FOR THE NINE MONTHS ENDED 30 SEPTEMBER 2021

THIRD QUARTERLY REPORT 2021
FOR THE NINE MONTHS ENDED 30 SEPTEMBER 2021

CHARACTERISTICS OF GEM OF THE STOCK EXCHANGE OF HONG KONG LIMITED (THE “STOCK EXCHANGE”)

GEM has been positioned as a market designed to accommodate small and mid-size companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risk of investing in such companies and should make the decision to invest only after due and careful consideration.

Given that the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

The Hong Kong Exchanges and Clearing Limited and the Stock Exchange take no responsibility for the contents of this report, make no representation as to its accuracy or completeness and expressly disclaim any liability whatsoever for any loss howsoever arising from or in reliance upon the whole or any part of the contents of this report .

This report, for which the directors (the “Directors”) of China Health Group Inc. (the “Company”) collectively and individually accept responsibility, includes particulars given in compliance with the Rules Governing the Listing of Securities on GEM of the Stock Exchange (the “GEM Listing Rules”) for the purpose of giving information with regard to the Company and its subsidiaries (together, the “Group”). The Directors, having made all reasonable enquiries, confirm that, to the best of their knowledge and belief the information contained in this report is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this report misleading

NOTES TO THE CONDENSED CONSOLIDATED FINANCIAL STATEMENTS (UNAUDITED)

For the nine months ended 30 September 2021

1. Corporate information

The Company was incorporated in the Cayman Islands on 21 May 2002 as an exempted company with limited liability under the Companies Law of the Cayman Islands. The address of its registered office is 4th Floor, PO Box 2804, Scotia Centre, George Town, Grand Cayman, Cayman Islands and its principal place of business is Boda Building, 28 Beiqing Road, Life Science Park, Zhongguancun, Changping District, Beijing, China. The Company has had its shares listed on GEM of the Stock Exchange of Hong Kong Limited since 10 July 2003. The Company is an investment holding company. The principal activities of its subsidiaries are to provide fully integrated pharmaceutical services including clinical research services, post marketing surveillance, real-world study, medical science events, medical marketing and product promotion service, and other medical services. The Company is focusing on building itself into a group corporation providing comprehensive terminal medical service under international architecture.

2. Adoption of new and revised international financial reporting standards

In the current year, the Company has adopted all the new and revised Hong Kong Financial Reporting Standards ("HKFRSs") issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA") that are relevant to its operations and effective for its accounting year beginning on 1 January 2018. HKFRSs comprise Hong Kong Financial Reporting Standards; Hong Kong Accounting Standards ("HKAS"); and Interpretations. The adoption of these new and revised HKFRSs did not result in significant changes to the Company's accounting policies, presentation of the Company's financial statements and amounts reported for the current year and prior years except as stated below.

The Group has not applied the new HKFRSs that have been issued but are not yet effective. The Group has already commenced an assessment of the impact of these new HKFRSs but is not yet in a position to state whether these new HKFRSs would have a material impact on its results of operations and financial position.

3. Accounting policies and basis of preparation

These unaudited condensed financial statements have been prepared in accordance with all applicable Hong Kong Financial Reporting Standards ("HKFRSs"), which collective term includes all applicable individual Hong Kong Financial Reporting Standards ("HKFRSs") and Interpretations issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA"), accounting principles generally

accepted in Hong Kong and disclosure requirements of the Hong Kong Companies Ordinance. These consolidated financial statements also comply with the applicable disclosure provisions of the Rules Governing the listing of Securities on GEM of the Stock Exchange (the “GEM Listing Rules”).

The accounting policies adopted in the preparation of these unaudited condensed financial statements are consistent with those followed in the preparation of the Group’s audited consolidated financial statements for the year ended 31 December 2020 except for the changes in accounting policies, if required, in adopting new or revised HKFRSs and interpretations that are first effective for accounting periods beginning on or after 1 January 2021.

These unaudited condensed consolidated financial statements are presented in Renminbi (“RMB”) and it is also the functional currency of the Company.

MANAGEMENT DISCUSSION AND ANALYSIS

BUSSINESS REVIEW

In terms of scientific research services, the Group's "RWS Wanquan center" is to re-screen and Group existing drugs through real clinical research of big data to find the best treatment. The Group established a biological sample testing laboratory, equipped with Waters UPLC-MS/MS.xevo TQS, which is officially open to the public. The laboratory mainly serves clinical research, especially the clinical research experiment of antiviral drugs.

The Company proposes two models in the epidemic situation and the new era of medical treatment. 1. "Research based treatment RWS therapy model" is to carry out clinical and big data research on Five specialty clinical through real world clinical research, guide drug treatment in the research, and obtain medical big data guidance research in the treatment. 2. The D-CRCO model (Digital-Clinical Research Commercialization Organization) is a digital clinical research promotion platform. It uses big data clinical research to precisely enable the commercialization of products. These two models will redefine research-based treatment and research-based promotion to replace traditional treatment and commercialization.

In terms of big data medical services, we have established research digital special area medical diagnosis with many top medical institutions in Beijing, Shanghai, Guangzhou and other places, as well as the top 100 chain and digital medical groups such as Gaoji medical, haiwangxingchen, micro medical group and miaozhou medical group, such as yuequit smoking research and treatment specialty, Hein psychological research and treatment specialty, baimin fever and cough research and treatment specialty, disease resistance and treatment specialty poison research and treatment areas will play an important role in the epidemic and post epidemic era.

Around the core treatment field, we have built a digital medical terminal service complex under the Internet architecture, forming a closed-loop system from scientific research to rehabilitation.

1. From hospital big data clinical research to digital scientific research product promotion service.
2. To jointly build digital research clinical research specialty.
3. To self-supporting O2O special specialty medical diagnosis.
4. To explore rehabilitation medical and tourism medical services.

FINANCIAL REVIEW

The Group achieved a turnover of RMB55,829,000 during the Period, representing an increase of approximately 8.5% compared with that in the corresponding period of last year. The increase in turnover is mainly due to the introduction of new customers during the Period.

The consolidated turnover included approximately RMB55,829,000 derived from the post marketing surveillance, real-world clinical research, medical science and medical market services (PMS), amounted to 100% of the total revenue.

The Group recorded a profit before taxation of approximately RMB31,059,000 for the Period, representing a decrease of approximately 21.5% as compared with that of approximately RMB37,023,000 in the corresponding period last year. Net profits for the Period and the corresponding period last year were approximately RMB25,808,000 and approximately RMB32,799,000 respectively. The decrease in profit was mainly due to the sale of three wholly-owned subsidiaries in the corresponding period last year, with a transfer income of approximately RMB10,224,000 being recorded.

PROSPECTS

With the change of business model of Chinese pharmaceutical enterprises, CHG has assumed the responsibility of replacing traditional CSO model with CRO and CSO model combination.
