary to direct, manage and/or execute any public and/or private sale of Shares, rights, securities, property or other entitlements hereunder and to engage in the conversion of Foreign Currency hereunder. It is anticipated that such division and/or Affiliate(s) will charge the Depositary a fee and/or commission in connection with each such transaction, and seek reimbursement of its costs and expenses related thereto. Such fees/commissions, costs and expenses, shall be deducted from amounts distributed hereunder and shall not be deemed to be fees of the Depositary under Article (9) of the Receipt or otherwise. Persons are advised that in converting foreign currency into U.S. dollars the Depositary may utilize Deutsche Bank AG or its affiliates (collectively, “**DBAG**”) to effect such conversion by seeking to enter into a foreign exchange (“**FX**”) transaction with DBAG. When converting currency, the Depositary is not acting as a fiduciary for the holders or beneficial owners of depositary receipts or any other person. Moreover, in executing FX transactions, DBAG will be acting in a principal capacity, and not as agent, fiduciary or broker, and may hold positions for its own account that are the same, similar, different or opposite to the positions of its customers, including the Depositary. When the Depositary seeks to execute an FX transaction to accomplish such conversion, customers should be aware that DBAG is a global dealer in FX for a full range of FX products and, as a result, the rate obtained in connection with any requested foreign currency conversion may be impacted by DBAG executing FX transactions for its own account or with another customer. In addition, in order to source liquidity for any FX transaction relating to any foreign currency conversion, DBAG may internally share economic terms relating to the relevant FX transaction with persons acting in a sales or trading capacity for DBAG or one of its agents.

DBAG may charge fees and/or commissions to the Depositary or add a mark-up in connection with such conversions, which are reflected in the rate at which the foreign currency will be converted into U.S. dollars. The Depositary, its Affiliates and their agents, on their own behalf, may own and deal in any class of securities of the Company and its Affiliates and in ADSs.

SECTION 7.10 Exclusivity. The Company agrees not to appoint any other depositary for the issuance or administration of depositary receipts evidencing any class of stock of the Company so long as Deutsche Bank Trust Company Americas is acting as Depositary hereunder.

Any excess amount may be retained by the Depositary as an additional cost of conversion, irrespective of any other fees and expenses payable or owing hereunder and shall not be subject to escheatment.

- (7) Representations and Warranties of Depositors. Each person depositing Shares under the Deposit Agreement shall be deemed thereby to represent and warrant that (i) such Shares (and the certificates therefor) are duly authorized, validly issued, fully paid, non-assessable and were legally obtained by such person, (ii) all preemptive (and similar) rights, if any, with respect to such Shares, have been validly waived or exercised, (iii) the person making such deposit is duly authorized so to do, (iv) the Shares presented for deposit are free and clear of any lien, encumbrance, security interest, charge, mortgage or adverse claim, and are not, and the ADSs issuable upon such deposit will not be, Restricted Securities, (v) the Shares presented for deposit have not been stripped of any rights or entitlements and (vi) the Shares are not subject to any lock-up agreement with the Company or other party, or the Shares are subject to a lock-up agreement but such lock-up agreement has terminated or the lock-up restrictions imposed thereunder have expired or been validly waived. Such representations and warranties shall survive the deposit and withdrawal of Shares and the issuance, cancellation and transfer of ADSs. If any such representations or warranties are false in any way, the Company and Depositary shall be authorized, at the cost and expense of the person depositing Shares, to take any and all actions necessary to correct the consequences thereof.
- (8) Filing Proofs, Certificates and Other Information. Any person presenting Shares for deposit, shall provide, any Holder and any Beneficial Owner may be required to provide, subject as provided below and every Holder and Beneficial Owner agrees, subject as provided below, from time to time to provide to the Depositary such proof of citizenship or residence, taxpayer status, payment of all applicable taxes and/or other governmental charges, exchange control approval, legal or beneficial ownership of ADSs and Deposited Securities, compliance with applicable laws and the terms of the Deposit Agreement and the provisions of, or governing, the Deposited Securities or other information as the Depositary deems necessary or proper or as the Company may reasonably require by written request to the Depositary consistent with its obligations under the Deposit Agreement. Pursuant to the Deposit Agreement, the Depositary and the Registrar, as applicable, may withhold the execution or Delivery or registration of transfer of any Receipt or the distribution or sale of any dividend or other distribution of rights or of the proceeds thereof, or to the extent not limited by the terms of Article (22) hereof or the terms of the Deposit Agreement, the Delivery of any Deposited Securities until such proof or other information is filed or such certifications are executed, or such representations and warranties are made, or such other documentation or information provided, in each case to the Depositary's and the Company's satisfaction. The Depositary shall from time to time on the written request of the Company advise the Company of the availability of any such proofs, certificates or other information and shall, at the Company's sole expense, provide or otherwise make available copies thereof to the Company upon written request therefor by the Company, unless such disclosure is prohibited by law. Each Holder and Beneficial Owner agrees to provide any information requested by the Company or the Depositary pursuant to this paragraph. Nothing herein shall obligate the Depositary to (i) obtain any information for the Company if not provided by the Holders or Beneficial Owners or (ii) verify or vouch for the accuracy of the information so provided by the Holders or Beneficial Owners.

Every Holder and Beneficial Owner agrees to indemnify the Depositary, the Company, the Custodian, the Agents and each of their respective directors, officers, employees, agents and Affiliates against, and to hold each of them harmless from, any Losses which any of them may incur or which may be made against any of them as a result of or in connection with any inaccuracy in or omission from any such proof, certificate, representation, warranty, information or document furnished by or on behalf of such Holder and/or Beneficial Owner or as a result of any such failure to furnish any of the foregoing.

The obligations of Holders and Beneficial Owners under the Deposit agreement shall survive any transfer of Receipts, any surrender of Receipts and withdrawal of Deposited Securities or the termination of this Deposit Agreement.

- (9) Charges of Depositary. The Depositary reserves the right to charge the following fees for the services performed under the terms of the Deposit Agreement, provided, however, that no fees shall be payable upon distribution of cash dividends so long as the charging of such fee is prohibited by the exchange, if any, upon which the ADSs are listed:
- (i) to any person to whom ADSs are issued or to any person to whom a distribution is made in respect of ADS distributions pursuant to stock dividends or other free distributions of stock, bonus distributions, stock splits or other distributions (except where converted to cash), a fee not in excess of U.S. \$5.00 per 100 ADSs (or fraction thereof) so issued under the terms of the Deposit Agreement to be determined by the Depositary;
 - (ii) to any person surrendering ADSs for withdrawal of Deposited Securities or whose ADSs are cancelled or reduced for any other reason including, inter alia, cash distributions made pursuant to a cancellation or withdrawal, a fee not in excess of U.S. \$5.00 per 100 ADSs reduced, cancelled or surrendered (as the case may be);
 - (iii) to any holder of ADSs (including, without limitation, Holders), a fee not in excess of U.S. \$5.00 per 100 ADSs held for the distribution of cash dividends;
 - (iv) to any holder of ADSs (including, without limitation, Holders), a fee not in excess of U.S. \$5.00 per 100 ADSs held for the distribution of cash entitlements (other than cash dividends) and/or cash proceeds, including proceeds from the sale of rights, securities and other entitlements;
 - (v) to any holder of ADSs (including, without limitation, Holders), a fee not in excess of U.S. \$5.00 per 100 ADSs (or portion thereof) issued upon the exercise of rights; and
 - (vi) for the operation and maintenance costs in administering the ADSs an annual fee of U.S. \$5.00 per 100 ADSs, such fee to be assessed against Holders of record as of the date or dates set by the Depositary as it sees fit and collected at the sole discretion of the Depositary by billing such Holders for such fee or by deducting such fee from one or more cash dividends or other cash distributions.

In addition, Holders, Beneficial Owners, any person depositing Shares for deposit and any person surrendering ADSs for cancellation and withdrawal of Deposited Securities will be required to pay the following charges:

- (i) taxes (including applicable interest and penalties) and other governmental charges;
- (ii) such registration fees as may from time to time be in effect for the registration of Shares or other Deposited Securities with the Foreign Registrar and applicable to transfers of Shares or other Deposited Securities to or from the name of the Custodian, the Depository or any nominees upon the making of deposits and withdrawals, respectively;
- (iii) such cable, telex, facsimile and electronic transmission and delivery expenses as are expressly provided in the Deposit Agreement to be at the expense of the depositor depositing or person withdrawing Shares or Holders and Beneficial Owners of ADSs;
- (iv) the expenses and charges incurred by the Depository and/or a division or Affiliate(s) of the Depository in the conversion of Foreign Currency;
- (v) such fees and expenses as are incurred by the Depository in connection with compliance with exchange control regulations and other regulatory requirements applicable to Shares, Deposited Securities, ADSs and ADRs;
- (vi) the fees and expenses incurred by the Depository in connection with the delivery of Deposited Securities, including any fees of a central depository for securities in the local market, where applicable;
- (vii) any additional fees, charges, costs or expenses that may be incurred by the Depository or a division or Affiliate(s) of the Depository from time to time.

Any other fees and charges of, and expenses incurred by, the Depository or the Custodian under the Deposit Agreement shall be for the account of the Company unless otherwise agreed in writing between the Company and the Depository from time to time. All fees and charges may, at any time and from time to time, be changed by agreement between the Depository and Company but, in the case of fees and charges payable by Holders or Beneficial Owners, only in the manner contemplated by Article (20) hereof.

The Depository may make payments to the Company and/or may share revenue with the Company derived from fees collected from Holders and Beneficial Owners, upon such terms and conditions as the Company and the Depository may agree from time to time.

- (10) Title to Receipts. It is a condition of this Receipt, and every successive Holder of this Receipt by accepting or holding the same consents and agrees, that title to this Receipt (and to each ADS evidenced hereby) is transferable by delivery of the Receipt, provided it has been properly endorsed or accompanied by proper instruments of transfer, such Receipt being a certificated security under the laws of the State of New York.

Notwithstanding any notice to the contrary, the Depositary may deem and treat the Holder of this Receipt (that is, the person in whose name this Receipt is registered on the books of the Depositary) as the absolute owner hereof for all purposes. The Depositary shall have no obligation or be subject to any liability under the Deposit Agreement or this Receipt to any holder of this Receipt or any Beneficial Owner unless such holder is the Holder of this Receipt registered on the books of the Depositary or, in the case of a Beneficial Owner, such Beneficial Owner or the Beneficial Owner's representative is the Holder registered on the books of the Depositary.

- (11) Validity of Receipt. This Receipt shall not be entitled to any benefits under the Deposit Agreement or be valid or enforceable for any purpose, unless this Receipt has been (i) dated, (ii) signed by the manual or facsimile signature of a duly authorized signatory of the Depositary, (iii) if a Registrar for the Receipts shall have been appointed, countersigned by the manual or facsimile signature of a duly authorized signatory of the Registrar and (iv) registered in the books maintained by the Depositary or the Registrar, as applicable, for the issuance and transfer of Receipts. Receipts bearing the facsimile signature of a duly-authorized signatory of the Depositary or the Registrar, who at the time of signature was a duly-authorized signatory of the Depositary or the Registrar, as the case may be, shall bind the Depositary, notwithstanding the fact that such signatory has ceased to be so authorized prior to the execution and delivery of such Receipt by the Depositary or did not hold such office on the date of issuance of such Receipts.
- (12) Available Information; Reports; Inspection of Transfer Books. The Company is subject to the periodic reporting requirements of the Exchange Act applicable to foreign private issuers (as defined in Rule 405 of the Securities Act) and accordingly files certain information with the Commission. These reports and documents can be inspected and copied at the public reference facilities maintained by the Commission located at 100 F Street, N.E., Washington D.C. 20549, U.S.A. The Depositary shall make available during normal business hours on any Business Day for inspection by Holders at its Corporate Trust Office any reports and communications, including any proxy soliciting materials, received from the Company which are both (a) received by the Depositary, the Custodian, or the nominee of either of them as the holder of the Deposited Securities and (b) made generally available to the holders of such Deposited Securities by the Company.

The Depositary or the Registrar, as applicable, shall keep books for the registration of Receipts and transfers of Receipts which at all reasonable times shall be open for inspection by the Company and by the Holders of such Receipts, provided that such inspection shall not be, to the Depositary's or the Registrar's knowledge, for the purpose of communicating with Holders of such Receipts in the interest of a business or object other than the business of the Company or other than a matter related to the Deposit Agreement or the Receipts.

The Depositary or the Registrar, as applicable, may close the transfer books with respect to the Receipts, at any time or from time to time, when deemed necessary or advisable by it in good faith in connection with the performance of its duties hereunder, or at the reasonable written request of the Company subject, in all cases, to Article (22) hereof.

SUMMARY OF CERTAIN ADDITIONAL PROVISIONS
OF THE DEPOSIT AGREEMENT**

- (13) Dividends and Distributions in Cash, Shares, etc. Whenever the Depositary receives confirmation from the Custodian of receipt of any cash dividend or other cash distribution on any Deposited Securities, or receives proceeds from the sale of any Shares, rights securities or other entitlements under the Deposit Agreement, the Depositary will, if at the time of receipt thereof any amounts received in a Foreign Currency can, in the judgment of the Depositary (upon the terms of the Deposit Agreement), be converted on a practicable basis, into Dollars transferable to the United States, promptly convert or cause to be converted such dividend, distribution or proceeds into Dollars and will distribute promptly the amount thus received (net of applicable fees and charges of, and expenses incurred by, the Depositary and/or a division or Affiliate(s) of the Depositary and taxes and/or governmental charges) to the Holders of record as of the ADS Record Date in proportion to the number of ADSs representing such Deposited Securities held by such Holders respectively as of the ADS Record Date. The Depositary shall distribute only such amount, however, as can be distributed without attributing to any Holder a fraction of one cent. Any such fractional amounts shall be rounded down to the nearest whole cent and so distributed to Holders entitled thereto. Holders and Beneficial Owners understand that in converting Foreign Currency, amounts received on conversion are calculated at a rate which exceeds the number of decimal places used by the Depositary to report distribution rates. The excess amount may be retained by the Depositary as an additional cost of conversion, irrespective of any other fees and expenses payable or owing hereunder and shall not be subject to escheatment. If the Company, the Custodian or the Depositary is required to withhold and does withhold from any cash dividend or other cash distribution in respect of any Deposited Securities an amount on account of taxes, duties or other governmental charges, the amount distributed to Holders on the ADSs representing such Deposited Securities shall be reduced accordingly. Such withheld amounts shall be forwarded by the Company, the Custodian or the Depositary to the relevant governmental authority. Evidence of payment thereof by the Company shall be forwarded by the Company to the Depositary upon request. The Depositary shall forward to the Company or its agent such information from its records as the Company may reasonably request to enable the Company or its agent to file with governmental agencies such reports as are necessary to obtain benefits under the applicable tax treaties for the Holders and Beneficial Owners of Receipts.

If any distribution upon any Deposited Securities consists of a dividend in, or free distribution of, Shares, the Company shall cause such Shares to be deposited with the Custodian and registered, as the case may be, in the name of the Depositary, the Custodian or their nominees. Upon receipt of confirmation of such deposit, the Depositary shall, subject to and in accordance with the Deposit Agreement, establish the ADS Record Date and either (i) distribute to the Holders as of the ADS Record Date in proportion to the number of ADSs held by such Holders as of the ADS Record Date, additional ADSs, which represent in aggregate the number of Shares received as such

dividend, or free distribution, subject to the terms of the Deposit Agreement (including, without limitation, the applicable fees and charges of, and expenses incurred by, the Depositary, and taxes and/or governmental charges), or (ii) if additional ADSs are not so distributed, each ADS issued and outstanding after the ADS Record Date shall, to the extent permissible by law, thenceforth also represent rights and interests in the additional Shares distributed upon the Deposited Securities represented thereby (net of the applicable fees and charges of, and the expenses incurred by, the Depositary, and taxes and/or governmental charges). In lieu of delivering fractional ADSs, the Depositary shall sell the number of Shares represented by the aggregate of such fractions and distribute the proceeds upon the terms set forth in the Deposit Agreement.

In the event that (x) the Depositary determines that any distribution in property (including Shares) is subject to any tax or other governmental charges which the Depositary is obligated to withhold, or, (y) if the Company, in the fulfillment of its obligations under the Deposit Agreement, has either (a) furnished an opinion of U.S. counsel determining that Shares must be registered under the Securities Act or other laws in order to be distributed to Holders (and no such registration statement has been declared effective), or (b) fails to timely deliver the documentation contemplated in the Deposit Agreement, the Depositary may dispose of all or a portion of such property (including Shares and rights to subscribe therefor) in such amounts and in such manner, including by public or private sale, as the Depositary deems necessary and practicable, and the Depositary shall distribute the net proceeds of any such sale (after deduction of taxes and/or governmental charges, and fees and charges of, and expenses incurred by, the Depositary and/or a division or Affiliate(s) of the Depositary) to Holders entitled thereto upon the terms of the Deposit Agreement. The Depositary shall hold and/or distribute any unsold balance of such property in accordance with the provisions of the Deposit Agreement.

Upon timely receipt of a notice indicating that the Company wishes an elective distribution to be made available to Holders upon the terms described in the Deposit Agreement, the Depositary shall, upon provision of all documentation required under the Deposit Agreement, (including, without limitation, any legal opinions the Depositary may request under the Deposit Agreement) determine whether such distribution is lawful and reasonably practicable. If so, the Depositary shall, subject to the terms and conditions of the Deposit Agreement, establish an ADS Record Date according to Article (14) hereof and establish procedures to enable the Holder hereof to elect to receive the proposed distribution in cash or in additional ADSs. If a Holder elects to receive the distribution in cash, the dividend shall be distributed as in the case of a distribution in cash. If the Holder hereof elects to receive the distribution in additional ADSs, the distribution shall be distributed as in the case of a distribution in Shares upon the terms described in the Deposit Agreement. If such elective distribution is not lawful or reasonably practicable or if the Depositary did not receive satisfactory documentation set forth in the Deposit Agreement, the Depositary shall, to the extent permitted by law, distribute to Holders, on the basis of the same determination as is made in the Cayman Islands, in respect of the Shares for which no election is made, either (x) cash or (y) additional ADSs representing such additional Shares, in each case, upon the terms described in the Deposit Agreement. Nothing herein shall obligate the Depositary to

make available to the Holder hereof a method to receive the elective dividend in Shares (rather than ADSs). There can be no assurance that the Holder hereof will be given the opportunity to receive elective distributions on the same terms and conditions as the holders of Shares.

Whenever the Company intends to distribute to the holders of the Deposited Securities rights to subscribe for additional Shares, the Company shall give notice thereof to the Depositary at least 60 days prior to the proposed distribution stating whether or not it wishes such rights to be made available to Holders of ADSs. Upon timely receipt by the Depositary of a notice indicating that the Company wishes such rights to be made available to Holders of ADSs, the Company shall determine whether it is lawful and reasonably practicable to make such rights available to the Holders. The Depositary shall make such rights available to any Holders only if the Company shall have timely requested that such rights be made available to Holders, the Depositary shall have received the documentation required by the Deposit Agreement, and the Depositary shall have determined that such distribution of rights is lawful and reasonably practicable. If such conditions are not satisfied, the Depositary shall sell the rights as described below. In the event all conditions set forth above are satisfied, the Depositary shall establish an ADS Record Date and establish procedures (x) to distribute such rights (by means of warrants or otherwise) and (y) to enable the Holders to exercise the rights (upon payment of the applicable fees and charges of, and expenses incurred by, the Depositary and/or a division or Affiliate(s) of the Depositary and taxes and/or governmental charges). Nothing herein or in the Deposit Agreement shall obligate the Depositary to make available to the Holders a method to exercise such rights to subscribe for Shares (rather than ADSs). If (i) the Company does not timely request the Depositary to make the rights available to Holders or if the Company requests that the rights not be made available to Holders, (ii) the Depositary fails to receive the documentation required by the Deposit Agreement or determines it is not lawful or reasonably practicable to make the rights available to Holders, or (iii) any rights made available are not exercised and appear to be about to lapse, the Depositary shall determine whether it is lawful and reasonably practicable to sell such rights, and if it so determines that it is lawful and reasonably practicable, endeavour to sell such rights in a riskless principal capacity or otherwise, at such place and upon such terms (including public and/or private sale) as it may deem proper. The Depositary shall, upon such sale, convert and distribute proceeds of such sale (net of applicable fees and charges of, and expenses incurred by, the Depositary and/or a division or Affiliate(s) of the Depositary and taxes and/or governmental charges) upon the terms hereof and in the Deposit Agreement. If the Depositary is unable to make any rights available to Holders or to arrange for the sale of the rights upon the terms described above, the Depositary shall allow such rights to lapse. The Depositary shall not be responsible for (i) any failure to determine that it may be lawful or practicable to make such rights available to Holders in general or any Holders in particular, (ii) any foreign exchange exposure or loss incurred in connection with such sale, or exercise, or (iii) the content of any materials forwarded to the Holders on behalf of the Company in connection with the rights distribution.

Notwithstanding anything herein to the contrary, if registration (under the Securities Act and/or any other applicable law) of the rights or the securities to which any rights relate may be required in order for the Company to offer such rights or such securities

to Holders and to sell the securities represented by such rights, the Depositary will not distribute such rights to the Holders (i) unless and until a registration statement under the Securities Act covering such offering is in effect or (ii) unless the Company furnishes to the Depositary opinion(s) of counsel for the Company in the United States and counsel to the Company in any other applicable country in which rights would be distributed, in each case satisfactorily to the Depositary, to the effect that the offering and sale of such securities to Holders and Beneficial Owners are exempt from, or do not require registration under, the provisions of the Securities Act or any other applicable laws. In the event that the Company, the Depositary or the Custodian shall be required to withhold and does withhold from any distribution of property (including rights) an amount on account of taxes and/or other governmental charges, the amount distributed to the Holders shall be reduced accordingly. In the event that the Depositary determines that any distribution in property (including Shares and rights to subscribe therefor) is subject to any tax or other governmental charges which the Depositary is obligated to withhold, the Depositary may dispose of all or a portion of such property (including Shares and rights to subscribe therefor) in such amounts and in such manner, including by public or private sale, as the Depositary deems necessary and practicable to pay any such taxes and/or charges.

There can be no assurance that Holders generally, or any Holder in particular, will be given the opportunity to exercise rights on the same terms and conditions as the holders of Shares or to exercise such rights. Nothing herein shall obligate the Company to file any registration statement in respect of any rights or Shares or other securities to be acquired upon the exercise of such rights or otherwise to register or qualify the offer or sale of such rights or securities under the applicable law of any other jurisdiction for any purpose.

Upon receipt of a notice regarding property other than cash, Shares or rights to purchase additional Shares, to be made to Holders of ADSs, the Depositary shall determine, after consultation with the Company, whether such distribution to Holders is lawful and reasonably practicable. The Depositary shall not make such distribution unless (i) the Company shall have timely requested the Depositary to make such distribution to Holders, (ii) the Depositary shall have received the documentation required by the Deposit Agreement, and (iii) the Depositary shall have determined that such distribution is lawful and reasonably practicable. Upon satisfaction of such conditions, the Depositary shall distribute the property so received to the Holders of record as of the ADS Record Date, in proportion to the number of ADSs held by such Holders respectively and in such manner as the Depositary may deem practicable for accomplishing such distribution (i) upon receipt of payment or net of the applicable fees and charges of, and expenses incurred by, the Depositary, and (ii) net of any taxes and/or governmental charges. The Depositary may dispose of all or a portion of the property so distributed and deposited, in such amounts and in such manner (including public or private sale) as the Depositary may deem practicable or necessary to satisfy any taxes (including applicable interest and penalties) or other governmental charges applicable to the distribution.

If the conditions above are not satisfied, the Depositary shall sell or cause such property to be sold in a public or private sale, at such place or places and upon such terms as it may deem proper and shall distribute the proceeds of such sale received by

the Depositary (net of (a) applicable fees and charges of, and expenses incurred by, the Depositary and/or a division or Affiliate(s) of the Depositary and (b) taxes and/or governmental charges) to the Holders upon the terms hereof and of the Deposit Agreement. If the Depositary is unable to sell such property, the Depositary may dispose of such property in any way it deems reasonably practicable under the circumstances.

- (14) Fixing of Record Date. Whenever necessary in connection with any distribution (whether in cash, Shares, rights or other distribution), or whenever for any reason the Depositary causes a change in the number of Shares that are represented by each ADS, or whenever the Depositary shall receive notice of any meeting of or solicitation of holders of Shares or other Deposited Securities, or whenever the Depositary shall find it necessary or convenient in connection with the giving of any notice, or any other matter, the Depositary shall fix a record date (the “**ADS Record Date**”), as close as practicable to the record date fixed by the Company with respect to the Shares (if applicable), for the determination of the Holders who shall be entitled to receive such distribution, to give instructions for the exercise of voting rights at any such meeting, or to give or withhold such consent, or to receive such notice or solicitation or to otherwise take action, or to exercise the rights of Holders with respect to such changed number of Shares represented by each ADS or for any other reason. Subject to applicable law and the terms and conditions of this Receipt and the Deposit Agreement, only the Holders of record at the close of business in New York on such ADS Record Date shall be entitled to receive such distributions, to give such voting instructions, to receive such notice or solicitation, or otherwise take action.
- (15) Voting of Deposited Securities. Subject to the next sentence, as soon as practicable after receipt of notice of any meeting at which the holders of Deposited Securities are entitled to vote, or of solicitation of consents or proxies from holders of Deposited Securities, the Depositary shall fix the ADS Record Date in respect of such meeting or such solicitation of consents or proxies. The Depositary shall, if requested by the Company in writing in a timely manner (the Depositary having no obligation to take any further action if the request shall not have been received by the Depositary at least 30 Business Days prior to the date of such vote or meeting) and at the Company’s expense, and provided no U.S. legal prohibitions exist, mail by regular, ordinary mail delivery (or by electronic mail or as otherwise may be agreed between the Company and the Depositary in writing from time to time) or otherwise distribute as soon as practicable after receipt thereof to Holders as of the ADS Record Date: (a) such notice of meeting or solicitation of consent or proxy; (b) a statement that the Holders at the close of business on the ADS Record Date will be entitled, subject to any applicable law, the provisions of this Deposit Agreement, the Company’s Memorandum and Articles of Association and the provisions of or governing the Deposited Securities (which provisions, if any, shall be summarized in pertinent part by the Company), to instruct the Depositary as to the exercise of the voting rights, if any, pertaining to the Deposited Securities represented by such Holder’s American Depositary Shares; and (c) a brief statement as to the manner in which such voting instructions may be given to the Depositary, or in which instructions may be deemed to have been given in accordance with this Article (15), including an express indication that instructions may be given (or be deemed to have been given in accordance with the immediately following paragraph of this section if no instruction is received) to the Depositary to give a discretionary proxy to a person or persons designated by the Company. Voting instructions may be given only in respect of a number of American

Depositary Shares representing an integral number of Deposited Securities. Upon the timely receipt of voting instructions of a Holder on the ADS Record Date in the manner specified by the Depositary, the Depositary shall endeavor, insofar as practicable and permitted under applicable law, the provisions of this Deposit Agreement, the Company's Memorandum and Articles of Association and the provisions of or governing the Deposited Securities, to vote or cause the Custodian to vote the Deposited Securities (in person or by proxy) represented by American Depositary Shares evidenced by such Receipt in accordance with such voting instructions.

In the event that (i) the Depositary timely receives voting instructions from a Holder which fail to specify the manner in which the Depositary is to vote the Deposited Securities represented by such Holder's ADSs or (ii) no timely instructions are received by the Depositary from a Holder with respect to any of the Deposited Securities represented by the ADSs held by such Holder on the ADS Record Date, the Depositary shall (unless otherwise specified in the notice distributed to Holders) deem such Holder to have instructed the Depositary to give a discretionary proxy to a person designated by the Company with respect to such Deposited Securities and the Depositary shall give a discretionary proxy to a person designated by the Company to vote such Deposited Securities, provided, however, that no such instruction shall be deemed to have been given and no such discretionary proxy shall be given with respect to any matter as to which the Company informs the Depositary (and the Company agrees to provide such information as promptly as practicable in writing, if applicable) that (x) the Company does not wish to give such proxy, (y) the Company is aware or should reasonably be aware that substantial opposition exists from Holders against the outcome for which the person designated by the Company would otherwise vote or (z) the outcome for which the person designated by the Company would otherwise vote would materially and adversely affect the rights of holders of Deposited Securities, provided, further, that the Company will have no liability to any Holder or Beneficial Owner resulting from such notification.

In the event that voting on any resolution or matter is conducted on a show of hands basis in accordance with the Memorandum and Articles of Association, the Depositary will refrain from voting and the voting instructions (or the deemed voting instructions, as set out above) received by the Depositary from Holders shall lapse. The Depositary will have no obligation to demand voting on a poll basis with respect to any resolution and shall have no liability to any Holder or Beneficial Owner for not having demanded voting on a poll basis.

Neither the Depositary nor the Custodian shall, under any circumstances exercise any discretion as to voting, and neither the Depositary nor the Custodian shall vote, attempt to exercise the right to vote, or in any way make use of for purposes of establishing a quorum or otherwise, Deposited Securities represented by ADSs except pursuant to and in accordance with such written instructions from Holders, including the deemed instruction to the Depositary to give a discretionary proxy to a person designated by the Company. Deposited Securities represented by ADSs for which (i) no timely voting instructions are received by the Depositary from the Holder, or (ii) timely voting instructions are received by the Depositary from the Holder but such voting instructions

fail to specify the manner in which the Depositary is to vote the Deposited Securities represented by such Holder's ADSs, shall be voted in the manner provided in this Article (15). Notwithstanding anything else contained herein, and subject to applicable law, regulation and the Memorandum and Articles of Association, the Depositary shall, if so requested in writing by the Company, represent all Deposited Securities (whether or not voting instructions have been received in respect of such Deposited Securities from Holders as of the ADS Record Date) for the purpose of establishing quorum at a meeting of shareholders.

There can be no assurance that Holders or Beneficial Owners generally or any Holder or Beneficial Owner in particular will receive the notice described above with sufficient time to enable the Holder to return voting instructions to the Depositary in a timely manner.

Notwithstanding the above, save for applicable provisions of the law of the Cayman Islands, and in accordance with the terms of Section 5.3 of the Deposit Agreement, the Depositary shall not be liable for any failure to carry out any instructions to vote any of the Deposited Securities or the manner in which such vote is cast or the effect of such vote.

- (16) Changes Affecting Deposited Securities. Upon any change in par value, split-up, subdivision, cancellation, consolidation or any other reclassification of Deposited Securities, or upon any recapitalization, reorganization, merger, amalgamation or consolidation or sale of assets affecting the Company or to which it otherwise is a party, any securities which shall be received by the Depositary or a Custodian in exchange for, or in conversion of or replacement or otherwise in respect of, such Deposited Securities shall, to the extent permitted by law, be treated as new Deposited Securities under the Deposit Agreement, and the Receipts shall, subject to the provisions of the Deposit Agreement and applicable law, evidence ADSs representing the right to receive such additional securities. Alternatively, the Depositary may, with the Company's approval, and shall, if the Company shall so requests, subject to the terms of the Deposit Agreement and receipt of satisfactory documentation contemplated by the Deposit Agreement, execute and deliver additional Receipts as in the case of a stock dividend on the Shares, or call for the surrender of outstanding Receipts to be exchanged for new Receipts, in either case, as well as in the event of newly deposited Shares, with necessary modifications to this form of Receipt specifically describing such new Deposited Securities and/or corporate change. Notwithstanding the foregoing, in the event that any security so received may not be lawfully distributed to some or all Holders, the Depositary may, with the Company's approval, and shall if the Company requests, subject to receipt of satisfactory legal documentation contemplated in the Deposit Agreement, sell such securities at public or private sale, at such place or places and upon such terms as it may deem proper and may allocate the net proceeds of such sales (net of fees and charges of, and expenses incurred by, the Depositary and/or a division or Affiliate(s) of the Depositary and taxes and/or governmental charges) for the account of the Holders otherwise entitled to such securities and distribute the net proceeds so allocated to the extent practicable as in the case of a distribution received in cash pursuant to the Deposit Agreement. The Depositary shall not be responsible for (i) any failure to determine that it may be lawful or feasible to make such securities available

to Holders in general or any Holder in particular, (ii) any foreign exchange exposure or loss incurred in connection with such sale, or (iii) any liability to the purchaser of such securities.

- (17) Exoneration. None of the Depositary, the Custodian or the Company shall be obligated to do or perform any act which is inconsistent with the provisions of the Deposit Agreement or shall incur any liability to Holders, Beneficial Owners or any third parties (i) if the Depositary, the Custodian or the Company or their respective controlling persons or agents shall be prevented or forbidden from, or subjected to any civil or criminal penalty or restraint on account of, or delayed in, doing or performing any act or thing required by the terms of the Deposit Agreement and this Receipt, by reason of any provision of any present or future law or regulation of the United States, the Cayman Islands or any other country, or of any other governmental authority or regulatory authority or stock exchange, or by reason of any provision, present or future of the Memorandum and Articles of Association or any provision of or governing any Deposited Securities, or by reason of any act of God or war or other circumstances beyond its control, (including, without limitation, nationalization, expropriation, currency restrictions, work stoppage, strikes, civil unrest, revolutions, rebellions, explosions and computer failure), (ii) by reason of any exercise of, or failure to exercise, any discretion provided for in the Deposit Agreement or in the Memorandum and Articles of Association or provisions of or governing Deposited Securities, (iii) for any action or inaction of the Depositary, the Custodian or the Company or their respective controlling persons or agents in reliance upon the advice of or information from legal counsel, accountants, any person presenting Shares for deposit, any Holder, any Beneficial Owner or authorized representative thereof, or any other person believed by it in good faith to be competent to give such advice or information, (iv) for any inability by a Holder or Beneficial Owner to benefit from any distribution, offering, right or other benefit which is made available to holders of Deposited Securities but is not, under the terms of the Deposit Agreement, made available to Holders of ADS or (v) for any special, consequential, indirect or punitive damages for any breach of the terms of the Deposit Agreement or otherwise. The Depositary, its controlling persons, its agents (including without limitation, the Agents), any Custodian and the Company, its controlling persons and its agents may rely and shall be protected in acting upon any written notice, request, opinion or other document believed by it to be genuine and to have been signed or presented by the proper party or parties. No disclaimer of liability under the Securities Act is intended by any provision of the Deposit Agreement.
- (18) Standard of Care. The Company and the Depositary and their respective directors, officers, Affiliates, employees and agents (including without limitation, the Agents) assume no obligation and shall not be subject to any liability under the Deposit Agreement or the Receipts to Holders or Beneficial Owners or other persons, except in accordance with Section 5.8 of the Deposit Agreement, provided, that the Company and the Depositary and their respective directors, officers, Affiliates, employees and agents (including without limitation, the Agents) agree to perform their respective obligations specifically set forth in the Deposit Agreement without gross negligence or wilful misconduct. The Depositary and its directors, officers, Affiliates, employees and agents (including without limitation, the Agents) shall not be liable for any failure

to carry out any instructions to vote any of the Deposited Securities, or for the manner in which any vote is cast or the effect of any vote. The Depositary shall not incur any liability for any failure to determine that any distribution or action may be lawful or reasonably practicable, for the content of any information submitted to it by the Company for distribution to the Holders or for any inaccuracy of any translation thereof, for any investment risk associated with acquiring an interest in the Deposited Securities, for the validity or worth of the Deposited Securities or for any tax consequences that may result from the ownership of ADSs, Shares or Deposited Securities, for the credit-worthiness of any third party, for allowing any rights to lapse upon the terms of the Deposit Agreement or for the failure or timeliness of any notice from the Company or for any action or non action by it in reliance upon the opinion, advice of or information from legal counsel, accountants, any person presenting Shares for deposit, any Holder or any other person believed by it in good faith to be competent to give such advice or information. The Depositary and its agents (including without limitation, the Agents) shall not be liable for any acts or omissions made by a successor depositary whether in connection with a previous act or omission of the Depositary or in connection with any matter arising wholly after the removal or resignation of the Depositary, provided that in connection with the issue out of which such potential liability arises the Depositary performed its obligations without gross negligence or willful misconduct while it acted as Depositary.

(19) Resignation and Removal of the Depositary; Appointment of Successor Depositary.

The Depositary may at any time resign as Depositary under the Deposit Agreement by written notice of resignation delivered to the Company, such resignation to be effective on the earlier of (i) the 90th day after delivery thereof to the Company (whereupon the Depositary shall, in the event no successor depositary has been appointed by the Company, be entitled to take the actions contemplated in the Deposit Agreement), or (ii) the appointment of a successor depositary and its acceptance of such appointment as provided in the Deposit Agreement, save that, any amounts, fees, costs or expenses owed to the Depositary under the Deposit Agreement or in accordance with any other agreements otherwise agreed in writing between the Company and the Depositary from time to time shall be paid to the Depositary prior to such resignation. The Company shall use reasonable efforts to appoint such successor depositary, and give notice to the Depositary of such appointment, not more than 90 days after delivery by the Depositary of written notice of resignation as provided in the Deposit Agreement. The Depositary may at any time be removed by the Company by written notice of such removal which notice shall be effective on the later of (i) the 90th day after delivery thereof to the Depositary (whereupon the Depositary shall be entitled to take the actions contemplated in the Deposit Agreement if a successor depositary has not been appointed), or (ii) the appointment of a successor depositary and its acceptance of such appointment as provided in the Deposit Agreement save that, any amounts, fees, costs or expenses owed to the Depositary under the Deposit Agreement or in accordance with any other agreements otherwise agreed in writing between the Company and the Depositary from time to time shall be paid to the Depositary prior to such removal. In case at any time the Depositary acting hereunder shall resign or be removed, the Company shall use its best efforts to appoint a successor depositary which shall be a bank or trust company having an office in the Borough of Manhattan, the City of New York and if it shall have not appointed a successor depositary the provisions referred to in Article (21)

hereof and correspondingly in the Deposit Agreement shall apply. Every successor depositary shall be required by the Company to execute and deliver to its predecessor and to the Company an instrument in writing accepting its appointment hereunder, and thereupon such successor depositary, without any further act or deed, shall become fully vested with all the rights, powers, duties and obligations of its predecessor. The predecessor depositary, upon payment of all sums due to it and on the written request of the Company, shall (i) execute and deliver an instrument transferring to such successor all rights and powers of such predecessor hereunder (other than as contemplated in the Deposit Agreement), (ii) duly assign, transfer and deliver all right, title and interest to the Deposited Securities to such successor, and (iii) deliver to such successor a list of the Holders of all outstanding Receipts and such other information relating to Receipts and Holders thereof as the successor may reasonably request. Any such successor depositary shall promptly mail notice of its appointment to such Holders. Any corporation into or with which the Depositary may be merged or consolidated shall be the successor of the Depositary without the execution or filing of any document or any further act and, notwithstanding anything to the contrary in the Deposit Agreement, the Depositary may assign or otherwise transfer all or any of its rights and benefits under the Deposit Agreement (including any cause of action arising in connection with it) to Deutsche Bank AG or any branch thereof or any entity which is a direct or indirect subsidiary or other affiliate of Deutsche Bank AG..

- (20) Amendment/Supplement. Subject to the terms and conditions of this Article (20), and applicable law, this Receipt and any provisions of the Deposit Agreement may at any time and from time to time be amended or supplemented by written agreement between the Company and the Depositary in any respect which they may deem necessary or desirable without the consent of the Holders or Beneficial Owners. Any amendment or supplement which shall impose or increase any fees or charges (other than the charges of the Depositary in connection with foreign exchange control regulations, and taxes and/or other governmental charges, delivery and other such expenses), or which shall otherwise materially prejudice any substantial existing right of Holders or Beneficial Owners, shall not, however, become effective as to outstanding Receipts until 30 days after notice of such amendment or supplement shall have been given to the Holders of outstanding Receipts. Notice of any amendment to the Deposit Agreement or form of Receipts shall not need to describe in detail the specific amendments effectuated thereby, and failure to describe the specific amendments in any such notice shall not render such notice invalid, provided, however, that, in each such case, the notice given to the Holders identifies a means for Holders and Beneficial Owners to retrieve or receive the text of such amendment (i.e., upon retrieval from the Commission's, the Depositary's or the Company's website or upon request from the Depositary). The parties hereto agree that any amendments or supplements which (i) are reasonably necessary (as agreed by the Company and the Depositary) in order for (a) the ADSs to be registered on Form F-6 under the Securities Act or (b) the ADSs or Shares to be traded solely in electronic book-entry form and (ii) do not in either such case impose or increase any fees or charges to be borne by Holders, shall be deemed not to materially prejudice any substantial rights of Holders or Beneficial Owners. Every Holder and Beneficial Owner at the time any amendment or supplement so becomes effective shall be deemed, by continuing to hold such ADS, to consent and agree to such amendment or supplement and to be bound

by the Deposit Agreement as amended or supplemented thereby. In no event shall any amendment or supplement impair the right of the Holder to surrender such Receipt and receive therefor the Deposited Securities represented thereby, except in order to comply with mandatory provisions of applicable law. Notwithstanding the foregoing, if any governmental body should adopt new laws, rules or regulations which would require amendment or supplement of the Deposit Agreement to ensure compliance therewith, the Company and the Depositary may amend or supplement the Deposit Agreement and the Receipt at any time in accordance with such changed laws, rules or regulations. Such amendment or supplement to the Deposit Agreement in such circumstances may become effective before a notice of such amendment or supplement is given to Holders or within any other period of time as required for compliance with such laws, or rules or regulations.

- (21) Termination. The Depositary shall, at any time at the written direction of the Company, terminate the Deposit Agreement by mailing notice of such termination to the Holders of all Receipts then outstanding at least 90 days prior to the date fixed in such notice for such termination provided that, the Depositary shall be reimbursed for any amounts, fees, costs or expenses owed to it in accordance with the terms of the Deposit Agreement and in accordance with any other agreements as otherwise agreed in writing between the Company and the Depositary from time to time, prior to such termination shall take effect. If 90 days shall have expired after (i) the Depositary shall have delivered to the Company a written notice of its election to resign, or (ii) the Company shall have delivered to the Depositary a written notice of the removal of the Depositary, and in either case a successor depositary shall not have been appointed and accepted its appointment as provided herein and in the Deposit Agreement, the Depositary may terminate the Deposit Agreement by mailing notice of such termination to the Holders of all Receipts then outstanding at least 30 days prior to the date fixed for such termination. On and after the date of termination of the Deposit Agreement, each Holder will, upon surrender of such Holder's Receipt at the Corporate Trust Office of the Depositary, upon the payment of the charges of the Depositary for the surrender of Receipts referred to in Article (2) hereof and in the Deposit Agreement and subject to the conditions and restrictions therein set forth, and upon payment of any applicable taxes and/or governmental charges, be entitled to delivery, to him or upon his order, of the amount of Deposited Securities represented by such Receipt. If any Receipts shall remain outstanding after the date of termination of the Deposit Agreement, the Registrar thereafter shall discontinue the registration of transfers of Receipts, and the Depositary shall suspend the distribution of dividends to the Holders thereof, and shall not give any further notices or perform any further acts under the Deposit Agreement, except that the Depositary shall continue to collect dividends and other distributions pertaining to Deposited Securities, shall sell rights or other property as provided in the Deposit Agreement, and shall continue to deliver Deposited Securities, subject to the conditions and restrictions set forth in the Deposit Agreement, together with any dividends or other distributions received with respect thereto and the net proceeds of the sale of any rights or other property, in exchange for Receipts surrendered to the Depositary (after deducting, or charging, as the case may be, in each case the charges of the Depositary for the surrender of a Receipt, any expenses for the account of the Holder in accordance with the terms and conditions of the Deposit Agreement and any applicable taxes and/or

governmental charges or assessments). At any time after the expiration of six months from the date of termination of the Deposit Agreement, the Depositary may sell the Deposited Securities then held hereunder and may thereafter hold uninvested the net proceeds of any such sale, together with any other cash then held by it hereunder, in an unsegregated account, without liability for interest for the pro rata benefit of the Holders of Receipts whose Receipts have not theretofore been surrendered. After making such sale, the Depositary shall be discharged from all obligations under the Deposit Agreement with respect to the Receipts and the Shares, Deposited Securities and ADSs, except to account for such net proceeds and other cash (after deducting, or charging, as the case may be, in each case the charges of the Depositary for the surrender of a Receipt, any expenses for the account of the Holder in accordance with the terms and conditions of the Deposit Agreement and any applicable taxes and/or governmental charges or assessments) and except as set forth in the Deposit Agreement. Upon the termination of the Deposit Agreement, the Company shall be discharged from all obligations under the Deposit Agreement except as set forth in the Deposit Agreement. The obligations under the terms of the Deposit Agreement and Receipts of Holders and Beneficial Owners of ADSs outstanding as of the effective date of any termination shall survive such effective date of termination and shall be discharged only when the applicable ADSs are presented by their Holders to the Depositary for cancellation under the terms of the Deposit Agreement and the Holders have each satisfied any and all of their obligations hereunder (including, but not limited to, any payment and/or reimbursement obligations which relate to prior to the effective date of termination but which payment and/or reimbursement is claimed after such effective date of termination).

Notwithstanding anything contained in the Deposit Agreement or any ADR, in connection with the termination of the Deposit Agreement, the Depositary may, independently and without the need for any action by the Company, make available to Holders of ADSs a means to withdraw the Deposited Securities represented by their ADSs and to direct the deposit of such Deposited Securities into an unsponsored American depositary shares program established by the Depositary, upon such terms and conditions as the Depositary may deem reasonably appropriate, subject however, in each case, to satisfaction of the applicable registration requirements by the unsponsored American depositary shares program under the Securities Act, and to receipt by the Depositary of payment of the applicable fees and charges of, and reimbursement of the applicable expenses incurred by, the Depositary.

- (22) Compliance with U.S. Securities Laws; Regulatory Compliance. Notwithstanding any provisions in this Receipt or the Deposit Agreement to the contrary, the withdrawal or Delivery of Deposited Securities will not be suspended by the Company or the Depositary except as would be permitted by Section I.A.(1) of the General Instructions to Form F-6 Registration Statement, as amended from time to time, under the Securities Act.
- (23) Certain Rights of the Depositary. The Depositary, its Affiliates and their agents, on their own behalf, may own and deal in any class of securities of the Company and its Affiliates and in ADSs. The Depositary may issue ADSs against evidence of rights to receive Shares from the Company, any agent of the Company or any custodian, registrar, transfer agent, clearing agency or other entity involved in ownership or transaction records in respect of the Shares.

- (24) Ownership Restrictions. Owners and Beneficial Owners shall comply with any limitations on ownership of Shares under the Memorandum and Articles of Association or applicable Cayman Islands law as if they held the number of Shares their American Depositary Shares represent. The Company shall inform the Owners, Beneficial Owners and the Depositary of any such ownership restrictions in place from time to time.
- (25) Waiver. EACH PARTY TO THE DEPOSIT AGREEMENT (INCLUDING, FOR AVOIDANCE OF DOUBT, EACH HOLDER AND BENEFICIAL OWNER AND/OR HOLDER OF INTERESTS IN ANY ADRs) HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY SUIT, ACTION OR PROCEEDING AGAINST THE DEPOSITARY AND/OR THE COMPANY DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THE SHARES OR OTHER DEPOSITED SECURITIES, THE ADSs OR THE ADRs, THE DEPOSIT AGREEMENT OR ANY TRANSACTION CONTEMPLATED HEREIN OR THEREIN, OR THE BREACH HEREOF OR THEREOF (WHETHER BASED ON CONTRACT, TORT, COMMON LAW OR ANY OTHER THEORY).
