Manulife announces Limited Recourse Capital Notes issue

TORONTO - Manulife Financial Corporation ("**MFC**") announced today that it intends to issue \$1.2 billion principal amount of 4.10% Limited Recourse Capital Notes Series 2 (Subordinated Indebtedness) (the "**Notes**"). MFC intends to file a prospectus supplement to its existing base shelf prospectus in respect of this issue.

The Notes will bear interest at a fixed rate of 4.10% annually, payable semi-annually, for the initial period ending on, but excluding, March 19, 2027. Thereafter, the interest rate on the Notes will reset every five years at a rate equal to the prevailing 5-year Government of Canada Yield plus 2.704%. The Notes mature on March 19, 2082.

In connection with the issuance of the Notes, MFC will issue 1,200,000 Non-Cumulative Fixed Rate Reset Class 1 Shares Series 28 (the "**Series 28 Shares**") to be held by Computershare Trust Company of Canada as trustee of Manulife LRCN Limited Recourse Trust (the "**Limited Recourse Trust**"). In case of non-payment of interest on or principal of the Notes when due, the recourse of each noteholder will be limited to that holder's proportionate share of the Limited Recourse Trust's assets in respect of the Notes, which will consist of Series 28 Shares except in limited circumstances.

Subject to prior regulatory approval, MFC may redeem the Notes, in whole or in part on not less than 15 nor more than 60 days' prior notice by MFC, during the period from February 19 to and including March 19, commencing in 2027 and every five years thereafter at a redemption price equal to par, together with accrued and unpaid interest up to, but excluding, the date of redemption.

The offering is being done on a best efforts agency basis by a syndicate co-led by RBC Capital Markets, Scotiabank and TD Securities. The offering is expected to close on November 12, 2021.

The Notes will be issued under a trust indenture to be dated as of the closing date of the offering between MFC and BNY Trust Company of Canada.

MFC intends to use the net proceeds from the offering for general corporate purposes, including investment in subsidiaries and potential future redemptions of existing securities.

Neither the Notes nor the Series 28 Shares have been, nor will be, registered in the United States under the United States Securities Act of 1933, as amended (the "**Securities Act**"), or the securities laws of any state of the United States and may not be offered, sold or delivered, directly or indirectly in the United States or to, or for the account or benefit of, a "U.S. person" (as defined in Regulation S under the Securities Act) absent registration under the Securities Act or an applicable exemption from such registration requirements. This press release does not constitute an offer to sell or a solicitation to buy securities in the United States or in any other jurisdiction where such offer or solicitation would be unlawful.
