**PROFIT UPDATE IN RESPECT OF
THE NINE MONTHS ENDED 31 DECEMBER 2021**

This announcement is made by Universe Printshop Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 17.10(2)(a) of the Rules Governing the Listing of Securities on GEM of The Stock Exchange of Hong Kong Limited (the “**GEM Listing Rules**”) and the Inside Information Provisions (as defined under the GEM Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the “**Board**”) of directors of the Company (the “**Directors**”) wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that based on the preliminary assessment of the Group’s unaudited consolidated management accounts for the nine months ended 31 December 2021 and information currently available to the Company, the Group is expected to record a net profit of approximately HK\$2.0 million for the nine months ended 31 December 2021 and 31 December 2020. Excluding the impact of one-off items in the respective financial period, the net profit was approximately HK\$1.7 million (excluding the impact of a one-off gain on modification of lease for retail shops of approximately HK\$0.2 million) for the nine months ended 31 December 2021, as compared to a net loss of HK\$6.7 million (excluding the impact of a gain on modification of lease for retail shops and machineries of approximately HK\$0.9 million and subsidy income received under the Employment Support Scheme and the Retail Sector Subsidy Scheme of approximately HK\$7.8 million) for the nine months ended 31 December 2020.

The turnaround from net loss to net profit was mainly attributable to (i) the increase in the demand of printing services; (ii) the decrease in depreciation due to the impairment of approximately HK\$11.8 million made on property, plant and equipment and right-of-use assets for the financial year 2021; and (iii) the decrease in selling and administrative expense due to the tightened cost control.

The Company is still in the process of finalising the consolidated results of the Group for the nine months ended 31 December 2021. The information contained in this announcement is only based on the preliminary assessment made by the Board on the unaudited consolidated management accounts of the Group for the nine months ended 31 December 2021 and the unaudited information currently available to the Company, which have not been confirmed or reviewed by the Company's auditor and the Company's audit committee. The above information may be subject to further adjustment based on further updated information and following the completion of the review by the Board's audit committee.

Shareholders and potential investors are advised to read carefully the quarterly results announcement of the Group for the nine months ended 31 December 2021, which is expected to be published in February 2022.

Shareholders and potential investors should exercise caution when dealing in the securities of the Company.
