VOLUNTARY ANNOUNCEMENT

This announcement is made by Hua Hong Semiconductor Limited (the “**Company**”) on a voluntary basis to provide the shareholders of the Company and potential investors with an update on the temporary power outage of Fab 3 of the Company (“**Fab 3**”).

At 9:07 a.m. on 7 January 2022, there was a failure of PT (potential transformer) in GIS (Gas Isolation Switch) in Fab 3 of the Company, resulting in a temporary power outage in Fab 3. No casualties were caused and various environmental monitoring indicators remained normal. Emergency plan had been put in place immediately. As a result, the power supply resumed at noon on the same day. At present, the production has gradually resumed. The Company expects that such incident would not have any significant impact on its financial results.
