### **6. Proposed Appointment of Auditor**

The Board has resolved, with recommendation from the audit committee of the Company, to propose the appointment of KPMG as the new auditor of the Company for the ensuing year following the retirement of Deloitte, subject to the approval of the shareholders at the Annual General Meeting.

Deloitte (formerly Kwan Wong Tan and Fong) has been the auditor of the Company since the listing of the Company. Consistent with good corporate governance practice, the Board is of the view that the proposed change of auditor will be in the best interest of the Company and the shareholders as a whole.

The Board has received a letter from Deloitte confirming that there are no matters that need to be brought to the attention of the shareholders relating to the proposed change of auditor. The Board has also confirmed that there are no disagreements or outstanding matters between the Company and Deloitte, and the Board is not aware of any other matters in relation to the proposed change of auditor that need to be brought to the attention of the shareholders.

### **7. Annual General Meeting**

The notice convening the Annual General Meeting is set out on pages 15 to 18 of this circular. Shareholders are advised to read the notice and to complete and return the accompanying form of proxy not less than 48 hours (excluding any part of a day that is a public holiday) before the time appointed for holding the Annual General Meeting in accordance with the instructions printed thereon.

### **8. Recommendation**

The Directors consider that the Share Buy-back Mandate, the Share Issue Mandate, the re-election of retiring Directors and the proposed appointment of auditor are in the best interests of the Company and its shareholders and recommend the shareholders to vote in favour of the respective resolutions.

Yours faithfully,  
**Robert NG Chee Siong**  
*Chairman*

This appendix serves as an explanatory statement, as required by the Listing Rules, to provide requisite information to you for your consideration of the Share Buy-back Mandate and also constitutes the memorandum as required under Section 239(2) of the Companies Ordinance.

## **1. Listing Rules**

The Listing Rules permit companies whose primary listing are on The Stock Exchange of Hong Kong Limited (“Stock Exchange”) to buy back their securities on the Stock Exchange or on another stock exchange recognised for this purpose by the Securities and Futures Commission and the Stock Exchange, subject to certain restrictions, the most important of which are summarised below:

### ***(a) Shareholders’ Approval***

The Listing Rules provide that all on-market buy-backs of securities by a company with its primary listing on the Stock Exchange must be approved in advance by an ordinary resolution, either by way of a specific approval in relation to specific transactions or by a general mandate to the directors of the company to make such buy-backs.

### ***(b) Source of Funds***

Buy-backs must be made out of funds which are legally available for the purpose and in accordance with the company’s constitutive documents and the laws of the jurisdiction in which the company is incorporated or otherwise established.

## **2. Issued Shares**

As at the Latest Practicable Date, the issued shares of the Company comprised 7,396,071,440 Shares. On the basis of such figure, the Company would be allowed under the Share Buy-back Mandate to buy back a maximum of 739,607,144 Shares, representing 10% of the issued shares of the Company, subject to adjustment of any further Shares issued or cancelled on buy-backs after the Latest Practicable Date and up to the date of the Annual General Meeting.

## **3. Reasons for Buy-backs**

The Directors believe that the flexibility afforded by the Share Buy-back Mandate would be beneficial to the Company and its shareholders. Buy-backs of Shares will only be made when the Directors believe that such buy-backs will benefit the Company and its shareholders. Such buy-backs may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net assets of the Company and/or its earnings per Share. It will then be beneficial to those shareholders who retain their investment in the Company since their percentage interest in the assets of the Company would increase in proportion to the number of Shares bought back by the Company.

**4. Funding of Buy-backs**

Any buy-backs will be made out of funds of the Company legally permitted to be utilised in this connection in accordance with the Company's Articles of Association and the applicable laws in Hong Kong, being distributable profits of the Company or the proceeds of a fresh issue of Shares made for such purpose.

There might be an adverse impact on the working capital or gearing position of the Company as compared with the position disclosed in the audited financial statements contained in the annual report for the year ended 30th June, 2021 in the event that the Share Buy-back Mandate were to be carried out in full at any time during the proposed buy-back period. However, the Directors do not propose to exercise the Share Buy-back Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors shall from time to time be appropriate for the Company.

**5. Disclosure of Interest**

Neither the Directors nor, to the best of their knowledge having made all reasonable enquiries, their close associates, have any present intention to sell any Shares to the Company under the Share Buy-back Mandate if such is approved by the shareholders.

No other core connected persons (as defined in the Listing Rules) have notified the Company that they have a present intention to sell Shares to the Company, or have undertaken not to do so, in the event that the Share Buy-back Mandate is approved by the shareholders.

**6. Undertaking of Directors**

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will only exercise the powers of the Company to make buy-backs pursuant to the Share Buy-back Mandate and in accordance with the Listing Rules and the applicable laws of Hong Kong.

## 7. Share Prices

The highest and lowest prices at which the Shares were traded on the Stock Exchange during each of the previous 12 months up to the Latest Practicable Date were as follows:

	Shares	
	Highest HK\$	Lowest HK\$
<b>2020</b>		
September	9.67	8.90
October	10.12	9.01
November	10.60	9.06
December	10.76	10.10
<b>2021</b>		
January	10.80	10.02
February	12.96	10.78
March	12.00	10.44
April	11.82	10.72
May	12.60	11.46
June	12.98	11.88
July	12.88	11.68
August	12.88	10.98
1st September – 15th September	11.64	10.76

## 8. Effect of the Takeovers Code

If on the exercise of the power to buy back shares pursuant to the Share Buy-back Mandate, a shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of The Codes on Takeovers and Mergers and Share Buy-backs ("Takeovers Code"). As a result, a shareholder or a group of shareholders acting in concert, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code.

As at the Latest Practicable Date, approximately 58.01% of the issued shares of the Company was held by controlling shareholders and, assuming full exercise of the Share Buy-back Mandate given to the Directors, 64.45% will be held by such shareholders. The Directors are not aware of any consequences which may arise under Rules 26 and 32 of the Takeovers Code or such that the public float of the Company's shares will be reduced to less than 25% as a result of any purchases made under the Share Buy-back Mandate.

**9. Share Buy-backs made by the Company**

The Company had not purchased any of its Shares (whether on the Stock Exchange or otherwise) in the 6 months preceding the Latest Practicable Date.

The Chairman of the Meeting will put all resolutions set out in the notice of the Annual General Meeting to be voted by way of a poll pursuant to Article 69 of the Articles of Association.

On a poll, pursuant to Article 74 of the Articles of Association, subject to any special rights, privileges or restrictions as to voting from time to time attaching to any class or classes of Shares, every shareholder who (being an individual) is present in person or by proxy or (being a corporation) is present by a duly authorised representative or proxy, shall have one vote for every Share of which he/she is the holder.

A shareholder present in person or by proxy or by authorised representative who is entitled to more than one vote does not have to use all his/her votes (i.e. he/she can cast less votes than the number of Shares he/she holds or represents) or to cast all his/her votes the same way (i.e. he/she can cast some of his/her votes in favour of the resolution and some of his/her votes against the resolution). It is believed that in most situations, shareholders (other than nominee companies) usually cast all their votes either in favour of a resolution or against a resolution.

The poll voting slip will be distributed to shareholders or their proxies or authorised representatives upon registration of attendance at the Annual General Meeting. Shareholders who want to cast all their votes entitled may mark a “✓” in either “FOR” or “AGAINST” box corresponding to the resolution to indicate whether they support that resolution. For shareholders who do not want to use all their votes or want to split votes in casting a particular resolution shall indicate the number of votes cast on a particular resolution in the “FOR” or “AGAINST” box, where appropriate, but the total votes cast must not exceed their entitled votes, or otherwise, the voting slip will be spoiled and the shareholders’ vote will not be counted.

After closing the poll, the Company’s Share Registrar, Tricor Standard Limited, will scrutinise the votes counting and the poll results will be published on the website of Hong Kong Exchanges and Clearing Limited at [www.hkexnews.hk](http://www.hkexnews.hk) and the Company’s website at [www.sino.com](http://www.sino.com) on the same day after the Annual General Meeting.
