REASONS FOR AND BENEFITS IN RELATION TO THE TRANSACTIONS

The Group has been leasing premises from Beijing Huashi Investment for use as offices, and has practical needs to continue to lease such office premises. The leases of the office premises under the 2021 Renewed Beijing Huashi Tenancy Agreements have expired on 31 December 2021. The Company believes that it is time and cost efficient for the Group to continue to lease premises under the 2022 Renewed Beijing Huashi Tenancy Agreements rather than seeking for alternative locations, which would incur unnecessary moving costs and cause potential disruption to the daily operations of the Group.

The lease of the manufacturing plant under the 2021 Renewed Shine New Material Tenancy Agreement has expired on 31 December 2021. The Company believes that through the leasing of the factory premises to Hilong Shine New Material, the Group is able to continue to achieve use of their resources in a more efficient manner. The rental income received by Hilong Zhizao Consulting under the 2022 Renewed Shine New Material Tenancy Agreement also provides a steady source of revenue to the Group.
