## **PROFIT ALERT FOR THE YEAR OF 2021**

The Board hereby informs the shareholders of the Company and potential investors that, based on the preliminary assessment by the Board of the internal unaudited consolidated management accounts of the Group and information on market conditions currently available, as compared to a net profit of approximately RMB412 million for the year ended 31 December 2020 as disclosed in the annual results announcement for the year 2020, the Group is expected to record a net profit of approximately RMB550 million to approximately RMB700 million for the year ended 31 December 2021, which is mainly attributable to that the Company enhanced efforts in market expansion and communication with customers, reversed credit impairment losses, and further strengthened cost control in 2021, and that there has been an increase in the business of airport digital products.

**The Board hereby reminds investors that the Company is still in the process of finalizing the Company's financial results for the year 2021, if there is any change, the Company will perform information disclosure obligations according to relevant requirements under the Listing Rules in due course (if necessary). The information contained in this announcement is only preliminary assessment according to the internal management records of the Company and with reference to the information currently available, which has not been reviewed or audited by the auditors of the Company and the audit and risk management committee of the Company and may be subject to finalization and necessary adjustments. The monthly operating data and relevant financial data disclosed by the Company only serve as preliminary and periodical data for investors' reference, which may differ from the figures to be disclosed in the audited consolidated financial statements to be published by the Company on an annual basis. The actual financial results of the Company for the year ended 31 December 2021, which may differ**

**Shareholders of the Company and potential investors should exercise caution when investing or dealing in the shares of the Company.**
